CALCULATION OF FILING FEE

Transaction Valuation*	Amount of Filing Fee**
\$172,933,132.50	\$21,530.18

- * The calculation of the transaction value is determined by multiplying the offer price of \$26.75 per share by 6,464,790 shares of common stock, no par value, of Key Technology, Inc. issued and outstanding (including 321,154 shares subject to service-based or performance-based vesting conditions). The calculation of the filing fee is based on information provided by Key Technology, Inc. as of February 7, 2018.
- ** The filing fee was calculated in accordance with Rule 0-11 under the Securities Exchange Act of 1934, as amended, and Fee Rate Advisory No. 1 for Fiscal Year 2018, issued August 24, 2017, by multiplying the transaction valuation by 0.0001245.

This Amendment No. 2 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO filed by Cascade Merger Sub, Inc., a Delaware corporation (Purchaser) and a wholly-owned subsidiary of Duravant LLC, a Delaware limited liability company (Duravant), with the Securities and Exchange Commission on February 8, 2018 (together with any subsequent amendments and supplements thereto, including this Amendment, the Schedule TO). The Schedule TO relates to the tender offer by Purchaser for all of the outstanding shares of common stock, no par value (Shares), of Key Technology, Inc., an Oregon corporation (Key Technology), at a price per share of \$26.75, net to the seller in cash, without interest and subject to any withholding of taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated February 8, 2018 (the Offer to Purchase), a copy of which is attached as Exhibit (a)(1)(A), and in the related letter of transmittal (the Letter of Transmittal), a copy of which is attached as Exhibit (a)(1)(B), and which, together with the Offer to Purchase and other related materials, as each may be amended or supplemented from time to time, collectively constitute the Offer).

All the information set forth in the Offer to Purchase, including Schedule I thereto, is incorporated by reference herein in response to Items 1 through 9 and Item 11 of this Schedule TO, and is supplemented by the information specifically provided in this Amendment.

Capitalized terms used but not defined in this Amendment shall have the meanings assigned to such terms in the Schedule TO.

Items 1 through 9 and Item 11.

The Offer to Purchase and Items 1 through 9 and Item 11 of the Schedule TO, to the extent such Items incorporate by reference the information contained in the Offer to Purchase, are hereby amended and supplemented as set forth below:

The subsection of Section 16 of the Offer to Purchase titled Competition Laws is hereby amended and supplemented by adding the following paragraph at the end of the subsection:

German Competition Law. Under the German Act against Restraints of Competition of 1957, as amended (which we refer to as German Competition Law), the acquisition of Shares in the Offer and the Merger may not be completed until the Federal Cartel Office (which we refer to as the FCO) has cleared the transaction or the applicable waiting period has expired without the FCO having prohibited the transaction. Duravant and Key Technology filed the required premerger filing with the FCO on February 22, 2018, and the waiting period applicable to the Offer and Merger is scheduled to expire on March 22, 2018, unless earlier terminated by the FCO and absent an in-depth investigation commenced by the FCO. The commencement of such formal investigation by the FCO would extend the waiting period up to four months (five months if conditions or remedies are proposed by the parties) from the date of receipt by the FCO of the complete notification; further extensions of the waiting period would only be possible with the consent of the parties or in the event that the parties do not properly comply with their duty to provide information upon request from the FCO. The completion of the Offer and Merger without German merger control clearance could result in administrative penalties and the Offer and Merger being deemed invalid under German law. If the FCO determines that the acquisition of Shares in the Offer or the Merger would significantly impede effective competition, and particularly if it determines that such acquisition would lead to the creation or strengthening of a dominant market position, it may prohibit the acquisition of the Shares in the Offer or the Merger or clear it only subject to remedies such as divestitures. Based upon our examination of publicly available information and other information relating to the businesses in which Key Technology is engaged, Duravant and Key Technology believe that neither the purchase of Shares by Purchaser pursuant to the Offer nor the consummation of the Merger should violate German Competition Law. Nevertheless, neither Duravant nor Key Technology can be certain that a challenge to the Offer or the Merger on antitrust grounds will not be made or that, if a challenge is made, what the result will be. In the event that the waiting period described in this paragraph is not earlier terminated by the FCO prior to the Expiration Time, Purchaser expects to extend the Expiration Time until the waiting period expires or is earlier terminated.
