Important Notice to Fund Shareholders

April 10, 2017

Although we recommend that you read the complete Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. Why am I receiving this Proxy Statement?

A. You are being asked to vote on two important matters affecting your Fund:

- (1) Approval of Fund Board Nominees. Each year, shareholders of your Fund must approve the election of Board members to serve on your Fund's Board. This is a requirement for all funds that list their common shares on a stock exchange. The list of specific nominees for your Fund is contained in the enclosed proxy statement.
- (2) Approval of a New Sub-Advisory Agreement. Nuveen Fund Advisors, LLC (Nuveen Fund Advisors or the Adviser) has retained INTECH Management LLC (INTECH) to serve as sub-adviser and manage a portion of the assets of your Fund. Janus Capital Group Inc., the parent company of INTECH, publicly announced a merger with Henderson Group plc (the Transaction). The Transaction is expected to close in the second quarter of 2017. The Transaction may be deemed to cause an assignment of the current sub-advisory agreement with INTECH, which would result in the termination of the sub-advisory agreement. You are being asked to consider approval of a new sub-advisory agreement with INTECH in order to provide continuity of sub-advisory services for your Fund following the closing of the Transaction.

Your Fund's Board, including the independent Board Members, unanimously recommends that you vote **FOR** each proposal.

Your vote is very important. We encourage you as a shareholder to participate in your Fund's governance by returning your vote as soon as possible. If enough shareholders do not cast their votes, your Fund may not be able to hold its meeting or the vote on each issue.

Q. How will I as a Fund shareholder be affected by the Transaction?

A. Your Fund investment will not change as a result of INTECH's change of ownership. You will still own the same Fund shares before and after the Transaction. Nuveen Fund Advisors and your Fund's sub-adviser(s) will continue to manage your Fund according to the same objectives and policies as before, and do not anticipate any changes to your Fund's operations as a result of the Transaction.

Q. Will there be any important differences between my Fund's new investment sub-advisory agreement and the current agreement?

A. No. The terms of the new and current agreements are substantially similar. There will be no change in the contractual management fees your Fund pays or the sub-advisory fee paid to INTECH.

Q. What will happen if shareholders of my Fund do not approve the new investment sub-advisory agreement before consummation of the Transaction?

A. INTECH will continue to manage your Fund under an interim sub-advisory agreement, but must place compensation for its services during this interim period in escrow, pending

shareholder approval of the new investment sub-advisory agreement. If shareholders of the Fund do not approve the new sub-advisory agreement prior to the end of the interim period, the Board will take such action as it deems to be in the best interests of the Fund, and INTECH will be paid the lesser of its costs incurred in performing its services under the interim sub-advisory agreement or the total amount in the escrow account, plus interest earned. Your Fund's Board urges you to vote without delay in order to avoid potential disruption to the Fund's operations.

Q. Who do I call if I have questions?

- A.** If you need any assistance, or have any questions regarding the proposals or how to vote your shares, please call Computershare Fund Services, your Fund's proxy solicitor, at 1-800-254-6192 with your proxy materials.

Q. How do I vote my shares?

- A.** You can vote your shares by completing and signing the enclosed proxy card, and mailing it in the enclosed postage-paid envelope.

Q. Will anyone contact me?

- A.** You may receive a call from Computershare Fund Services, the proxy solicitor hired by the Fund, to verify that you received your proxy materials, to answer any questions you may have about the proposals and to encourage you to vote your proxy.

Proxy Statement

Chicago, Illinois 60606

(800) 257-8787

April 10, 2017

This Proxy Statement is first being mailed to shareholders on or about April 13, 2017.

Nuveen Core Equity Alpha Fund (JCE)

General Information

This Proxy Statement is furnished in connection with the solicitation by the Board of Trustees (the Board, and each Trustee, a Board Member) of Nuveen Core Equity Alpha Fund (Core Equity or the Fund), a Massachusetts business trust, of proxies to be voted at the Annual Meeting of Shareholders to be held in the offices of Nuveen, 333 West Wacker Drive, Chicago, Illinois, on May 26, 2017 at 11:00 a.m., Central time (the Annual Meeting), and at any and all adjournments or postponements thereof.

On the matters coming before the Annual Meeting as to which a choice has been specified by shareholders on a properly executed proxy, the shares will be voted accordingly. If a properly executed proxy is returned and no choice is specified, the shares will be voted:

FOR the election of the nominees, Board Members Adams, Kundert, Nelson and Toth, as listed in this Proxy Statement, and

FOR the approval of the new sub-advisory agreement.

Shareholders of the Fund who execute proxies may revoke them at any time before they are voted by filing with the Fund a written notice of revocation, by delivering a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. A prior proxy can also be revoked by voting again through the toll-free number or the Internet address listed in the proxy card. Merely attending the Annual Meeting, however, will not revoke any previously submitted proxy.

Shareholders are being solicited with respect to the election of four (4) Class II Board Members and the approval of a new sub-advisory agreement between Nuveen Fund Advisors, LLC (the Adviser) and INTECH Investment Management LLC (INTECH or the Sub-Adviser).

A quorum of shareholders is required to take action at the Annual Meeting. A majority of the shares entitled to vote at the Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at the Annual Meeting. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspectors of election appointed for the Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and broker non-votes (i.e., shares held by brokers or nominees, typically in street name, as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

Broker-dealers who are not members of the New York Stock Exchange (NYSE) may be subject to other rules, which may or may not permit them to vote your shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

The details of the proposals to be voted on by the shareholders of the Fund and the vote required for approval of the proposals are set forth under the description of the proposals below.

Shares Outstanding

Those persons who were shareholders of record at the close of business on April 4, 2017 will be entitled to one vote for each share held and a proportionate fractional vote for each fractional share held. As of April 4, 2017, the shares of the Fund were issued and outstanding as follows:

Fund	Ticker Symbol ⁽¹⁾	Common Shares
Core Equity	JCE	16,021,686

(1)The common shares of the Fund are listed on the NYSE.

PROPOSAL 1: ELECTION OF BOARD MEMBERS

Pursuant to the organizational documents of the Fund, the Board is divided into three classes, Class I, Class II and Class III, to be elected by the holders of the outstanding common shares to serve until the third succeeding annual meeting subsequent to their election or thereafter, in each case until their successors have been duly elected and qualified.

Four (4) Board Members are to be elected by shareholders. Board Members Adams, Kundert, Nelson and Toth have been designated as Class II Board Members and as nominees for Board Members for a term expiring at the 2020 annual meeting of shareholders or until their successors have been duly elected and qualified. Board Members Cook, Evans, Hunter, Moschner, Schneider, Stockdale, Stone and Wolff are current and continuing Board Members. Board Members Cook, Evans, Moschner and Schneider have been designated as Class III Board Members for a term expiring at the 2018 annual meeting of shareholders or until their successors have been duly elected and qualified. Board Members Hunter, Stockdale, Stone and Wolff have been designated as Class I Board Members for a term expiring at the 2019 annual meeting of shareholders or until their successors have been duly elected and qualified.

It is the intention of the persons named in the enclosed proxy to vote the shares represented thereby for the election of the nominees listed in the table below unless the proxy is marked otherwise. Each of the nominees has agreed to serve as a Board Member of the Fund if elected. However, should any nominee become unable or unwilling to accept nomination for election, the proxies will be voted for substitute nominees, if any, designated by the Fund s present Board.

Class I Board Members: Board Members Hunter, Stockdale, Stone and Wolff were last elected to the Fund s Board as Class I Board Members at the annual meeting of shareholders held on April 22, 2016.

Edgar Filing: Nuveen Core Equity Alpha Fund - Form DEF 14A

Class III Board Members: Board Members Evans and Schneider were last elected to the Fund's Board as Class III Board Members at the annual meeting of shareholders held on March 26, 2015.

Board Member Appointments/Initial Elections: On June 22, 2016, Board Members Cook and Moschner were appointed as Board Members and designated as Class III Board Members for the Fund, effective July 1, 2016.

