TEEKAY LNG PARTNERS CEO, CFO AND BOARD MEMBER PETER EVENSEN TO RETIRE

Hamilton, Bermuda, October 27, 2016 Teekay GP LLC, the general partner of Teekay LNG Partners L.P. (*Teekay LNG or the Partnership*) (NYSE: TGP), announced the following changes to its Board and management team:

Peter Evensen, CEO, CFO and a Director of Teekay GP LLC, has informed the Partnership of his intention to retire from these positions effective January 31, 2017, after 11 years with the Partnership. In addition, Mr. Evensen will also retire from his positions as President and CEO and a Director of Teekay Corporation, CEO, CFO and a Director of Teekay Offshore Partners L.P.'s general partner, and a Director of Teekay Tankers Ltd.

Mark Kremin, President of Teekay Corporation's Gas division, will be appointed as President and CEO of a newly formed management services company, Teekay Gas Group Ltd., that will take over Mr. Evensen's operational and strategic roles by providing services to the Partnership's subsidiaries. Mr. Kremin has over 20 years of experience in the shipping industry and, since joining Teekay Corporation in 2000, has held various positions, including in-house counsel from 2000 to 2006, Vice President, Teekay Gas from 2006 to 2015 and his most recent position as President, Teekay Gas since 2015. Mr. Kremin also represents Teekay Gas on the boards of joint ventures with partners in Europe, Asia and the Middle East.

In addition, George Watson, a Director of Teekay GP LLC, has retired from his position effective immediately due to health issues, after 11 years with the Partnership's Board. The Board will commence a search for a new director to fill the vacancy created by Mr. Watson's retirement.

Since Mr. Evensen commenced as CEO, CFO and a Director of Teekay GP LLC at the time of the Partnership's initial public offering (*IPO*) in 2005, Teekay LNG has grown from an initial fleet of eight vessels to become one of the largest independent owners and operators of liquefied natural gas (*LNG*) carriers, with interests in 85 LNG carriers, mid-size liquefied petroleum gas (*LPG*) carriers and conventional tankers, total assets of approximately \$4.3 billion, total forward fee-based revenues totaling approximately \$12.2 billion and a weighted-average remaining contract length of approximately 13 years.

It has been an honor and a privilege to lead the Partnership, and I am confident that Mark Kremin will continue that success, commented Mr. Evensen. Mark is a highly experienced gas business leader and has led the project development aspects of many of Teekay LNG's largest and most successful investments.

On behalf of the entire Teekay GP LLC Board, I would like to thank Mr. Evensen and Mr. Watson for the significant contributions they have made in growing Teekay LNG into one of the largest independent owners and operators of LNG carriers since the Partnership's IPO 11 years ago, commented Ms. Jane Hinkley, Chair of Teekay GP LLC's Board of Directors. Mr. Kremin's extensive experience in the industry will be instrumental as Teekay LNG continues to grow its business.

I am honored to take on this new opportunity and continue building on Teekay LNG's success, commented Mr. Kremin. The Partnership is well-positioned with strong operations and significant financial flexibility. We will continue to focus on providing strong operational performance, building customer relationships, and executing on

Teekay LNG's growth projects, which are expected to provide significant cash flow growth in the future.

About Teekay LNG

Teekay LNG Partners is one of the world's largest independent owners and operators of LNG carriers, providing LNG, LPG and crude oil marine transportation services primarily under long-term, fixed-rate charter contracts through its interests in 50 LNG carriers (19 newbuildings), 29 LPG/Multigas carriers (including five newbuildings) and six conventional tankers. The Partnership's interests in these vessels range from 20 to 100 percent. Teekay LNG Partners L.P. is a publicly-traded master limited partnership (*MLP*) formed by Teekay Corporation (NYSE: TK) as part of its strategy to expand its operations in the LNG and LPG shipping sectors.
