**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On July 27, 2011, the Board of Directors of the Company elected William C. ("Bill") Jackson an executive vice president. Mr. Jackson is 51 years old.

Prior to joining Johnson Controls, Mr. Jackson worked for 20 years as a consultant. He served as senior vice president and board member of Booz, Allen & Hamilton and Booz & Company, where he led the firm's Global Automotive, Transportation and Industrials Practice. He recently was vice president and president of automotive at Sears Holdings Corporation. Early in his career, Mr. Jackson worked as an engineer and program manager for Lockheed (formerly General Dynamics) researching composite materials for fighter aircraft applications.

Mr. Jackson holds bachelor's and master's degrees in mechanical engineering from the University of Illinois at Urbana-Champaign, and a Master of Business Administration degree from the University of Chicago.

There is no arrangement or understanding between Mr. Jackson and any other person pursuant to which Mr. Jackson was elected as an officer of the Company. There are no transactions in which Mr. Jackson has an interest requiring disclosure under Item 404(a) of Regulation S-K. He received no grants or awards as part of his election. Mr. Jackson will participate in the usual compensation and benefit programs available to an executive officer of the Company and has executed the Company's current form of employment and indemnity agreements.
