SECTION 1 – Registrant’s Business and Operations

Item 1.01 Entry Into A Material Definitive Agreement

On April 29, 2013, we entered into an Agreement of Conveyance, Transfer and Assignment of Assets and Assumption of Obligations (the “Agreement”) with our prior officer and director, Mikhail Kats. Pursuant to the Agreement, we transferred all assets and business operations associated with our architectural design, architectural animation, 3D modeling as well as CAD drafting and conversion services to Mr.Kats. In exchange, Mr. Kats agreed to assume and cancel all liabilities relating to our former business, including officer loans amounting to \$21,376.

As a result of the Agreement, we are no longer pursuing our former business plan. Under the direction of our newly appointed officer and director, as set forth below, we intend to _pursue the sale and distribution of the Alkame brand of bottled waters, as well as other various applications for the water treatment technology_ .

SECTION 5 – Corporate Governance and Management

Item 5.01 Changes in Control of Registrant

On April 29, 2013, Mikhail Kats agreed to transfer 350,000,000 of his shares of common stock to Robert Eakle for a total purchase price of \$20,000. The source of the consideration paid to Mikhail Kats was the existing funds of Robert Eakle.

In connection with the sale of his controlling interest in the company, our current board of directors, comprised of Mikhail Kats, appointed Robert Eakle to the board of directors and to certain officer positions and then resigned from all officer and director positions, as discussed in Item 5.02, below.

There are no arrangements known to the company, the operation of which may, at a subsequent date, result in a change in control of the registrant.

Following the change in control, the following table sets forth certain information known to us with respect to the beneficial ownership of our common stock as of April 29, 2013 by (1) all persons who are beneficial owners of 5% or more of our voting securities, (2) each director, (3) each executive officer, and (4) all directors and executive officers

as a group. The information regarding beneficial ownership of our common stock has been presented in accordance with the rules of the Securities and Exchange Commission. Under these rules, a person may be deemed to beneficially own any shares of capital stock as to which such person, directly or indirectly, has or shares voting power or investment power, and to beneficially own any shares of our capital stock as to which such person has the right to acquire voting or investment power within 60 days through the exercise of any stock option or other right. The percentage of beneficial ownership as to any person as of a particular date is calculated by dividing (a) (i) the number of shares beneficially owned by such person plus (ii) the number of shares as to which such person has the right to acquire voting or investment power within 60 days by (b) the total number of shares outstanding as of such date, plus any shares that such person has the right to acquire from us within 60 days. Including those shares in the tables does not, however, constitute an admission that the named stockholder is a direct or indirect beneficial owner of those shares. Unless otherwise indicated, each person or entity named in the table has sole voting power and investment power (or shares that power with that person's spouse) with respect to all shares of capital stock listed as owned by that person or entity.

Except as otherwise indicated, all Shares are owned directly and the percentage shown is based on 530,000,000 shares of Common Stock issued and outstanding.
