PROXY STATEMENT
FOR THE 2011 ANNUAL MEETING OF UNITHOLDERS
TO BE HELD ON MAY 11, 2011

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

The Annual Meeting

Definitions:

Unless otherwise indicated, the terms “Partnership,” “Legacy,” “we,” “our,” and “us” are used in this proxy statement to refer to Legacy Reserves LP together with our subsidiaries. The terms “board” and “board of directors” refer to our general partner’s board of directors.

What is a proxy statement and why is it important?

We hold a meeting of unitholders annually. This year’s meeting will be held on May 11, 2011. Our board of directors is seeking your proxy to vote at the 2011 Annual Meeting of Unitholders (“Annual Meeting”). This proxy statement contains important information about the Partnership and each of the matters to be voted on at the meeting. We are mailing this proxy statement to unitholders on or about March 31, 2011. Please read these materials carefully so that you have the information you need to make informed decisions.

You do not need to attend the Annual Meeting to vote. Instead, you may simply complete, sign and return the enclosed proxy card, vote on the internet or by telephone as provided on your proxy card.

When and where is the Annual Meeting?

The 2011 Annual Meeting of Unitholders of Legacy Reserves LP will be held on Wednesday, May 11, 2011, at 10:30 a.m., local time, at the Midland Petroleum Club located at 501 W. Wall, Midland, Texas 79701.

The Petroleum Club of Midland is located on the southwest corner of Wall Street and Marienfeld in downtown Midland. From the Midland International Airport, exit the airport on the south side and cross over and merge onto Business 20 East, which turns into Wall Street. The Petroleum Club is 10 miles east of the airport and is a white, two story building. There is parking behind the building. For your convenience, the Petroleum Club phone number is (432) 682-2557.

What am I being asked to vote upon?

You are being asked to (1) approve the election of the directors nominated to our general partner’s board of directors to serve until the next Annual Meeting of Unitholders; (2) approve, by non-binding, advisory vote, executive compensation; (3) recommend, by non-binding, advisory vote, that future unitholder advisory votes on executive compensation be conducted every three years; (4) ratify the appointment of the firm of BDO USA, LLP as independent registered public accountants of the Partnership for the fiscal year ending December 31, 2011; and (5) consider and vote upon such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Voting and Proxy Procedures

Who may vote at the Annual Meeting?

Only unitholders of record at the close of business on March 28, 2011, the record date for the Annual Meeting, are entitled to receive notice of and to participate in the Annual Meeting. If you were a unitholder of record on that date, you will be entitled to vote all of the units representing limited partner interests of Legacy Reserves LP, each referred to as a Unit, that you held on that date at the Annual Meeting, or any postponements or adjournments of the Annual Meeting.

It is critical that you instruct your broker how you wish to vote your units on Proposal 1, 2 and 3. Absent instructions from you, the bank or broker may not vote your units on these proposals and your units will be considered broker non-votes, which will have no effect on the outcome of the proposals for consideration at the annual meeting.

What are the voting rights of the holders of Units?

Each Unit is entitled to one vote on all matters. Your proxy card indicates the number of units that you owned as of the record date.

Who is soliciting my proxy?

Our general partner's board of directors on behalf of the Partnership is soliciting proxies to be voted at the Annual Meeting.

What different methods can I use to vote?

By Written Proxy. Whether you plan to attend the Annual Meeting or not, we urge you to complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the Annual Meeting and vote in person.

By Internet. Go to the website set forth on the proxy card and follow the on-screen instructions. You will need the control number contained on your proxy card. Voting by internet is the fastest and lowest cost medium of voting your proxy.

By Telephone. Please dial the toll-free telephone number set forth on the proxy card and follow the audio instructions. You will need the control number contained on your proxy card.

If you properly follow the instructions above in time to vote, your "proxy" (Steven H. Pruett or William M. Morris are the individuals named as proxies on your proxy card) will vote your units as you have directed. Unless otherwise directed by you, your proxy will vote your units:

- For the election of the seven director nominees proposed by our general partner's board of directors;
- For the approval of the compensation of the named executive officers;
- For "3 years" with respect to the frequency of future advisory votes on executive compensation; and
- For the ratification of the appointment of BDO USA, LLP as our independent registered accounting firm.

If any other matter is presented, it is the intention of the persons named in the enclosed proxy card to vote proxies held by them in accordance with their best judgment. At the time this proxy statement was first mailed to unitholders, we knew of no matters that needed to be acted on at the Annual Meeting other than those discussed in this proxy statement.

In Person. All unitholders of record may vote in person at the Annual Meeting. If you plan to attend the Annual Meeting and vote in person, we will give you a ballot when you arrive. However, if your units are held in the name of your broker, bank or other nominee, you must bring an account statement or letter from the nominee indicating that you were the beneficial owner of the units on the record date.

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

How may I revoke my signed proxy card?

You may revoke your proxy card or change your vote at any time before your proxy is voted at the Annual Meeting. You can do this in one of three ways:

- You can send a written notice in advance of the meeting to our Secretary at 303 W. Wall, Suite 1400, Midland, Texas 79701, stating that you would like to revoke your proxy.
- You can complete and submit a later-dated proxy card.
- You can attend the Annual Meeting and vote in person. Your attendance at the Annual Meeting will not alone revoke your proxy unless you vote at the meeting as described below.
- If you have instructed a broker to vote your units, you must follow directions received from your broker to change those instructions.

You may change your internet vote as often as you wish by following the procedures for internet voting. The last known vote in the internet voting system as of 11:59 p.m. Eastern Time on May 10, 2011 will be counted.

You may change your telephone vote as often as you wish by following the procedures for telephone voting. The last known vote in the telephone voting system as of 11:59 p.m. Eastern Time on May 10, 2011 will be counted.

What does it mean if I get more than one proxy card?

It indicates that your units are held in more than one account, such as two brokerage accounts registered in different names. You should complete each of the proxy cards to ensure that all of your units are voted. We encourage you to register all of your brokerage accounts in the same name and address for better service. You should contact your broker, bank or nominee for more information. Additionally, our transfer agent, Computershare Trust Company, N.A., can assist you if you want to consolidate multiple accounts registered in your name by contacting our transfer agent at P.O. Box 43078, Providence, RI 02940-3078, Telephone: (781) 575-4238.

Quorum and Required Votes

How many votes are needed to hold the meeting?

A majority of the outstanding units as of the record date must be represented at the meeting in order to hold the meeting and conduct business. This is called a quorum. As of March 28, 2011, the record date, there were 43,612,479 units outstanding held by approximately 53 holders of record. Unitholders are entitled to one vote, exercisable in person or by proxy, for each unit, held by such Unitholder on the record date. Our partnership agreement does not provide for cumulative voting.

Units are counted as present at the Annual Meeting if:

- the unitholder is present and votes in person at the meeting,
- the unitholder has properly submitted a proxy card, or
- under certain circumstances, the unitholder's broker votes the units.

Who will count the vote?

Representatives of Computershare Trust Company, N.A., our transfer agent, will tabulate the votes.

How many votes are required to approve the proposals?

The affirmative vote of holders of a plurality of the votes cast at the meeting is required to elect directors. Abstentions and broker non-votes will not be taken into account in determining the outcome of the election of directors (Proposal 1).

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

The affirmative vote of holders of a majority of the units entitled to vote and present in person or by proxy at the meeting is required for approval of the non-binding resolution on executive compensation (Proposal 2), non-binding recommendation of the frequency of future advisory votes on executive compensation (Proposal 3) and ratification of our appointment of the independent registered public accounting firm for the fiscal year ending December 31, 2011 (Proposal 4) and any other matters that properly come before the meeting.

How are abstentions and broker non-votes counted?

Abstentions and broker non-votes are included in determining whether a quorum is present.

Abstentions and broker non-votes will not be taken into account in determining the outcome of the election of directors.

For the purpose of determining whether a proposal other than the election of directors has received a majority vote, abstentions are included in the vote totals with the result that an abstention will have the same effect as a vote against. Brokers do not have discretionary authority to vote on the advisory vote on executive compensation and the advisory vote on the frequency of holding future advisory votes on executive compensation. Consequently, broker non-votes will not be considered in the vote totals for these proposals (Proposals 2 and 3) and will have no effect on the vote.

With respect to the approval of auditors, brokers have the discretionary authority to vote on this proposal. Therefore, to the extent of any broker non-votes on Proposal 4, these will have the same effect as a vote against the proposal.

How are proxies solicited?

Proxies may be solicited by mail, telephone, or other means by our general partner's officers, directors and our employees. No additional compensation will be paid to these individuals in connection with proxy solicitations. We will pay for distributing and soliciting proxies and will reimburse banks, brokers and other custodians their reasonable fees and expenses for forwarding proxy materials to unitholders.

PROPOSAL 1

ELECTION OF DIRECTORS

Board of Directors

The Amended and Restated Limited Liability Company Agreement of our general partner provides that our general partner's board of directors will consist of a number of directors as determined from time to time by resolution adopted by a majority of directors then in office, but shall not be less than seven, nor more than nine. Currently, our general partner's board of directors has seven directors. Each of the nominees for election to the board of directors is currently a director of Legacy Reserves GP, LLC. If elected at the annual meeting, each of the nominees will be elected to hold office for a one year term and thereafter until his successor has been elected and qualified, or until his earlier death, resignation or removal.

Voting

Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the annual meeting. Units represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such units will be voted for the election of such substitute nominee as may be nominated by our general partner's board of directors. Each person nominated for election has agreed to serve if elected, and we have no reason to believe that any nominee will be unable to serve.

Recommendation and Proxies

The board of directors recommends a vote FOR each of the nominees named below.

The persons named in the enclosed proxy card will vote all units over which they have discretionary authority FOR the election of the nominees named below. Although our general partner's board of directors does not anticipate that any of the nominees will be unable to serve, if such a situation should arise prior to the meeting, the appointed persons will use their discretionary authority pursuant to the proxy and vote in accordance with their best judgment.

PROPOSAL 2

ADVISORY (NON-BINDING) VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, as amended (Exchange Act), and the related rules of the SEC, we are including in these proxy materials a non-binding resolution seeking unitholder approval of the compensation of our named executive officers as described in this proxy statement.

Our executive officer compensation strategy is designed to align the compensation of the executive officers with unitholder return. We provide financial incentives to our executive officers for performance, achievement of goals and enhancement of unitholder value. Our compensation philosophy is to drive and support the long-term goal of sustainable growth in unit distributions and total unitholder return by paying for performance and not rewarding under-performance. In meeting the goal of sustainable growth, we intend to invest in our long-term opportunities while meeting our short-term commitments.

