ITEM 1. Changes in Control of Registrant

On August 5, 2003, NovaMed, Inc., ("Company") entered into a Stock Exchange Agreement ("Agreement") with World Wide Auctioneers, Inc. ("WWA") wherein the Company agreed to issue to the shareholders of WWA 13,887,447 shares of its common stock in exchange for the 50,000 shares that constitute all the issued and outstanding shares of WWA's wholly owned subsidiary World Wide Auctioneers, Ltd. ("WWA Dubai"). The parties closed the Agreement on August 8, 2003 with the Company's acquisition of WWA Dubai. The share issuances to the shareholders of WWA included the agreement to issue 7,525,000 shares of the Company's common stock to Asia4Sale.com, Inc., the majority shareholder of WWA. The authorized share issuance to Asia4Sale.com, Inc. and the other shareholders of WWA effectively constitutes a change in control of the Company with Asia4Sale.com, Inc. alone exercising voting control over 47.8% of the Company's issued and outstanding common stock on August 8, 2003.

ITEM 2. Acquisition or Disposition of Assets.

Edgar Filing: NOVAMED INC - Form 8-K

On August 8, 2003 the Company acquired WWA Dubai as a wholly owned subsidiary.

WWA Dubai is an international equipment auction company based in the United Arab Emirates that holds unreserved auctions for the sale of construction, industrial and transportation equipment on a consignment basis. Virtually all other equipment auction companies trade for their own accounts in their own auctions, a practice that diminishes the auctioneer's returns and antagonizes equipment dealers. WWA Dubai's business focus on selling on behalf of consignors rather than buying or selling on its own account eliminates any conflict between its own interests and those of buyers or sellers.

WWA Dubai has conducted heavy equipment consignment auctions in Dubai and Jakarta, Indonesia using a sophisticated auction and mailing information system developed in-house over two years of holding auctions. Management is in the process of formalizing agreements to auction large packages of equipment in the U.S., South America and Australia. Equipment, once secured, will be auctioned either in Dubai or through a partner in Australia. Joint ventures to conduct auctions in China, South America and India are also under consideration.

The Company intends to change its name to "WWA Group, Inc." to reflect its business focus as soon as is practicable pursuant to Securities and Exchange Commission rules and regulations.

ITEM 5. Other Events

On August 8, 2003 subsequent to the closing of the Agreement with WWA, Ruairidh Campbell, the Company's sole officer and director appointed Eric Montandon, Cornelis van Leishout and Digamber Naswa to the Company's board of directors. The newly constituted board of directors then accepted the resignation of Ruairidh Campbell, as a director and officer of the Company and proceeded to appoint new officers. The board of directors appointed Cornelis van Leishout as the Company's president and chief executive officer, Digamber Naswa as the Company's chief financial officer and Herman Huening as the Company's corporate secretary.

LITIGATION

World Wide Dubai is a defendant in a lawsuit filed by Abdullah Ahmed Ali (AAA) Const. Equipment Co. (Sharjah, UAE) in May 2003.

While attending the World Wide Dubai Auction, held April 8-10, 2003, the plaintiff was the highest bidder on Lot 1336, a Link Belt LS218H Crawler Crane.

The day after the auction World Wide Dubai was made aware that the crane was subject to a previously unsettled lien and therefore the crane was not legally transferable. World Wide Dubai invoked Clause 4 of the signed Bidder's Agreement whereby the auctioneer has the right to cancel any sale at its discretion. World Wide subsequently penalized the seller for non-delivery of clear title, and offered this penalty amount to AAA. AAA refused this offer, and also refused to accept the refund of the purchase price paid for the crane by wire transfer from AAA to World Wide Dubai on April 11, 2003.

AAA filed a case against World Wide Dubai in a Dubai court for delivery of the equipment. The first hearing of the case was fixed for June 10 and subsequently extended to Sept.02, 2003. The equipment remains in World Wide Dubai's possession.

Report of the Auditors

We have audited the accompanying balance sheet of World Wide Auctioneers Limited ("the Branch") as of 31 December 2002 and the related statements of income and cash flows for the year then ended.

Respective responsibilities of the Directors and the Auditors

These financial statements are the responsibility of the Branch's Directors. Our responsibility is to express an opinion on these financial statements based on our audit.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing promulgated by the International Federation of Accountants. Those Standards require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free of material mis-statement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Branch as of 31 December 2002 and the results of its operations and its cash flows for the year then ended in accordance with International Financial Reporting Standards promulgated by the International Accounting Standards Board and comply, where appropriate, with the Impending Regulations issued by the Jebel Ali Free Zone Authority (JAFZA).

