ITEM 3. Source and Amount of Funds or Other Consideration.

A total of approximately \$19,066,732 was paid to acquire the securities reported as beneficially owned by the Reporting Persons herein, and the Warrants were acquired pursuant to the Securities Exchange Agreement disclosed below in Item 5. The funds used to purchase these securities were obtained from the general working capital of PPLO and PPVA, and margin account borrowings made in the ordinary course of business, although the Reporting Persons cannot determine whether any funds allocated to purchase such securities were obtained from any margin account borrowings.

ITEM 4. Purpose of Transaction.

The Reporting Persons purchased the Common Stock based on the belief that such securities, when purchased, were undervalued and represented an attractive investment opportunity. Although no Reporting Person has any specific plan or proposal to acquire or dispose of the Common Stock, consistent with its investment purpose, each Reporting Person at any time and from time to time may acquire additional Common Stock or dispose of any or all of its Common Stock depending upon an ongoing evaluation of the investment in the Common Stock, prevailing market conditions, other investment opportunities, liquidity requirements of the Reporting Persons, and/or other investment considerations. The purpose of the acquisitions of the Common Stock was for investment, and the acquisitions of the Common Stock were made in the ordinary course of business and were not made for the purpose of acquiring control of the Issuer.

Consistent with their investment purpose, the Reporting Persons have engaged, and may continue to engage, in communications with one or more stockholders of the Issuer, one or more officers of the Issuer and/or one or more members of the board of directors of the Issuer and/or one or more representatives of the Issuer regarding the Issuer, including but not limited to its operations and plans of the Reporting Persons. In particular, the Reporting Persons have had preliminary discussions with the Issuer concerning among other things the composition of the Issuer's board of directors. The Reporting Persons may discuss ideas that, if effected may result in a change in any of the following: the acquisition by persons of additional Common Stock of the Issuer, an extraordinary corporate transaction involving the Issuer, and/or other changes in the board of directors or management of the Issuer.

Except as disclosed above, none of the Reporting Persons has any other plans or proposals which relate to, or would result in, any of the matters referred to in paragraphs (a) through (j), inclusive, of the instructions to Item 4 of Schedule 13D. The Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto.

ITEM 5. Interest in Securities of the Issuer.

(a) The Reporting Persons collectively beneficially own 15,330,083 shares in the aggregate of Common Stock, which includes 4,365,280 shares of Common Stock issuable upon the exercise of the warrants described below. The shares of Common Stock beneficially owned by the Reporting Persons represent 9.58% percent of the outstanding shares of Common Stock. The 9.58% ownership calculation was based on the 156,666,583 shares of Common Stock reported by the Issuer as being outstanding as of February 2, 2016, as received from the Issuer in a communication dated March 3, 2016, plus the 4,365,280 shares of Common Stock issuable upon the exercise of the warrants described below. Each Reporting Person disclaims the beneficial ownership with respect to any shares of Common Stock other than the shares owned directly and of record by such Reporting Persons.

On August 20, 2015, as disclosed by the Issuer in a Current Report on Form 8-K filed with the SEC on August 26, 2015, pursuant to a Securities Exchange Agreement with the Issuer, PPVA exchanged 4,519 shares of Navidea's Series B Convertible Preferred Stock for Warrants to acquire an aggregate of 14,777,130 shares of Common Stock at an

exercise price per share of \$0.01. The Warrants contain a blocker (the 9.99% Blocker) that prevents the conversion or exercise thereof, as applicable, to the extent that such conversion or exercise, as applicable, would result in the holder and its affiliates together beneficially owning more than 9.99% of the outstanding shares of Common Stock, except on 61 days prior written notice to the Issuer that the holder waives

such limitation. As the current beneficial ownership of the Reporting Persons would not exceed 9.99% even if the Warrants were fully exercised, the Warrants are not excluded from the beneficial ownership calculation reported in this Item 5.

(b) Platinum Management and PPVA may be deemed to share the power to vote or direct the vote of and to dispose or direct the disposition of 13,748,890 shares of Common Stock reported herein as held by them. (d) Not applicable.

(e) Not applicable.

ITEM 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

ITEM 7. Material to be Filed as Exhibits.

Exhibit 99.1 Joint Filing Agreement

Exhibit 99.2 List of the transactions in the Issuer's Common Stock that were effected by the Reporting Persons during the past sixty days