As all our executive officers hold units in the Partnership, we focus on the growth of our business and distributions. Through this approach, our executives receive salaries for the market value of their services and their performance is further rewarded through the distributions they receive on their holdings of our units, which creates alignment of interests with our unitholders.

The text of the advisory (non-binding) resolution with respect to this Proposal 2 is as follows:

“RESOLVED, that the unitholders of Legacy Reserves LP approve, on an advisory basis, the compensation of the individuals identified in the Summary Compensation Table, as disclosed in the Legacy Reserves LP proxy statement with respect to Legacy Reserves LP’s 2011 Annual Meeting pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation discussion and analysis, the compensation tables and any related material disclosed in this proxy statement.”

In considering their vote, unitholders may wish to review with care the information on the Partnership’s compensation policies and decisions regarding executive compensation as presented in the “Compensation Discussion and Analysis” on pages 19 to 34 in this proxy statement and the compensation tables and related narrative disclosure on pages 35 to 42 in this proxy statement.

Although the unitholder vote on this advisory resolution is non-binding, the Compensation Committee and the board value unitholder opinions and will consider the outcome of the vote when making future decisions regarding our executive compensation program.

THE BOARD RECOMMENDS THAT YOU VOTE “FOR”
THE APPROVAL OF THE ADVISORY (NON-BINDING) RESOLUTION ON
EXECUTIVE COMPENSATION.

PROPOSAL 3

ADVISORY (NON-BINDING) VOTE ON FREQUENCY OF FUTURE VOTES ON
EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Exchange Act and the related rules of the SEC, we are providing the unitholders with an opportunity to provide an advisory (non-binding) vote with respect to whether future unitholder advisory votes on executive compensation should occur every three years, every two years or every year.

The board asks that unitholders support a frequency period of every three years for future advisory unitholder votes on compensation for our named executive officers. The board believes holding an advisory vote on executive compensation every three years would allow us sufficient time to conduct a meaningful and detailed review of its pay practices in response to such unitholder advisory vote. Further, the board believes that holding an advisory vote on executive compensation every three years would align more closely with our compensation philosophy, which is to drive and support the long-term goal of sustainable growth in unit distributions and total unitholder return by paying for performance.

This advisory vote on frequency of advisory votes on executive compensation gives unitholders the opportunity to state their preference on how frequently we conduct the advisory vote on our executive compensation. Unitholders will be able to specify one of four choices for this proposal on the proxy card: three years, two years, one year or abstain.

While the board recommends holding an advisory vote on executive compensation every three years, the board recognizes that a more frequent advisory vote may be appropriate if a majority of our unitholders indicate their disapproval of the Partnership's executive compensation practices. Accordingly, if Proposal 2 ("Advisory (Non-Binding) Vote on Executive Compensation") is not approved by a majority of the votes cast, then the board will voluntarily implement an annual advisory vote on executive compensation. Further, if a subsequent annual advisory vote on executive compensation is approved by a majority of the votes cast, then at that time, Legacy will begin holding an advisory vote on executive compensation every three years.

This advisory vote on the frequency of future advisory votes on executive compensation is non-binding on the board. Unitholders are not voting to approve or disapprove the board's recommendation. Although non-binding, the board and the Compensation Committee will carefully review the voting results and consider these results in setting the future advisory vote frequency.

THE BOARD RECOMMENDS THAT YOU VOTE "3 YEARS" WITH RESPECT
TO THE FREQUENCY OF VOTES ON EXECUTIVE COMPENSATION.

CORPORATE GOVERNANCE

Management of Legacy Reserves LP

The directors and officers of Legacy Reserves GP, LLC, as our general partner, manage our operations and activities. Our general partner is not elected by our unitholders and will not be subject to re-election on a regular basis in the future. Other than through their ability to elect directors of our general partner as described below, unitholders will not be entitled to directly or indirectly participate in our management or operation.

Our general partner owes a fiduciary duty to our unitholders. Our general partner will be liable, as general partner, for all of our debts (to the extent not paid from our assets), except for indebtedness or other obligations that are made specifically nonrecourse to it. Our general partner therefore may cause us to incur indebtedness or other obligations that are nonrecourse to it.

The limited liability company agreement of our general partner provides for a board of directors of not less than seven and not more than nine members.

Our unitholders, including affiliates of our general partner, are entitled to annually elect all of the directors of our general partner. Directors of our general partner hold office until the earlier of their death, resignation, removal or disqualification or until their successors have been elected and qualified.

Board of Directors

During the fiscal year ended December 31, 2010, our general partner's board of directors held eleven meetings. It is the policy of our general partner's board of directors to encourage directors to attend each meeting of unitholders. All of our seven directors attended the Annual Meeting held in 2010.

Director Independence

The board of directors of our general partner has an audit committee of three directors who meet the independence and experience standards established by the NASDAQ Global Select Market, or NASDAQ, and the Securities Exchange Act of 1934, as amended, or Exchange Act. The audit committee reviews our external financial reporting, recommends engagement of our independent auditors and reviews procedures for internal auditing and the adequacy of our internal accounting controls. The board of directors of our general partner also has a compensation committee, consisting of three independent members, that administers the Legacy Reserves LP Long-Term Incentive Plan, or LTIP.

Four members of the board of directors of our general partner serve on the nominating, governance and conflicts committee that will nominate candidates to serve on the board of directors of our general partner, review and determine other governance matters, and review specific matters that the board believes may involve conflicts of interest. In this context, the nominating, governance and conflicts committee will determine if the resolution of the conflict of interest is fair and reasonable to the unitholders. The members of the nominating, governance and conflicts committee may not be officers or employees of our general partner or directors, officers, or employees of its affiliates, and must meet the independence and experience standards established by any national securities exchange on which our securities may be listed and the Exchange Act and other federal securities laws. Under NASDAQ listing standards, the board of directors must affirmatively determine that a director is independent. Any matters approved by the nominating, governance and conflicts committee will be conclusively deemed to be fair and reasonable to us, approved by all of our partners and not a breach by our general partner of any duties it may owe us or our unitholders.

The board annually reviews all relevant business relationships any director may have with Legacy and the independence standards established by the NASDAQ. As a result of its annual review and nomination process, the board has determined that none of the Messrs. Granberry, Lawrence, Sullivan and Vann has a material relationship with the Partnership and, as a result, such directors are determined to be independent. Although not required under NASDAQ listing standards, we currently have a majority of independent directors on the board of directors of our general partner.

Independent members of the board of directors of our general partner serve as the members of the audit (Messrs. Lawrence (chairman), Granberry and Sullivan), compensation (Messrs. Vann (chairman), Granberry and Sullivan) and nominating, governance and conflicts (Messrs. Granberry (chairman), Lawrence, Sullivan and Vann) committees.

The audit committee met four times, the compensation committee met five times, the nominating, governance and conflicts committee met one time during 2010.

Leadership Structure of the Board

As prescribed by the Amended and Restated Limited Liability Company Agreement of our general partner, the Chairman of the board of directors has the power to preside at all meetings of the Board. Mr. C. Brown serves as our Chairman of our Board and as our Chief Executive Officer. The board believes that the combination of the Chairman and CEO roles is appropriate in the current circumstances, however, such approach is not established as a policy and the nominating, governance and conflicts committee will re-evaluate this approach periodically.

The nominating, governance and conflicts committee believes that Mr. C. Brown's history as one of the Partnership's founders and his strategic experience make him the appropriate leader of the Board. In November 2010, the committee discussed and considered the appointment of an independent lead director and determined not to appoint one. It is the nominating, governance and conflicts committee's view that Mr. C. Brown in his dual capacity as Chairman of the Board and Chief Executive Officer will serve as an effective communication link between the Board and management and there is no need for an independent lead director at this time. The nominating, governance and conflicts committee will re-evaluate its view on the Board's leadership structure periodically.

Risk Oversight

While it is the job of management to assess and manage our risk, the board and its audit committee (each where applicable) discuss the guidelines and policies that govern the process by which risk assessment and management is undertaken and evaluate reports from various functions with the management team on risk assessment and management. The board interfaces regularly with management and receives periodic reports that include updates on operational, financial, legal and risk management matters. The audit committee assists the board in oversight of the integrity of our financial statements and our compliance with legal and regulatory requirements including those related to the health, safety and environmental performance of Legacy. The audit committee also reviews and assesses the performance of our internal audit function and our independent auditors. The board receives regular reports from the audit committee. We do not believe that the board's role in risk oversight has an effect on the board's leadership structure.

Evaluation of Compensation Risk

Our compensation committee has reviewed our employee compensation programs and overall compensation structure and internal controls. There are several design features of our compensation policy that reduce the likelihood of excessive risk-taking:

- Annual cash incentive opportunities are contingent upon several carefully-designed objective operational and financial measures (50%) as well as the compensation committee's discretion as to whether and in what amount to award the remaining 50% of the target cash incentive compensation;
- Our compensation policy is designed to provide a balanced mix of cash and equity and short-and long-term incentives;
- The potential payouts pursuant to our annual cash incentives are subject to reasonable maximum limits; and
- Internal controls are in place to assure that payments and awards are consistent with actions approved by the compensation committee.

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

Taking into consideration the factors above, the compensation committee does not believe that there is a reasonable likelihood that Legacy's compensation policy could have a material adverse effect on Legacy.

Audit Committee

Membership

The audit committee has been established in accordance with Rule 10A-3 promulgated under the Exchange Act. The board of directors of our general partner has appointed Messrs. Lawrence, Sullivan, and Granberry as members of the audit committee. Mr. Lawrence serves as the chair of the committee. Each of the members of the audit committee has been determined by the board of directors to be independent under NASDAQ's standards for audit committee members to serve on its audit committee. In addition, the board of directors has determined that at least one member of the audit committee (Mr. Lawrence) has such accounting or related financial management expertise sufficient to qualify such person as the audit committee financial expert in accordance with Item 407 of Regulation S-K and NASDAQ requirements.

Responsibilities

The audit committee assists the general partner's board of directors in overseeing:

- our accounting and financial reporting processes;
- the integrity of our financial statements;
- our compliance with legal and regulatory requirements;
- the qualifications and independence of our independent auditors; and
- the performance of our internal audit function and our independent auditors.

The audit committee is also charged with making regular reports to the board of directors of the general partner and preparing any reports that may be required under NASDAQ listing standards or SEC rules.