Other than Board Members Adams and Cook, all Board Member nominees and current and continuing Board Members are not interested persons, as defined in the Investment Company Act of 1940, as amended (the "1940 Act"), of the Fund or the Adviser and have never been an employee or director of Nuveen Investments, Inc. ("Nuveen Investments"), the Adviser's parent company, or any affiliate. Accordingly, such Board Members are deemed Independent Board Members.

The individual properties for which a receiver has been appointed represent an immaterial portion of the portfolio assets owned by these entities.
- (3) Mr. Toth serves as a director on the Board of Directors of the Mather Foundation (the Foundation) and is a member of its investment committee. The Foundation is the parent of the Mather LifeWays organization, a non-profit charitable organization. - (4) Each of Board Members Adams and Cook is an interested person as defined in the 1940 Act by reason of his/her respective position(s) with Nuveen Investments, Inc. and/or certain of its subsidiaries.

Board Member Investments in the Fund

In order to create an appropriate identity of interests between Board Members and shareholders, the Boards of Trustees of the Nuveen funds have adopted a governance principle pursuant to which each Board Member is expected to invest, either directly or on a deferred basis, at least the equivalent of one year of compensation in the funds in the Nuveen fund complex.

The dollar range of equity securities beneficially owned by each Board Member in the Fund and all Nuveen funds overseen by the Board Member as of December 31, 2016 is set forth in [Appendix A](#). The number of shares of the Fund beneficially owned by each Board Member and by the Board Members and officers of the Fund as a group as of December 31, 2016 is also set forth in [Appendix A](#). On April 4, 2017, Board Members and executive officers as a group beneficially owned approximately 1.5 million shares of all funds managed by the Adviser (including shares held by the Board Members through the Deferred Compensation Plan (as defined below) for Independent Board Members and by executive officers in Nuveen's 401(k)/profit sharing plan). As of April 4, 2017, each Board Member's individual beneficial shareholdings of the Fund constituted less than 1% of the outstanding shares of the Fund. As of April 4, 2017, the Board Members and executive officers as a group beneficially owned less than 1% of the outstanding shares of the Fund.

Prior to January 1, 2017, each Independent Board Member received a \$170,000 annual retainer plus: (a) a fee of \$5,550 per day for attendance in person or by telephone at regularly scheduled meetings of the Board; (b) a fee of \$3,000 per meeting for attendance in person or by telephone at special, non-regularly scheduled meetings of the Board where in-person attendance was required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance was not required; (c) a fee of \$2,500 per meeting for attendance in person or by telephone at Audit Committee meetings where in-person attendance was required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance was not required; (d) a fee of \$2,500 per meeting for attendance in person or by telephone at Compliance, Risk Management and Regulatory Oversight Committee meetings where in-person attendance was required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance was not required; (e) a fee of \$1,000 per meeting for attendance in person or by telephone at Dividend Committee meetings; (f) a fee of \$2,500 per meeting for attendance in person or by telephone at Closed-End Funds Committee meetings where in-person attendance was required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance was not required, provided that no fees were received for meetings held on days on which regularly scheduled Board meetings were held; and (g) a fee of \$500 per meeting for attendance in person or by telephone at all other committee meetings (\$1,000 for shareholder meetings) where in-person attendance was required and \$250 per meeting for attendance by telephone or in person at such committee meetings (excluding shareholder meetings) where in-person attendance was not required, and \$100 per meeting when the Executive Committee acted as pricing committee for IPOs, plus, in each case, expenses incurred in attending such meetings, provided that no fees were received for meetings held on days on which regularly scheduled Board meetings were held. In addition to the

payments described above, the Chairman of the Board received \$80,000, the chairpersons of the Audit Committee, the Dividend Committee, the Compliance, Risk Management and Regulatory Oversight Committee, the Closed-End Funds Committee and the Nominating and Governance Committee received \$12,500 each as additional annual retainers. Independent Board Members also received a fee of \$3,000 per day for site visits to entities that provide services to the Nuveen funds on days on which no Board meeting is held. When ad hoc committees were organized, the Nominating and Governance Committee at the time of formation determined compensation to be paid to the members of such committee; however, in general, such fees were \$1,000 per meeting for attendance in person or by telephone at ad hoc committee meetings where in-person attendance was required and \$500 per meeting for attendance by telephone or in person at such meetings where in-person attendance was not required. The annual retainer, fees and expenses were allocated among the Nuveen funds on the basis of relative net assets, although management may have, in its discretion, established a minimum amount to be allocated to each fund.

Effective January 1, 2017, Independent Board Members receive a \$177,500 annual retainer plus (a) a fee of \$5,750 per day for attendance in person or by telephone at regularly scheduled meetings of the Board; (b) a fee of \$3,000 per meeting for attendance in person or by telephone at special, non-regularly scheduled Board Meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (c) a fee of \$2,500 per meeting for attendance in person or by telephone at Audit Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (d) a fee of \$2,500 per meeting for attendance in person or by telephone at Compliance, Risk Management and Regulatory Oversight Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; (e) a fee of \$1,000 per meeting for attendance in person or by telephone at Dividend Committee meetings; (f) a fee of \$500 per meeting for attendance in person or by telephone at all other committee meetings (\$1,000 for shareholder meetings) where in person attendance is required and \$250 per meeting for attendance by telephone or in person at such committee meetings (excluding shareholder meetings) where in-person attendance is not required and \$100 per meeting when the Executive Committee acts as pricing committee for IPOs, plus, in each case, expenses incurred in attending such meetings, provided that no fees are received for meetings held on days on which regularly scheduled Board meetings are held and (g) a fee of \$2,500 per meeting for attendance in person or by telephone at Closed-End Funds Committee meetings where in-person attendance is required and \$2,000 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required; provided that no fees are received for meetings held on days on which regularly scheduled Board meetings are held. In addition to the payments described above, the Chairman of the Board receives \$80,000, the chairpersons of the Audit Committee, the Dividend Committee, the Compliance, Risk Management and Regulatory Oversight Committee, the Closed-End Funds Committee and the Nominating and Governance Committee receive \$12,500 each as additional retainers. Independent Board Members also receive a fee of \$3,000 per day for site visits to entities that provide services to the Nuveen funds on days on which no board meeting is held. When ad hoc committees are organized, the Nominating and Governance Committee will at the time of formation determine compensation to be paid to the members of such committee; however, in general, such fees will be \$1,000 per meeting for attendance in person or by telephone at ad

hoc committee meetings where in-person attendance is required and \$500 per meeting for attendance by telephone or in person at such meetings where in-person attendance is not required. The annual retainer, fees and expenses are allocated among the Nuveen funds on the basis of relative net assets, although management may, in its discretion, establish a minimum amount to be allocated to each fund. In certain instances fees and expenses will be allocated only to those Nuveen funds that are discussed at a given meeting.

The Fund does not have retirement or pension plans. Certain Nuveen funds, including the Fund (the Participating Funds), participate in a deferred compensation plan (the Deferred Compensation Plan) that permits an Independent Board Member to elect to defer receipt of all or a portion of his or her compensation as an Independent Board Member. The deferred compensation of a participating Independent Board Member is credited to a book reserve account of the Participating Fund when the compensation would otherwise have been paid to such Independent Board Member. The value of an Independent Board Member's deferral account at any time is equal to the value that the account would have had if contributions to the account had been invested and reinvested in shares of one or more of the eligible Nuveen funds. At the time for commencing distributions from an Independent Board Member's deferral account, the Independent Board Member may elect to receive distributions in a lump sum or over a period of five years. The Participating Fund will not be liable for any other fund's obligations to make distributions under the Deferred Compensation Plan.

The Fund has no employees. The officers of the Fund and the Board Members of the Fund who are not Independent Board Members serve without any compensation from the Fund.

