Item 8.01. Other Events.

On December 1, 2014, Ashland Inc. (the “Company”) completed the previously announced sale of its elastomers business, based in Port Neches, Texas, to Lion Copolymer Holdings, LLC. As a result of the sale, the Company expects to record a material charge reflecting a book loss on the sale of the business in the first quarter of fiscal 2015. The charge, which is due to changes which impacted the business during the first quarter of fiscal 2015, resulted in a reduction in the book value of the elastomers business. A good faith estimate of the amount, or range of amounts, of the charge cannot be determined at this time due to the potential effects that taxes and customary working capital and other post-closing adjustments may have on the amount or range of amounts. The Company expects that the proceeds from the sale will be used for general corporate purposes. The closing is discussed further in the press release attached hereto as Exhibit 99.1 and incorporated herein by reference.