The board of directors of our general partner has adopted a charter for the audit committee a copy of which is available on our website at www.legacylp.com. Compensation Committee

Membership

The compensation committee consists of three members of the board of directors, Messrs. Sullivan, Granberry and Vann, all of whom have been determined by the board of directors of our general partner to be independent under NASDAQ listing standards. Mr. Sullivan replaced Mr. Lawrence as a member of the compensation committee effective March 8, 2011. In addition, each member of the compensation committee qualifies as a "non employee" director within the meaning of Rule 16b-3 promulgated under the Exchange Act, and as an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended. Mr. Vann is the chair of the compensation committee.

Responsibilities

The committee's responsibilities under its charter are to:

- evaluate at least once a year the Chief Executive Officer's performance in light of established goals and objectives;

- assist the full board with respect to the administration of the incentive compensation and other unit-based plans; and
- prepare and publish an annual executive compensation report.

Nominating, Governance and Conflicts Committee

Membership

The nominating, governance and conflicts committee consists of Messrs. Lawrence, Granberry, Sullivan and Vann. Mr. Granberry serves as the chair of the committee. The board of directors has determined that all members of the nominating and governance committee are independent under NASDAQ listing standards. The purpose of the committee is to:

- identify, recruit, evaluate and recommend individuals for election to the board and the committees thereof as well as to fill any vacancies, consistent with criteria approved by the board;
- develop and oversee the general partner's policies and procedures regarding compliance with applicable laws and regulations relating to the honest and ethical conduct of the general partner's directors, officers and employees, and senior financial officers (as well as the sole responsibility for granting any waivers thereunder);
- evaluate annually, based on input from the entire board, the performance of the general partner's Chief Executive Officer and report the results of the evaluation to the compensation committee; and
- oversee the evaluations of the board, the committees of the board and management.

Responsibilities

In addition to the purposes of the committee listed above, the duties of the nominating, governance and conflicts committee include:

- develop a process to be used by the committee in identifying and evaluating candidates for membership on the board and its committees;

- annually present to the board a list of nominees recommended for election to the board at the annual meeting of unitholders;
- adopt a policy regarding the consideration of any director candidates recommended by unitholders of the Partnership and the procedures to be followed by such unitholders in making such recommendations;
- adopt a process for unitholders of the Partnership to send communications to the board; and
- recommend general matters for consideration by the board including but not limited to (i) the structure of board meetings; (ii) director retirement policies; (iii) director and officer insurance policy requirements; (iv) policies regarding the number of boards on which a director may serve; (v) director orientation and training; and (vi) the role of the general partner's executive officers and the outside directorships of such directors.

Further, the nominating, governance and conflicts committee, at the request of the board of directors of our general partner, will review specific matters that the board of directors of our general partner believes may involve a conflict of interest. The committee will determine if the resolution of the conflict of interest is fair and reasonable to the unitholders. Any matters approved by the committee will be conclusively deemed to be fair and reasonable to us, approved by all of our partners and not a breach by our general partner of any duties it may owe us or our unitholders.

Director Nominations

Under our amended and restated agreement of limited partnership, unitholders desiring to suggest a board nominee must give prior written notice to our Secretary regarding the persons to be nominated. The notice must be received at our principal executive offices at the address shown on the cover page within the specified period and must be accompanied by the information and documents specified in the amended and restated agreement of limited partnership. A copy of the amended and restated agreement of limited partnership may be obtained by writing to our Secretary at the address shown on the cover page of this proxy statement.

Recommendations by unitholders for directors to be nominated at the 2012 annual meeting of unitholders must be in writing and include sufficient biographical and other relevant information such that an informed judgment as to the proposed nominee's qualifications can be made and the name address and the class and number of units owned by such unitholder. Recommendations must be accompanied by a notarized statement executed by the proposed nominee consenting to be named in the proxy statement, if nominated, and to serve as a director, if elected. Notice and the accompanying information must be received at our principal executive office at the address shown on the cover page of this proxy statement no later than January 11, 2012 and no earlier than December 28, 2011.

The amended and restated agreement of limited partnership does not affect any unitholder's right to request inclusion of proposals in our proxy statement pursuant to Rule 14a-8 promulgated under the Exchange Act. Rule 14a-8 specifies what constitutes timely submission for a unitholder proposal to be included in our proxy statement. Under the SEC's proxy solicitation rules, in order to be considered for inclusion in the proxy materials for the 2012 annual meeting of unitholders, proposals must be received by our Secretary at our principal offices in Midland, Texas by January 11, 2012. Unitholders are urged to review all applicable rules and consult legal counsel before submitting a nomination or proposal to us.

Nomination Criteria

The nominating, governance and conflicts committee is responsible for assessing the skills and characteristics that candidates for election to our general partner's board of directors should possess, as well as the composition of our general partner's board of directors as a whole. The assessments include qualifications under applicable independence standards and other standards applicable to our general partner's board of directors and its committees as well as consideration of skills and experience in the context of the needs of our general partner's board of directors. Each candidate must meet certain minimum qualifications including:

- the ability to dedicate sufficient time, energy and attention to the performance of her or his duties, taking into consideration the nominee's service on other public company boards; and

- skills and expertise complementary to the skills and expertise of the existing members of our general partner's board of directors in this regard the board of directors will consider its need for operational managerial, financial, governmental affairs or other relevant expertise.

The nominating, governance and conflicts committee may also consider the ability of a prospective candidate to work with the then existing interpersonal dynamics of our general partner's board of directors and the candidate's ability to contribute to the collaborative culture among the members of the board of directors of our general partner.

The nominating, governance and conflicts committee will also evaluate each nominee based upon a consideration of diversity age skills and experience in the context of the needs of the general partner's board of directors. The committee does not have a policy with regard to the consideration of diversity in identifying director nominees. Diversity, including diversity of experience professional expertise gender race and age, is one factor considered in evaluating a nominee.

Based on this initial evaluation, the committee will determine whether to interview the candidate, and if warranted, will recommend that one or more of its members, other members of our general partner's board of directors or senior management, as appropriate, interview the candidate in person or by telephone. After completing this evaluation and interview process, the committee ultimately determines its list of nominees and submits it to the full board of directors of our general partner for consideration and approval.

COMPENSATION DISCUSSION AND ANALYSIS

The following discussion and analysis of compensation arrangements of the named executive officers of our general partner, Legacy Reserves GP, LLC, should be read together with the compensation tables and related disclosures set forth below.

Introduction

Our general partner manages our operations and activities through its board of directors. Under our amended and restated agreement of limited partnership, we reimburse our general partner for direct and indirect general and administrative expenses incurred on our behalf including the compensation of our general partner's executive officers. Our general partner has not incurred any reimbursable expenses related to the compensation of our general partner's executive officers for their management of us. Currently, our general partner's executive

officers are employed by our wholly owned subsidiary, Legacy Reserves Services, Inc., and are directly compensated for their management of us pursuant to their employment agreements. The compensation amounts disclosed in this section and under “Executive Compensation” reflect the total compensation paid to the executive officers of our general partner. Please read “Executive Compensation — Employment Agreements.”

Executive Summary

We are an independent oil and natural gas limited partnership headquartered in Midland, Texas, and are focused on the acquisition and development of oil and natural gas properties primarily located in the Permian Basin, Mid-Continent and Rocky Mountain regions of the United States. Our compensation policy, as adopted by the compensation committee and approved by the board of directors in September 2009 and amended in February 2010 (the “compensation policy”) is designed to make our executive officers’ total compensation comparable to that of similarly-sized exploration and production companies that operate in the Permian Basin, Mid-Continent and Rocky Mountain regions as well as other publicly traded limited partnerships. The goals of our compensation policy are to:

- align the compensation of the executive officers with unitholder return;
- provide financial incentives to our executive officers for performance, achievement of goals and enhancement of unitholder value; and
- drive and support the long-term goal of sustainable growth in unit distributions and total unitholder return by paying for performance.

In meeting the goal of sustainable growth, we intend to invest in our long-term opportunities while meeting our short-term commitments.

To achieve these goals, our total compensation to our executive officers is comprised of base salary, cash incentive compensation (cash bonus) and equity-based incentive compensation, as shown in the charts below that illustrate the allocation of compensation opportunities between salary, annual cash bonuses and annual grants of equity to our Chief Executive Officer and other named executive officers (“NEOs”):

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

Cash Incentive Compensation. The maximum total annual cash bonus (subjective plus objective component) expressed as a percentage of annual salary for each executive officer is as follows: Mr. C. Brown: 110%, Mr. Pruett: 100%; Mr. Horne: 80%; Mr. McGraw: 70%; and Mr. Morris: 60%.

Subjective Component of Cash Incentive Compensation (50%). In determining 2010 cash incentive awards, our compensation committee conducted a subjective evaluation of prior fiscal year individual officer and Partnership performance for 50% of maximum cash incentive compensation.

Objective Component of Cash Incentive Compensation (50%). The remaining 50% of maximum cash incentive compensation was objectively determined in accordance with the objective criteria set forth in our compensation policy, which are based on our results and the achievement of operational and financial goals and objectives during the prior fiscal year and are designed to align the incentive compensation of each executive officer with unitholder return by rewarding performance that maintains or grows distributions and increases EBITDA.

Set forth below are the EBITDA and cash distribution growth targets used to determine the objective portion of each executive officer's cash bonus. Achievement of less than 85% of Target EBITDA or failure to maintain the prior cash distribution level, respectively, will result in no cash bonus awarded with respect to that particular performance measure.

Performance Measure	Weight	Performance Level/Percent Earned			
EBITDA	50%	< 85% of Target	85% of Target	100% of Target	115% of Target
		0%	30%	75%	100%
Growth in Cash Distributions Per Unit	50%	< 0% Growth	0% Growth	7.5% Growth	15% Growth
		0%	50%	75%	100%

Equity-Based Incentive Compensation. We believe meaningful equity participation by each named executive officer to be a strong motivating factor that will result in significant increases in value and in growth. The maximum total annual equity-based compensation expressed as a percentage of annual salary for each executive officer is as follows: Mr. C. Brown: 250%; Mr. Pruett: 200%; Mr. Horne: 150%; Mr. McGraw: 125%; and Mr. Morris: 100%.

The equity-based incentive compensation is weighted 40% based on subjective measures and 60% based on objective measures, respectively, of the maximum percentages set forth above.

