**ABOUT THIS PROSPECTUS**

Unless otherwise stated or the context otherwise requires, the terms "HealthSouth," "we," "us," "our," and the "Company" refer to HealthSouth Corporation and its subsidiaries.

This prospectus is part of a registration statement that we filed with the Securities and Exchange Commission (the "SEC") using a "shelf" registration process. Under this shelf registration process, we may, from time to time, sell the securities described in this prospectus in one or more transactions. This prospectus provides a general description of the securities that may be sold by us. Each time we sell securities described in this prospectus, we are required to provide you with this prospectus and a prospectus supplement containing specific information about us and the terms of the securities being sold. Any prospectus supplement may also add, update or change information contained in this prospectus. You should read both this prospectus and any prospectus supplement together with additional information described under the heading "Where You Can Find More Information."

You should rely only on the information contained or incorporated by reference in this prospectus and any accompanying prospectus supplement. We have not authorized anyone to provide you with different information. If anyone provides you with different or inconsistent information, you should not rely on it. We are not making an offer to sell securities in any jurisdiction where the offer or sale is not permitted. You should assume that the information in this prospectus and any accompanying prospectus supplement is accurate as of the date of the prospectus and any accompanying prospectus supplement. Our business, financial position, results of operations and prospects may have changed since that date.

**FORWARD-LOOKING STATEMENTS**

This prospectus contains historical information, as well as forward-looking statements that involve known and unknown risks and relate to future events, our future financial performance, or our projected business results. In some cases, you can identify forward-looking statements by terminology such as "may," "will," "should," "expects," "plans," "anticipates," "believes," "estimates," "predicts," "targets," "potential," or "continue" or the negative of these terms or other comparable terminology. Such forward-looking statements are necessarily estimates based upon current information and involve a number of risks and uncertainties. Actual events or results may differ materially from the results anticipated in these forward-looking statements as a result of a variety of factors. While it is impossible to identify all such factors, factors that could cause actual results to differ materially from those estimated by us include:

- each of the factors incorporated herein by reference and discussed under the heading "Risk Factors," starting on page 3 of this prospectus;
- changes or delays in, or suspension of, reimbursement for our services by governmental or private payors, including our ability to obtain and retain favorable arrangements with third-party payors;
- our ability to attract and retain nurses, therapists, and other health care professionals in a highly competitive environment with often severe staffing shortages;
- changes in the regulations of the health care industry at either or both of the federal and state levels;
- competitive pressures in the health care industry and our response to those pressures; and
- general conditions in the economy and capital markets.

The cautionary statements referred to in this section also should be considered in connection with any subsequent written or oral forward-looking statements that may be issued by us or persons acting on our behalf. We undertake no duty to update these forward-looking statements, even though our situation may change in the future. Furthermore, we cannot guarantee future results, events, levels of activity, performance, or achievements.

**RISK FACTORS**

Investing in our securities involves a high degree of risk. You should carefully consider the risks described in our Annual Report on Form 10-K for the fiscal year ended December 31, 2007, which are incorporated herein by reference, the risk factors described under the caption "Risk Factors" in any applicable prospectus supplement and any risk factors set forth in our other filings with the SEC, pursuant to Sections 13(a), 13(c), 14, or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), before making an investment decision. See "Where You Can Find More Information."

Shares of our common stock began trading on the New York Stock Exchange on October 26, 2006 under the ticker symbol "HLS."

You should read this prospectus and any prospectus supplement together with the additional information contained under the headings "Incorporation of Certain Information by Reference" and "Where You Can Find More Information."

HealthSouth was incorporated under the laws of the State of Delaware. Our principal executive offices are located at 3660 Grandview Parkway, Suite 200, Birmingham, Alabama 35243, and our telephone number is (205) 967-7116. Information on our website does not constitute part of this prospectus and should not be relied upon in connection with making any investment decision with respect to the offered securities.

**USE OF PROCEEDS**

Except as described in any prospectus supplement, we currently anticipate using the net proceeds from the sale of the securities offered hereby for general corporate purposes, including:

- redemption and repayment of short-term or long-term borrowings;
- acquisitions of or investments in businesses or assets;
- capital expenditures; and
- working capital.

Pending the application of the net proceeds, we may temporarily invest the net proceeds in short-term marketable securities.

