**NOTICE ON RELATED PARTY TRANSACTIONS**

Parties	Braskem S.A. (“Braskem”) and Petróleo Brasileiro S.A. – Petrobras (“Petrobras”).
Relationship with the issuer Object	Petrobras retains 47.03% of Braskem’s voting capital and 36.10% of its total capital. The purchase and sale of petrochemical naphtha, supplied by Petrobras to Braskem.
Main terms and conditions	Contract to acquire 7 million tons of petrochemical naphtha per year to supply Braskem’s units in São Paulo, Bahia and Rio Grande do Sul.  <u>Validity Term:</u> The agreement will be valid for five years and establishes that both parties will have commercial renegotiation rights as of the third year should certain market conditions change.  <u>Price:</u> 102.1% of the ARA reference price.
Contract signature date	23.12.2015
Eventual participation of the counterparty, its partners or administrators in the issuer’s decision making process or the transaction negotiations as representatives of the issuer.	Petrobras, its partners or administrators did not take part in the issuer’s decision making process in regard to the transaction, nor did they participate in the transaction negotiations as representatives of the issuer.
Detailed justification of the reasons why the issuer’s management believes the transaction to be on an arm’s length basis or envisages the payment of adequate compensation	Petrobras is the sole national supplier of petrochemical naphtha, so it has no competitors in the domestic market.  Given that the price utilized by Petrobras is tied to the international ARA (Amsterdam, Rotterdam and Antwerp) naphtha price, the transaction is on an arm’s length basis in relation to both parties.

## SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

### FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
