-

Broker Non-votes:

Broker non-votes are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under the rules of the Financial Industry Regulatory Authority, member brokers generally may not vote shares held by them in street name for customers unless they are permitted to do so under the rules of any national securities exchange of which they are a member. Under the rules of the New York Stock Exchange, New York Stock Exchange-member brokers who hold shares of our common stock in street name for their customers and have transmitted our proxy solicitation materials to their customers, but do not receive voting instructions from such customers, are not permitted to vote on non-routine matters.

Broker non-votes count for quorum purposes, but we do not count broker non-votes as votes for or against any non-routine proposal. Under the New York Stock Exchange rules, the proposal relating to the election of directors and the advisory proposals relating to executive compensation are deemed to be a non-routine matters with respect to which brokers and nominees may not exercise their voting discretion without receiving instructions from the beneficial owner of the shares.

Proxies:

Please vote; your vote is important. Prompt return of your proxy will help avoid the costs of re-solicitation. Unless you tell us on the proxy card to vote differently, we will vote signed returned proxies FOR each of the Board of Directors nominees for director.

If any nominee cannot or will not serve as a director, your proxy will vote in accordance with his or her best judgment. At the time we began printing this proxy statement, we did not know of any matters that needed to be acted upon at the meeting other than those discussed in this proxy statement. However, if any additional matters are presented to the shareholders for action at the meeting, your proxy will vote in accordance with his or her best judgment.

Proxies Solicited By:

The Board of Directors.

Revoking Your Proxy:

You may revoke your proxy before it is voted at the meeting. Proxies may be revoked if you:

1. deliver a signed, written revocation letter, dated later than the proxy, to Daniel Iesu, Secretary, Siebert Financial Corp., 885 Third Avenue, Suite 1720, New York, New York 10022;
2. deliver a signed proxy, dated later than the first proxy, to Mr. Iesu at the address above; or
3. attend the Annual Meeting and vote in person or by proxy. Attending the meeting without doing more will not revoke your proxy.

Cost of Solicitation:

We will pay all costs of soliciting these proxies, estimated at approximately \$6,000.00 in the aggregate. Although we are mailing these proxy materials, our directors, officers and employees may also solicit proxies by telephone, facsimile, mail or personal contact. These persons will receive no compensation for their services, but we may reimburse them for reasonable out-of-pocket expenses. We will also furnish copies of solicitation materials to fiduciaries, custodians, nominees and brokerage houses for forwarding to beneficial owners of our shares of common stock held in their names, and we will reimburse them for reasonable out-of-pocket expenses. Broadridge Financial Solutions, Inc. is assisting us in the solicitation of proxies for the meeting for no additional fee.

THE BOARD OF DIRECTORS DEEMS THIS PROPOSAL NO. 1 TO BE IN THE BEST INTEREST OF SIEBERT FINANCIAL CORP. AND ITS SHAREHOLDERS AND RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR.

CORPORATE GOVERNANCE

- Board Meetings:** The Board of Directors held four meetings during 2012. Each incumbent director attended at least 75% of his or her Board of Directors meetings and all of his or her committee meetings.
- Controlled Company:** We are a Controlled Company as defined in Rule 5615(c)(1) of The Nasdaq Stock Market because Muriel F. Siebert holds more than 50% of our voting power for the election of directors. As a Controlled Company we are not required to have a majority of our Board of Directors comprised of independent directors, a compensation committee comprised solely of independent directors or a nominating committee comprised solely of independent directors.
- Audit Committee of the Board of Directors:** The Audit Committee of our Board of Directors currently consists of Ms. Francy, Chairwoman, Ms. Hearn and Mr. Mazzarella. The Board of Directors has determined that Ms. Francy, Ms. Hearn and Mr. Mazzarella is each an independent director within the meaning of Rule 5605(a)(2) of The Nasdaq Stock Market and within the meaning of the applicable rules and regulations of the Securities and Exchange Commission. The Audit Committee held five meetings during 2012.
- The Board of Directors has determined that Mr. Mazzarella qualifies as an audit committee financial expert under the applicable rules of the Securities and Exchange Commission.
- The Audit Committee was established to (i) assist the Board of Directors in its oversight responsibilities regarding the integrity of our financial statements, our compliance with legal and regulatory requirements and our auditor's qualifications and independence, (ii) prepare the report of the Audit Committee contained herein, (iii) retain, consider the continued retention and terminate our independent auditors, (iv) approve audit and non-audit services performed by our independent auditors and (v) perform any other functions from time to time delegated by the Board of Directors. The Board of Directors has adopted a written charter for the Audit Committee, which is available on the website of Muriel Siebert & Co., Inc. at <https://www.siebertnet.com/html/StartAboutAuditCommittee.aspx>.
- Compensation Committee of the Board of Directors:** The Compensation Committee of our Board of Directors currently consists of Ms. Macon, Chairwoman, Ms. Francy and Mr. Mazzarella. The Compensation Committee reviews and determines all forms of compensation provided to our executive officers and directors. The Compensation Committee also administers our stock option and other employee benefit plans. The Compensation Committee does not function pursuant to a formal written charter and as a Controlled Company we are not required to comply with The Nasdaq Stock Market's independence requirements. The Compensation Committee held one meeting during 2012.

