PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

We are furnishing this proxy statement to stockholders of record as of the close of business on April 25, 2011 in connection with the solicitation of proxies by our Board of Directors for use at the Annual Meeting of Stockholders to be held on June 22, 2011. This proxy statement and the form of proxy are being made available to the stockholders on or about May 10, 2011. Our Annual Report on Form 10-K for the year ended December 31, 2010 (which does not form a part of the proxy solicitation materials) is being made available concurrently herewith to stockholders.

Voting Securities; Proxies; Required Vote

Voting Securities

At the Annual Meeting, each holder of record of common stock of the Company, par value \$0.001 per share ("Common Stock"), at the close of business on April 25, 2011 will be entitled to one vote for each share of Common Stock owned on that date as to each matter presented at the Annual Meeting. On April 25, 2011, 217,772,508 shares of Common Stock were outstanding.

Proxies

You cannot vote your shares at the meeting unless you are present in person or represented by proxy. All properly executed and unrevoked proxies that are received in time for the meeting will be voted at the meeting or any adjournment or postponement thereof in accordance with instructions thereon, or if no instructions are given, will be voted as follows:

1. "FOR" the election of all of the named nominees as directors;
2. "FOR" the ratification of EisnerAmper LLP as our independent auditors; and
3. in accordance with the judgment of the persons appointed as proxies with respect to other matters which properly come before the Annual Meeting.

You may revoke a proxy by written notice to us at any time prior to exercise of the proxy. In addition, although mere attendance at the Annual Meeting will not revoke a proxy, you may withdraw your proxy by doing so in person.

Voting Your Proxy

Whether or not you plan to attend the Annual Meeting, you may vote your shares via Internet, telephone or mail as more fully described below:

- By Internet: Go to www.proxyvote.com and follow the instructions. Have your proxy card available when you call.

-1-

Required Vote

1. The affirmative vote of the holders of a plurality of the shares of Common Stock represented at the Annual Meeting in person or by proxy is required for the election of directors.
2. The affirmative vote of the holders of a majority of the shares of Common Stock represented in person or by proxy at the meeting is required for the ratification of the appointment of EisnerAmper LLP as our independent auditors for the fiscal year ending December 31, 2011.

Stockholders are not allowed to cumulate their votes in the election of directors. In voting on the election of directors, abstentions and broker non-votes (which occur when a broker holding shares for a beneficial owner does not vote on a particular proposal because the broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner) will be disregarded and not treated as votes cast and, therefore, will not affect the outcome of the election. Abstentions will have the same effect as votes against the proposal to ratify the appointment of EisnerAmper LLP, but broker non-votes will not be counted as votes against such proposals or as shares present or represented at the meeting.

Quorum

The required quorum for the transaction of business at the Annual Meeting will be a majority of the voting power of shares of Common Stock issued and outstanding on the record date. Shares represented in person or by proxy (including shares which abstain or do not vote with respect to one or more of the matters presented for stockholder approval) will be counted for purposes of determining whether a quorum exists at the meeting.

The Board of Directors does not currently anticipate that any nominee will be unable to be a candidate for election. Recommendation of the Board of Directors

The Board of Directors recommends that you vote "FOR" the election of all of the nominees listed above.

Board Leadership Structure

Our Board of Directors believes that Dr. Schaber's service as both our Interim Chairman of our Board of Directors and our Chief Executive Officer is in the best interest of our Company and our stockholders. Dr. Schaber possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing our Company and our business and, therefore, is best positioned to develop agendas that ensure that the Board of Directors' time and attention are focused on the most important matters. His combined role enables decisive leadership, ensures clear accountability,

and enhances our ability to communicate our message and strategy clearly and consistently to our stockholders, employees, and collaborative partners.

-5-

Our Board of Directors has determined that Dr. Rubin, Ms. Howson and Mr. Thompson, each of whom are nominated for election as a director, are "independent" as such term is defined by the applicable listing standards of The NASDAQ Stock Market LLC ("NASDAQ"). Our Board of Directors based this determination primarily on a review of the responses of the directors to questionnaires regarding their employment, affiliations and family and other relationships. The Board of Directors believes that independent directors provide effective oversight of management. Moreover, in addition to feedback provided during the course of meetings of the Board of Directors, independent directors hold executive sessions. Following an executive session of independent directors, independent directors report back to the full Board of Directors regarding any specific feedback or issues, provide the Chairman with input regarding agenda items for Board of Directors and Committee meetings, and coordinate with the Chairman regarding information to be provided to independent directors in performing their duties. The Board of Directors believes that this approach appropriately and effectively complements the combined Chairman/Chief Executive Officer structure. If all of the nominees for director are elected at the Annual Meeting, half of the directors on our Board of Directors will be "independent" as such term is defined by the applicable listing standards of NASDAQ.