Board Leadership Structure and Risk Oversight

The Board of the Fund oversees the operations and management of the Fund, including the duties performed for the Fund by the Adviser. The Board has adopted a unitary board structure. A unitary board consists of one group of board members who serves on the board of every fund in the complex. In adopting a unitary board structure, the Board Members seek to provide effective governance through establishing a board, the overall composition of which will, as a body, possess the appropriate skills, independence and experience to oversee the Fund's business. With this overall framework in mind, when the Board, through its Nominating and Governance Committee discussed below, seeks nominees for the Board, the Board Members consider, not only the candidate's particular background, skills and experience, among other things, but also whether such background, skills and experience enhance the Board's diversity and at the same time complement the Board given its current composition and the mix of skills and experiences of the incumbent Board Members. The Nominating and Governance Committee believes that the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy on diversity or any particular definition of diversity.

The Board believes the unitary board structure enhances good and effective governance, particularly given the nature of the structure of the investment company complex. Funds in the same complex generally are served by the same service providers and personnel and are governed by the same regulatory scheme which raises common issues that must be addressed by the Board Members across the fund complex (such as compliance, valuation, liquidity, brokerage, trade allocation or risk management). The Board believes it is more efficient to have a single board review and oversee common policies and procedures, which increases the Board's knowledge and expertise with respect to the many aspects of fund operations that are complex-wide in nature. The unitary structure also enhances the Board's influence and oversight over the Adviser and other service providers.

In an effort to enhance the independence of the Board, the Board also has a Chairman that is an Independent Board Member. The Board recognizes that a chairman can perform an important role in setting the agenda for the Board, establishing the boardroom culture, establishing a point person on behalf of the Board for Fund management, and reinforcing the Board's focus on the long-term interests of shareholders. The Board recognizes that a chairman may be able to better perform these functions without any conflicts of interests arising from a position with Fund management. Accordingly, the Board Members have elected William J. Schneider as the independent Chairman of the Board. Specific responsibilities of the Chairman include: (i) presiding at all meetings of the Board and of the shareholders; (ii) seeing that all orders and resolutions of the Board Members are carried into effect; and (iii) maintaining records of and, whenever necessary, certifying all proceedings of the Board Members and the shareholders.

Although the Board has direct responsibility over various matters (such as advisory contracts, underwriting contracts and Fund performance), the Board also exercises certain of its oversight responsibilities through several committees that it has established and which report back to the full Board. The Board believes that a committee structure is an effective means to permit Board Members to focus on particular operations or issues affecting the Fund, including risk oversight. More specifically, with respect to risk oversight, the Board has delegated

matters relating to valuation and compliance to certain committees (as summarized below) as well as certain aspects of investment risk. In addition, the Board believes that the periodic rotation of Board Members among the different committees allows the Board Members to gain additional and different perspectives of the Fund's operations. The Board has established six standing committees: the Executive Committee, the Dividend Committee, the Audit Committee, the Compliance, Risk Management and Regulatory Oversight Committee, the Nominating and Governance Committee and the Closed-End Funds Committee. The Board may also from time to time create ad hoc committees to focus on particular issues as the need arises. The membership and functions of the standing committees are summarized below.

Executive Committee. The Executive Committee, which meets between regular meetings of the Board, is authorized to exercise all of the powers of the Board. The members of the Executive Committee are William J. Schneider, Chair, William Adams IV and Terence J. Toth. During the fiscal year ended December 31, 2016, the Executive Committee did not meet.

Dividend Committee. The Dividend Committee is authorized to declare distributions on the Fund's shares including, but not limited to, regular and special dividends, capital gains and ordinary income distributions. The members of the Dividend Committee are William C. Hunter, Chair, Terence J. Toth and Margaret L. Wolff. During the fiscal year ended December 31, 2016, the Dividend Committee met four times.

Audit Committee. The Board has an Audit Committee, in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934 (1934 Act), that is composed of Independent Board Members who are also independent as that term is defined in the listing standards pertaining to closed-end funds of the NYSE. The Audit Committee assists the Board in: the oversight and monitoring of the accounting and reporting policies, processes and practices of the Fund, and the audits of the financial statements of the Fund; the quality and integrity of the financial statements of the Fund; the Fund's compliance with legal and regulatory requirements relating to the Fund's financial statements; the independent auditors' qualifications, performance and independence; and the pricing procedures of the Fund and the internal valuation group of Nuveen. It is the responsibility of the Audit Committee to select, evaluate and replace any independent auditors (subject only to Board and, if applicable, shareholder ratification) and to determine their compensation. The Audit Committee is also responsible for, among other things, overseeing the valuation of securities comprising the Fund's portfolio. Subject to the Board's general supervision of such actions, the Audit Committee addresses any valuation issues, oversees the Fund's pricing procedures and actions taken by Nuveen's internal valuation group which provides regular reports to the Audit Committee, reviews any issues relating to the valuation of the Fund's securities brought to its attention, and considers the risks to the Fund in assessing the possible resolutions of these matters. The Audit Committee may also consider any financial risk exposures for the Fund in conjunction with performing its functions.

To fulfill its oversight duties, the Audit Committee receives annual and semi-annual reports and has regular meetings with the external auditors for the Fund and the internal audit group at Nuveen. The Audit Committee also may review, in a general manner, the processes the Board or other Board committees have in place with respect to risk assessment and risk management as well as compliance with legal and regulatory matters relating to the Fund's financial statements. The Audit Committee operates under a written Audit Committee Charter (the Charter) adopted and approved by the Board, which Charter conforms to the listing standards of the NYSE. Members of the Audit Committee are independent (as set forth in the Charter) and free of any

relationship that, in the opinion of the Board Members, would interfere with their exercise of independent judgment as an Audit Committee member. The members of the Audit Committee are Jack B. Evans, Chair, David J. Kundert, John K. Nelson, Carole E. Stone and Terence J. Toth, each of whom is an Independent Board Member of the Fund. A copy of the Charter is available at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx. During the fiscal year ended December 31, 2016, the Audit Committee met four times.

Compliance, Risk Management and Regulatory Oversight Committee. The Compliance, Risk Management and Regulatory Oversight Committee (the Compliance Committee) is responsible for the oversight of compliance issues, risk management and other regulatory matters affecting the Fund that are not otherwise under or within the jurisdiction of the other committees. The Board has adopted and periodically reviews policies and procedures designed to address the Fund's compliance and risk matters. As part of its duties, the Compliance Committee: reviews the policies and procedures relating to compliance matters and recommends modifications thereto as necessary or appropriate to the full Board; develops new policies and procedures as new regulatory matters affecting the Fund arise from time to time; evaluates or considers any comments or reports from examinations from regulatory authorities and responses thereto; and performs any special reviews, investigations or other oversight responsibilities relating to risk management, compliance and/or regulatory matters as requested by the Board.

In addition, the Compliance Committee is responsible for risk oversight, including, but not limited to, the oversight of risks related to investments and operations. Such risks include, among other things, exposures to: particular issuers, market sectors, or types of securities; risks related to product structure elements, such as leverage; and techniques that may be used to address those risks, such as hedging and swaps. In assessing issues brought to the Compliance Committee's attention or in reviewing a particular policy, procedure, investment technique or strategy, the Compliance Committee evaluates the risks to the Fund in adopting a particular approach or resolution compared to the anticipated benefits to the Fund and its shareholders. In fulfilling its obligations, the Compliance Committee meets on a quarterly basis, and at least once a year in person. The Compliance Committee receives written and oral reports from the Fund's Chief Compliance Officer (CCO) and meets privately with the CCO at each of its quarterly meetings. The CCO also provides an annual report to the full Board regarding the operations of the Fund's and other service providers' compliance programs as well as any recommendations for modifications thereto. The Compliance Committee also receives reports from the investment services group of Nuveen regarding various investment risks. Notwithstanding the foregoing, the full Board also participates in discussions with management regarding certain matters relating to investment risk, such as the use of leverage and hedging. The investment services group therefore also reports to the full Board at its quarterly meetings regarding, among other things, Fund performance and the various drivers of such performance. Accordingly, the Board directly and/or in conjunction with the Compliance Committee oversees matters relating to investment risks. Matters not addressed at the committee level are addressed directly by the full Board. The Compliance Committee operates under a written charter adopted and approved by the Board. The members of the Compliance Committee are John K. Nelson, Chair, William C. Hunter, Albin F. Moschner, Judith M. Stockdale and Margaret L. Wolff. During the fiscal year ended December 31, 2016, the Compliance Committee met five times.

