**Summary from the Report of the Audit Committee of
Companhia Siderúrgica Nacional - CSN**

Data: February 20th, 2019

Rel. n.º: 168

The Audit Committee met to review the Company's Financial Statements for the year ended December 31, 2018.

The Audit Committee received representatives from Grant Thornton Independent Auditors, who reported on the process of finalizing the audit of the Company's Financial Statements for the year ended December 31, 2018.

After reviewing and discussing the audited financial statements and the Management's Annual Report for the year ended December 31, 2018, the Audit Committee concluded that the above documents, in all material respects, are properly presented and may be forwarded to the Board of Directors, for subsequent submission to the resolution of the Company's Annual Shareholders' Meeting.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