Although the Company believes that the combination of the Chairman and Chief Executive Officer roles is appropriate under the current circumstances, our corporate governance guidelines do not establish this approach as a policy, and the Board of Directors may determine that it is more appropriate to separate the roles in the future.

Section 16(a) Beneficial Ownership Reporting Compliance

We are required to identify each person who was an officer, director or beneficial owner of more than 10% of our registered equity securities during our most recent fiscal year and who failed to file on a timely basis reports required by Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

To our knowledge, based solely on review of these filings and written representations from the certain reporting persons, we believe that during the year ended December 31, 2010, our officers, directors and significant stockholders have timely filed the appropriate form under Section 16(a) of the Exchange Act.

Corporate Governance

Pursuant to our Certificate of Incorporation and By-laws, our business and affairs are managed under the direction of the Board of Directors. Members of the Board of Directors are kept informed of our business through discussions with senior management, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees.

The Board of Directors held eight meetings in 2010, and each director who served as a director during 2010, attended all of the meetings of the Board of Directors and each of the committees on which he served, except for Cyrille F. Buhrman who did not stand for re-election at the 2010 Annual Meeting and except for Tamar Howson who was unavailable to attend the October 22, 2010 meeting.

We typically schedule a meeting of the Board of Directors in conjunction with our Annual Meeting and expect that all directors will attend, absent a valid reason, such as a scheduled conflict. Last year, all of the individuals then serving as directors attended the Annual Meeting in person or telephonically.

The Board of Directors has the following three committees: (1) Compensation, (2) Audit and (3) Nominating. The Board of Directors has adopted a written charter for each of these committees, which are available on our website at www.soligenix.com under the "Investors" section.

We have adopted a code of ethics that applies to all of our executive officers and senior financial officers (including our chief executive officer, chief financial officer, chief accounting officer, controller, and any person performing similar functions). A copy of our code of ethics is publicly available on our website at www.soligenix.com under the "Investors" section. If we make any substantive amendments to our code of ethics or grant any waiver, including any implicit waiver, from a provision of the code to our chief executive officer, chief financial officer or chief accounting officer, we will disclose the nature of such amendment or waiver in a Current Report on Form 8-K.

Compensation Committee

The Board of Directors has a Compensation Committee. From January 2010 through September 2010, the Compensation Committee was comprised of Mr. Lapointe, Dr. Rubin and Mr. Buhrman. Since September 2010, the Compensation Committee has been comprised of Dr. Rubin, Ms. Howson and Mr. Thompson.

The Compensation Committee is responsible for reviewing and approving the executive compensation program, assessing executive performance, making grants of salary and annual incentive compensation and approving certain employment agreements. The Board of Directors has determined that Dr. Rubin, Ms. Howson and Mr. Thompson are "independent" directors, as such term is defined by the applicable NASDAQ listing standards. The Board of Directors reviewed Mr. Lapointe's relationship as the Chief Executive Officer of Sigma-Tau, which paid the Company \$1 million on October 14, 2009 pursuant to the Collaboration and Supply Agreement dated February 11, 2009 between the Company and Sigma-Tau. Although Mr. Lapointe is not an "independent" director, as defined by the applicable NASDAQ listing standards, as a result of such payment, the Board of Directors determined that Mr. Lapointe's membership on the Compensation Committee was in the best interests of the Company and its stockholders due to his extensive business experience managing life sciences companies. The Compensation Committee met three times during the fiscal year ended December 31, 2010.

Nominating Committee

The Board of Directors has a Nominating Committee. From January 2010 through September 2010, the Nominating Committee was comprised of Mr. Lapointe, Dr. Rubin and Mr. Buhrman. Since September 2010, the Nominating Committee has been comprised of Mr. Lapointe, Dr. Rubin and Ms. Howson.

The Nominating Committee makes recommendations to the Board of Directors regarding the size and composition of the Board of Directors, establishes procedures for the nomination process, recommends candidates for election to the Board of Directors and nominates officers for election by the Board of Directors. The Board of Directors has determined that Dr. Rubin and Ms. Howson are "independent" directors, as such term is defined by the applicable NASDAQ listing standards. Although Mr. Lapointe is not an "independent" director, as defined by the applicable NASDAQ listing standards, the Board of Directors determined that Mr. Lapointe's membership on the Nominating Committee is in the best interests of the Company and its stockholders due to his extensive business experience managing life sciences companies. The Nominating Committee met once during the fiscal year ended December 31, 2010.