Nominating and Governance Committee. The Nominating and Governance Committee is responsible for seeking, identifying and recommending to the Board qualified candidates for election or appointment to the Board. In addition, the Nominating and Governance Committee oversees matters of corporate governance, including the evaluation of Board performance and processes, the assignment and rotation of committee members, and the establishment of corporate governance guidelines and procedures, to the extent necessary or desirable, and matters related thereto. Although the unitary and committee structure has been developed over the years and the Nominating and Governance Committee believes the structure has provided efficient and effective governance, the Nominating and Governance Committee recognizes that, as demands on the Board evolve over time (such as through an increase in the number of funds overseen or an increase in the complexity of the issues raised), the Nominating and Governance Committee must continue to evaluate the Board and committee structures and their processes and modify the foregoing as may be necessary or appropriate to continue to provide effective governance. Accordingly, the Nominating and Governance Committee has a separate meeting each year to, among other things, review the Board and committee structures, their performance and functions, and recommend any modifications thereto or alternative structures or processes that would enhance the Board's governance over the Fund's business.

In addition, the Nominating and Governance Committee, among other things: makes recommendations concerning the continuing education of Board Members; monitors performance of legal counsel and other service providers; establishes and monitors a process by which security holders are able to communicate in writing with Board Members; and periodically reviews and makes recommendations about any appropriate changes to Board Member compensation. In the event of a vacancy on the Board, the Nominating and Governance Committee receives suggestions from various sources, including shareholders, as to suitable candidates. Suggestions should be sent in writing to Lorna Ferguson, Manager of Fund Board Relations, Nuveen, 333 West Wacker Drive, Chicago, Illinois 60606. The Nominating and Governance Committee sets appropriate standards and requirements for nominations for new Board Members and each nominee is evaluated using the same standards. However, the Nominating and Governance Committee reserves the right to interview any and all candidates and to make the final selection of any new Board Members. In considering a candidate's qualifications, each candidate must meet certain basic requirements, including relevant skills and experience, time availability (including the time requirements for due diligence site visits to internal and external sub-advisers and service providers) and, if qualifying as an Independent Board Member candidate, independence from the Adviser, sub-advisers, underwriters or other service providers, including any affiliates of these entities. These skill and experience requirements may vary depending on the current composition of the Board, since the goal is to ensure an appropriate range of skills, diversity and experience, in the aggregate. Accordingly, the particular factors considered and weight given to these factors will depend on the composition of the Board and the skills and backgrounds of the incumbent Board Members at the time of consideration of the nominees. All candidates, however, must meet high expectations of personal integrity, independence, governance experience and professional competence. All candidates must be willing to be critical within the Board and with management and yet maintain a collegial and collaborative manner toward other Board Members. The Nominating and Governance Committee operates under a written charter adopted and approved by the Board, a copy of which is available on the Fund's website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx, and is composed entirely of Independent Board Members, who are also independent as

defined by NYSE listing standards. The members of the Nominating and Governance Committee are William J. Schneider, Chair, Jack B. Evans, William C. Hunter, David J. Kundert, Albin F. Moschner, John K. Nelson, Judith M. Stockdale, Carole E. Stone, Terence J. Toth and Margaret L. Wolff. During the fiscal year ended December 31, 2016, the Nominating and Governance Committee met six times.

Closed-End Funds Committee. The Closed-End Funds Committee is responsible for assisting the Board in the oversight and monitoring of the Nuveen funds that are registered as closed-end management investment companies (Closed-End Funds). The Closed-End Funds Committee may review and evaluate matters related to the formation and the initial presentation to the Board of any new Closed-End Fund and may review and evaluate any matters relating to any existing Closed-End Fund. The Closed-End Funds Committee operates under a written charter adopted and approved by the Board. The members of the Closed-End Funds Committee are Carole E. Stone, Chair, William Adams IV, Jack B. Evans, Albin F. Moschner, John K. Nelson, William J. Schneider and Terence J. Toth. During the fiscal year ended December 31, 2016, the Closed-End Funds Committee met four times.

Board Member Attendance. During the Fund's last fiscal year, the Board of the Fund held six regular quarterly meetings and nine special meetings. During the last fiscal year, each Board Member attended 75% or more of the Fund's Board meetings and the committee meetings (if a member thereof) held during the period for which such Board Member was a Board Member. The policy of the Board relating to attendance by Board Members at annual meetings of shareholders of the Fund and the number of Board Members who attended the last annual meeting of shareholders of the Fund is posted on the Fund's website at www.nuveen.com/CEF/Shareholder/FundGovernance.aspx.

Board Diversification and Board Member Qualifications. In determining that a particular Board Member was qualified to serve on the Board, the Board considered each Board Member's background, skills, experience and other attributes in light of the composition of the Board with no particular factor controlling. The Board believes that Board Members need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties, and the Board believes each Board Member satisfies this standard. An effective Board Member may achieve this ability through his or her educational background; business, professional training or practice; public service or academic positions; experience from service as a board member or executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. Accordingly, set forth below is a summary of the experiences, qualifications, attributes, and skills that led to the conclusion, as of the date of this document, that each Board Member should serve in that capacity. References to the experiences, qualifications, attributes and skills of Board Members are pursuant to requirements of the Securities and Exchange Commission (SEC), do not constitute holding out the Board or any Board Member as having any special expertise or experience and shall not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

Audit Committee Report

The Audit Committee of the Board is responsible for the oversight and monitoring of (1) the accounting and reporting policies, processes and practices, and the audit of the financial statements, of the Fund, (2) the quality and integrity of the Fund's financial statements and (3) the independent registered public accounting firm's qualifications, performance and independence. In its oversight capacity, the Audit Committee reviews the Fund's annual financial statements with both management and the independent registered public accounting firm and the Audit Committee meets periodically with the independent registered public accounting firm and internal auditors to consider their evaluation of the Fund's financial and internal

controls. The Audit Committee also selects, retains, evaluates and may replace the Fund's independent registered public accounting firm. The Audit Committee is currently composed of five Independent Board Members and operates under a written charter adopted and approved by the Board. Each Audit Committee member meets the independence and experience requirements, as applicable, of the NYSE, Section 10A of the 1934 Act and the rules and regulations of the SEC.

The Audit Committee, in discharging its duties, has met with and held discussions with management and the Fund's independent registered public accounting firm. The Audit Committee has also reviewed and discussed the audited financial statements with management. Management has represented to the independent registered public accounting firm that the Fund's financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards (SAS) No. 114 (The Auditor's Communication With Those Charged With Governance), which supersedes SAS No. 61 (Communication with Audit Committees). The Fund's independent registered public accounting firm provided to the Audit Committee the written disclosure required by Public Company Accounting Oversight Board Rule 3526 (Communications with Audit Committees Concerning Independence), and the Audit Committee discussed with representatives of the independent registered public accounting firm the firm's independence. As provided in the Audit Committee Charter, it is not the Audit Committee's responsibility to determine, and the considerations and discussions referenced above do not ensure, that the Fund's financial statements are complete and accurate and presented in accordance with generally accepted accounting principles.

Based on the Audit Committee's review and discussions with management and the independent registered public accounting firm, the representations of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee has recommended that the audited financial statements be included in the Fund's Annual Report.

