Key Messages / Talking Points for Employees

To assist you in communicating with your direct reports, below are some key messages. Please discuss the facts as they are **do not improvise or deviate from the messages** in the attached materials.

What We Announced

We have announced an agreement to merge with Cash America.

The new company, to be named FirstCash, will have one of the largest retail pawn store footprints in Latin America and the United States, with over 2,000 locations across four countries.

This is a transformational combination that creates compelling growth and value creation opportunities for both companies employees and shareholders.

How Did this Come About, Why Now

We've appreciated Cash America's progress in refocusing over the past few years on their large and well-established core U.S. pawn business.

We at First Cash have of course always focused on growing our pawn operations, both in Latin America and the U.S.

In looking how to accelerate our growth, both companies quickly saw the logic and the significant value and upside potential in this combination.

For example, the resulting increased scale will enable us to serve more consumers in more markets than ever before.

We have limited overlap of stores in most U.S. markets. In fact, they have a significant presence in many markets where we currently don't have stores such as Las Vegas, Florida, Washington state, Arizona and Louisiana, among others.

We will also benefit from significant run-rate synergies, such as technology integration, and robust cash flows that we can use to enhance our ability to pursue expansion in the growing Latin American region, which we expect will be our primary store growth vehicle.

For those employees who are also shareholders, you should know that the robust cash flows will also support a meaningful increase to our cash dividend, which is currently expected to be \$0.76 per share, or approximately

50% greater than First Cash's current dividend policy.

About Cash America

For those of you who are unfamiliar, Cash America, which is headquartered in Fort Worth, Texas, has grown to approximately 900 locations in 20 states since its founding in 1984.

It serves consumers in the United States primarily under the brand names Cash America Pawn and SuperPawn.
What this Means for Employees

It is business as usual at First Cash.

We are counting on each of you to remain focused on our customers and continue providing the same service First Cash is known for.

The combined company will be led by a proven leadership team that reflects the strengths and capabilities of both companies.

Dan Feehan, Chairman of Cash America, will serve as Non-Executive Chairman of the new FirstCash.

Rick Wessel will serve as Vice Chairman and Chief Executive Officer.

Brent Stuart, Cash America's President and Chief Executive Officer, will serve as President and Chief Operating Officer.

Doug Orr will serve as Executive Vice President and Chief Financial Officer.

The combined company's board of directors will be comprised of seven directors, three of whom will be designated by First Cash, three by Cash America and a former First Cash director endorsed by Cash America.

Over time, as we bring our companies together, we expect employees of both First Cash and Cash America to benefit from being part of a larger, diversified organization that is even better positioned for industry leadership, with additional opportunities for career growth and development.

Next Steps

This announcement is just the first step.

Until the transaction closes, which we currently expect to occur in the second half of 2016, we will continue to operate as a separate company and remain independent from Cash America.

Over the coming months, First Cash and Cash America will be developing plans on how best to bring the companies together. We will keep employees updated as decisions are made.

Should you have any questions please feel free to reach out to your supervisor or Debbie Goodridge in the U.S. corporate office, as usual.
