DESCRIPTION OF CAPITAL STOCK

General

The following description of our capital stock is a summary and is qualified in its entirety by reference to the Amended and Restated Certificate of Incorporation of Town Sports International Holdings, Inc. (as amended, the Certificate of Incorporation) and the Third Amended and Restated By-laws of Town Sports International Holdings, Inc. (as amended, the By-Laws), copies of which have been filed as exhibits to the registration statement of which this prospectus forms a part, and by applicable law. See Where You Can Find More Information.

Our authorized capital stock consists of 100,000,000 shares of common stock, par value \$0.001 per share, and 5,000,000 shares of preferred stock, par value \$0.001 per share.

Common Stock

As of April 28, 2016, there were 25,618,928 shares of our common stock outstanding, held of record by 108 stockholders.

Holders of our common stock are entitled to one vote for each share held on all matters submitted to a vote of stockholders and do not have cumulative voting rights. Accordingly, holders of a majority of the shares of our common stock entitled to vote in any election of directors may elect all of the directors standing for election. Holders of our common stock are entitled to receive ratably those dividends, if any, as may be declared by our board of directors out of funds legally available for dividends, subject to any preferential dividend rights of any outstanding preferred stock. Upon our liquidation, dissolution or winding up, our common stockholders are entitled to receive ratably our net assets available, if any, after the payment of all debts and other liabilities and subject to the prior rights of any outstanding preferred stock. Holders of our common stock have no preemptive, subscription, redemption or conversion rights. The rights, preferences and privileges of holders of our common stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of preferred stock which we may designate and issue in the future.

Preferred Stock

There are no shares of our preferred stock outstanding. Our board of directors is authorized, without further stockholder approval, to issue from time to time up to an aggregate of 5,000,000 shares of preferred stock in one or more series and to fix or alter the designations, preferences, rights and any qualifications, limitations or restrictions of the shares of each series of preferred stock, including the dividend rights, dividend rates, conversion rights, voting rights, terms of redemption, including sinking fund provisions, redemption price or prices, liquidation preferences and the number of shares constituting any series or designation of series. The issuance of preferred stock could decrease the amount of earnings and assets available for distribution to holders of common stock or adversely affect the rights and powers, including voting rights, of the holders of common stock.

Authorized but Unissued Capital Stock

Delaware law does not require stockholder approval for any issuance of authorized shares. However, the listing requirements of the NASDAQ Global Market, which apply so long as our common stock remains listed on the NASDAQ Global Market, require stockholder approval of certain issuances equal to or exceeding 20% of the then outstanding voting power or the then outstanding number of shares of common stock. These additional shares may be used for a variety of corporate purposes, including future public offerings, to raise additional capital or to facilitate

acquisitions.

One of the effects of the existence of unissued and unreserved common stock or preferred stock may be to enable our board of directors to issue shares to persons friendly to current management, which issuance could render more difficult or discourage an attempt to obtain control of us by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of our management and possibly deprive the stockholders of opportunities to sell their shares at prices higher than prevailing market prices.

Table of Contents

Anti-Takeover Effects of Provisions of Delaware Law and Our Certificate of Incorporation and By-Laws

Undesignated Preferred Stock

The ability to authorize undesignated preferred stock will make it possible for our board of directors to issue preferred stock with super voting, special approval, dividend or other rights or preferences on a discriminatory basis that could impede the success of any attempt to acquire us or otherwise effect a change in control of us. These and other provisions may have the effect of deferring, delaying or discouraging hostile takeovers, or changes in control or management of our company.

Requirements for Advance Notification of Stockholder Meetings, Nominations and Proposals

The By-Laws provide that, subject to applicable law, special meetings of the stockholders may be called only by the chairperson of our board of directors, our chief executive officer, our president or at the written request of at least a majority of the members of our board of directors. The By-Laws prohibit the conduct of any business at a special meeting other than as specified in the notice for such meeting. These provisions may have the effect of deferring, delaying or discouraging hostile takeovers, or changes in control or management of our company.