Audit Committee Pre-Approval Policies and Procedures. Generally, the Audit Committee must approve the Fund's independent registered public accounting firm's engagements (i) with the Fund for audit or non-audit services and (ii) with the Adviser and Adviser Entities for non-audit services if the engagement relates directly to the operations and financial reporting of the Fund. Regarding tax and research projects conducted by the independent registered public accounting firm for the Fund and the Adviser and Adviser Entities (with respect to the operations and financial reporting of the Fund), such engagements will be (i) pre-approved by the Audit Committee if they are expected to be for amounts greater than \$10,000; (ii) reported to the Audit Committee chairman for his verbal approval prior to engagement if they are expected to be for amounts under \$10,000 but greater than \$5,000; and (iii) reported to the Audit Committee at the next Audit Committee meeting if they are expected to be for an amount under \$5,000.

The Audit Committee has approved in advance all audit services and non-audit services that the independent registered public accounting firm provided to the Fund and to the Adviser and Adviser Entities (with respect to the operations and financial reporting of the Fund). None of the services rendered by the independent registered public accounting firm to the Fund or the Adviser or Adviser Entities were pre-approved by the Audit Committee pursuant to the pre-approval exception under Rule 2.01(c)(7)(i)(C) or Rule 2.01(c)(7)(ii) of Regulation S-X.

Appointment of the Independent Registered Public Accounting Firm

The Board of the Fund has appointed PricewaterhouseCoopers LLP (PwC) as independent registered public accounting firm to audit the books and records of the Fund for its current fiscal year. A representative of PwC will be present at the Annual Meetings to make a statement, if such representative so desires, and to respond to shareholders' questions. PwC has informed the Fund that it has no direct or indirect material financial interest in the Fund, Nuveen Investments, the Adviser or any other investment company sponsored by Nuveen Investments.

Shareholder Approval

The affirmative vote of a plurality (the greatest number of affirmative votes) of the shares present and entitled to vote at the Annual Meeting will be required to elect each nominee of the Fund. All nominees receiving a plurality of the votes cast will be elected Trustees of the Fund. Under a plurality vote, the candidates who receive the most votes will be elected even if they

receive approval from less than a majority of the votes cast. Because the nominees are running unopposed, all of the nominees are expected to be elected as Trustees, as all nominees who receive votes in favor will be elected while votes not cast or votes to withhold will have no effect on the election outcome.

The Fund has not issued preferred shares in the past; however, the Fund may issue preferred shares in the future to increase the Fund's leverage. In that event, holders of such preferred securities, voting as a separate class, would have the right to elect at least two Board Members at all times and to elect a majority of the Board Members in the event two full years' dividends on the preferred shares are unpaid. In each case, the remaining Board Members would be elected by holders of common shares and preferred shares voting together as a single class. The holders of preferred shares would vote as a separate class or classes on certain other matters as required under the Fund's Declaration of Trust, the 1940 Act and Massachusetts law.

The Board unanimously recommends that shareholders vote FOR the election of the nominees named herein.

PROPOSAL 2: APPROVAL OF NEW SUB-ADVISORY AGREEMENT

Background

INTECH, a sub-adviser to the Fund, is a direct wholly-owned subsidiary of Janus Capital Management LLC and an indirect wholly-owned subsidiary of Janus Capital Group Inc. (Janus), a publicly traded company with principal operations in financial asset management businesses. On October 3, 2016, Janus and Henderson Group plc (Henderson), a global asset management business founded in 1934, announced that they had entered into an Agreement and Plan of Merger pursuant to which Janus and Henderson have agreed to effect an all-stock merger of equals strategic combination of their respective businesses, with Janus surviving the merger as a direct wholly-owned subsidiary of Henderson (the Transaction). The Transaction will be effected via a share exchange with each share of Janus common stock exchanged for 4.7190 newly issued ordinary shares in Henderson. Based on the current number of shares outstanding, upon closing of the Transaction, Henderson and Janus shareholders are expected to own approximately 57% and 43%, respectively, of the ordinary shares of the combined company, which will be renamed Janus Henderson Global Investors plc. The Transaction is expected to close sometime during the second quarter of 2017, subject to requisite shareholder and regulatory approvals.

The current sub-advisory agreement (the Original Sub-Advisory Agreement) between the Adviser and INTECH, as required by Section 15 of the 1940 Act, provides for its automatic termination in the event of its assignment. The closing of the Transaction may be deemed to cause an assignment, which would result in the automatic termination of the Original Sub-Advisory Agreement. On February 23, 2017, the Board of the Fund approved a new sub-advisory agreement with INTECH in accordance with the 1940 Act and approved the submission of the new sub-advisory agreement for shareholder approval at the Fund's next annual meeting.

The date of the Original Sub-Advisory Agreement is October 1, 2014. The Original Sub-Advisory Agreement was last approved by shareholders on August 5, 2014 and last approved for continuance by the Board on May 24-26, 2016.

In anticipation of the Transaction, the Fund's Board met February 23, 2017 for purposes of, among other things, considering whether it would be in the best interests of the Fund to approve a new sub-advisory agreement between the Adviser and the Sub-Adviser (the New Sub-Advisory Agreement). The form of the New Sub-Advisory Agreement is attached hereto as Appendix E.

The 1940 Act requires that the New Sub-Advisory Agreement be approved by the Fund's shareholders in order for it to become effective. On February 23, 2017, and for the reasons discussed below (see Board Considerations), the Board, including the Independent Board Members, unanimously approved the New Sub-Advisory Agreement and unanimously recommended approval of the New Sub-Advisory Agreement by shareholders.

In the event shareholders of the Fund do not approve the New Sub-Advisory Agreement at the Annual Meeting or any adjournment, postponement or delay thereof prior to the closing of the Transaction, an interim sub-advisory agreement between the Adviser and the Sub-Adviser (the Interim Sub-Advisory Agreement) will take effect upon the closing of the Transaction. In the event the Transaction is not completed, the Original Sub-Advisory Agreement will remain in effect.

At the February 23, 2017 meeting, the Board, including the Independent Board Members, also unanimously approved the Interim Sub-Advisory Agreement in order to assure continuity of sub-advisory services to the Fund after the Transaction. The terms of the Interim Sub-Advisory Agreement are substantially similar to those of the Original Sub-Advisory Agreement and New Sub-Advisory Agreement, except for the term and escrow provisions described below.

The Interim Sub-Advisory Agreement will continue in effect for a term ending on the earlier of 150 days from the closing of the Transaction (the 150-day period) or when shareholders of the Fund approve the New Sub-Advisory Agreement. Pursuant to Rule 15a-4 under the 1940 Act, compensation earned by the Sub-Adviser under the Interim Sub-Advisory Agreement will be held in an interest-bearing escrow account.

If shareholders of the Fund approve the New Sub-Advisory Agreement prior to the end of the 150-day period, the amount held in the escrow account under the Interim Sub-Advisory Agreement will be paid to the Sub-Adviser. If shareholders of the Fund do not approve the New Sub-Advisory Agreement prior to the end of the 150-day period, the Board will take such action as it deems to be in the best interests of the Fund, and the Sub-Adviser will be paid the lesser of its costs incurred in performing its services under the Interim Sub-Advisory Agreement or the total amount in the escrow account, plus interest earned.

Comparison of Original Sub-Advisory Agreement and New Sub-Advisory Agreement

The terms of the New Sub-Advisory Agreement are substantially similar to those of the Original Sub-Advisory Agreement. There is no change in the fee rate payable by the Adviser to the Sub-Adviser. If approved by shareholders of the Fund, the New Sub-Advisory Agreement for the Fund will have an initial term through August 1, 2018 and will continue in effect from year to year thereafter if such continuance is approved for the Fund at least annually in the manner required by the 1940 Act and the rules and regulations thereunder. Below is a comparison of certain terms of the Original Sub-Advisory Agreement to the terms of the New Sub-Advisory Agreement.