In considering candidates for the Board of Directors, the Nominating Committee considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met by a nominee. However, the Nominating Committee believes that all members of the Board of Directors should have the highest character and integrity, a reputation for working constructively with others, sufficient time to devote to Board matters, and no conflict of interest that would interfere with performance as a director. In the case of current directors being considered for nomination, the Nominating Committee also takes into account the director's history of attendance at meetings of the Board of Directors or its committees, the director's tenure as a member of the Board of Directors, and the director's preparation for and participation in such meetings.

We do not have a formal diversity policy or set of guidelines in selecting and appointing directors that comprise our Board of Directors. However, when making recommendations to our Board of Directors regarding the size and composition of our Board of Directors, the Nominating Committee considers each individual director's qualifications, skills, business experience and capacity to serve as a director and the diversity of these attributes for the Board of Directors as a whole.

Stockholders who wish to suggest qualified candidates should write to the Office of the Secretary, Soligenix, Inc., 29 Emmons Drive, Suite C-10, Princeton, New Jersey 08540, specifying the name of the candidates and stating in detail the qualifications of such persons for consideration by the Nominating Committee. A written statement from the candidate consenting to be named as a candidate and, if nominated and elected, to serve as a director should accompany any such recommendation. Stockholders who wish to nominate a director for election at an Annual Meeting of Stockholders must otherwise comply with our By-laws regarding stockholder proposals and nominations. See "Deadline for Stockholder Proposals" contained herein.

Audit Committee

The Board of Directors has an Audit Committee. From January 2010 through September 2010, the Audit Committee was comprised of Mr. Lapointe, Dr. Rubin and Mr. Buhrman. Since September 2010, the Audit Committee has been comprised of Messrs. Lapointe and Thompson and Dr. Rubin.

The Audit Committee assists the Board of Directors in monitoring the financial reporting process, the internal control structure and the independence and performance of the internal audit department and the independent public accountants. Its primary duties are to serve as an independent and objective party to monitor the financial process and internal control system, to review and appraise the audit effort of the independent accountants and to provide an open avenue of communication among the independent accountants, financial and senior management, and the Board of Directors. During the year, the Board of Directors examined the composition of the Audit Committee in light of the applicable listing standards of NASDAQ and the regulations under the Exchange Act applicable to audit committees. Based upon this examination, the Board of Directors has determined that Dr. Rubin and Mr. Thompson are "independent" directors, within the meaning of such listing standards and the Exchange Act and the rules and regulations thereunder. Although Mr. Lapointe is not an "independent" director, as defined by the applicable NASDAQ listing standards, the Board of Directors determined that Mr. Lapointe's membership on the Audit Committee is in the best interests of the Company and its stockholders due to his extensive business experience managing life sciences companies. Mr. Lapointe qualifies as an "audit committee financial expert" as that term is defined in the applicable regulations of the Exchange Act. The Audit Committee met five times during the fiscal year ended December 31, 2010.

Report of the Audit Committee of the Board of Directors

The Audit Committee submits the following report for the year ended December 31, 2010:

The Audit Committee has reviewed and discussed with both management and the outside auditors the audited consolidated financial statements as of and for the year ended December 31, 2010. The Audit Committee's review included discussion with the outside auditors of matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

The Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, Independence Discussions with Audit Committees, as amended, by the Independence Standards Board, and has discussed with the independent auditors matters relating to the auditors' independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements referred to above be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010 for filing with the SEC.

Submitted by the Audit Committee,

/s/ Virgil D. Thompson (Chairman of Audit
Committee)