The By-Laws establish advance notice procedures with respect to stockholder proposals and the nomination of candidates for election as directors, other than nominations made by or at the direction of the board of directors or a committee of the board of directors. In order for any matter to be properly brought before a meeting, a stockholder will have to comply with advance notice requirements and provide us with certain information. Additionally, the Certificate of Incorporation provides that vacancies and newly created directorships may be filled only by a vote of a majority of the directors then in office, even though less than a quorum, and not by the stockholders. These provisions may also defer, delay or discourage a potential acquirer from conducting a solicitation of proxies to elect the acquirer's own slate of directors or otherwise attempting to obtain control of our company.

The Certificate of Incorporation provides that the board of directors is expressly authorized to repeal, alter, amend or rescind the By-Laws. The By-Laws may also be repealed, altered, amended or rescinded by the stockholders holding at least a majority of the outstanding shares of capital stock entitled to vote generally in the election of directors (considered for this purpose as one class) cast at a meeting of the stockholders called for that purpose.

Stockholder Action by Written Consent; Special Meetings of Stockholders

Our stockholders may take action by written consent in lieu of a meeting as provided in our By-laws. Our bylaws provide that certain procedures, including notifying the Board of Directors and awaiting a record date, must be followed for stockholders to act by written consent. A special meeting of our stockholders may be called only by the Chairperson of the Board, the Chief Executive Officer, the President or at the written request of at least a majority of the members of the Board of Directors.

No Cumulative Voting

The General Corporation Law of the State of Delaware (DGCL) provides that stockholders are not entitled to the right to cumulate votes in the election of directors unless our Certificate of Incorporation provides otherwise. Our Certificate of Incorporation does not expressly provide for cumulative voting.

Delaware Anti-Takeover Statute

We are a Delaware corporation subject to Section 203 of the DGCL. Section 203 provides that, subject to certain exceptions specified in the law, a Delaware corporation shall not engage in certain business combinations with any interested stockholder for a three-year period after the date of the transaction in which the person became an interested stockholder unless:

Table of Contents

prior to such time, our board of directors approved either the business combination or the transaction that resulted in the stockholder becoming an interested stockholder;

upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of our voting stock outstanding at the time the transaction commenced, excluding certain shares; or

at or subsequent to that time, the business combination is approved by our board of directors and authorized by the affirmative vote of holders of at least 66 2/3% of the outstanding voting stock that is not owned by the interested stockholder.

Generally, a business combination includes a merger, asset or stock sale or other transaction resulting in a financial benefit to the interested stockholder. Subject to certain exceptions, an interested stockholder is a person who, together with that person's affiliates and associates, owns, or within the previous three years did own, 15% or more of our voting stock.

Under certain circumstances, Section 203 makes it more difficult for a person who would be an interested stockholder to effect various business combinations with a corporation for a three-year period. The provisions of Section 203 may encourage companies interested in acquiring our company to negotiate in advance with our board of directors because the stockholder approval requirement would be avoided if our board of directors approves either the business combination or the transaction that results in the stockholder becoming an interested stockholder. These provisions also may make it more difficult to accomplish transactions that stockholders may otherwise deem to be in their best interests.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is Computershare.

PLAN OF DISTRIBUTION

Upon vesting of the shares covered by this prospectus pursuant to the terms of the Restricted Stock Agreement, the shares covered by this prospectus may be offered and sold from time to time by the selling stockholder. To the extent required, this prospectus may be amended and supplemented from time to time to describe a specific plan of distribution.

The selling stockholder will act independently of the Company in making decisions with respect to the timing, manner and size of each sale. These sales may be made at prices on the NASDAQ Global Market and under terms then prevailing or at prices related to the then current market price. Sales may also be made in negotiated transactions, including pursuant to one or more of the following methods:

purchases by a broker-dealer as principal and resale by such broker-dealer for its own account pursuant to this prospectus,

ordinary brokerage transactions and transactions in which the broker solicits purchasers,

block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction, and

in privately negotiated transactions.