Advisory Services. The advisory services to be provided by the Sub-Adviser to the Fund under the New Sub-Advisory Agreement will be identical to those advisory services currently provided by the Sub-Adviser to the Fund under the Original Sub-Advisory Agreement. Both the Original Sub-Advisory Agreement and New Sub-Advisory Agreement provide that the Sub-Adviser will furnish an investment program in respect of, make investment decisions for and place all orders for the purchase and sale of securities for the portion of the Fund's investment portfolio allocated by the Adviser to the Sub-Adviser, all on behalf of the Fund and subject to oversight of the Fund's Board and the Adviser. In performing its duties under both the Original Sub-Advisory Agreement and the New Sub-Advisory Agreement, the Sub-Adviser will monitor the Fund's investments and will comply with the provisions of the Fund's organizational documents and the stated investment objectives, policies and restrictions of the Fund. It is not anticipated that the Transaction will have any adverse effect on the performance of the Sub-Adviser's obligations under the New Sub-Advisory Agreement.

Brokerage. Both the Original Sub-Advisory Agreement and New Sub-Advisory Agreement authorize the Sub-Adviser to select the brokers or dealers that will execute the purchases and sales of portfolio securities for the Fund, and direct the Sub-Adviser to use commercially reasonable efforts to obtain best execution under the circumstances, which may take account of the overall quality of brokerage and research services provided to the Sub-Adviser.

Fees. Under both the Original Sub-Advisory Agreement and New Sub-Advisory Agreement, the Adviser pays the Sub-Adviser a portfolio management fee out of the investment management fee it receives from the Fund. The rate of the portfolio management fees payable by the Adviser to the Sub-Adviser under the New Sub-Advisory Agreement is identical to the rate of the fees paid under the Original Sub-Advisory Agreement. The annual rate of portfolio management fees payable to the Sub-Adviser under the Original Sub-Advisory Agreement and the New Sub-Advisory Agreement is set forth in the following table:

<u>Daily Net Assets</u>	<u>Sub-Advisory Fee Rate⁽¹⁾</u>	<u>Sub-Adviser's Annual Fee Rate</u>	<u>Managed Assets as of 12/31/2016</u>
Up to \$100 million		0.400%	\$ 225,916,175.46
\$100 million to \$250 million		0.325%	
\$250 million to \$500 million		0.275%	
\$500 million to \$1 billion		0.250%	
\$1 billion and over		0.200%	

(1) Fee calculated as a percentage of the Fund's assets (including net assets attributable to Fund Preferred Shares and the principal amount of any borrowings, if any) allocated to the Sub-Adviser.

During the Fund's last fiscal year, the Adviser paid the Sub-Adviser \$824,952.50.

Payment of Expenses. Under the Original Sub-Advisory Agreement and New Sub-Advisory Agreement, the sub-adviser will bear all of its expenses it incurs in connection with its performance of services under the agreement.

Limitation on Liability. The Original Sub-Advisory Agreement and New Sub-Advisory Agreement provide that the Sub-Adviser will not be liable for any error of judgment or mistake of law or for any loss suffered by the Fund in connection with the matters to which the agreement relates except for a loss resulting from willful misfeasance, bad faith or gross negligence on the part of the Sub-Adviser in the performance of duties under the agreement, or by reason of its reckless disregard of its obligations and duties under the agreement.

Continuance. The Original Sub-Advisory Agreement originally was in effect for an initial term and could be continued thereafter for successive one-year periods if such continuance was specifically approved at least annually in the manner required by the 1940 Act. If the shareholders of the Fund approve the New Sub-Advisory Agreement, the New Sub-Advisory Agreement will expire on August 1, 2018 and may be continued for successive one-year periods if approved at least annually in the manner required by the 1940 Act.

Termination. The Original Sub-Advisory Agreement and New Sub-Advisory Agreement provide that the agreement may be terminated at any time without the payment of any penalty by the Adviser or the Sub-Adviser on no less than sixty (60) days' written notice. The Original Sub-Advisory Agreement and New Sub-Advisory Agreement may also be terminated by action of the Fund's Board or by a vote of a majority of the outstanding voting securities of the Fund, accompanied by no less than 60 days' written notice.

Affiliated Brokerage and Other Fees

The Fund did not pay brokerage commissions within the last fiscal year to (i) any broker that is an affiliated person of the Fund or an affiliated person of such person, or (ii) any broker an affiliated person of which is an affiliated person of the Fund, the Adviser or the Sub-Adviser.

During the Fund's last fiscal year, the Fund did not make any material payments to the Sub-Adviser or any affiliated person of the Sub-Adviser for services provided to the Fund (other than pursuant to the Original Sub-Advisory Agreement).

Shareholder Approval

To become effective with respect to the Fund, the New Sub-Advisory Agreement must be approved by a vote of a majority of the outstanding voting securities of the Fund. The vote of a majority of the outstanding voting securities is defined in the 1940 Act as the lesser of the

vote of (i) 67% or more of the shares of the Fund entitled to vote thereon present at the meeting if the holders of more than 50% of such outstanding shares are present in person or represented by proxy; or (ii) more than 50% of such outstanding shares of the Fund entitled to vote thereon. For purposes of determining the approval of the New Sub-Advisory Agreement, abstentions and broker non-votes will have the same effect as shares voted against the proposal.

The New Sub-Advisory Agreement was approved by the Board after consideration of all factors which it determined to be relevant to its deliberations, including those discussed below. The Board of the Fund also determined to submit the Fund's New Sub-Advisory Agreement for consideration by the shareholders of the Fund.

The Board unanimously recommends that shareholders of the Fund vote FOR approval of the Fund's New Sub-Advisory Agreement.

BOARD CONSIDERATIONS

I. The Approval Process

At a meeting held on February 23, 2017 (the February Meeting), the Board of Trustees of the Fund, including the Independent Board Members, unanimously approved the New Sub-Advisory Agreement and recommended that shareholders approve such agreement.

The Board is responsible for determining whether to approve the Fund's advisory arrangements, including sub-advisory arrangements. At a meeting held on May 24-26, 2016 (the May Meeting), the Board, including the Independent Board Members, approved the continuance of the Original Sub-Advisory Agreement. Following the May Meeting, the Board was apprised of the planned Transaction and that if the Transaction was consummated, it may be deemed to cause an assignment, resulting in the automatic termination of the Original Sub-Advisory Agreement in accordance with its terms and the requirements of the 1940 Act. In light of the proposed Transaction, the Board was asked to consider the New Sub-Advisory Agreement at its February Meeting. To ensure the continuity of investment sub-advisory services to the Fund in the event shareholders have not approved the New Sub-Advisory Agreement prior to the closing of the Transaction, the Board also approved the Interim Sub-Advisory Agreement which, if necessary, will take effect upon the closing of the Transaction. See below for the Board's considerations of the Interim Sub-Advisory Agreement.

The Board recognized that in connection with its annual review at the May Meeting, the Board had received materials addressing a variety of topics including, among other things, the services provided by INTECH and the investment team responsible for such services; the performance of the Fund and, specifically, of the portion of the Fund that is managed by INTECH (the INTECH Sleeve); the Fund's advisory and sub-advisory fees, including information regarding the fees rates that INTECH charges to other clients; the profitability of INTECH for its advisory activities with the Fund; the potential for economies of scale, if any; and any indirect benefits to INTECH from its relationship with the Fund. Because the Board determined that the differences between the Original Sub-Advisory Agreement and the New Sub-Advisory Agreement were immaterial, the Board determined that much of its prior analysis of the Original Sub-Advisory Agreement was equally applicable to its analysis of the New Sub-Advisory Agreement. Prior to the February Meeting, the Board received, among other things: (i) updated

information regarding the performance of the Fund and the INTECH Sleeve; (ii) updated information regarding the fee rates that INTECH charges to other clients and its profitability for its advisory activities with the Fund; and (iii) information regarding the Transaction, including, among other things, a discussion of its anticipated impact, if any, on the services INTECH provides to the Fund, the key personnel providing such services and the sub-advisory fees paid to INTECH.

