**GOL INFORMS CONCLUSION OF SHAREHOLDING RESTRUCTURING
OF ITS CONTROLLING SHAREHOLDER**

São Paulo, June 20, 2006 GOL Linhas Aéreas Inteligentes (NYSE: GOL and Bovespa: GOLL4), Brazil's low-cost, low-fare airline, informs that its controlling shareholder, Aeropar Participações S.A. (Aeropar), concluded on June 19, 2006 the transfer of 107,590,772 ordinary shares of GOL to Fundo de Investimento em Participações Asas (Fund), an investment fund beneficially owned by the ultimate controlling shareholders of GOL. The transfer did not entail any transfer of control and had no effect on the free float of the preferred shares and ADSs of GOL.

In the context of the share transfer, the ultimate controlling shareholders of GOL retained (under a reservation of usufruct) and are entitled to exercise the voting rights conferred by ordinary shares representing a majority (50.00013484212%) of the total issued ordinary shares of GOL. The share transfer does not change the ultimate beneficial ownership over the shares and has no effect on the management of GOL.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
