## Explanation of Responses:

\* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

- (1) Each restricted unit represents a contingent right to receive the cash value of one share of Fluor common stock.
- (2) The restricted stock units vest in five equal annual installments beginning May 7, 2007.
- (3) Phantom stock issuable on a one-to-one basis.
- (4) The reporting person was mistakenly credited with 13.3833 phantom units to which he was not entitled. This amendment is being filed to correct that error.

These phantom units were acquired under the Fluor Corporation Deferred Directors' Fees Program and are to be settled in cash upon the reporting person's termination of service as a director, death or disability in a single lump sum payment or annual installment payments over a period of two to twenty years. Units are immediately exercisable because they may be transferred into an alternative investment. However, up to 48.8 shares would be forfeited upon such transfer prior to January 1, 2011.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