In connection with their review of the New Sub-Advisory Agreement, the Independent Board Members were assisted by independent legal counsel. During the February Meeting, the Independent Board Members met separately with independent legal counsel without management present and previously had received a memorandum from such counsel outlining their fiduciary duties and legal standards in reviewing advisory agreements. The Independent Board Members' review of the New Sub-Advisory Agreement reflected, in addition to the information specifically furnished regarding such agreement, an ongoing process that incorporated their accumulated knowledge and experience gained from overseeing the Fund and from the information provided by management throughout the year including, as noted, the information provided at the annual review of the Original Sub-Advisory Agreement at the May Meeting. It is with this background that the Independent Board Members considered the New Sub-Advisory Agreement. In deciding to approve the New Sub-Advisory Agreement, the Independent Board Members did not identify a particular factor as controlling, but rather the decision reflected the comprehensive consideration of all the information presented. Each Board Member may have accorded different weight to various factors in reaching his or her conclusions about the New Sub-Advisory Agreement. The following summarizes the principal factors, but not all the factors, the Board considered in its review of the New Sub-Advisory Agreement and its conclusions.

A. Nature, Extent and Quality of Services. In reviewing the New Sub-Advisory Agreement, the Board considered the nature, extent and quality of services to be provided under the New Sub-Advisory Agreement. The Independent Board Members recognized that INTECH primarily provides portfolio advisory services and noted that the quality of services that INTECH provides to the Fund was not expected to be materially impacted by the Transaction and that INTECH was expected to retain the same investment processes, compliance program, key personnel and support systems. Further, no changes were expected to be made as a result of the Transaction to the Fund's portfolio management team or to the method used to determine compensation for the portfolio managers on such team. At the May Meeting, the Independent Board Members found that, overall, the nature, extent and quality of services provided under the Original Sub-Advisory Agreement were satisfactory and noted that the Adviser had recommended the renewal of the Original Sub-Advisory Agreement. Based on its review, along with its considerations at the annual review and the Adviser's recommendation that the New Sub-Advisory Agreement be approved, the Board concluded that the Transaction was not expected to adversely affect the nature, extent and quality of services provided and that the services to be continued under the New Sub-Advisory Agreement were expected to be satisfactory.

B. Investment Performance. In their review of the New Sub-Advisory Agreement, the Independent Board Members considered the performance history of the Fund and the INTECH Sleeve over various time periods. In reviewing performance, the Board recognized, among other things, that performance data reflects a snapshot in time as of a particular period and that a different performance period could generate significantly different results. During their

review of the Original Sub-Advisory Agreement at the May Meeting, the Independent Board Members reviewed, among other things, the Fund's investment performance both on an absolute basis and in comparison to peer funds and to a recognized benchmark for the quarter, one-, three- and five-year periods ending December 31, 2015, as well as performance information reflecting the first quarter of 2016. Additionally, at the May Meeting, the Independent Board Members had reviewed, among other things, the returns of the INTECH Sleeve relative to the benchmark of such sleeve for the quarter, one-, three- and five-year periods ending December 31, 2015, as well as performance information reflecting the first quarter of 2016. Based on its review at the May Meeting, the Board had determined that the Fund's performance had been satisfactory. In connection with its review of the New Sub-Advisory Agreement at the February Meeting, the Board considered updated Fund performance information which reflected, among other things, the Fund's historic performance over the one-, three- and five-year periods as of December 31, 2016. In this regard, the Board noted that the Fund had ranked in the third quartile for the one-year period, the second quartile for the three-year period and the first quartile for the five-year period. Specifically with respect to the INTECH Sleeve, the Independent Board Members noted that such sleeve underperformed its benchmark for the one- and three-year periods ending December 31, 2016, although it nearly matched its benchmark for the five-year period ending December 31, 2016. The Board noted that detractors from the INTECH Sleeve's performance for 2016 included, among other things, an underweight to pro-cyclical sectors, including financials, and an overweight to defensive sectors, although exposure to smaller capitalization stocks was a contributor to performance in 2016 which partially offset the detractors. Further, the Board recognized that the INTECH Sleeve had outperformed its benchmark on an annualized rolling three-year performance basis 95% of the time (gross of fees) since inception and also outperformed its benchmark for three of the past five calendar years. The Independent Board Members noted that the Fund's portfolio management team was not expected to change as a result of the Transaction. In light of the foregoing, along with the prior findings regarding performance at the annual review, the Board determined that the Fund's performance (including the INTECH Sleeve) continued to be satisfactory and supported approval of the New Sub-Advisory Agreement.

C. Sub-Advisory Fees and Profitability. The Board considered the sub-advisory fee rate to be paid by the Adviser under the New Sub-Advisory Agreement, noting that the fee rate would be the same as the fee rate paid by the Adviser under the Original Sub-Advisory Agreement. At the May Meeting, the Independent Board Members had considered the fee rates that INTECH charges to other clients (*Other Client Information*) and noted that the fee rate paid to INTECH for its sub-advisory services was reasonable in relation to the fee rates charged to other clients. The Independent Board Members had also noted that as INTECH was not affiliated with the Adviser, the fees paid to INTECH were the result of arm's-length negotiations. At the February Meeting, the Independent Board Members were provided with updated Other Client Information. The Board concluded that the sub-advisory fee rate continued to be reasonable in light of the nature, extent and quality of services expected to be provided by INTECH under the New Sub-Advisory Agreement.

With respect to profitability, at the May Meeting, the Independent Board Members considered INTECH's revenues, expenses and profitability margins (pre-tax and after-tax) for its advisory activities with the Fund (*Margin Information*) for the 2014 and 2015 calendar years and concluded that INTECH's level of profitability was reasonable in light of the services provided. At the February Meeting, the Independent Board Members were provided with Margin

Information reflecting the 2016 calendar year and concluded that INTECH's profitability from its relationship with the Fund continued to be reasonable in light of the services provided.

D. *Economies of Scale.* The Independent Board Members acknowledged that INTECH had not identified any anticipated economies of scale from the Transaction that were expected to have a material impact on the Fund. The Independent Board Members recognized, however, that INTECH's sub-advisory fee (which, as stated above, is paid by the Adviser) is based on a schedule that includes breakpoints.

E. *Indirect Benefits.* The Independent Board Members considered any indirect benefits INTECH may receive as a result of its relationship with the Fund. In this regard, the Board recognized that INTECH has not participated in soft dollar arrangements with respect to portfolio transactions for the Nuveen funds.

F. *Conclusion.* Based on all of the information considered and the conclusions reached, the Board, including the Independent Board Members, determined that the terms of the New Sub-Advisory Agreement were fair and reasonable and that the approval of the agreement is in the best interests of the Fund.

II. Approval of Interim Sub-Advisory Agreement

At the February Meeting, the Board, including the Independent Board Members, unanimously approved the Interim Sub-Advisory Agreement. If necessary to ensure continuity of advisory services, the Interim Sub-Advisory Agreement will take effect upon the closing of the Transaction if shareholders have not yet approved the New Sub-Advisory Agreement. The terms of the Interim Sub-Advisory Agreement are substantially similar to those of the corresponding Original Sub-Advisory Agreement, except for certain provisions pertaining to the term of the Interim Sub-Advisory Agreement and provisions requiring that compensation be held in an escrow account pursuant to Rule 15a-4 under the 1940 Act. In light of the foregoing, the Board, including the Independent Board Members, unanimously determined that the scope and quality of services to be provided to the Fund under the Interim Sub-Advisory Agreement are at least equivalent to the scope and quality of services provided under the Original Sub-Advisory Agreement. The sub-advisory fee rate under the Interim Sub-Advisory Agreement is the same as the sub-advisory fee rate under the Original Sub-Advisory Agreement. The analysis set forth for approval of the New Sub-Advisory Agreement was equally applicable to the review of the Interim Sub-Advisory Agreement. The Board, including the Independent Board Members, approved the Interim Sub-Advisory Agreement.

