As of 4:00 p.m., New York City time, on August 13, 2015, the aggregate purchase price of the 22,803,484 Shares (not including those Shares underlying any Options (as defined below)) purchased by Trian Onshore, Trian Offshore, Parallel Fund I, Trian ERISA, TPSIF II, Strategic Fund-A, Coinvest Fund-A, Strategic Fund-N, Strategic Fund-D, Fund G, Strategic Fund-G II, Strategic Fund-G III, Co-Investment Fund and SPV XI collectively was \$841,989,029 (including commissions). As of August 13, 2015, these Options have an aggregate strike price of \$712,719,181 (See Schedule A hereto for additional detail on the Options). As set forth in Item 5, none of the other Reporting Persons directly own any Shares or Options. The source of funding for the purchase of the Shares was, and the source of funding for the purchase of any additional Shares and Options, the exercise of the Options or the purchase and/or exercise of any additional Options or other derivative securities related to the market price of the Shares acquired in the future is currently expected to be, the respective general working capital of the purchasers.

Item 4. Purpose of Transaction

The Trian Group acquired the Shares because it believed that the Shares, when purchased, were undervalued in the marketplace and represented an attractive investment opportunity. The Trian Group has met and engaged in discussions with William J. Delaney, President and Chief Executive Officer of the Issuer, and Jackie M. Ward, Non-Executive Chairman of the Issuer's Board of Directors, regarding matters relating to the Issuer and strategies that the Trian Group believes, if implemented, would enhance value for the Issuer's shareholders, including recommendations relating to the Issuer's operations, capital structure, capital allocation, corporate governance and Board structure and composition (including Board representation for the Reporting Persons). The Trian Group communicated its view that despite having a number of competitive advantages, the Issuer's operating and financial performance has underperformed relative to its potential, and that it should adopt strategic and operating initiatives to improve operating margins, enhance working capital efficiency, consider the use of prudent amounts of incremental leverage to increase the amount of capital returned to shareholders, and take steps to better align management compensation with corporate performance. The Trian Group intends to have further discussions with members of the

Board of Directors and senior management of the Issuer regarding matters relating to the Issuer, including the matters and recommendations described above and/or other matters, recommendations and suggestions that relate to the Issuer's businesses, management, operations (including cost structure and opportunities to drive growth), assets, capital structure, capital allocation, strategic plans, corporate governance and/or Board structure and composition (including Board representation), or other matters. In addition, the Reporting Persons may communicate with current or prospective shareholders, industry participants and other interested or relevant parties about the Issuer and some or all of the matters referred to in this Item 4.

The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer's financial position, results and strategic direction, price levels of the Shares, the Issuer's response to matters discussed with the Reporting Persons, actions taken by management and the Board of Directors of the Issuer, the Reporting Persons' overall investment strategies, liquidity requirements and other portfolio management considerations, other investment opportunities available to the Reporting Persons, conditions in the securities and capital markets, and general economic and industry conditions, the Reporting Persons may, from time to time and at any time, in the future purchase additional securities of the Issuer or dispose of some or all of their securities of the Issuer, in the open market or otherwise, enter into financial instruments or other agreements that increase or decrease the Reporting Persons' economic exposure with respect to their investment in the Issuer, and/or engage in a hedging or similar transactions with respect to such holdings. The Reporting Persons may take other steps or make other recommendations intended to enhance shareholder value and/or change their intentions with respect to any of the matters referred to herein or in subsections (a)-(j) of Item 4 of Schedule 13D and may discuss such actions with the Issuer and the Issuer's management and the Board, other shareholders of the Issuer and other interested or relevant parties.

*On the various dates set forth above, and as more fully described below, the named persons entered into a series of privately negotiated back-to-back call and put transactions (the “Options”) with Morgan Stanley & Co. International plc as agent (the “Counterparty”) through which they acquired beneficial ownership of an aggregate of 19,257,954 Shares and as a result of which such named persons are subject to the same economic gain or loss as if they had purchased the underlying Shares. More specifically, these transactions represent call options pursuant to which, on or prior June 8, 2018 (the “Exercise Date”), the named person may acquire the number of Shares set forth above at the Price Per Share set forth above (the “Exercise Price”). These call options may be exercised at any time, in whole or in part, on or prior to the Exercise Date. Simultaneously with the purchase of each call option, the named person also sold a put option to the Counterparty for the same number of Shares pursuant to which, if on the Exercise Date the call options have not been exercised by the named person and the Exercise Price is greater than the closing price of the Shares on the Exercise Date (the “Closing Price”), the Counterparty may require the named person to, at such person’s election, either (i) pay the Counterparty an amount in cash equal to the product of (a) the excess of the Exercise Price over the Closing Price and (b) the number of Shares set forth above or (ii) acquire from the Counterparty the number of Shares set forth above at the Exercise Price. As part of these transactions, each of the named persons pays the Counterparty a financing fee based on the number of days that the Options that it holds are outstanding, which fee is calculated using a monthly rate equal to USD-FFR-OPEN (as displayed on Bloomberg Screen “FEDSOPEN” <INDEX> <GO> or any successor page) plus an additional amount between 0.30% and 1.10%. Until they are exercised, the Options do not give the Filing Persons direct or indirect voting, investment or dispositive control over the underlying Shares and do not require the Counterparty to acquire, hold, vote or dispose of any securities of the Issuer. Accordingly, the Reporting Persons disclaim beneficial ownership of any Shares or any other securities of the Issuer that may be, from time to time, held by the Counterparty.