**RATIO OF EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED STOCK DIVIDENDS**

The following table sets forth the consolidated ratios of earnings to combined fixed charges and preference dividends for HealthSouth Corporation and its subsidiaries for the periods indicated:

<b>Three Months Ended March 31, 2008</b>	<b>Year ended December 31, 2007</b>	<b>2006</b>	<b>2005</b>	<b>2004</b>	<b>2003</b>
1.08x	*	*	*	*	*

\* For the years ended December 31, 2007, 2006, 2005, 2004 and 2003, the Company had an earnings-to-combined fixed charges and preferred stock dividends coverage deficiency of approximately \$132.9 million, \$514.1 million, \$326.2 million, \$52.2 million, and \$187.6 million, respectively.

In computing the ratio of earnings to fixed charges: (1) earnings have been based on income from continuing operations before income taxes, fixed charges (exclusive of interest capitalized), and distributed income of equity investees and (2) fixed charges consist of interest and amortization of debt discounts and fees expense (including amounts capitalized), the estimated interest portion of rents, and dividends on our convertible perpetual preferred stock.

## DESCRIPTION OF CAPITAL STOCK

In addition to the summary of our capital stock that follows, we encourage you to review our restated certificate of incorporation and amended and restated bylaws, which we have filed with the SEC. A copy of our restated certificate of incorporation, was filed with the SEC as Exhibit 3.1 to our Annual Report on Form 10-K on June 27, 2005, and a copy of our certificate of amendment to the restated certificate of incorporation was filed with the SEC as Exhibit 3.1 to our Current Report on Form 8-K filed October 31, 2006. A copy of our amended and restated bylaws was filed with the SEC as Exhibit 3.3 to our Quarterly Report on Form 10-Q filed on November 6, 2007.

### Description of Common Stock

The common stock, par value \$.01 per share, of the Company has the following rights, preferences and privileges:

Voting rights. Each outstanding share of common stock entitles its holder to one vote on all matters submitted to a vote of the Company's stockholders, including the election of directors. The common stock generally votes together with the Company's 6.5% Series A Convertible Perpetual Preferred Stock as a single class. There are no cumulative voting rights. Generally, all matters to be voted on by stockholders must be approved by a majority of the votes entitled to be cast by all shares present or represented by proxy.

Dividends. Holders of common stock are entitled to receive dividends when, as and if declared by the Company's board of directors out of assets legally available for the payment of dividends.

Liquidation. In the event of a liquidation, dissolution or winding up of the Company's affairs, whether voluntary or involuntary, after payment of our liabilities and obligations to creditors, the Company's remaining assets will be distributed ratably among the holders of the common stock on a per share basis. If there is any preferred stock outstanding at such time, holders of the preferred stock may be entitled to distribution and/or liquidation preferences. In either case, the Company will need to pay the applicable distribution to the holders of preferred stock before distributions are paid to the holders of the common stock.

Rights and preferences. The common stock has no preemptive, redemption, conversion or subscription rights. The rights, powers, preferences and privileges of holders of the common stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of preferred stock that the Company may designate and issue in the future.

### Description of Preferred Stock

Our board of directors has the authority, without further shareholder approval, to issue shares of preferred stock from time to time in one or more series, with such voting powers or without voting powers, and with such designations, preferences and relative participating, optional or other special rights, and qualifications, limitations or restrictions thereof adopted by our board of directors, as shall be expressed in the resolutions providing therefor. A prospectus supplement relating to any series of preferred stock being offered will include specific terms relating to the offering. They will include:

the title and stated value of the preferred stock;

the price or prices at which the preferred stock may be purchased;

the number of shares of the preferred stock offered, the liquidation preference per share and the offering price of the preferred stock;

the dividend rate(s), period(s), and/or payments date(s) or method(s) of calculation thereof applicable to the preferred stock;

## Edgar Filing: HEALTHSOUTH CORP - Form S-3ASR

whether dividends shall be cumulative or non cumulative and, if cumulative, the date from which the dividends on the preferred stock shall accumulate;

the procedures for an auction and remarketing, if any, for the preferred stock;

the provisions for a sinking fund, if any, for the preferred stock;

the voting rights of the preferred stock;

the provisions for redemption, if applicable, of the preferred stock;

the terms and conditions, if applicable, upon which the preferred stock will be convertible into our common stock or exchangeable for other securities, including the conversion price, or the manner of calculating the conversion price, and conversion period or the exchange ratio, or manner of calculating the exchange ratio, and exchange period;

if appropriate, a discussion of the United States federal income tax considerations applicable to the preferred stock;

the ranking of the preferred stock relative to the common stock and any outstanding series of preferred stock; and

any other specific terms, preferences, rights, limitations or restrictions of the preferred stock.