Subjective (40%). The service-based component of equity-based compensation is determined by a subjective evaluation of prior fiscal year performance by the compensation committee. Equity-based awards awarded under this component and associated distribution equivalent rights vest ratably over a three year period and are not subject to any performance criteria.

Objective (60%). The objective or performance-based component, awarded as phantom units and associated distribution equivalent rights, is designed to reward our executive officers for their long-term performance and to align their interest with our unitholders by rewarding unitholder return and growth in distributions.

The objective component is granted at the maximum amount each year but is subject to 1/3 vesting each year in accordance with an objective performance-related formula (as set forth under "Calculation of Vesting of Objective Component of Equity-Based Compensation" below) based on the absolute percentage of total unitholder return and Legacy's total unitholder return as compared to a broad peer group. If none or only a portion of phantom units of a particular tranche vest as a result of target levels not being met, the unvested portion of phantom units will be forfeited.

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

Set forth in the table below is a summary of the maximum amounts of awards available to each named executive officer, expressed as a percentage of each of such executive officer's applicable base salary.

Named Executive Officer	Maximum Cash Bonus Opportunity as a Percentage of Annual Salary			Maximum Value of Phantom Units as a Percentage of Annual Salary		
	Subjective	Objective	Total	Subjective	Objective	Total
Cary D. Brown Chairman of the Board and Chief Executive Officer	55%	55%	110%	100%	150%	250%
Steven H. Pruett President, Chief Financial Officer and Secretary	50%	50%	100%	80%	120%	200%
Paul T. Horne Executive Vice President of Operations	40%	40%	80%	60%	90%	150%
Kyle A. McGraw Director, Executive Vice President of Business Development and Land	35%	35%	70%	50%	75%	125%
William M. Morris Vice President, Chief Accounting Officer and Controller	30%	30%	60%	40%	60%	100%

Factors Considered. In determining the compensation paid to our named executive officers in 2010 under each component of their total compensation, the compensation committee, among other things, considered the following achievements during 2010 by the Partnership:

- Paid distributions per unit of \$0.52 per quarter for the first, second and third quarters, and increased the cash distribution to \$0.525 in the fourth quarter (vs. target of \$0.52 per quarter);
- Raised \$179.4 million in two equity offerings to finance the Wyoming and COG acquisitions (vs. target one equity offering for Wyoming acquisition);
- EBITDA of \$140.4 million with \$32.9 million of development capital expenditures (vs. target of \$131.0 million of EBITDA and \$25 million of development capital expenditures);
- Acquired \$281.9 million of properties in 27 transactions averaging 5.9 times predicted cash flow (vs. target of \$200 million at 6.0 times cash flow);
- Realized \$15.1 million of estimated net cash flow from acquired Wyoming properties with \$3.5 million of development capital expenditures (vs. target of \$16.6 million);
- Only one lost time accident involving an employee receiving minor burns from an electrical junction box failure (vs. zero lost time accidents).

Based on these achievements and the performance criteria set forth in our compensation policy, we awarded our named executive officers the following incentive compensation with respect to 2010 under each element of our compensation policy:

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

- 100% of the subjective component of cash bonus;
- 70.08% of the objective component of cash bonus;
- 100% of the subjective component of equity-based compensation (subject to three year vesting in equal annual portions); and
- 100% of the first one-third tranche of the objective component of the equity based compensation grant made in 2010.

Additionally, the compensation committee awarded each executive officer's objective phantom unit grant at the applicable percentage as prescribed in our compensation policy. This 2011 phantom unit grant will vest ratably over the next three years, starting in 2012, in an amount based on prior year Partnership performance. None or only a portion of such phantom units may vest. Unvested phantom units will be forfeited and associated accrued DERs will not be paid.

Corporate Governance

Compensation Committee Authority

Executive officer compensation is administered by the compensation committee of the board of directors of our general partner, which is currently composed of three members, Messrs. Vann, Granberry and Sullivan (who replaced Mr. Lawrence effective March 8, 2011). The board of directors appoints the compensation committee members and delegates to the compensation committee the direct responsibility for, among other things, determining and approving the Chief Executive Officer's compensation, recommending compensation for the general partner's other named executive officers, establishing equity and non-equity incentive plans, and administering our LTIP.

The board of directors has determined that each committee member is independent under NASDAQ listing standards, SEC rules and the relevant securities laws, and that each member qualifies as a "non-employee" director within the meaning of Rule 16-3 promulgated under the Exchange Act, and as an outside director" as defined in Section 162(m) of the Internal Revenue Code of 1986, as amended. The compensation committee met five times in 2010.

Role of Compensation Experts in Determining 2010 Executive Officer Compensation

The compensation committee is authorized to obtain, at the Partnership's expense, compensation surveys, reports on the design and implementation of compensation programs for directors, officers, and employees and other data and documentation as the compensation committee considers appropriate. In addition, the compensation committee has the sole authority to retain and terminate any outside counsel or other experts or consultants engaged to assist it in the evaluation of compensation of our directors and executive officers, including the sole authority to approve such consultants' fees and other retention terms.

The compensation committee retained BDO USA, LLP ("BDO") as a compensation consultant for 2010. BDO was engaged to provide a study of compensation programs related to named executive officers and outside directors offered by a broad peer group of exploration and production companies and publicly traded limited partnerships. The compensation committee charged BDO with undertaking this study to ascertain how the members of this peer group structure their compensation and to assist the compensation committee in establishing and maintaining an appropriate compensation program to better enable the Partnership to attract and retain highly qualified executive officers and to further align the interests of our executive officers with those of our unitholders.

Selection of Compensation Comparative Data

As discussed in greater detail below, central to our compensation philosophy is the alignment of the interests of our named executive officers with the interests of our unitholders. It is the goal of our compensation philosophy to provide financial incentives to our executive officers to focus on business strategies designed to increase the distributions we pay to our unitholders. In addition to comparing compensation packages of our named executive officers and outside directors with the compensation of their counterparts within our peer group of exploration and production companies and publicly traded limited partnerships, other specific performance levels or "benchmarks," as described in the compensation policy, were used in 2010 to establish the compensation packages of our named executive officers and outside directors.

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

In 2010, our peer group included Clayton Williams Energy, Inc., Concho Resources, Inc., Resolute Energy Corp., SM Energy Co., Whiting Petroleum Corp., Breitburn Energy Partners L.P., Copano Energy, L.L.C., Encore Energy Partners LP, EV Energy Partners, LP, Linn Energy, LLC, Pioneer Southwest Energy Partners, and Vanguard Natural Resources.

Decision-Making Process and Role of Executive Officers

Compensation decisions for executive officers involve both objective and subjective criteria. In 2010, the first step was the compensation committee consultant providing information to the compensation committee regarding competitive market data. The second component of the decision making process was our Chief Executive Officer providing a written overview of performance by the Partnership, including an overview of the performance by each named executive officer other than himself, in light of established operational and financial goals and objectives. After reviewing this written overview, the compensation committee met with the Chief Executive Officer in order to ask questions regarding the information set forth in the written overview and to gather any additional information needed in order to make recommendations to the board of directors regarding the compensation of the named executive officers other than the Chief Executive Officer.

In determining the compensation of the Chief Executive Officer, the compensation committee took into account the information provided by the compensation committee consultant. The compensation committee then evaluated the Chief Executive Officer's performance in light of established operational and financial goals and objectives and determined as a committee, together with any other independent directors participating in the process, the Chief Executive Officer's compensation.

Executive Officer Compensation Strategy and Philosophy

In September 2009, we adopted a new executive officer compensation policy and in February 2010, the compensation committee revised the methodology of calculating the objective portion of equity based incentive compensation under our compensation policy. The compensation policy is designed to make our executive officers total compensation comparable to that of similarly-sized exploration and production companies that operate in the Permian Basin, Mid-Continent and Rocky Mountain regions as well as other publicly traded limited partnerships.

Our executive officer compensation strategy is designed to align the compensation of the executive officers with unitholder return, provide financial incentives to our executive officers for performance, achievement of goals and enhancement of unitholder value, and drive and support the long-term goal of sustainable growth in unit distributions and total unitholder return by paying for performance. In meeting the goal of sustainable growth, we intend to invest in our long-term opportunities while meeting our short-term commitments.

As all our executive officers hold units in the Partnership, we have attempted to maintain competitive levels of compensation while focusing on the growth of our business and distributions. Through this approach, our executives receive salaries for the market value of their services and their performance is further rewarded through the distributions they receive on their holdings of our units, which creates alignment of interests with our unitholders.

At our named executive officers' 2010 compensation levels and due to our organizational structure, we did not believe that Internal Revenue Code Section 162(m) would be applicable and accordingly, did not consider it in setting 2010 compensation levels.

Components of Compensation

Named Executive Officer Compensation

Total compensation to our executive officers is comprised of base salary, cash incentive compensation (cash bonus) and equity-based incentive compensation.

2010 Performance Goals and Objectives

For the 2010 performance year, the operational and financial goals and objectives were as follows:

- Maintain cash distributions of \$0.52 with a coverage ratio of approximately 1.07 times;
- Issue equity to finance the Wyoming acquisition;
- EBITDA (as such term is defined in the Partnership's revolving credit facility) of \$131 million with \$25 million of development capital expenditures using \$75 per barrel of NYMEX WTI oil and \$6 per MMBtu NYMEX natural gas prices;
- Production cost of \$15.82 per Boe on base assets owned at the beginning of 2010, excluding severance and ad valorem taxes;
- Acquire \$200 million of producing properties at 6.0 times cash flow;
- Access high-yield market if able to place debt at single digit interest rates;
- Pursue joint venture partner to accelerate drilling inventory;
- Integrate Wyoming acquisition achieving evaluated EBITDA of \$16.6 million (10.5 months); and
- Zero lost time accidents for Legacy employees.

These goals and objectives, as supplemented by more detailed supporting goals and objectives put forth by our named executive officers, provided a framework for the compensation committee to assess our 2010 performance and to determine named executive officers' compensation. Relative weight is not assigned to any or all of these goals and objectives. Additionally, the various financial goals were based on various assumptions, with the understanding that our actual financial performance would be assessed based on factors considered relevant by the compensation committee at the time named executive officer compensation was reviewed and determined.

2010 Performance Assessment

The compensation committee assessed the 2010 performance of executive officers for purposes of the determination of the subjective components of cash incentive compensation and equity-based incentive compensation (as set forth in the compensation policy) based on the attainment of the foregoing goals and objectives and the performance-related factors that it considered to be relevant.

