PART I. FINANCIAL INFORMATION

ITEM 1. FINANCIAL STATEMENTS

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING  
FIRM

The Board of Directors and Stockholders  
Siberian Energy Group Inc.

We have reviewed the condensed consolidated balance sheet of Siberian Energy Group Inc. (a development stage company) as of June 30, 2011, and the related condensed consolidated statements of operations for the three and six months ended June 30, 2011 and 2010, and the cumulative period of development stage activity (January 1, 2003 through June 30, 2011), and the condensed consolidated statements of stockholders' equity and cash flows for the six months ended June 30, 2011 and 2010, and the cumulative period of development stage activity (January 1, 2003 through June 30, 2011). These financial statements are the responsibility of the Company's management.

We conducted our review in accordance with the standards of the Public Company Accounting Oversight Board (United States). A review of interim financial information consists principally of applying analytical procedures and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with standards of the Public Company Accounting Oversight Board (United States), the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying interim financial statements referred to above for them to be in conformity with accounting principles generally accepted in the United States of America.

We have previously audited, in accordance with auditing standards of the Public Company Accounting Oversight Board (United States), the consolidated balance sheet of Siberian Energy Group Inc. as of December 31, 2010, and the related consolidated statements of operations, stockholders' equity, and cash flows for the year then ended (not presented herein); and in our report dated April 15, 2011, we expressed an unqualified opinion on those financial statements with an explanatory paragraph describing conditions that raised substantial doubt about the Company's ability to continue as a going concern. In our opinion, the information set forth in the accompanying condensed consolidated balance sheet as of December 31, 2010 is fairly stated, in all material respects, in relation to the balance sheet from which it has been derived.
