Dear Shareholder,

This year we have distributed proxy materials to most of our shareholders over the Internet by sending them the enclosed Notice of Internet Availability of Proxy Materials (Notice) that explains how to access our proxy statement and annual report, and how to vote online. This e-proxy process, which was approved by the SEC in 2007, expedites our shareholders receipt of these materials, lowers the costs of proxy solicitation and reduces the environmental impact of our annual meeting. Many other large companies have transitioned to this method for distributing annual meeting materials.

This new process provides shareholders with our proxy statement and annual report primarily by making them available on the Internet. This electronic posting replaces the traditional documents mailed to you in previous years. If you prefer to receive paper or e-mail copies, however, we will be happy to deliver these materials to you in printed or electronic form, and we have provided several ways for you to request this option.

If you hold shares through the Stanley Black & Decker Retirement Account Plan (the 401(k) Plan), you will receive the proxy statement and annual report, together with a proxy card, by mail. The proxy card you receive will provide instructions for voting your 401(k) Plan shares, but you will need to follow the instructions enclosed to vote other shares you hold.

The Notice provides details about the online posting of our proxy materials. The Notice contains information about how you can, if you wish, request paper or e-mail copies at no cost to you. It also has instructions for voting online, by mail, or in person.

Bruce H. Beatt

Secretary