The Compensation Committee evaluates the performance of the Chief Executive Officer in terms of our operating results and financial performance and determines her compensation in connection therewith. For the 2012 fiscal year, our Chief Executive Officer requested that her cash compensation be limited to \$150,000. The Compensation Committee determined that the cash compensation for the Chief Executive Officer be \$150,000 for the 2012 fiscal year. This amount was unchanged from 2011.

In accordance with general practice in the securities industry, our executive compensation includes base salaries, an annual discretionary cash bonus, and stock options and other equity incentives that are intended to align the financial interests of our executives with the returns to our shareholders. The Compensation Committee determines compensation of our executive officers (other than the Chief Executive Officer) after carefully reviewing self-evaluations completed by the executive officers, each executive officer's business responsibilities, current compensation, the recommendation of our Chief Executive Officer and our financial performance. We did not change the 2012 base salaries of any of our executive officers from the levels in effect at the end of 2011. After evaluating our financial performance in 2012, our Compensation Committee did not award our executive officers or any other employees of the Company bonuses in 2012. In addition, we did not award any stock options or other equity incentives to our executive officers in 2012.

As part of its oversight of the Company's executive compensation, the Compensation Committee considers the impact of the Company's executive compensation, and the incentives created by the compensation awards that it administers, on the Company's risk profile. In addition, the Company reviews all of its compensation policies and procedures, including the incentives that they create and factors that may reduce the likelihood of excessive risk taking, to determine whether they present a significant risk to the Company. The review found that there were no excessive risks encouraged by the Company's rewards programs and the rewards programs do not produce payments that have a material impact on the financial performance of the Company.

**Nominating Committee
of the Board of
Directors:**

The Nominating Committee of the Board of Directors currently consists of Ms. Hearn, Chairwoman, Ms. Siebert, Ms. Francy and Ms. Macon. The Nominating Committee does not function pursuant to a formal written charter and as a Controlled Company we are not required to comply with The Nasdaq Stock Market's independence requirements. The Nominating Committee did not meet in 2012, but acted in 2013 with respect to the recommendation to the Board of Directors of the nomination of each of the directors for re-election at the 2013 Annual Meeting of Shareholders.

The purpose of the Nominating Committee is to identify individuals qualified to become members of our Board of Directors and to recommend to the Board of Directors or the shareholders that such individuals be selected for directorship. In identifying and evaluating nominees for director, the Nominating Committee considers each candidate's experience, integrity, background and skills as well as other qualities that the candidate may possess and factors that the candidate may be able to bring to the Board of Directors. We do not have a formal policy with regard to the consideration of diversity in identifying director nominees. However, the Board of Directors believes that it is essential that its members represent diverse viewpoints, with a broad array of experiences, professions, skills, geographic representation and backgrounds that, when considered as a group, provide a sufficient mix of perspectives to allow the Board of Directors to best fulfill its responsibilities to the long-term interests of our shareholders.

The Nominating Committee will consider shareholder nominees for election to our Board of Directors. In evaluating such nominees, the Nominating Committee will use the same selection criteria the Nominating Committee uses to evaluate other potential nominees. Any shareholder wishing to recommend a director candidate for consideration by the Nominating Committee must do so by sending written notice to our Secretary, Daniel Iesu, at 885 Third Avenue, Suite 1720, New York, New York 10022, no later than January 6, 2014. Such notice must include the recommended candidate's name, experience, qualifications and biographical data, as well as information as to whether such candidate would qualify as an independent director within the meaning of Rule 5605(a)(2) of The Nasdaq Stock Market and the applicable rules and regulations of the Securities and Exchange Commission or as an audit committee financial expert under applicable rules and regulations of the Securities and Exchange Commission. The submission must be accompanied by a written consent by the nominee to stand for election if nominated by the Board of Directors and to serve if elected by the shareholders and a representation that the information with respect to such nominee is truthful and accurate.