Unless otherwise stated in a prospectus supplement relating to the series of preferred stock being offered, holders of our preferred stock will have no preemptive rights.

The issuance of preferred stock could adversely affect the voting power of holders of common stock, as well as dividend and liquidation payments on both common and preferred stock. It also could have the effect of delaying, deferring or preventing a change in control.

The terms, if any, on which the preferred stock may be convertible into common stock or exchangeable for other securities will be detailed in the prospectus supplement. The terms will include provisions as to whether conversion or exchange is mandatory, at the option of the holder, or at our option, and may include provisions pursuant to which the number of shares of common stock or other securities to be received by the holders of preferred stock would be subject to adjustment.

**DESCRIPTION OF WARRANTS**

We may issue warrants, including warrants to purchase common stock, preferred stock, or other securities of the Company, or any combinations of the foregoing. Warrants may be issued independently or together with any securities and may be attached to or separate from the securities. The warrants will be issued under warrant agreements to be entered into between us and a warrant agent as detailed in the prospectus supplement relating to warrants being offered.

The applicable prospectus supplement will describe the following terms, where applicable, of the warrants in respect of which this prospectus is being delivered:

- the title of the warrants;
- the aggregate numbers of the warrants;
- the price or prices at which the warrants will be issued;
- the currencies in which the price or prices of the warrants may be payable;
- the designation, amount and terms of the offered securities purchasable upon exercise of the warrants;
- the designations and terms of the other offered securities, if any, with which the warrants are issued and the number of the warrants issued with each security;
- if applicable, the date on and after which the warrants and the offered securities purchasable upon exercise of the warrants will be separately transferable;
- the price or prices at which and currency or currencies in which the offered securities purchasable upon exercise of the warrants may be purchased;
- the date on which the right to exercise the warrants shall commence and the date on which the right shall expire;
- the minimum or maximum amount of the warrants which may be exercised at any one time;
- information with respect to book-entry procedures, if any;
- if appropriate, a discussion of the United States federal income tax considerations applicable to the warrants; and
- any other specific terms of the warrants, including terms, procedures and limitations relating to the exchange and exercise of the warrants.

**PLAN OF DISTRIBUTION**

We may sell the securities under this prospectus from time to time. We may sell the securities in one or more of the following ways from time to time:

- to or through one or more underwriters or dealers;
- in short or long transactions;
- directly to investors;
- through agents; or
- through a combination of any of these methods of sale.

If we use underwriters or dealers in the sale, the securities will be acquired by the underwriters or dealers for their own account and may be resold from time to time in one or more transactions, including:

- in privately negotiated transactions;
- in one or more transactions at a fixed price or prices, which may be changed from time to time;
- in "at the market offerings," within the meaning of Rule 415(a)(4) of the Securities Act, to or through a market maker or into an existing trading market, on an exchange or otherwise;
- at prices related to those prevailing market prices; or
- at negotiated prices.

We, and our underwriters, dealers or agents, reserve the right to accept or reject all or part of any proposed purchase of the securities. We will set forth in a prospectus supplement the terms and offering of securities, including:

- the names of any underwriters, dealers or agents;
- any agency fees or underwriting discounts or commissions and other items constituting agents' or underwriters' compensation;
- any discounts or concessions allowed or reallocated or paid to dealers;
- details regarding over-allotment options under which underwriters may purchase additional securities from us, if any;
- the purchase price of the securities being offered and the proceeds we will receive from the sale;
- the public offering price; and
- the securities exchanges on which such securities may be listed, if any.