Among other things, the compensation committee considered the following achievements by the Partnership and the executive officers:

- Paid distributions per unit of \$0.52 per quarter for the first, second and third quarters, and increased the cash distribution to \$0.525 in the fourth quarter. The resulting coverage ratio in 2010 was approximately 1.06 times coverage with \$32.9 million of development capital expenditures;
- Raised \$179.4 million in two equity offerings to finance the Wyoming and COG acquisitions;
- EBITDA of \$140.4 million with \$32.9 million of development capital expenditures;
- Acquired \$281.9 million of properties in 27 transactions averaging 5.9 times predicted cash flow;
- Realized \$15.1 million of estimated net cash flow from acquired Wyoming properties with \$3.5 million of development capital;
- Only one lost time accident involving an employee receiving minor burns from an electrical junction box failure.

Based on achieving \$140.4 million of EBITDA against a goal of \$131.0 million target EBITDA, raising \$179.4 million in two public equity offerings to finance the Wyoming and COG acquisitions, acquiring \$281.9 million of properties in 27 transactions averaging 5.9 times predicted

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

cash flow, acquiring \$15.1 million of estimated net cash flow from acquired Wyoming properties and only one lost time accident during 2010, the compensation committee awarded to Mr. Brown 100% of the subjective components of the cash bonus

and equity-based incentive compensation and recommended to the board that the executive officers other than Mr. Brown be awarded 100% of the subjective components of the cash bonus and equity-based incentive compensation at the individual levels set forth in subsequent sections.

Base Salaries

Overview

We pay base salary to attract talented executives and provide a fixed base of cash compensation. The compensation committee determines and approves the Chief Executive Officer's compensation including salary based on a review of the Chief Executive Officer's performance in light of established corporate goals and objectives. The compensation committee, with the assistance of the compensation committee consultant and input of the Chief Executive Officer, also makes recommendations to the board of directors as a whole with respect to the compensation including base salary to be paid to the other executive officers of our general partner.

It is the intent of the compensation committee to have the base salaries of our named executive officers reviewed on an annual basis as well as at the time of a promotion or other material change in responsibilities.

2010 Base Salary Determinations

The compensation committee determined the Chief Executive Officer's 2010 salary as follows, and, upon recommendation of the compensation committee, the board of directors determined 2010 salaries for the remaining executive officers as follows, all effective March 1, 2010: Mr. C. Brown: \$364,000, Mr. Pruett, \$292,000; Mr. McGraw, \$242,000; Mr. Horne, \$258,000; and Mr. Morris, \$227,000.

Cash Incentive Compensation (Cash Bonus)

Overview

As a component of total compensation, the compensation committee chooses to pay annual incentives to drive the achievement of key results and to recognize individuals based on their contributions to those results. The compensation committee recognizes that short-term results contribute to achieving long-term goals. The amount of annual incentives is based upon our results and the achievement of operational and financial goals and objectives. The range and target amounts are recommended to the compensation committee by our Chief Executive Officer.

In determining cash incentive awards, a subjective evaluation of prior fiscal year individual officer and Partnership performance (subjective criteria) and our results and the achievement of operational and financial goals and objectives during the prior fiscal (objective criteria) are considered.

The objective and subjective components of the cash incentive compensation each comprise 50% of the maximum bonus available expressed as a percentage of annual salary for each executive officer, as set forth in the following table.

Named Executive Officer	Title	Maximum Cash Bonus Opportunity as a Percentage of Annual Salary		
		Subjective	Objective	Total
Cary D. Brown	Chairman of the Board and Chief Executive Officer	55%	55%	110%
Steven H. Pruett	President, Chief Financial Officer and Secretary	50%	50%	100%
Paul T. Horne	Executive Vice President of Operations	40%	40%	80%
Kyle A. McGraw	Director, Executive Vice President of Business Development and Land	35%	35%	70%
William M. Morris	Vice President, Chief Accounting Officer and Controller	30%	30%	60%

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

Objective Component of Cash Bonus

The objective component (up to 50% of the annual cash incentive compensation) is based on two measures of equal weight:

- EBITDA (as defined in the Partnership's revolving credit facility); and
- Growth in cash distributions per unit.

The percentage levels that may be earned each year are based on the ranges of performance levels with respect to each target as set forth in the following table, as determined by straight-line interpolation. Our executive officers will not receive a cash bonus (with respect to either of the two performance measures) under this objective component unless the Partnership maintains its cash distribution per unit or achieves EBITDA that is at least 85% of the target EBITDA for the year.

Performance Measure	Weight	Performance Level/Percentage Earned			
		< 85% of Target	85% of Target	100% of Target	115% of Target
EBITDA	50%	0%	30%	75%	100%
		< 0% Growth	0% Growth	7.5% Growth	15% Growth
Growth in Cash Distributions Per Unit	50%	0%	50%	75%	100%

These objective measures are intended to align the cash incentive compensation of each executive officer with unitholder return by rewarding performance that maintains or grows distributions and increases EBITDA. The respective target levels of EBITDA and growth in cash distributions per unit, respectively, for purposes of the annual cash bonus determination only, will be set by the compensation committee at the beginning of each year after considering management's recommendation.

During 2010, the Partnership achieved EBITDA of \$140.4 million, or 107.2% of the \$131 million target EBITDA, resulting in a Percentage Earned (pursuant to the table above) of 87.0% (weighted at 50% or 43.5%) and distribution growth in 2010 was 0.96%, resulting in a Percentage Earned of 53.2% (weighted at 50% or 26.6%), resulting in bonus amounts at 70.08% of the Objective Factor (as set forth in the table below).

Subjective Cash Award

Each executive officer was awarded the cash bonuses in the amounts determined by the percentage of maximum levels available, as set forth under " % of Subjective Factor Earned " in the table below, and the potential maximum level of the subjective component of cash incentive compensation for 2010 (the "Subjective Factor" as set forth below).

Based on Legacy's and the individual executive officers' accomplishments and performances as set forth above, under the caption - "2010 Performance Assessment," on February 15, 2011, the compensation committee recommended to the board, and the board set the subjective portion of the cash bonus as shown in the following table.

The chart below illustrates the 2010 cash incentive award for each named executive officer in accordance with the performance level/percentage earned calculation set forth in the compensation policy:

Name Executive Officer	2010 Salary	Subjective			Objective			Total Cash Incentive
		Subjective Factor	% of Subjective Earned	Subjective Bonus Amount	Objective Factor	% of Objective Earned	Objective Cash Incentive Amount(a)	
Cary D. Brown	\$ 364,000	55%	100%	\$ 200,200	55%	70.08%	\$ 140,300	\$ 340,500
Steven H. Pruet	\$ 292,000	50%	100%	\$ 146,000	50%	70.08%	\$ 102,317	\$ 248,317
Paul T. Horne	\$ 258,000	40%	100%	\$ 103,200	40%	70.08%	\$ 72,323	\$ 175,523
Kyle A. McGraw	\$ 242,000	35%	100%	\$ 84,700	35%	70.08%	\$ 59,358	\$ 144,058
William M. Morris	\$ 227,000	30%	100%	\$ 68,100	30%	70.08%	\$ 47,724	\$ 115,824

- (a) The amounts are determined by using a weighted earned percentage of 70.08% of the Objective Factor as determined in accordance with the formula set forth in the compensation policy. See “Cash Incentive Compensation” above.

Equity-Based Incentive Compensation

Overview

We provide performance-based equity-based incentive compensation opportunities to our executive officers as part of the compensation program because we believe that this element of compensation ties the interests of our executive officers directly to the interests of our unitholders. We also believe that equity-based incentive compensation serves as an important retention tool.

More specifically, the equity-based incentive compensation program adopted by the board of directors and compensation committee of our general partner is designed to reward our named executive officers for their long-term performance by aligning grants of phantom units with associated distribution equivalent rights, or DERs, with the growth of distributions to unitholders. The DERs entitle the recipient of the award with a payment equivalent to the amount of per unit distribution payable to unitholders.

We consider equity-based incentive compensation to be an important element of our compensation program for named executive officers. We believe meaningful equity participation by each named executive officer to be a strong motivating factor that will result in significant increases in value and in growth. This belief is reflected in the aggregate awards of phantom units that have been made to named executive officers that did not already have a significant interest in our units.

In September 2009, the compensation committee established a new award structure for long-term equity-based incentives that employs a mix of subjective (weighted at 40% of total) and objective measures (weighted at 60% of total).

Subjective or Service-Based Component. The subjective or service-based component is determined by a subjective evaluation of prior fiscal year performance and, with respect to each executive officer, may be awarded up to the maximum percentage of annual salary as set forth in the table below. Once granted, the only condition to vesting will be that the executive officer remain in the service of the Partnership until the end of the respective vesting period. The vesting of service-based equity-based awards, once granted, is not subject to the attainment of any performance criteria.

Objective or Performance-Based Component. The objective or performance-based component is granted each year at the maximum percentage listed in the table below, but the amount vested each year for the three-year vesting period is determined on each vesting date in accordance with a formula (as set forth under “Calculation of Vesting of Objective Component of Equity-Based Compensation” below) based on the objective total unitholder return and relative performance measures (described below) achieved during the fiscal year prior to the applicable vesting date. If none or only a portion of phantom units of a particular tranche vest as a result of target levels not being met, the unvested portion of phantom units of a particular tranche will be forfeited.

All equity-based incentive compensation awards will be phantom units, with associated DERs, up to the maximum amounts reflected as percentages of annual salary as set forth in the following table.

Named Executive Officer	Title	Maximum Value of Phantom Units as a Percentage of Annual Salary		
		Subjective	Objective	Total
Cary D. Brown	Chairman of the Board and Chief Executive Officer	100%	150%	250%
Steven H. Pruett	President, Chief Financial Officer and Secretary	80%	120%	200%

A phantom unit is a notional unit that entitles the holder upon vesting to receive cash valued at the closing price of units on the vesting date, or, at the discretion of the compensation committee, the same number of Partnership units. The number of phantom units granted will be determined by dividing the dollar amount of the intended grant value by the average closing price of Partnership units over the 20 trading days preceding the date of grant in the case of the subjective unit grant. In the case of the objective unit grant, the average closing price of Partnership units is calculated for the 20 trading day period ended the last trading day prior to January 1st in the year of the grant. All phantom unit grants vest over a three-year period, with each tranche to vest on the first, second and third anniversary of the initial grant date, as applicable. With respect to the objective component only, the actual number vested will be determined based on the three-step formula set forth below.