**Indemnification of
Officers and Directors:**

We indemnify our executive officers and directors to the extent permitted by applicable law against liabilities incurred as a result of their service to us and against liabilities incurred as a result of their service as directors of other corporations when serving at our request. We have a director's and officer's liability insurance policy, underwritten by Illinois National Insurance Company, a member of the American International Group, Inc., in the annual aggregate amount of \$10 million. As to reimbursements by the insurer of our indemnification expenses, the policy has a \$250,000 deductible; there is no deductible for covered liabilities of individual directors and officers.

**Annual Shareholders
Meeting Attendance
Policy:**

It is the policy of our Board of Directors that all of our directors are strongly encouraged to attend each annual shareholders meeting. All of our directors attended the 2012 annual meeting of shareholders.

Code of Ethics:

We have adopted a Code of Ethics for Senior Financial Officers applicable to our chief executive officer, chief financial officer, treasurer, controller, principal accounting officer, and any of our other employees performing similar functions. A copy of the Code of Ethics for Senior Financial Officers is available on our website at <https://www.siebertnet.com/html/StartAboutGovernance.aspx>.

**Board Leadership
Structure and Board of
Directors:**

Ms. Muriel Siebert serves as both our Chairwoman of the Board of Directors and Chief Executive Officer and President. The Board of Directors does not have a lead independent director. The Company believes this structure allows all of the directors to participate in the full range of the Board's responsibilities with respect to its oversight of the Company's management. The Board of Directors has determined that this leadership structure is appropriate given the size of the Company, the number of directors overseeing the Company and the Board of Directors' oversight responsibilities.

The Board of Directors holds four to seven regular meetings each year to consider and address matters involving the Company. The Board of Directors also may hold special meetings to address matters arising between regular meetings. These meetings may take place in person or by telephone. The independent directors also regularly meet in executive sessions outside the presence of management. The Board of Directors has access to legal counsel for consultation concerning any issues that may occur during or between regularly scheduled Board meetings. As discussed above, the Board has established an Audit Committee, a Compensation Committee and a Nominating Committee to assist the Board in performing its oversight responsibilities.

**The Board of Directors
Role in Risk Oversight:**

Consistent with its responsibility for oversight of the Company, the Board of Directors, among other things, oversees risk management of the Company's business affairs directly and through the committee structure that it has established. The principal risks associated with the Company are risks related to securities market volatility and the securities industry, lower price levels in the securities markets, intense competition in the brokerage industry, extensive government regulation, net capital requirements, customers' failure to pay, investment banking activities, an increase in volume on our systems or other events which could cause them to malfunction, reliance on information processing and communications systems, continuing changes in technology, dependence on the ability to attract and retain key personnel, the ability of our principal shareholder to control many key decisions and there may be no public market for our common stock.

The Board of Directors' role in the Company's risk oversight process includes regular reports from senior management on areas of material risk to the Company, including operational, financial, legal, regulatory, strategic and reputational risks. The full Board of Directors (or the appropriate committee) receives these reports from management to identify and discuss such risks.

The Board of Directors periodically reviews with management its strategies, techniques, policies and procedures designed to manage these risks. Under the overall supervision of the Board of Directors, management has implemented a variety of processes, procedures and controls to address these risks.

The Board of Directors requires management to report to the full Board of Directors on a variety of matters at regular meetings of the Board of Directors and on an as-needed basis, including the performance and operations of the Company and other matters relating to risk management. The Audit Committee also receives regular reports from the Company's independent registered public accounting firm on internal control and financial reporting matters. These reviews are conducted in conjunction with the Board of Directors' risk oversight function and enable the Board of Directors to review and assess any material risks facing the Company.

PROPOSAL NO. 2

ADVISORY VOTE TO APPROVE NAMED EXECUTIVE COMPENSATION

We are providing our shareholders with the opportunity to cast an advisory vote on executive compensation as described above.

As part of its oversight of our executive compensation, our Compensation Committee considers the impact of our executive compensation, and the incentives created by the compensation awards that it administers, based on the our risk profile. In addition, we review all of our compensation policies and procedures, including the incentives that they create and factors that may reduce the likelihood of excessive risk taking, to determine whether they present a significant risk to the Company. This review has found that there currently are no excessive risks encouraged by the Company's rewards programs and the rewards programs do not produce payments that have a material impact on our financial performance.

Our Compensation Committee evaluates the performance of our Chief Executive Officer in terms of our operating results and financial performance and determines her compensation in connection therewith. For the 2012 fiscal year, our Chief Executive Officer requested that her cash compensation be limited to \$150,000, and our Compensation Committee determined that the cash compensation for the Chief Executive Officer be \$150,000 for the 2012 fiscal year.