/s/ Gregg Lapointe

/s/ Robert J. Rubin

Employment and Severance Agreements

In August 2006, we entered into a three-year employment agreement with Christopher J. Schaber, PhD. Pursuant to this employment agreement we agreed to pay Dr. Schaber a base salary of \$300,000 per year and a minimum annual bonus of \$100,000. This employment agreement was renewed in December 27, 2007 for an additional term of three years. We agreed to issue him options to purchase 2,500,000 shares of our common stock, with one third immediately vesting and the remainder vesting over three years. Upon termination without “Just Cause” as defined by this agreement, we would pay Dr. Schaber nine months of severance, as well as any accrued bonuses, accrued vacation, and we would provide health insurance and life insurance benefits for Dr. Schaber and his dependants. No unvested options shall vest beyond the termination date. Dr. Schaber’s monetary compensation (base salary of \$300,000 and bonus of \$100,000) remained unchanged from 2006 with the 2007 renewal. He will be paid nine months of severance upon

termination of employment. Upon a change in control of the Company due to merger or acquisition, all of Dr. Schaber's options shall become fully vested, and be exercisable for a period of five years after such change in control (unless they would have expired sooner pursuant to their terms). In the event of his death during term of the agreement, all of his unvested options shall immediately vest and remain exercisable for the remainder of their term and become the property of Dr. Schaber's immediate family. This agreement automatically renewed in December 2010 for an additional term of three years.

In December 2004, we entered into a three-year employment agreement with Evan Myriantopoulos. Pursuant to this employment agreement we agreed to pay Mr. Myriantopoulos a base salary of \$185,000 per year. After one year of service Mr. Myriantopoulos would be entitled to a minimum annual bonus of \$50,000. This employment agreement was renewed on December 27, 2007 for an additional term of three years. We agreed to issue him options to purchase 500,000 shares of our common stock, with the options vesting over three years. Upon termination without “Just Cause” as defined by this agreement, we would pay Mr. Myriantopoulos six months of severance subject to set off, as well as any unpaid bonuses and accrued vacation would become payable. No unvested options shall vest beyond the termination date. Mr. Myriantopoulos also received 150,000 options, vested immediately when he was hired in November 2004, as President and Acting Chief Executive Officer. Mr. Myriantopoulos’ monetary compensation (base salary of \$200,000 and bonus of \$50,000) remained unchanged from 2006 with the 2007 renewal. He will be paid six months of severance upon termination of employment. Upon a change in control of the Company due to merger or acquisition, all of Mr. Myriantopoulos’ options shall become fully vested, and be exercisable for a period of three years after such change in control (unless they would have expired sooner pursuant to their terms). In the event of his death during term of contract, all of his unvested options shall immediately vest and remain exercisable for the remainder of their term and become property of Mr. Myriantopoulos’ immediate family. This employment agreement was amended on January 4, 2011, extending his employment for an additional two years, and thereafter the term of employment automatically renews for a period of two years, unless the Company or Mr. Myriantopoulos deliver three months notice of an election not to renew the term.

In February 2007, our Board of Directors authorized the issuance of the following number of shares to each of Dr. Schaber, Mr. Myriantopoulos and Dr. Brey immediately prior to the completion of a transaction, or series or a combination of related transactions negotiated by our Board of Directors whereby, directly or indirectly, a majority of our capital stock or a majority of our assets are transferred from the Company and/or our stockholders to a third party: 1,000,000 common shares to Dr. Schaber and 750,000 common shares to Mr. Myriantopoulos. The amended agreements include our obligation to issue such shares to the executives if such event occurs.

On March 27, 2009, the Compensation Committee approved the increase in salaries for Dr. Schaber to \$350,000 and Mr. Myriantopoulos to \$230,000.

We do not currently have an employment agreement with Robert N. Brey, our Chief Scientific Officer and Senior Vice President. Dr. Brey’s compensation is determined by our board of directors and our compensation committee.

Consideration and Determination of Executive and Director Compensation

The Compensation Committee of the Board of Directors is comprised of Dr. Rubin, Ms. Howson and Mr. Thompson. The Board of Directors has determined that Dr. Rubin, Ms. Howson and Mr. Thompson are "independent" directors, as such term is defined by the applicable NASDAQ listing standards.

The Compensation Committee provides overall guidance on compensation and benefits policy. In addition, the Compensation Committee approves and monitors:

- executive compensation and benefits programs;
 - executive employment agreements;
- 1995 Amended and Restated Omnibus Incentive Plan; and
 - 2005 Equity Incentive Plan.

The primary objectives of the Compensation Committee are to ensure that the executive compensation and benefits programs:

- are competitive with other growing companies of similar size and business;
- are effective in driving performance to achieve financial goals and create stockholder value;
 - are cost-efficient and fair to employees, management and stockholders; and
- are designed to attract, motivate, reward, and retain the competent and talented executives needed.

To achieve these objectives, the Compensation Committee meets at least once and usually several times during each fiscal year to review the existing compensation and benefits programs and to consider modifications that seek to provide a direct relationship between executive compensation and sustained corporate performance.