APPENDIX E

FORM OF NEW SUB-ADVISORY AGREEMENT

INVESTMENT SUB-ADVISORY AGREEMENT

AGREEMENT made as of this day of 2017 by and between Nuveen Fund Advisors, LLC, a Delaware limited liability company and a federally registered investment adviser (**Manager**), and INTECH Investment Management LLC, a Delaware limited liability company and a federally registered investment adviser (**INTECH** or **Sub-Adviser**).

WHEREAS, Manager serves as the investment manager for the Nuveen Core Equity Alpha Fund (the **Fund**), a closed-end management investment company registered under the Investment Company Act of 1940, as amended (the **1940 Act**) pursuant to an Investment Management Agreement between Manager and the Fund (as such agreement may be modified from time to time, the **Management Agreement**); and

WHEREAS, Manager desires to retain Sub-Adviser to furnish investment advisory services for a certain designated portion of the Fund's investment portfolio, upon the terms and conditions hereafter set forth;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

1. **Appointment.** Manager hereby appoints Sub-Adviser to provide certain sub-investment advisory services to the Fund for the period and on the terms set forth in this Agreement. Sub-Adviser accepts such appointment and agrees to furnish the services herein set forth for the compensation herein provided.
2. **Services to be Performed.** Subject always to the supervision of Fund's Board of Trustees and the Manager, Sub-Adviser will furnish an investment program in respect of, make investment decisions for, and place all orders for the purchase and sale of securities for the portion of the Fund's investment portfolio allocated by Manager to Sub-Adviser, all on behalf of the Fund and as described in the Fund's initial registration statement on Form N-2 as declared effective by the Securities and Exchange Commission, consistent with the investment objectives and restrictions of the Fund described therein and as they may subsequently be changed by the Fund's Board of Trustees and publicly described and as the Sub-Adviser is notified of such changes. In the performance of its duties, Sub-Adviser will satisfy its fiduciary duties to the Fund, will monitor the Fund's investments in securities selected for the Fund by the Sub-Adviser hereunder, and will comply with the provisions of the Fund's Declaration of Trust and By-laws, as amended from time to time, and the investment objectives, policies and restrictions of the Fund, to the extent the Sub-Adviser has been notified of such objectives, policies and restrictions. Manager will provide Sub-Adviser with current copies of the Fund's Declaration of Trust, By-laws, prospectus and any amendments thereto, and any written objectives, policies, procedures or limitations not appearing therein as they may be relevant to Sub-Adviser's performance under this Agreement. Sub-Adviser and Manager will each make its officers and employees available to the other from time to time at reasonable times to review investment policies of the Fund and to consult with each other regarding the investment affairs of the Fund. Sub-Adviser will report to the Board of Trustees and to Manager with respect to the implementation of such program.

Manager shall arrange for the Fund's custodian to forward to Sub-Adviser or Sub-Adviser's designated proxy agent on a timely basis copies of all proxies and shareholder communications relating to securities in which assets of the Fund's investment portfolio allocated by Manager to Sub-Adviser are invested. The Sub-Adviser will vote all such proxies delivered to Sub-Adviser or Sub-Adviser's designated proxy agent consistent with the Sub-Adviser's proxy voting guidelines, as in effect from time to time, and the best interests of the Fund. The Sub-Adviser will maintain appropriate records detailing its voting of proxies on behalf of the Fund and upon reasonable request will provide a report setting forth the proposals voted on and how the Fund's shares were voted, including the name of the corresponding issuers.

Sub-Adviser is authorized to select the brokers or dealers that will execute the purchases and sales of portfolio securities for the Fund, and is directed to use its commercially reasonable efforts to obtain best execution, which includes most favorable net results and execution of the Fund's orders, taking into account all appropriate factors, including price, dealer spread or commission, size and difficulty of the transaction and research and other services, if any, that may be provided. It is understood that the Sub-Adviser will not be deemed to have acted unlawfully, or to have breached a fiduciary duty to the Fund, or be in breach of any obligation owing to the Fund under this Agreement, or otherwise, solely by reason of its having caused the Fund to pay a member of a securities exchange, a broker or a dealer a commission for effecting a securities transaction for the Fund in excess of the amount of commission another member of an exchange, broker or dealer would have charged if the Sub-Adviser determined in good faith that the commission paid was reasonable in relation to the brokerage or research services provided by such member, broker or dealer, viewed in terms of that particular transaction or the Sub-Adviser's overall responsibilities with respect to its accounts, including the Fund, as to which it exercises investment discretion. In addition, if in the judgment of the Sub-Adviser, the Fund would be benefited by supplemental services, the Sub-Adviser is authorized to pay spreads or commissions to brokers or dealers furnishing such services in excess of spreads or commissions that another broker or dealer may charge for the same transaction, provided that the Sub-Adviser determined in good faith that the commission or spread paid was reasonable in relation to the services provided. The Sub-Adviser will properly communicate to the officers and trustees of the Fund such information relating to transactions for the Fund as they may reasonably request. In no instance will portfolio securities be purchased from or sold to the Manager, Sub-Adviser or any affiliated person of the Fund, Manager, or Sub-Adviser, except as may be permitted under the 1940 Act.

Sub-Adviser further agrees that, subject to the provisions of Section 9 hereof, it:

- a) will use the same degree of skill and care in providing such services as it uses in providing services to fiduciary accounts for which it has investment responsibilities;
- b) will conform to all applicable Rules and Regulations of the Securities and Exchange Commission in all material respects and in addition will conduct its activities under this Agreement in accordance with any applicable regulations of any governmental authority pertaining to its investment advisory activities;
- c) will report regularly to Manager and to the Board of Trustees of the Fund and will make appropriate persons available for the purpose of reviewing with representatives of Manager and the Board of Trustees on a regular basis at

reasonable times the management of the Fund, including, without limitation, review of the general investment strategies of the Fund with respect to the portion of the Fund's portfolio allocated to the Sub-Adviser, the performance of the Fund's investment portfolio allocated to the Sub-Adviser in relation to standard industry indices and general conditions affecting the marketplace and will provide various other reports from time to time as reasonably requested by Manager;

6. **Compensation.** For the services provided and the expenses assumed pursuant to this Agreement, Manager will pay the Sub-Adviser, and the Sub-Adviser agrees to accept as full compensation therefor, a portfolio management fee calculated based on the Sub-Adviser's allocation of Fund net assets (including net assets attributable to Fund Preferred Shares and the principal amount of any borrowings, if any) in accordance with the following schedule:

Daily Net Assets	Sub-Adviser's Annual Fee Rate
Up to \$100 million	0.400%

Manager recognizes, and has advised Fund's Board of Trustees, that in some cases this procedure may adversely affect the size of the position that the Fund may obtain in a particular security. It is further agreed that, on occasions when the Sub-Adviser deems the purchase or sale of a security to be in the best interests of the Fund as well as other accounts, it may, to the extent permitted by applicable law, but will not be obligated to, aggregate the securities to be so sold or purchased for the Fund with those to be sold or purchased for other accounts in order to obtain favorable execution and lower brokerage commissions. In addition, Manager understands, and has advised Fund's Board of Trustees, that the persons employed by Sub-Adviser to assist in Sub-Adviser's duties under this Agreement will not devote their full such efforts and service to the Fund. It is also agreed that the Sub-Adviser may use any supplemental research obtained for the benefit of the Fund in providing investment advice to its other investment advisory accounts or for managing its own accounts. 10. Term; Termination; Amendment. This Agreement shall continue in force from year to year thereafter with respect to the Fund, but only as long as such continuance is specifically approved for the Fund at least annually in the manner required by the 1940 Act and the rules and regulations thereunder; *provided, however*, that if the continuation of this Agreement is not approved for the Fund, the Sub-Adviser may continue to serve in such capacity for the Fund in the manner and to the extent permitted by the 1940 Act and the rules and regulations thereunder.
