On July 21, 2016, Yulia Lebedina resigned from the board of directors (the “Board”) of Cleveland BioLabs, Inc. (the “Company”). Ms. Lebedina did not resign because of a disagreement with the Company or the other members of the Board on any matter relating to the Company’s operations, policies or practices. Ms. Lebedina was most recently elected director by the Company’s stockholders after being nominated by the Board as a designee of David Davidovich, the Company’s majority stockholder, under the terms of the previously disclosed securities purchase agreement between Mr. Davidovich and the Company, dated as of June 24, 2015 (the “SPA”).