The Compensation Committee makes executive compensation decisions on the basis of total remuneration and seeks to create an integrated total remuneration program structured to balance short and long-term financial goals. A significant amount of total compensation is comprised of bonus provisions which are specified in their contracts and which are intended to align executive interest with stockholder interest.

The Compensation Committee recommends to the Board of Directors a salary within a designated band for the respective executives, which is based on merit, performance and length of service. Bonus provisions for all executives are based on increase (if any) of net incremental profit over prior year highest net profit, subject to guaranteed minimum bonuses.

Non-executive employees were granted stock options under the 2005 Equity Incentive Plan, approved by the stockholders, also in order to motivate, reward, and retain them while meeting goals and allowing them to share in the growth.

In September 2007, our stockholders approved an amendment to the 2005 Equity Incentive Plan to increase the maximum number of shares of our common stock available for issuance under the plan by 10,000,000 shares, bringing the total shares reserved for issuance under the plan to 20,000,000 shares. PROPOSAL 2
RATIFICATION OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors appointed EisnerAmper LLP, independent certified public accountants, as auditors of our financial statements for the year ending December 31, 2011, subject to the ratification of such appointment by stockholders at the Annual Meeting.

A representative of EisnerAmper LLP is expected to be available at the Annual Meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

Recommendation of the Board of Directors

The Board of Directors recommends that you vote "FOR" ratification of EisnerAmper LLP as our independent auditors for the year ending December 31, 2011.

The following table highlights the aggregate fees billed during each of the two years ended December 31, 2010 by Amper, Politziner & Mattia, LLP ("Amper," our principal accountants in 2009 through August 16, 2010) and EisnerAmper LLP ("EisnerAmper," our principal accountants commencing August 16, 2010).

Audit related fees	1,500	19,795	15,600
Tax fees	-	5,464	2,210
Total	\$ 15,780	\$ 107,884	\$ 114,710

¹ Relates to services performed during the audit of each of those years and reviews of our financial statements included in our Quarterly Reports on Form 10-Q during those years. Although Amper was engaged for the December 31, 2008 audit, our fees related to that audit were incurred in 2009.

Other Fees

Our principal accountants did not bill us for any services or products other than as reported above during each of the two years ended December 31, 2010.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit services and permitted non-audit services to be provided by the independent auditor as required by the Exchange Act. The Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee approved all of the services described above in accordance with its pre-approval policies and procedures.

OTHER MATTERS

Deadline for Stockholder Proposals

Under SEC Rule 14a-8, stockholder proposals for the Annual Meeting of Stockholders to be held in 2012 will not be included in the proxy statement for that meeting unless the proposal is proper for inclusion in the proxy statement and for consideration at the next Annual Meeting of Stockholders, and is received by our Secretary at our executive offices, no later than January 13, 2012. Stockholders must also follow the other procedures prescribed in SEC Rule 14a-8 under the Exchange Act, as well as our By-laws, which contain requirements that are separate and apart from the SEC requirements of Rule 14a-8. Our By-laws provide that stockholders desiring to bring business before the 2011 Annual Meeting, including nomination of a person for election to our Board of Directors, must provide written notice to our Secretary at our executive offices no earlier than 75 days, and no later than 45 days, before the one year anniversary of the mailing of this proxy statement. The written notice must include the information required by Section 2.4 of the By-laws: (a) as to each person whom the stockholder proposes to nominate for election or reelection as a director, all information relating to such person as would be required to be disclosed in solicitations of proxies for the election of such nominee as a director pursuant to Regulation 14A under the Exchange Act, and such person's written consent to serve as a director if elected; (b) as to any other business that the stockholder proposes to bring before the meeting, a brief description of such business, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (c) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address of such stockholder, as they appear on our books, and of such beneficial owner, (ii) the class and number of shares of the Company that are owned beneficially and of record by such stockholder and such beneficial owner, and (iii) whether either such stockholder or such beneficial owner intends to deliver a proxy statement and form of proxy to holders of, in the case of a proposal, at least the percentage of our voting shares required under applicable law to carry the proposal or, in the case of a nomination or nominations, a sufficient number of holders of our voting shares to elect such nominee or nominees.

Householding of Annual Meeting Materials

Some banks, brokers and other nominee record holders may be participating in the practice of "householding" proxy statements and annual reports. This means that only one copy of our proxy statement or annual report may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you if you notify our Secretary at our executive offices. If you wish to receive separate copies of the annual report and proxy statement in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact us at our executive offices.