In addition, any shares that qualify for sale pursuant to Rule 144 may be sold under Rule 144 rather than pursuant to this prospectus.

In effecting sales, broker-dealers or agents engaged by the selling stockholder may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling stockholder, in amounts to be negotiated immediately prior to the sale. In offering the shares covered by this prospectus, the selling stockholder, and any broker-dealers and any other participating broker-dealers who execute sales for the selling stockholder may be deemed to be underwriters within the meaning of the Securities Act in connection with these sales. Any profits realized by the selling stockholder and the compensation of such broker-dealers may be deemed to be underwriting discounts and commissions.

Table of Contents

In order to comply with the securities laws of certain states, the shares must be sold in those states only through registered or licensed brokers or dealers. In addition, in certain states the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

We have advised the selling stockholder that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholder and his affiliates. In addition, we will make copies of this prospectus available to the selling stockholder for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling stockholder may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

At the time a particular offer of shares is made, if required, a prospectus supplement will be distributed that will set forth:

the number of shares being offered,

the terms of the offering, including the name of any underwriter, dealer or agent,

the purchase price paid by any underwriter,

any discount, commission and other underwriter compensation,

any discount, commission or concession allowed or reallocated or paid to any dealer, and

the proposed selling price to the public.

We intend to use reasonable commercial efforts to keep the Registration Statement of which this prospectus constitutes a part effective until the earlier of (1) such time as all of the shares covered by this prospectus have been disposed of pursuant to the Registration Statement or (2) such time as when the selling stockholder no longer holds any remaining shares covered by this prospectus.

II-1

Table of Contents

Section 145 of the General Corporation Law of the State of Delaware (the "DGCL") provides for the indemnification of officers and directors in certain circumstances. In accordance with and to the extent permitted by the DGCL, Article VII of the Company's Amended and Restated Certificate of Incorporation (the "Certificate of Incorporation") limits the personal liability of the directors of the Registrant for breaches of fiduciary duty. In accordance with and to the extent permitted by the DGCL, Article VIII of the Certificate of Incorporation and Article VIII of the Company's Third Amended and Restated By-Laws (the "By-Laws") permits the Company to indemnify its directors and officers.

The Company has entered into agreements with its directors and certain officers that will require the Company, among other things, to indemnify them against certain liabilities that may arise by reason of their status or service as directors or officers to the fullest extent permitted by law. The Company maintains liability insurance for the benefit of its officers and directors.

The Registrant's 2004 Common Stock Option Plan, as amended (the "2004 Stock Option Plan"), provides for the indemnification of the Registrant's directors in connection with any action, suit or proceeding in which such directors are involved by reason of any act or omission under the 2004 Stock Option Plan or any option granted thereunder. To the maximum extent permitted by the DGCL, the Certificate of Incorporation and By-Laws and to the extent not covered by insurance directly insuring such person, the Registrant's 2006 Stock Incentive Plan (as amended and restated effective as of April 2, 2015) (the "2006 Stock Incentive Plan") provides for the indemnification of the Registrant's officers and directors for any cost, expense or liability arising out of any act or omission in connection with the administration of the 2006 Stock Incentive Plan.

The above discussion of the DGCL and of the Certificate of Incorporation, By-Laws, indemnification agreements, 2004 Stock Option Plan and 2006 Stock Incentive Plan is not intended to be exhaustive and is qualified in its entirety by such statute, Certificate of Incorporation, By-Laws, indemnification agreements, 2004 Stock Option Plan and 2006 Stock Incentive Plan.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Company as disclosed above, the Company has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933, as amended, and is therefore unenforceable.

Item 7. Exemption from Registration Claimed.

The Company has relied upon Section 4(a)(2) of the Securities Act with respect to the issuance of the restricted securities to be reoffered or resold pursuant to this Registration Statement, on the basis that the issuance was a private offering to one individual.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
