Item 1.01 Entry into a Material Definitive Agreement.

Common Units Underwriting Agreement

On January 8, 2013, Calumet Specialty Products Partners, L.P. (the “Partnership”) and Calumet GP, LLC (the “General Partner”) entered into an Underwriting Agreement (the “Underwriting Agreement”) with Barclays Capital Inc., Goldman, Sachs & Co., Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC, Credit Suisse Securities (USA) LLC and RBC Capital Markets, LLC as joint book-running managers (collectively, the “Underwriters”), which provides for the issuance and sale by the Partnership, and purchase by the Underwriters, of 5,000,000 common units representing limited partner interests in the Partnership (the “Common Units”) relating to a public offering of such Common Units at \$31.81 per Common Unit. The Underwriters were also granted a 30-day option to purchase up to 750,000 additional Common Units. The material terms of the offering of the Common Units are described in the prospectus supplement, dated January 8, 2013 (the “Prospectus Supplement”), as filed by the Partnership with the Securities and Exchange Commission (the “Commission”). The offer and sale of the Common Units are registered with the Commission pursuant to a Registration Statement on Form S-3 (File No. 333-170390), and the closing with respect to the public offering of such Common Units is expected to occur on January 11, 2013, subject to customary closing conditions.

The Partnership intends to use the net proceeds from the Common Units offering, including a proportionate capital contribution from the General Partner, to repay borrowings outstanding under its revolving credit facility and for general partnership purposes, including working capital, capital expenditures and acquisitions.

Certain of the Underwriters and their respective affiliates have provided, and may in the future provide, various financial advisory, sales and trading, commercial and investment banking and other financial and non-financial activities and services to the Partnership and its affiliates, for which they received or will receive customary fees and expenses. Affiliates of certain of the Underwriters are lenders under the Partnership’s revolving credit facility and, in such capacity, will receive a portion of the net proceeds from the Common Units offering resulting from the repayment of borrowings outstanding under the Partnership’s revolving credit facility. The Partnership has also entered into, in the ordinary course of business, various derivative financial instrument transactions related to its crude oil and natural gas purchases and sales of finished fuel products with affiliates of certain of the underwriters.

The Underwriting Agreement contains customary representations, warranties and agreements of the Partnership and certain affiliates, and customary conditions to closing, indemnification rights, obligations of the parties and termination provisions.

The foregoing description of the Underwriting Agreement is qualified in its entirety by reference to the full text of the Underwriting Agreement, a copy of which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.
