Item 5.02(e). Compensatory Arrangements of Certain Officers.

Executive Officer Performance Incentive Plan

On February 28, 2012, Marten Transport, Ltd.'s Compensation Committee of the Board of Directors approved and adopted the Executive Officer Performance Incentive Plan. The plan provides for the establishment of a bonus pool for executive officers if the diluted net income per share in the award year is 110% or more of the diluted net income per share in the prior year. The award year's diluted net income per share is the company's diluted net income per share, determined in accordance with generally accepted accounting principles, prior to accounting for the aggregate value of vesting performance unit awards, the aggregate value of the cash bonus awards under the plan and the related tax effects for the award year. The prior year's diluted net income per share is the company's diluted net income per share, as reported in its audited financial statements, for the prior year. The company's Compensation Committee also has the discretion to adjust the diluted net income per share for the award year and the prior year to account for extraordinary items affecting the diluted net income per share. The bonus pool will be an amount equal to the percentage increase in the award year's diluted net income per share over the prior year's diluted net income per share multiplied by the aggregate base salary for all executive officers. The company's Compensation Committee will make an annual determination of the executive officer participants in the plan and, at the end of each year, the allocation of the bonus pool among the participants.

The foregoing description of the Executive Officer Performance Incentive Plan is qualified in its entirety by reference to the Executive Officer Performance Incentive Plan, a copy of which is attached to this report as Exhibit 10.1.
