

Item 2.01 Completion of Acquisition or Disposition of Assets.

On April 25, 2014, Nelnet, Inc. (the “Company”), and certain Company subsidiaries, completed the acquisition of a total of \$3.6 billion of Federal Family Education Loan Program (“FFELP”) student loans and related assets from Student Loan Xpress, Inc., CIT Education Loan Trust 2012-1, and CIT Education Loan Trust 2011-1, which are affiliated with CIT Group Inc. The transaction included the purchase of residual interests in a total of \$2.6 billion of securitized student loans and related assets under a stock purchase agreement, and the purchase of a total of approximately \$950 million of unsecuritized student loans under three separate loan sale agreements. The stock purchase agreement and loan sale agreements (collectively, the “Agreements”) were previously reported by the Company in a Current Report on Form 8-K filed on April 16, 2014 (the “Prior 8-K”). The Agreements were filed as exhibits to the Prior 8-K and are incorporated by reference as Exhibits 2.1 through 2.4 to this report.

The assets acquired under the stock purchase agreement include the rights to the residual interests in three FFELP student loan securitization trusts, which hold a total of \$2.6 billion of FFELP student loans and related assets and have issued a corresponding amount of related student loan asset-backed debt. In addition, under the loan sale agreements, the Company purchased for cash unsecuritized FFELP loans totaling approximately \$950 million, consisting primarily of FFELP consolidation loans, which have been initially funded through the Company’s existing student loan warehouse facilities. The aggregate cash purchase price for the assets acquired under the stock purchase agreement and the cash amount paid over the par value of the student loan portfolio and related accrued interest under the loan sale agreements was \$139 million, and was funded from the Company’s operating cash and unsecured line of credit. All acquired student loan assets and related debt will be included in the Company’s consolidated financial statements and will increase the Company’s student loan portfolio to more than \$29 billion.