Other matters

Without qualifying our opinion we draw attention to note 2, which explains that these financial statements have been prepared on a going concern basis. The Branch has accumulated losses of USD 989,941 (2001: USD 1,226,182) and had net current liabilities of USD 963,037 (2001: USD 879,008) as at that date. The continuation of the Branch's operations is dependent upon future profitable operations and the ability of the Branch to generate sufficient cash flows to meet its future obligations. The financial statements do not include adjustments, as referred to in note 2, that would be required if the Branch is unable to continue to operate.

Report of the Reviewer

We have reviewed the accompanying balance sheet of World Wide Auctioneers Limited (Dubai Branch) - ("the Branch") as of 30 June 2003, and the related statements of income and cash flows for the six months period then ended. These financial statements represent the Branch's operations in the United Arab Emirates and have been prepared from the records maintained in United Arab Emirates, which contain evidence of transactions recorded locally.

These financial statements are the responsibility of the Branch's management. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with International Standards on Auditing applicable to review engagements. Those standards require that we plan and perform the review to obtain moderate assurance about whether the financial statements are free of material mis-statement. A review is limited primarily to inquiries of Branch personnel and analytical procedures applied to financial data, and thus provides less assurance than an audit. We have not performed an audit, and, accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying financial statements are not presented fairly, in all material respects, in accordance with International Financial Reporting Standards promulgated by the International Accounting Standards Board.

NOVAMED, INC.
AND WORLD WIDE AUCTIONEERS, LTD.
NOTES TO UNAUDITED PROFORMA CONDENSED COMBINED FINANCIAL STATEMENTS

NOTE 1 - NOVAMED, INC.

NOVAMED, INC. ["NOVAMED"], a Nevada corporation, was incorporated on November 26, 1996. During the periods presented, NOVAMED has been primarily engaged in seeking a potential merger opportunity with an operating company.

NOTE 2 - WORLD WIDE AUCTIONEERS, LTD.

World Wide Auctioneers, Ltd. ["WWA"], was incorporated as a limited liability company in the territory of the British Virgin Islands under the International Business Companies Act, Cap 291 on March 20, 2000. WWA's principal activities are the trading and auction of used and unused construction, transportation, and marine equipment.

NOTE 3 - PROFORMA ADJUSTMENTS

On August 5, 2003, NOVAMED entered into a stock exchange agreement wherein NOVAMED would acquire 100% of WWA through the issuance of 13,887,447 shares of common stock in a transaction wherein WWA will become a wholly-owned subsidiary of NOVAMED. Upon closing of the transaction, the shareholders of WWA will own approximately 91% of the issued and outstanding shares of the Company. Because the shares issued in the transaction represent control of the total shares of the outstanding common stock immediately following the transaction, the transaction has been accounted for as a reverse acquisition. Final consummation of the proposed acquisition is subject to various conditions being met and is not guaranteed.

73

NOVAMED, INC.
AND WORLD WIDE AUCTIONEERS, LTD.
NOTES TO UNAUDITED PROFORMA CONDENSED COMBINED FINANCIAL STATEMENTS

NOTE 3 - PROFORMA ADJUSTMENTS [Continued]

Pro forma adjustments on the attached financial statements include the following:

- [A] To record the acquisition of WWA by NOVAMED through the issuance of 13,887,447 shares of common stock. The ownership interests of the former owners of WWA in the combined enterprise will be greater than that of the ongoing shareholders of NOVAMED and, accordingly, the management of WWA will assume operating control of the combined enterprise. Consequently, the acquisition is accounted for as the recapitalization of WWA, wherein WWA purchased the assets of NOVAMED and accounted for the transaction as a "Reverse Acquisition" for accounting purposes.
- [B] To eliminate the accumulated deficit of NOVAMED at the date of acquisition to reflect the purchase by WWA for accounting purposes.

Edgar Filing: NOVAMED INC - Form 8-K

NOTE 4 - PROFORMA (LOSS) PER SHARE

The proforma income (loss) per share is computed based on the number of shares outstanding, after adjustment for shares issued in the acquisition, as though such shares had been outstanding from the beginning of the periods presented.
