Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 14, 2017, the Board of Directors of Career Education Corporation (the Company) appointed William D. Hansen to the Company's Board of Directors for a term expiring at the 2018 annual meeting of stockholders, or until his respective successor is elected or qualified or until his earlier resignation or removal.

A copy of the press release announcing Mr. Hansen's appointment is attached as Exhibit 99.1.

As a non-employee director of the Company, Mr. Hansen will receive an annual retainer of \$75,000, payable in quarterly installments. In addition, an individual meeting fee of \$1,500 will be paid to non-employee directors for each board and committee meeting commencing with the eighteenth board or eighteenth committee meeting in the 12-month period following the annual meeting of the Company's stockholders. The final quarterly payment with respect to a calendar year is contingent on the director having attended at least 75% of the aggregate of the total number of board meetings (held during the portion of the year for which such individual has been a director) plus the total number of meetings held by all committees of the board on which such person served (during the portion of the year that the person served on such committee). In the event the director has not achieved this attendance level, the director will forfeit the entire amount of the final quarterly retainer payment. This forfeiture provision does not apply to (1) board or committee meeting fees payable when the board or committee holds 18 or more meetings during the 12-month period following the annual meeting of the Company's stockholders, or (2) equity awards (described below). All non-employee directors are reimbursed for their reasonable out-of-pocket expenses incurred in attending board and committee meetings and associated with board or committee responsibilities, including attendance at one director education program each year.

In addition, under the director compensation program adopted effective May 2017, each non-employee director receives an annual grant of stock options on the date of the annual meeting of stockholders with a target value at grant of \$75,000, and new directors who join the Board during the year receive a pro rata equity award for their partial year of service. The exercise price of the stock options is equal to the closing price of the common stock on NASDAQ on the date of grant and the stock options vest after one year, subject to continued board service on the vesting date. Vested options are exercisable for ten years from the grant date unless a director ceases board service, in which event early termination provisions apply. In accordance with this director compensation program, Mr. Hansen received a prorated option award to purchase 5,168 shares of the Company's common stock for an exercise price of \$13.15 per share which vests on December 14, 2018, subject to continued service on the Board.

As a non-employee director, Mr. Hansen will be subject to the Company's stock ownership guidelines (as described in the Company's proxy statement for its 2017 annual meeting of stockholders).

Mr. Hansen is covered by our directors' and officers' insurance policy and also has an indemnification agreement providing indemnification and advancement of expenses to the fullest extent permitted by Delaware law (a form of which is filed as Exhibit 10.9 to our Quarterly Report on Form 10-Q for the period ended June 30, 2016).

There have been no transactions since the beginning of the last fiscal year, or any currently proposed transactions, in which the Company or any of its affiliates was or is to be a participant and in which Mr. Hansen has or had a direct or indirect material interest, nor does Mr. Hansen have any family relationship with any director or executive officer of the Company.

Mr. Hansen has not yet been named to any committees of the Board.