With respect to all phantom unit grants, DERs accumulate and accrue based on the assumed 100% vesting of each tranche. With respect to the objective component only, the actual amounts payable are based solely on the number of vested underlying phantom units.

Calculation of Vesting of Objective Component of Equity-Based Compensation

At the vesting date of each one-third tranche of the objective or performance-based component of equity-based compensation, the number of phantom units to vest each year is determined based on the following three-step process, with the total vested amount for each year to be determined by adding the values arrived at in Step 1 and Step 2.

Step 1: 50% of the performance-based award will be a function of the Total Unitholder Return for the Partnership (“Legacy TUR”) and the ordinal rank of the Legacy TUR among such upstream master limited partnership (“MLP”) peer companies as determined by the compensation committee at the beginning of each fiscal year (“Peer Group”). The following matrix will be used to determine the Legacy TUR vs. Peer Group portion of the award. The total grant value to vest each year is the sum of the results derived from each of the two grids shown below.

1st or 2nd	25%	40%	60%	75%	85%	100%
3rd or 4th	15%	35%	50%	60%	75%	85%
5th or 6th	0%	15%	35%	50%	60%	75%
7th or 8th	0%	0%	15%	25%	40%	50%
	<8.0%	8.0%	12.0%	15.0%	17.5%	20%+
	Legacy TUR					

* For the 2010-2012 performance period, the Peer Group consists of the Partnership, Breitburn Energy Partners L.P., Encore Energy Partners LP, EV Energy Partners, L.P., Linn Energy, LLC, Pioneer Southwest Energy Partners L.P. and Vanguard Natural Resources, LLC. If any company in the Peer Group ceases to be publicly traded during any performance period, the compensation committee will adjust the composition of the Peer Group as it deems appropriate.

To determine the performance-based awards earned for this Legacy TUR vs. Peer Group component, the percentage determined in accordance with the performance grid (using straight-line interpolation between the percentages given above) is multiplied by 50% and multiplied by the maximum number of phantom units available for vesting that particular year.

Step 2: 50% of the performance-based award will be a function of the Legacy TUR and the percentile rank of the Partnership among a group of MLPs included in the Alerian MLP Index (such group of MLPs as determined by the compensation committee, excluding publicly traded general partners of MLPs and shipping companies) (the “Adjusted Alerian Index”). The following matrix will be used to determine the Legacy TUR vs. Adjusted Alerian Index portion of the award.

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

90th %ile	30%	50%	60%	75%	85%	100%
75th %ile	15%	40%	50%	60%	75%	85%
50th %ile	0%	25%	40%	50%	60%	75%
25th %ile	0%	15%	25%	40%	50%	60%
<25th %ile	0%	0%	0%	15%	30%	50%
	<8.0%	8.0%	12.0%	15.0%	17.5%	20%+

Legacy TUR

** “Adjusted Alerian Index” means a subset of companies included in the Alerian MLP Index as determined by the compensation committee and excludes publicly traded general partners of MLPs and shipping companies, as of the beginning of each fiscal year. The calculation of the Adjusted Alerian Index along with calculation of percentile results and the Legacy TUR percentile ranking is subject to third-party review.

To determine the performance-based awards earned on this Legacy TUR vs. Adjusted Alerian Index component, the percentage earned in accordance with the above matrix (using straight-line interpolation between the percentages set forth in the matrix) is multiplied by 50% and multiplied by the maximum number of phantom units available for vesting that particular year.

Step 3: The respective award values arrived at by performing the calculations set forth in Step 1 and Step 2 above will be added to determine the total vested portion of the performance-based equity award with respect to a particular fiscal year.

2011 Phantom Unit Grants Based on 2010 Performance

On February 18, 2011, in accordance with the compensation policy and based on 2010 performance, the compensation committee approved the following phantom unit awards and associated DERs for Mr. Cary Brown, and, with respect to the remaining named executive officers, recommended the following phantom unit awards to the board and the board approved such awards:

Named Executive Officer	2011 Phantom Unit Grants (and associated DERs)					
	2010 Salary	Subjective Grant (based on 2010 Performance)			Objective Performance-Based Grant	
		Subjective Factor(a)	Subjective Award	Phantom Units(b)	Objective Factor(a)	Maximum Phantom Units(c)
Cary D. Brown	\$ 364,000	100%	100%	12,385	150%	20,192
Steven H. Pruett	\$ 292,000	80%	100%	7,948	120%	12,959
Paul T. Horne	\$ 258,000	60%	100%	5,267	90%	8,587
Kyle A. McGraw	\$ 242,000	50%	100%	4,117	75%	6,712
William M. Morris	\$ 227,000	40%	100%	3,089	60%	5,037

(a) Represents percentage of 2010 salary.

(b) Phantom units vest 1/3 each anniversary.

(c) Subject to performance criteria. Represents maximum number of phantom units available to vest in one-third tranches over the next three years starting February 18, 2012, pending attainment of specified performance criteria. Unvested phantom units will be forfeited.

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

Subjective or Service-Based Component. Based upon the rationale set forth in “—2010 Performance Assessment” set forth above, each executive officer was awarded the maximum level available of the potential subjective component of equity-based incentive compensation for 2010 (such maximum available level as set

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

forth in the table above), with the number of phantom units (and associated DERs) granted determined by using the 20-day average closing price of Partnership units ended on the last trading day prior to February 18, 2011, or \$29.39. The only condition to vesting will be that the award recipient remains in the service of the Partnership until the end of the respective vesting period. The vesting of service-based equity-based awards, once granted, is not subject to the attainment of any performance criteria.

Objective Equity Compensation. The number of phantom units for the objective component of equity-based incentive compensation was granted as prescribed by the compensation policy at the maximum level, in an amount based on the average closing price of Partnership units for the 20 trading day period ended the last trading day prior to January 1, 2011, or \$27.04. As set forth in the compensation policy, the objective or performance-based component is granted each year at the maximum percentage listed in the table above but the amount vested each year for the three-year vesting period will be determined on each vesting date in accordance with a formula based on the objective total unitholder return measures achieved during the fiscal year prior to the applicable vesting date. If none or only a portion of phantom units of a particular one-third tranche vest as a result of target levels not being met, such number of phantom units will be forfeited.

2010 Phantom Unit Grants Based on 2009 Performance. On February 18, 2010, the compensation committee approved the following phantom unit awards for Mr. Cary Brown, and, with respect to the remaining named executive officers, recommended the following phantom unit awards to the board and the board approved such awards:

Named Executive Officer	2010 Phantom Unit Grants (and associated DERs)				Objective Performance-Based Grant	
	2009 Salary	Subjective Grant (Based on 2009 Performance)		Phantom Units(b)	Maximum Phantom	
		Subjective Factor(a)	Subjective Award		Objective Factor(a)	Objective Units(c)
Cary D. Brown	\$ 325,000	100%	100%	16,193	150%	25,848
Steven H. Pruett	\$ 275,000	80%	100%	10,962	120%	17,497
Paul T. Horne	\$ 250,000	60%	100%	7,474	90%	11,930
Kyle A. McGraw	\$ 235,000	50%	100%	5,855	75%	9,345
William M. Morris	\$ 220,000	40%	100%	4,385	60%	6,999

- (a) Represents percentage of 2009 salary.
- (b) Phantom units vest 1/3 each anniversary. The first one-third tranche of each of these phantom unit grants vested on February 18, 2011.
- (c) Subject to performance criteria. Represents maximum number of phantom units available to vest in one-third tranches over the next three years starting February 18, 2011, pending attainment of specified performance criteria. Unvested phantom units will be forfeited. In accordance with such performance criteria, 100% of the first one third tranche of these phantom unit grants vested on February 18, 2011.

Amended and Restated Legacy Reserves LP Long-Term Incentive Plan (LTIP)

Long-term incentive compensation awards are administered through our LTIP adopted in March 2006 and amended and restated on August 17, 2007. The plan is administered by the compensation committee and permits the grant of awards resulting in the issuance of an aggregate of 2,000,000 units. The purpose of the plan is to promote the interests of our unitholders by encouraging our employees, directors and other service providers to acquire or increase their equity interest in us, thereby giving them the added incentive to work toward our continued growth and success. The plan permits awards of unit grants, restricted units, phantom units, unit options, unit appreciation rights, performance based units and other forms of equity compensation.

As of December 31, 2010, grants of awards, net of forfeitures, covering 1,371,415 units have been made including 146,319 restricted units, 266,014 unit options, 656,301 unit appreciation rights, 246,738 phantom units and 56,043 units issued to directors. We have awarded unit

options (until 2007), unit appreciation rights

and phantom units as the primary forms of equity-based compensation. We selected these forms because of the favorable accounting and tax treatments and the expectation by key employees that part of their compensation would be derived from the growth in value of Partnership units.

Our general partner's board of directors, or its compensation committee, in its discretion may terminate, suspend or discontinue the LTIP at any time with respect to any award that has not yet been granted. Our general partner's board of directors, or its compensation committee, also has the right to alter or amend the LTIP or any part of the plan from time to time, including increasing the number of units that may be granted, subject to unitholder approval as required by the exchange upon which the units are listed at that time. However, no change in any outstanding grant may be made that would materially impair the rights of the participant without the consent of the participant.

Unit grants

The LTIP permits the grant of units. A unit grant is a grant of units that vests immediately upon issuance.

Restricted Units and Phantom Units

A restricted unit is a unit that is subject to forfeiture prior to the vesting of the award. A phantom unit is a notional unit that entitles the grantee to receive a unit upon the vesting of the phantom unit or, in the discretion of the compensation committee, cash equivalent to the value of a unit. The compensation committee may make grants under the plan of restricted units and phantom units to employees, consultants and directors containing such terms, consistent with the plan, as the compensation committee shall determine. The compensation committee will determine the period over which the restricted units and phantom units granted to employees, consultants and directors will vest. The compensation committee may base vesting upon the achievement of specified financial objectives or on the grantee's completion of a period of service. In addition, the restricted units and phantom units will vest upon a change of control of the Partnership or our general partner, unless provided otherwise by the compensation committee in the award agreement.

