**Item 7.01. Regulation FD Disclosure**

On March 1, 2011, Isle of Capri Casinos, Inc. (the Company) issued a press release announcing an offering of \$300.0 million of senior notes due 2019. A copy of the press release is attached hereto as Exhibit 99.1.

Concurrent with the offering, the Company is in discussions with the lenders under its credit agreement (as amended by the First Amendment to the Credit Agreement dated February 17, 2010, and as further amended, modified or supplemented from time to time) dated as of July 26, 2007 ( Existing Credit Facility ) to enter into a new credit agreement ( New Credit Facility ) to replace its Existing Credit Facility. The Company anticipates that the timing of entry into the New Credit Facility will be shortly following the completion of the offering of the notes and prior to the end of the fourth quarter of fiscal 2011 (or as soon thereafter as all necessary regulatory approvals have been received). The Company expects that its New Credit Facility, if executed, will have a revolving credit facility in an aggregate principal amount of up to \$325.0 million (due 2016) and a term loan facility in an aggregate principal amount of up to \$500.0 million (due 2017). The Company also anticipates that the New Credit Facility will include other terms similar to those in its Existing Credit Facility. The foregoing description of some of the anticipated terms of the New Credit Facility, including the anticipated timing for entering into the New Credit Facility, reflect only the Company's current expectations. It is possible that the Company will not enter into a New Credit Facility or, if it does, it is possible that the terms of the New Credit Facility may differ, perhaps substantially, from those described in this paragraph.
