The exercise price was based on the price per share of the common stock of the company on the date of the grant, January 2, 2007.

(1) Because the market was closed on that date, the exercise price was derived by using the closing price of the common stock of the company on the last trading day on which the shares were traded, which was December 29, 2006.

(2) These options were granted in accordance with the Company's 2003 Stock Incentive Plan.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