If the grantee's employment, service relationship or membership on the board of directors terminates for any reason, the grantee's restricted units and phantom units will be automatically forfeited unless, and to the extent, the compensation committee provides otherwise in the award agreement or waives (in whole or in part) any such forfeiture. Units to be delivered in connection with the grant of restricted units or upon the vesting of phantom units may be units acquired by us on the open market, or from any other person, or we may issue new units, or any combination of the foregoing. Our general partner is entitled to reimbursement by us for the cost incurred in acquiring units. Thus, the cost of the restricted units and the delivery of units upon the vesting of phantom units will be borne by us. If we issue new units in connection with the grant of restricted units or upon vesting of the phantom units, the total number of units outstanding will increase. The compensation committee, in its discretion, may provide for tandem distribution rights with respect to restricted units and grant tandem distribution equivalent rights with respect to phantom units that entitle the holder to receive cash equal to any cash distributions made on units prior to the vesting of a restricted or phantom unit, however, any such cash distributions will accumulate and accrue based on the assumed 100% vesting of any such restricted or phantom units but will not be payable until such vesting occurs. The actual amounts payable pursuant to such tandem distribution rights or tandem distribution equivalent rights will be based solely on the number of underlying restricted or phantom units that actually vest.

Unit Options and Unit Appreciation Rights

The LTIP permits the grant of options covering units and the grant of unit appreciation rights. A unit appreciation right is an award that, upon exercise, entitles the participant to receive the excess of the fair market value of a unit on the exercise date over the exercise price established for the unit appreciation right. Such excess may be paid in units, cash, or a combination thereof, as determined by the compensation committee in its discretion. The compensation committee will be able to make grants of unit options and unit appreciation rights under the plan to employees, consultants and directors containing such terms as the committee shall determine consistent with the plan. Unit options and unit appreciation rights may not have an exercise price that is less than the fair market value of the units on the date of grant. In general, unit options and unit appreciation rights granted will become exercisable over a period determined by the compensation committee. In addition, the unit options and

unit appreciation rights will become exercisable upon a change in control of the Partnership or our general partner, unless provided otherwise by the committee in the award agreement. The compensation committee, in its discretion may grant tandem distribution equivalent rights with respect to unit options and unit appreciation rights.

Upon exercise of a unit option (or a unit appreciation right settled in units), we will acquire units on the open market or from any other person or we may issue new units, or any combination of the foregoing. If we issue new units upon exercise of the unit options (or a unit appreciation right settled in units), the total number of units outstanding will increase, and our general partner will pay us the proceeds it receives from an optionee upon exercise of a unit option. The availability of unit options and unit appreciation rights is intended to furnish additional compensation to employees, consultants and directors and to align their economic interests with those of unitholders.

Unit Option Practices

Although our LTIP permits us to award options under a variety of circumstances, we have not granted unit options since early 2007 and do not anticipate granting any further unit options. We have not back-dated any option awards. The option grants we have made to date had an exercise price that corresponded with the offering price to purchasers of our units in a private offering we conducted in March 2006, the price at which our units traded on the Portal Market, the price to the public of our units in our January 2007 initial public offering, or the market value of our units at the close of trading on the date of the grant. Any option grants we may make in the future will have an exercise price equal to the market value of our units at the close of trading on the date of the grant. We have chosen to replace the use of unit options in the future with unit appreciation rights to reduce the administrative costs associated with unit options.

Perquisites and Other Personal Benefits

We maintain a 401(k) plan. The plan permits eligible full-time employees, including named executive officers, to make voluntary, pre-tax contributions to the plan up to a specified percentage of compensation, subject to applicable tax limitations. We may make a discretionary matching contribution to the plan for each eligible employee equal to 4.0% of an employee's annual compensation not in excess of \$230,000 for 2008, and equal to 6.0% of an employee's annual compensation not in excess of \$245,000 for 2009 and 2010, subject to applicable tax limitations. Eligible employees who elect to participate in the plan are generally vested in any matching contribution after commencement of employment with the company. The plan is intended to be qualified under Section 401(a) of the Internal Revenue Code so that contributions to the plan, and income earned on plan contributions, are not taxable to employees until withdrawn from the plan, and so that contributions, if any, will be deductible when made.

We maintain an employee benefit plan that provides our employees with the opportunity to enroll in our health, dental and life insurance plans. We pay all of our employees' health and life insurance premiums. Our dental plan requires the employee to pay a portion of the premium, and we pay the remainder. We provide these benefits so that we will remain competitive in the employment market and offer the benefits to all employees on the same basis.

(a) Annual salary adjustments for 2008 became effective on September 1, 2008. For 2009, executive salaries were kept at the level effective since September 1, 2008. Annual salary increases for 2010 became effective on March 1, 2010.

(b) Phantom units were granted to officers on February 4, 2008, January 29, 2009 and February 18, 2010. The amount shown reflects the grant date fair value of these awards based upon the Financial Accounting Standards Board's authoritative guidance relating to stock compensation. The assumptions used in calculating these amounts are incorporated by reference to Note 13 - "Unit Based Compensation" to the financial statements in our annual report on Form 10-K filed with the SEC on March 4, 2011. In the prior years' Summary Compensation Table, based on then prevailing rules, the value of these awards reflected the grant date fair value of the amounts expensed each year, for financial reporting purposes. On December 16, 2009, the SEC adopted a final rule that requires reporting all stock and option awards granted during the fiscal year at the full grant date fair value. The value for each of the three years in this Summary Compensation Table reflects the full grant date fair value. Assuming all performance

and service conditions are met at the maximum possible level, the grant date fair value pursuant to the compensation policy for each named executive officer is as follows: Mr. C. Brown: \$806,852; Mr. Pruett: \$546,186; Mr. McGraw: \$291,719; Mr. Horne: \$372,402; and Mr. Morris: \$218,482.

Intellectual Property and Non-Compete Clauses

The employment agreements with each of our named executive officers require that the executive officer must promptly disclose and assign any individual rights that he may have in any intellectual property and business opportunities to us. For purposes of the employment agreements, intellectual property includes inventions, discoveries, processes, designs, methods, substances, articles, computer programs, or improvements and business opportunities include business ideas, prospects, proposals or other opportunities pertaining to the lease, acquisition, exploration, production, gathering or marketing of hydrocarbons and related products and the exploration potential of geographical areas on which hydrocarbon exploration prospects are located. Under the non-compete provisions of these agreements, the executive officers are prohibited from engaging or participating, with any person or entity, in any activity pertaining to the leasing, acquiring, exploring, producing, gathering or marketing of hydrocarbons during the term of the executive officer's employment and the executive officer may not invest in any other such business unless prior approval is granted in writing by our general partner's board of directors. The non-compete provisions limit the executives' right to engage in these activities for a period of 90 days after termination of employment in counties where we do business, 90 days in adjacent counties, and limit investment to \$500,000 in publicly traded companies engaged in similar businesses for a period of one year after termination unless such competitive activity is approved in writing by a majority of the independent directors of our general partner's board of directors. The employment agreements also prohibit the executive officer from soliciting any of our employees or customers for two years following termination.

The employment agreements prohibit the executive officers from engaging in or participating in any publicly traded partnership or limited liability company or privately held company contemplating an initial public offering as a limited partnership or a limited liability company that is in direct competition with us for one year following the termination of employment.

The non-compete provisions contained in the employment agreements will not apply to investments by the executive officers made prior to the effective date of their respective employment agreements, provided that the investments were identified in the employment agreement. In addition, the non-compete provisions will not apply if we terminate the executive officer's employment within one year following a change of control.

Severance and Change in Control Payments

Pursuant to the terms of the employment agreements, we may be obligated to make severance payments to our named executive officers following the termination of their employment. These benefits are described below under "—Benefits Payable Upon Termination or Change in Control."

In the event that any payments to which any named executive officer is entitled become subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, then the board shall provide for the payment of, or otherwise reimburse the executive for the amount of the excise tax. These gross-up payments will be in an amount such that, after payment by the named executive officer of all taxes, including any income tax or excise tax imposed on the gross-up payments, the named executive officer retains an amount equal to the payment before any excise tax is imposed. The gross-up payments, if applicable, will be in addition to any payments made below under "—Severance Benefits" or "—Change in Control Benefits." Additionally, to the extent any payments to which any named executive officer is entitled is deemed to constitute non-qualified deferred compensation subject to Section 409A of the Internal Revenue Code, then we will have the discretion to adjust the terms of such payment or benefit as we deem necessary to comply with the requirements of Section 409A to avoid the imposition of any additional tax or other penalty or interest with respect to such payment or benefit under Section 409A.

Severance Benefits

Under the employment agreements, we may be obligated to make severance payments following the termination of each executive officer's employment if we terminate him without cause or he terminates his employment for good reason, subject to certain cure periods. "Cause" is defined under each employment agreement as:

- the executive officer's conviction of or plea of nolo contendere to any felony or crime or offense causing substantial harm to the Partnership, general partner, or its direct or indirect subsidiaries, or involving acts of theft, fraud, embezzlement, moral turpitude or similar conducts;

Edgar Filing: LEGACY RESERVES LP - Form DEF 14A

If the employment of any named executive officer is terminated by us for cause or by the executive officer without good reason, we are not obligated to make any severance payments to the executive officer. The amount that an executive officer is entitled to receive upon a termination of his employment by us without cause or by the executive officer with good reason is based on the executive officer's salary and his incentive compensation. Under the severance provisions of each executive officer's employment agreement, they are each entitled to

severance pay in the amount of two years' of annual base salary payable monthly at the highest rate in effect at any time during the 36 month period prior to termination, a lump sum payment equal to the average annual bonus of the two years preceding the termination and an amount equal to the executive's pro-rata bonus for the fiscal year in which the termination occurs, such pro-rata bonus amount to be paid in a lump sum within 30 days following the date of termination. In addition, the executive officers are entitled to the full costs of the executive's COBRA continuation coverage for the shorter of the severance period or the time when the executive receives substantially similar benefits from a subsequent employer. In addition, Messrs. Brown and McGraw would have the right to exercise one demand registration right each.

