**Item 1.01 Entry into a Material Definitive Agreement.**

On September 20, 2005, the Toro Board of Directors approved amendments to The Toro Company 2000 Directors Stock Plan (1) to increase the value of the annual award of Toro Common Stock ("Directors Shares") to each non-employee director from \$10,000 to \$20,000; and (2) to revise the method for calculating the number of shares of Toro Common Stock covered by each annual stock option grant to a non-employee director (a "Directors Option"). Prior to the amendment, each Directors Option covered 2,000 shares of Common Stock. Following the amendment, the number of shares covered by a Directors Option will be determined by establishing a grant date fair value for the option of \$40,000. That value will be determined using a standard Black-Scholes, binomial or monte carlo valuation formula, based on assumptions consistent with those used to value option grants disclosed under Schedule 14A under the Securities Exchange Act of 1934, or successor requirements, for the business day prior to the date of grant.

A copy of the form of stock option agreement and the amended plan are exhibits to this Current Report on Form 8-K.
