With the expiration of the 3rd Share Buyback Program, the Company, on the date hereof, has (i) 798,380,490 shares outstanding, of which 451,668,652 are common shares, 346,118,020 are class "A" preferred shares and 593,818 are class "B" preferred shares; and (ii) 411 common shares and 5,292,316 class "A" preferred shares held in treasury, which include 2,595,300 preferred shares acquired by Braskem directly and under the Swap transaction announced in the Material Fact dated August 26, 2011.

The 4th Share Buyback Program of the Company ("4th Share Buyback Program") will commence on August 29, 2012, in accordance with the terms and conditions stated in the Material Fact. - Braskem will instruct the Financial Institution to place an order to purchase the shares in an amount and value that do not exceed the number of shares established in the 4th Share Buyback Program and its balance of profits and reserves;

- the Financial Institution will be entitled to remuneration, at market conditions, for the duration of the Swap transaction;
- the Financial Institution will not acquire any shares not fully paid up, that are held by the controlling shareholder or that are part of a Stock Tender Offer being carried out by Braskem; and
- the Financial Institution will not exercise the voting rights associated with the shares acquired under the Swap transaction and will waive (i) the right to receive any dividends distributed during the period, and (ii) the proceeds from any capital reduction, in the event that Braskem resolves to reimburse capital to its shareholders during said period.
