\* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

(1) The shares were sold in a series of transactions at a weighted average price of \$48.5601 per share.

The performance objectives governing these shares of Performance Based Restricted Stock have been met, and, accordingly, these shares

(2) will now be reported in Table 1 as directly owned shares of Restricted Stock. The restrictions lapse in 1/3 increments on the first, second and third anniversary of the date of grant.

Each performance based restricted share represents a contingent right to receive one share of CYH common stock. The Company has achieved the cost savings ("synergies") from the Health Management Associates, Inc. ("HMA") merger transaction that were required to be achieved during the first year following the merger transaction, and, accordingly, 1/3 of the performance based restricted shares awarded in conjunction with the completion of the HMA merger transaction will now be reported on Table 1 as directly owned shares.

(3) The restrictions on such shares have lapsed. The remaining 2/3 of the performance based restricted shares awarded in conjunction with the completion of the HMA merger transaction will remain subject to the two-year performance target, which may be met in whole or in part in the second year following the grant. There is also a time vesting element to the maximum targets of the award. If the objectives are not met, the shares will be forfeited.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
