Employee Stock Option Plan

During the Special Shareholder Meeting held September 8, 1997, the Shareholders approved an Employee Stock Option Plan (the "Plan"). The Plan authorized the issuance of options to purchase up to two million shares of the Company's Common Stock. On November 7, 2001, the shareholders approved an amendment to the Plan increasing the number of shares in the Plan to three million five hundred thousand shares.

The Plan allows the Board of Directors to grant non-qualified stock options from time to time to employees, officers and directors, and consultants of the Company. The board determines vesting provisions at the time options are granted. The option price for any option will be no less than the fair market value of the Common Stock on the date the option is granted.

During the fiscal year ended February 29, 2004, we issued the following options to directors, in addition to those itemized in the Summary Compensation Table above, from the Plan:

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During the last two years certain officers, directors, and beneficial owners entered into transactions with the Company as follows:

On January 1, 2001, we renewed loan agreements with Gregory Stemm and John Morris authorizing each to borrow a maximum of \$120,000 from the Company at 8% annual interest compounded quarterly. On October 10, 2001, the loans were revised authorizing borrowing up to \$130,000 under the same terms and an additional \$20,000 for the exercise of stock options. On March 1, 2002, the loans were revised to allow borrowing up to \$150,000 under the same terms and up to \$20,000 for the exercise of stock options. These loans would have become due on December 31, 2004. On December 5, 2003 John Morris and Greg Stemm re-paid the balances in full of the principal amounts and all accumulated interest due on the loans.

On April 1, 2001, we entered into a loan extension agreement with Robert Stemm, Gregory Stemm's father, wherein Mr. Stemm extended the due date on his loan to the Company until March 31, 2003. The principal amount of \$56,144 bore interest at 10% per annum and was secured by an inventory of raw emeralds. This loan was convertible into shares of Common Stock at the rate of \$.50 per share. On March 31, 2003, we entered into a Debt Conversion Agreement wherein, Mr. Stemm was paid \$13,373 in cash and received 108,000 shares of our common stock for payment in full of the note and accrued interest. Payment of the note established March 31, 2005, as the expiration date of the warrants for the purchase of common stock previously issued to Mr. Stemm as an inducement to extend the loan due dates, and terminated the security interest in the

inventory of raw emeralds that previously secured the note. Warrants held by Mr. Stemm as a result of his loan to the Company are as follows:

Date issued	Number of shares	Exercise Price	Expiration Date
4/1/1999	11,000	\$ 3.00/share	March 31, 2005

On February 28, 2001, we completed the sale of shares of our Series B Convertible Preferred Stock, Common Stock and Warrants to MacDougald Family Limited Partnership ("MFLP") for \$3,000,000 in cash. The sale of securities was made pursuant to a Stock Purchase Agreement dated February 28, 2001. MFLP purchased 850,000 shares of our Series B Convertible Preferred Stock, 864,008 shares of Common Stock and Warrants to purchase an additional 1,889,000 shares of Common Stock. The cash used came from operating funds of MFLP. Warrants to purchase 1,659,000 shares subsequently expired. As of the date of this report, MFLP holds options to purchase 230,000 shares at \$0.30 per share.

Under the terms of the Stock Purchase Agreement, MFLP received certain rights to require us to register the Common Stock purchased and the shares of Common Stock issuable on the conversion or exercise of the Preferred Stock and Warrants for resale under the Securities Act of 1933.

MFLP is a Nevada limited partnership of which MacDougald Management, Inc. ("MMI") is sole general partner. The limited partners include James E. MacDougald, his wife Suzanne M. MacDougald, and two trusts for the benefit of the children and grandchildren of Mr. and Mrs. MacDougald. James E. MacDougald is the President of MMI. Mr. MacDougald served on the Board of Directors of the Company from February through October, 2001.

On October 12, 2001, MFLP delivered a Notice of Conversion to us pursuant to which MFLP converted 850,000 shares of Preferred Stock held by MFLP into 8,500,000 shares of Common Stock in accordance with the terms of the Stock Purchase Agreement and the Certificate of Designation. No additional funds were expended by MFLP in connection with its acquisition of the Common Stock. The consideration for the Common Stock was the Preferred Stock tendered by MFLP to us.

As a condition and an inducement to MFLP to convert the Preferred Stock, the Company and MFLP executed an Amended and Restated Registration Rights Agreement, dated October 12, 2001 ("Amended and Restated Registration Rights Agreement"), pursuant to which the Issuer granted MFLP up to five demand registration rights. Concurrently with the execution of the Amended and Restated Registration Rights Agreement, the Company and MFLP entered into the First Amendment to Series B Stock Purchase Agreement, dated October 12, 2001 ("First Amendment to Stock Purchase Agreement"), which eliminated certain of MFLP's rights under the Stock Purchase Agreement.

On May 26, 1998, we signed an agreement with a subcontractor that entitled it to receive 5% of the post finance cost proceeds from any shipwrecks in a certain search area of the Mediterranean Sea. A shipwreck we have found, which we believe to be the HMS Sussex, is located within the specified search area and we will be responsible to share future revenues, if any, from this shipwreck. On December 9, 2002, a Georgia limited liability company acquired the 5% interest in the Cambridge Project from the subcontractor through a foreclosure sale. John Morris and Greg Stemm have member interests of 32% and 28%, respectively, in the limited liability

company.

In fulfilling its oversight responsibilities, the Audit Committee reviewed with Management the audited financial statements and the footnotes thereto in the Company's Annual Report on Form 10-KSB for the fiscal year ended February 29, 2004, and discussed with management the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of the disclosures in the financial statements. In addition, the Audit Committee is responsible for the engagement of the Company's independent public accountants, and for approving all non-audit services performed by the independent public accountants. The Audit Committee held four (4) meetings in fiscal year ended February 29, 2004.

The Company's independent public accountants have expressed the opinion that the Company's audited financial statements conform, in all material respects, to accounting principles generally accepted in the United States. The independent public accountants have full and free access to the Audit Committee.

The Audit Committee Chairman discussed with the Company's independent public accountants their independence from management and the Company, and received from them the written disclosures and the letter concerning the independent accountants' independence required by the Independence Standard Board Standard No. 1.

The Audit Committee Chairman discussed with the Company's independent public accountants the overall scope and plans of the audit. The Audit Committee Chairman met with the independent public accountants to discuss the results of their audit, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-KSB for the fiscal year ended February 29, 2004, for filing with the Securities and Exchange Commission. The Audit Committee also selected Ferlita, Walsh & Gonzalez, P.A., to serve as the Company's independent public accountants for the transition period ending December 31, 2004.
