**Item 1.01 Entry into a Material Definitive Agreement.**

On November 20, 2017, Puma Biotechnology, Inc. (the Company) entered into a License Agreement (the Agreement) with Specialised Therapeutics Asia Pte Ltd. (STA).

Pursuant to the Agreement, the Company granted to STA, under certain of the Company's intellectual property rights relating to neratinib, an exclusive (including with respect to the Company and its affiliates), sublicensable license to commercialize any pharmaceutical product containing neratinib in finished form (the Licensed Product) for the extended adjuvant treatment of adult patients with early stage HER2-positive breast cancer and HER2-positive metastatic breast cancer in Australia, Brunei, Cambodia, Indonesia, Laos, Malaysia, Myanmar, New Zealand, Papua New Guinea, Philippines, Singapore, Thailand, Timor-Leste and Vietnam (the Territory).

The Agreement sets forth the parties' respective obligations with respect to the development, commercialization and supply of the Licensed Product. Within the Territory, STA will be generally responsible for regulatory and commercialization activities, and the Company will be solely responsible for the manufacturing and supply of the Licensed Product under a supply agreement that will be entered into between the parties.

Pursuant to the Agreement, the Company is entitled to upfront and other milestone payments of up to \$4.5 million, payable upon achievement of the milestone events specified in the Agreement. Furthermore, the Company is entitled to receive significant double digit royalties calculated as a percentage of net sales of Licensed Products in the Territory.

The term of the Agreement continues, on a country-by-country basis, until the later of (i) the expiration or abandonment of the last patent covering the Licensed Product or (ii) the earlier of (a) the date upon which sales of generic versions of Licensed Product reach a specified level in such country, or (b) the tenth anniversary of the first commercial sale of the Licensed Product in such country. The Agreement may be terminated by either party if the other party commits a material breach, subject to a customary cure period, or if the other party is insolvent. The Agreement will also terminate upon the termination of the supply agreement for Licensed Products between the parties.

The foregoing description of the Agreement is qualified in its entirety by reference to the Agreement, a copy of which will be filed as an exhibit to the Company's Annual Report on Form 10-K for the year ended December 31, 2017.

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