Change in Control Benefits

Pursuant to the employment agreements, we may be required to make payments to named executive officers upon a change in control, which occurs upon any of the following:

- the acquisition by any individual or entity of beneficial ownership of 35% or more of either (i) the then-outstanding equity interests of the Partnership or (ii) the combined voting power of the then-outstanding voting securities of the Partnership entitled to vote generally in the election of directors, provided that the following will not constitute a change of control: any acquisitions from or by the Partnership; any acquisition by a Partnership employee benefit plan; any business combination (x) where persons owning more than 50% of the outstanding equity interests in the Partnership own substantially the same percentages of the entity resulting from such business combination, (y) where no person owns more than 35% of the combined entity, except to the extent such ownership existed prior to the combination, or (z) any combination where at least a majority of the members of the board of the combined entity were also members of board of directors of the Partnership's general partner at the time of initial execution of any acquisition agreement;
- where individuals who constitute the board at the time of the agreement cease to constitute at least a majority of the board, unless an individual becoming a director subsequent to the date of the agreement was approved by a vote of at least a majority of the directors then comprising the board, excluding any individual whose election occurs as a result of an actual or threatened election contest;
- consummation of a reorganization, merger, statutory share exchange or consolidation or similar corporate transaction involving the Partnership or any of its subsidiaries, a sale or other disposition of all assets or equity interests of another entity by the Partnership or any of its subsidiaries unless all or substantially all of the individuals and entities that were the beneficial owners of the outstanding equity and voting securities immediately prior to such transaction beneficially own more than 50% of the then-outstanding equity interests and the combined voting power of the then-outstanding voting securities entitled to vote after such business transaction in substantially the same proportions as their ownership immediately prior to such transaction, no person beneficially owns 35% or more of the entity resulting from such transaction, except to the extent that such ownership existed prior to the transaction, and at least a majority of the members of the board of directors of the corporation or equivalent body of any other entity resulting from such transactions were members of the board at the time of the execution of the initial agreement or of the action of the board providing for such transaction; or
- consummation of a complete liquidation or dissolution of the Partnership.

In addition, the executive will be entitled to receive the average annual bonus of the two years preceding the termination, an amount equal to the executive's pro-rata bonus for the fiscal year in which the termination occurs (such pro-rata bonus amount to be paid in a lump sum within 30 days following the date of termination) and the full costs of the executive's COBRA continuation coverage for the shorter of the severance period or the time when the executive receives substantially similar benefits from a subsequent employer.

Review, Approval and Ratification of Transactions with Related Persons

Our partnership agreement contains specific provisions that address potential conflicts of interest between our general partner and its affiliates, on one hand, and us and our subsidiaries, on the other hand. Whenever such a conflict of interest arises, our general partner will resolve the conflict. Our general partner may, but is not required to, seek the approval of such resolution from the conflicts committee of the board of directors of our general partner, which is comprised of independent directors. Our partnership agreement provides that our general partner will not be in breach of its obligations under the partnership agreement or its duties to us or to our unitholders if the resolution of the conflict is:

- approved by the nominating, governance and conflicts committee;
- approved by the vote of a majority of the outstanding common units, excluding any common units owned by our general partner or any of its affiliates;
- on terms no less favorable to us than those generally being provided to or available from unrelated third parties; or
- fair and reasonable to us, taking into account the totality of the relationships between the parties involved, including other transactions that may be particularly favorable or advantageous to us.

If our general partner does not seek approval from the nominating, governance and conflicts committee and the board of directors of our general partner determines that the resolution or course of action taken with respect to the conflict of interest satisfies either of the standards set forth in the third and fourth bullet points above, then it will be presumed that, in making its decision, the board of directors acted in good faith, and in any proceeding brought by or on behalf of any limited partner or the Partnership, the person bringing or prosecuting such proceeding will have the burden of overcoming such presumption. Unless the resolution of a conflict is specifically provided for in our partnership agreement, our general partner or the nominating, governance and conflicts committee may consider any factors it determines in good faith to consider when resolving a conflict. When our partnership agreement requires someone to act in good faith, it requires that person to reasonably believe that he is acting in the best interests of the Partnership, unless the context otherwise requires.

In addition, our code of ethics requires that all employees, including employees, officers and members of the board of directors of our general partner, avoid or disclose any activity that may interfere, or have the appearance of interfering, with their responsibilities to us and our unitholders.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No current executive officer served as a member of the board of directors or compensation committee of any other entity (other than our subsidiaries) that has or has had one or more executive officers serving as a member of the board of directors of our general partner or the compensation committee of our general partner.

PROPOSAL 4

RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected BDO USA, LLP as independent registered public accountants of the Partnership to audit the Partnership's consolidated financial statements for the fiscal year ending December 31, 2011 and the Board of Directors has determined that it would be desirable to request that the unitholders ratify such appointment. BDO USA, LLP was our independent registered public accounting firm for our 2010 audit.

The audit committee's policy is to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, and other services. Pre-approval is detailed as to the specific service or category of service and is subject to a specific approval.

Before selecting BDO USA, LLP, the Audit Committee considered the firm's qualifications as independent registered public accountants and concluded that based on BDO USA, LLP's prior performance and its reputation for integrity and competence, it was qualified. The Audit Committee also considered whether any non-audit services performed for the Partnership by BDO USA, LLP would impair BDO USA, LLP's independence and concluded that they did not. Even if the selection is ratified, the Audit Committee, in its sole discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Partnership and its unitholders.

A representative of BDO USA, LLP will attend our annual meeting. The representative will have the opportunity to make a statement if he or she desires to do so and to respond to appropriate questions.

The aggregate fees for professional services rendered by our principal accountants, BDO USA, LLP, for the years ended December 31, 2010 and 2009 were:

	Year Ended December 31,	
	2010	2009
Audit Fees(1)	\$ 545,954	\$ 659,325
Audit Related Fees(1)	\$ 28,450	\$ 12,150
Tax Fees	\$ —	\$ —
All Other Fees (Executive compensation studies)(2)	\$ 42,520	\$ 40,853
Total	\$ 616,924	\$ 712,328

- (1) In the above table, "Audit Fees" are fees we paid for professional services for the audit of our Consolidated Financial Statements included in our annual report on Form 10-K or for services that are normally provided by our principal accountants in connection with statutory and regulatory filings or engagements and fees for Sarbanes-Oxley 404 audit work. "Audit-Related Fees" are fees billed for assurance and related services in connection with acquisition transactions and related regulatory filings.
- (2) "All Other Fees (Executive compensation studies)" are fees billed for compensation consulting services in connection with a study of compensation programs related to named executive officers and outside directors of a broad peer group of exploration and production companies and publicly traded limited partnerships.

In regard to executive compensation services, as required by the PCAOB, all services are approved in advance by the audit committee. All compensation consulting services are provided under the terms of a separate engagement letter that describes the approved services and the company's acceptance of its responsibilities. Under the terms of the engagement, BDO does not perform management functions or make any management decisions. The company must designate an individual with suitable skill, knowledge and experience to oversee the consulting engagement, evaluate the adequacy and results of the services performed, accept responsibility for the results of the services and establish and maintain internal controls and monitor ongoing activities.

Vote Required for Approval

Unitholder ratification is not required for making such appointment for the fiscal year ending December 31, 2011 because the Audit Committee has responsibility for the appointment of our independent registered public accountants. The appointment is being submitted for ratification with a view toward soliciting the opinion of unitholders, which opinion will be taken into consideration in future deliberations. No determination has been made as to what action the Board of Directors or the Audit Committee would take if unitholders do not approve the appointment.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTANT

AUDIT COMMITTEE REPORT FOR FISCAL YEAR 2010

The audit committee is responsible for overseeing the Partnership's financial reporting process, reviewing the financial information that will be provided to unitholders and others, monitoring internal accounting controls, selecting our independent auditors and providing to the board of directors of Legacy Reserves GP, LLC, such additional information and materials as we may deem necessary to make the board of directors of Legacy Reserves GP, LLC, aware of significant financial matters. We operate under a written audit committee charter adopted by the board of directors of Legacy Reserves GP, LLC.

We have reviewed and discussed the audited financial statements of the Partnership for the fiscal year ended December 31, 2010 with management and BDO USA, LLP, our independent auditor for the fiscal year ended December 31, 2010. In addition, we have discussed with BDO USA, LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. We also have received the written disclosures and the letter from BDO USA, LLP, as required by the Public Company Accounting Oversight Board Rule 3526 regarding the independent accountant's communications with the audit committee concerning independence and we have discussed the independence of BDO USA, LLP with that firm.

We, the members of the audit committee, are not professionally engaged in the practice of auditing or accounting nor are we experts in the fields of accounting or auditing, including determination of auditor independence. We rely, without independent verification, on the information provided to us and on the representations made by management and the independent auditors. Accordingly, our oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions referred to above do not assure that the audit of our financial statements has been carried out in accordance with the auditing standards of the Public Company Accounting Oversight Board, or that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America.

Based upon the discussions referred to above, the audit committee recommended to the board of directors that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2010.

Directors of Legacy Reserves GP, LLC

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Under Section 16(a) of the Exchange Act, directors, certain officers, and beneficial owners of 10% or more of any class of the Partnership's units, or Reporting Persons, are required from time to time to file with the SEC and NASDAQ reports of ownership and changes of ownership. Reporting Persons are required to furnish the Partnership with copies of all Section 16(a) reports they file. Based solely on its review of forms and written representations received from Reporting Persons by it with respect to the fiscal year ended December 31, 2010, with the exception of the Form 4s dated February 22, 2010 with respect to the vesting of one tranche of each named executive officers' phantom units the Partnership believes that all filing requirements applicable to the general partner's officers and directors and the Partnership's greater than 10% unitholders have been met.

Any unitholder who wishes to submit a proposal for action to be included in the proxy statement and form of proxy relating to the 2012 annual meeting of unitholders must submit the proposal to us on or before January 11, 2012. Any such proposals should be timely sent to our Secretary at 303 W. Wall, Suite 1400, Midland, Texas 79701. Furthermore, proposals by unitholders may be considered untimely if we have not received notice of the proposal within the deadline set under the SEC rules. In no event are limited partners allowed to vote on matters that would cause the limited partners to be deemed to be taking part in the management and control of our business and affairs so as to jeopardize the limited partners' limited liability under the Delaware limited partnership act or the law of any other state in which we are qualified to do business.

Communications with Directors or the Board of Directors

Unitholders wishing to communicate with the general partner's board of directors should send any communication to our Secretary at 303 W. Wall, Suite 1400, Midland, Texas 79701. Any such communication should state the number of units beneficially owned by the unitholder making the communication. Communications received are distributed to the board or to any individual director or directors as appropriate, depending upon the directions and the facts and circumstances outlined in the communication. The board of directors has directed the Secretary to forward such communication to the full board of directors or to any individual director or directors to whom the communication is directed, excluding only any communication that does not relate to the business or affairs of the Company or the function or duties of the board of directors or any of its committees, or is a job inquiry or an advertisement or other commercial solicitation or communication.

Availability of Annual Report

The Annual Report to Unitholders of the Partnership for the year ended December 31, 2010, including audited financial statements, is enclosed with this proxy statement but does not constitute a part of the proxy soliciting material.