In accordance with general practice in the securities industry, our executive compensation includes base salaries, an annual discretionary cash bonus, and stock options and other equity incentives that are intended to align the financial interests of our executives with the returns to our shareholders. Our Compensation Committee determines compensation of our executive officers (other than the Chief Executive Officer) after carefully reviewing self-evaluations completed by the executive officers, each executive officer's business responsibilities, current compensation, the recommendation of our Chief Executive Officer and our financial performance. We did not change the 2012 base salaries of any of our executive officers from the levels in effect at the end of 2011. After evaluating our financial performance in 2012, our Compensation Committee did not award our executive officers or any other employees of the Company bonuses in 2012. In addition, we did not award any stock options or other equity incentives to our executive officers in 2012.

The Executive Compensation section included in this Proxy Statement above describes our executive compensation program and the decisions made by the Board of Directors and the Compensation Committee in 2012 in more detail.

We request stockholder approval of the compensation of our named executive officers as disclosed pursuant to the SEC's compensation disclosure rules, which disclosure includes the compensation tables and the narrative disclosures that accompany the compensation tables, through the following resolution:

RESOLVED, that the compensation paid to the company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED.

While this vote is required by law, as an advisory vote, it will neither be binding on the Company or on our Board of Directors, nor will it create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on, the Company or our Board of Directors. However, our Compensation Committee, which is responsible for designing and administering our executive compensation program, values the opinions expressed by shareholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR PROPOSAL 2
TO APPROVE THE COMPANY S NAMED EXECUTIVE COMPENSATION.**

PROPOSAL NO. 3

ADVISORY VOTE ON THE FREQUENCY OF SAY-ON PAY VOTES

As described in Proposal 2 above, our shareholders are being provided the opportunity to cast an advisory vote on our executive compensation program. The advisory vote on executive compensation described in Proposal 2 above is referred to as a say-on-pay vote.

This Proposal 3 affords stockholders the opportunity to cast an advisory vote on how often we should include a say-on-pay vote in our proxy materials for future annual shareholder meetings (or special shareholder meetings for which the Company must include executive compensation information in the proxy statement for that meeting). Under this Proposal 3, shareholders may vote to have the say-on-pay vote every year, every two years or every three years, or shareholders may abstain. You are not voting to approve or disapprove the Board of Directors recommendation on this item.

We believe that a triennial (every third year) vote will give our stockholders the opportunity to more fully assess the success or failure of our long-term compensation strategies and the related business outcomes with the hindsight of three years of corporate performance. In addition, we believe that a three-year vote cycle allows sufficient time for our Board of Directors and Compensation Committee to review and respond to shareholders' views on executive compensation and to implement changes, if necessary, to our executive compensation program.

Even though the vote on this proposal will neither be binding on the Company or the Board of Directors nor will it create or imply any change in the fiduciary duties of, or impose any additional fiduciary duty on, the Company or the Board of Directors, the Board of Directors values the opinions expressed by shareholders in these votes and will consider the outcome of these votes in determining the frequency of the say-on-pay vote.

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE ON PROPOSAL 3
TO HOLD SAY-ON-PAY VOTES EVERY THREE YEARS.**

**SHAREHOLDER PROPOSALS FOR THE
2014 ANNUAL MEETING AND COMMUNICATIONS**

If you wish to submit proposals to be presented at the 2014 Annual Meeting of Shareholders, the proposals must be received by us no later than December 30, 2013 to be included in our proxy materials for that meeting.

The Board of Directors maintains a process for shareholders to communicate with the Board of Directors or individual directors as follows. Shareholders who wish to communicate with the Board of Directors or an individual director should direct written correspondence to our Secretary, Daniel Iesu, at our principal office at 885 Third Avenue, Suite 1720, New York, New York 10022. Any such communication must contain (i) a representation that the shareholder is a holder of record of our common stock, (ii) the name and address, as they appear on our books, of the shareholder sending such communication and (iii) the number of shares of our common stock that are beneficially owned by such shareholder. The Secretary will forward such communications to the Board of Directors or a specified individual director to whom the communication is directed unless such communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Secretary has the authority to discard the communication or take appropriate legal action regarding such communication.

OTHER MATTERS

The Board does not know of any other matters to be presented at the meeting. If any additional matters are properly presented to the shareholders for action at the meeting, the persons named in the enclosed proxies and acting thereunder will have discretion to vote on these matters in accordance with their best judgment.
