Item 2.02. Results of Operations and Financial Condition.

On April 28, 2005, the registrant announced its earnings results for the quarter ended March 31, 2005. A copy of the press release issued by the registrant regarding the foregoing is filed herewith as Exhibit 99.1 and is incorporated herein by reference.

In addition, on April 28, 2005, the registrant conducted its earnings conference call for the quarter ended March 31, 2005. A transcript of the call is filed herewith as Exhibit 99.2 and is incorporated herein by reference.

Item 2.05. Costs Associated with Exit or Disposal Activities.

On Monday, April 25, 2005, the registrant's Board of Directors voted unanimously to discontinue the operations of up to 19 of the registrant's stores. The decision to discontinue operations was primarily based upon the increasing negative contribution provided by these operations. The registrant expects to begin discontinuance of operations on April 29, 2005, and expects to complete the closings within eight weeks after that date.

The registrant estimates that the major exit costs and impairment charges related to the discontinued operations will be limited to (i) the write off of the remaining net book value of tangible assets, (ii) lease termination fees and (iii) other fees, expenses and severance payments. The estimated charge for the remaining net book value of the leasehold improvements and fixed assets is expected to be approximately \$9.7 million. The lease termination fees are expected to be approximately \$15 million. The other fees, expenses and severance payments are expected to be approximately \$4 million.

The registrant anticipates the total exit costs and impairment charges related to the discontinued operations to be between \$25 and \$30 million.

The registrant estimates that the range of future cash expenditures relating to these exit costs will be between \$15 to \$20 million.

Item 9.01. Financial Statements and Exhibits.
