EXPLANATORY NOTE

Nobility Homes, Inc. (the Company) is filing this Amendment No. 1 on Form 10-K/A (Amendment No. 1) to amend and restate Item 9A of its Annual Report on Form 10-K for the fiscal year ended October 31, 2015, originally filed with the Securities and Exchange Commission (the Commission) on January 28, 2016 (the Original Annual Report). The Company made the following revisions to Item 9A for the purposes of addressing comments received from the Securities and Exchange Commission: (i) disclosing the certifying officers' conclusion regarding the Company's controls and procedures and (ii) disclosing the version of the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission's Internal Control - Integrated Framework utilized when performing the assessment of the Company's internal control over financial reporting.

This Amendment No. 1 also includes certifications from our Chief Executive Officer and Chief Financial Officer dated as of the date of this filing. Except for the foregoing, Amendment No. 1 neither alters the Original Annual Report nor updates the Original Annual Report to reflect events or developments since the date of filing of the Original Annual Report.

Item 9A. Controls and Procedures

Evaluation of Disclosure Controls and Procedures. The Company's Chief Executive Officer (principal executive officer) and Chief Financial Officer (principal financial officer) have evaluated the effectiveness of the Company's disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the Exchange Act)) as of the end of the period covered by this report (the Evaluation Date). Based on their evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that the Company's disclosure controls and procedures were effective as of the Evaluation Date.

Management's Annual Report on Internal Control over Financial Reporting. The Company's management is responsible for establishing and maintaining adequate and effective internal control over financial reporting in order to provide reasonable assurance of the reliability of the Company's financial reporting and preparation of financial statements for external reporting purposes in accordance with accounting principles generally accepted in the United States of America. Internal control over financial reporting involves policies and procedure that (i) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and disposition of assets of the issuer; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the issuer are being made in accordance with authorizations of management and directors of the issuer; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the issuer Company assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

The Company's management assessed the effectiveness of its internal control over financial reporting as of October 31, 2015 based on criteria established in Internal Control - Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission and determined that its internal controls were effective.

This annual report does not include an attestation report of the Company's registered public accounting firm regarding internal control over financial reporting.

Changes in internal control over financial reporting. There were no changes in our internal controls over financial reporting that occurred during the fourth quarter of fiscal 2015 that have materially affected, or are reasonably likely to materially affect, the Company's internal controls over financial reporting.