We may enter into derivative transactions with third parties or sell securities not covered by this prospectus to third parties in privately negotiated transactions from time to time. If the applicable prospectus supplement indicates, in connection with those derivative transactions, such third parties (or affiliates of such third parties) may sell securities covered by this prospectus and the applicable prospectus supplement, including in short sale transactions. If so, such third parties (or affiliates of such third parties) may use securities pledged by us or borrowed from us or others to settle those sales or to close out any related open borrowings of securities, and may use securities received from us in settlement of those derivative transactions to close out any related open borrowings of securities. The third parties (or affiliates of such third parties) in such sale transactions will be underwriters and will be identified in an applicable prospectus supplement (or a post-effective amendment).

We may loan or pledge securities to a financial institution or other third party that in turn may sell the securities using this prospectus and an applicable prospectus supplement. Such financial institution or third party may transfer its economic short position to investors in our securities or in connection with a simultaneous offering of other securities offered by this prospectus.

Underwriters, Agents and Dealers. If underwriters are used in the sale of our securities, the securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions described

## Edgar Filing: HEALTHSOUTH CORP - Form S-3ASR

above. The securities may be offered to the public either through underwriting syndicates represented by managing underwriters or directly by underwriters. Generally, the underwriters' obligations to purchase the securities will be subject to conditions precedent and the underwriters will be obligated to purchase all of the securities if they purchase any of the securities. We may use underwriters with which we have a material relationship. We will describe in the prospectus supplement, naming the underwriter, the nature of any such relationship.

We may authorize underwriters, dealers or agents to solicit offers by certain purchasers to purchase our securities from us at the public offering price set forth in the prospectus supplement pursuant to delayed delivery contracts providing for payment and delivery on a specified date in the future. The contracts will be subject only to those conditions set forth in the prospectus supplement, and the prospectus supplement will set forth any commissions we pay for solicitation of these contracts.

Underwriters, dealers and agents may contract for or otherwise be entitled to indemnification by us against certain civil liabilities, including liabilities under the Securities Act, or to contribution with respect to payments made by the underwriters, dealers or agents, under agreements between us and the underwriters, dealers and agents.

We may grant underwriters who participate in the distribution of our securities an option to purchase additional securities to cover over-allotments, if any, in connection with the distribution.

Underwriters, dealers or agents may receive compensation in the form of discounts, concessions or commissions from us or our purchasers, as their agents in connection with the sale of our securities. These underwriters, dealers or agents may be considered to be underwriters under the Securities Act. As a result, discounts, commissions or profits on resale received by the underwriters, dealers or agents may be treated as underwriting discounts and commissions. The prospectus supplement will identify any such underwriter, dealer or agent and describe any compensation received by them from us. Any public offering price and any discounts or concessions allowed or re-allowed or paid to dealers may be changed from time to time.

Any underwriter may engage in over-allotment transactions, stabilizing transactions, short-covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. Over-allotment involves sales in excess of the offering size, which create a short position. Stabilizing transactions permit bids to purchase the underlying security so long as the stabilizing bids do not exceed a specified maximum. Short-covering transactions involve purchases of our securities in the open market after the distribution is completed to cover short positions. Penalty bids permit the underwriters to reclaim a selling concession from a dealer when the securities originally sold by the dealer are purchased in a transaction to cover short positions. Those activities may cause the price of the securities to be higher than it would otherwise be. If commenced, the underwriters may discontinue any of the activities at any time. We make no representation or prediction as to the direction or magnitude of any effect these transactions may have on the price of our securities. For a description of these activities, see the information under the heading "Underwriting" in the applicable prospectus supplement.

Underwriters, broker-dealers or agents who may become involved in the sale of our securities may engage in transactions with and perform other services for us for which they receive compensation.

**Stabilization Activities.** In connection with an offering through underwriters, an underwriter may purchase and sell securities in the open market. These transactions may include short sales, stabilizing transactions and purchases to cover positions created by short sales. Short sales involve the sale by the underwriters of a greater number of securities than they are required to purchase in the offering. "Covered" short sales are sales made in an amount not greater than the underwriters' option to purchase additional securities from us in the offering, if any. If the underwriters have an over-allotment option to purchase additional securities from us, the underwriters may consider, among other things, the price of securities available for purchase in the open market as compared to the price at which they may purchase securities through the over-allotment option. "Naked" short sales are any sales in excess of such option or where the underwriters do not have an over-allotment option. The underwriters must close out any naked short position by purchasing securities in the open market. A naked short position is more likely to be created if the underwriters are concerned that there may be downward pressure on the price of the securities in the open market after pricing that could adversely affect investors who purchase in the offering.

## Edgar Filing: HEALTHSOUTH CORP - Form S-3ASR

Accordingly, to cover these short sales positions or to otherwise stabilize or maintain the price of the securities, the underwriters may bid for or purchase securities in the open market and may impose penalty bids. If penalty bids are imposed, selling concessions allowed to syndicate members or other broker-dealers participating in the offering are reclaimed if securities previously distributed in the offering are repurchased, whether in connection with stabilization transactions or otherwise. The effect of these transactions may be to stabilize or maintain the market price of the securities at a level above that which might otherwise prevail in the open market. The imposition of a penalty bid may also affect the price of the securities to the extent that it discourages resale of the securities. The magnitude or effect of any stabilization or other transactions is uncertain.

Direct Sales. We may also sell securities directly to one or more purchasers without using underwriters or agents. In this case, no agents, underwriters or dealers would be involved. We may sell securities upon the exercise of rights that we may issue to our securityholders. We may also sell the securities directly to institutional investors or others who may be deemed to be underwriters within the meaning of the Securities Act with respect to any sale of those securities.

Trading Market and Listing of Securities. Any common stock sold pursuant to a prospectus supplement will be listed on the New York Stock Exchange. The securities other than common stock may or may not be listed on a national securities exchange. It is possible that one or more underwriters may make a market in a class or series of securities, but the underwriters will not be obligated to do so and may discontinue any market making at any time without notice. We cannot give any assurance as to the liquidity of the trading market for any of the securities.

**Item 15. Indemnification of Directors and Officers.**

The following summary is qualified in its entirety by reference to the complete text of any statutes referred to below and the restated certificate of incorporation, as amended and the amended and restated bylaws of HealthSouth Corporation, a Delaware corporation (the "Company"). Article VI of the Company's amended and restated bylaws provides that, to the fullest extent permitted by applicable law, the Company will indemnify any person (and the heirs, executors and administrators of such person) who, by reason of the fact that he is or was a director, officer, employee or agent of the Company was or is a party or is threatened to be a party to (a) any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Company), against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any such action, suit or proceeding, or, (b) any threatened, pending or completed action or suit by or in the right of the Company to procure a judgment in its favor, against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit. Moreover, any indemnification by the Company pursuant thereto will not be deemed exclusive of any other rights to which those seeking indemnification may otherwise be entitled.

Section 145 of the Delaware General Corporation Law (the "DGCL") provides that a corporation may indemnify any persons, including officers and directors, who are, or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was a director, officer, employee or agent of such corporation or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such director, officer, employee or agent acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe that the person's conduct was unlawful. A Delaware corporation may indemnify officers and directors in an action by or in the right of the corporation under the same conditions, except that no indemnification is permitted without judicial approval if the officer or director is adjudged to be liable to the corporation. Where an officer or director is successful on the merits

or otherwise in the defense of any action referred to above, the corporation must indemnify him against the expenses that such officer or director actually and reasonably incurred.

The indemnification permitted under the DGCL is not exclusive, and pursuant to Section 145 of the DGCL, a corporation is empowered to purchase and maintain insurance against liabilities whether or not indemnification would be permitted by statute. Article VI of the Company's amended and restated bylaws provides that its has the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Company would have the power to indemnify him against such liability under applicable law. The Company presently has in place policies insuring its directors and officers under certain circumstances which may include liability or related losses under applicable law.

Section 102(b)(7) of the DGCL allows a Delaware corporation to eliminate or limit the personal liability of directors to a corporation or its stockholders for monetary damages for a breach of fiduciary duty as a director, except where the director breached his duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase or redemption in violation of Delaware corporate law or obtained an improper personal benefit.

Pursuant to Section 102(b)(7) of the DGCL, Article NINTH of the Company's restated certificate of incorporation provides that no director shall be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director except (a) for any breach of the director's duty of loyalty to the Company or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) under Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions), or (d) for any transaction from which the director derived an improper personal benefit.

Under separate indemnification agreements with the Company, each director and certain officers of the Company are indemnified against all liabilities relating to his or her position as a director or officer of the Company, to the fullest extent permitted under applicable laws.

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*Provided, however,* that Paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining any liability under the Securities Act to any purchaser:

Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date;

- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
