PROXY STATEMENT
For The
ANNUAL MEETING OF STOCKHOLDERS
To Be Held June 10, 2013

ABOUT THIS PROXY STATEMENT

This Proxy Statement is furnished by GeoVax Labs, Inc., a Delaware corporation, in connection with the solicitation of your proxy by the Company's Board of Directors for use at our Annual Meeting of Stockholders to be held at the offices of Womble Carlyle Sandridge & Rice, LLP 271 17th Street, NW, Suite 2400, Atlanta, Georgia 30363, on Monday, June 10, 2013, at 1:00 p.m. local time and at any continuation or adjournment thereof.

Important Notice Regarding the Availability of Proxy Materials for the Stockholders Meeting to be held on June 10, 2013.

The Notice of Annual Meeting of Stockholders, Proxy Statement, Form of Proxy and 2012 Annual Report are available at www.proxyvote.com.

This year, the Company is again using the U.S. Securities and Exchange Commission ("SEC") rule that allows us to furnish our proxy materials over the Internet. On or about May 1, 2013, the Company started mailing to its stockholders a Notice of Internet Availability of Proxy Materials (a "Notice"). The Notice contains instructions on how to access this Proxy Statement and our Annual Report on Form 10-K ("Annual Report") and vote online or by telephone. The Notice also contains instructions on how stockholders can receive a paper copy of the Company's proxy materials, including this Proxy Statement, the Company's Annual Report on Form 10-K and a form of proxy card or voting instruction card. Stockholders who receive a paper copy of the Company's proxy materials, including a Proxy Statement, the Company's Annual Report and a form of proxy card or instruction card may vote online, by telephone or by mail. By furnishing proxy materials over the Internet, the Company is lowering the costs and reducing the environmental impact of the Annual Meeting.

The Proposals

At the Annual Meeting, the stockholders will be asked to consider and vote upon the following proposals, which we refer to as the "Proposals":

1. To elect five directors to serve until the 2014 Annual Meeting of Stockholders;
2. To approve an amendment to our Certificate of Incorporation to increase our authorized shares of common stock, \$0.001 par value, from 40,000,000 to 75,000,000;
3. To ratify the appointment of Porter Keadle Moore LLC as the independent registered public accounting firm of GeoVax Labs, Inc. for the fiscal year ending December 31, 2013;
4. To hold an advisory vote on the compensation of our Named Executive Officers;

5. To hold an advisory vote on the frequency of future advisory votes on the compensation of our Named Executive Officers; and
6. To transact such other business as properly may come before the Annual Meeting or any adjournments thereof. The Board of Directors is not aware of any other business to be presented to a vote of the stockholders at the Annual Meeting.

Voting

Stockholders of record may vote:

- By Internet – Over the Internet, by going to www.proxyvote.com. Have your proxy card in hand when you access the website and follow the instructions to obtain your records and create an electronic voting instruction form.
- By Telephone – Over the telephone, by dialing 1-800-690-6903 from any touch-tone telephone. Have your proxy card in hand when you call and follow the instructions.
- By Mail – By mail using the enclosed proxy card. Please complete, sign and date your proxy card and return it promptly in the envelope provided or mail it to Vote Processing, c/o Broadridge, 91 Mercedes Way, Edgewood, New York 11717. When the proxy card is properly executed, dated, and timely returned, the shares it represents will be voted in accordance with its instructions.
- By Attending the Meeting in Person – By attending the meeting in person and voting.

Internet and telephone voting facilities will close at 11:59 p.m., Eastern Daylight Time, on June 9, 2013.

A large number of banks, brokerage firms and other nominees participate in online programs which provide eligible beneficial owners who hold their shares in “street name” rather than as a stockholder of record, with the opportunity to vote over the Internet or by telephone. “Street name” stockholders who elected to access the proxy materials electronically over the Internet through an arrangement with their brokerage firm, bank or other nominee should receive instructions from their brokerage firm, bank or other nominee on how to access the stockholder information and voting instructions. If you hold your shares in “street name” and the voting instruction form that you receive from your brokerage firm, bank or other nominee does not reference Internet or telephone information, or if you prefer to vote by mail, please complete and return the paper voting instruction form. In order to vote shares held in “street name” in person at the Annual Meeting, a proxy issued in the owner’s name must be obtained from the record holder (typically your brokerage firm, bank or other nominee) and presented at the Annual Meeting.

Stockholders of record and “street name” stockholders who vote over the Internet or by telephone need not return a proxy card or voting instruction form by mail, but may incur costs, such as usage charges, from telephone companies or Internet service providers, for which the stockholder is responsible.

“Broker non-votes” are proxies received from banks, brokerage firms or other nominees holding shares on behalf of their “street name” clients who have not been given specific voting instructions from such clients with respect to matters such as the Proposals. The banks, brokerage firms or other nominees do not have the authority to vote your shares in their discretion on the election of directors or the amendment to the Certificate of Incorporation, and may not vote them on those Proposals unless given specific voting instructions from you. If you hold your shares in street name and do not provide voting instructions to your brokerage firm, bank or other nominee with respect to the election of directors and the amendment to the Certificate of Incorporation, your shares will not be voted on those Proposals.

Revocability of Proxy

If you give us a proxy you will have the power to revoke it at any time before it is exercised. The proxy may be revoked before it is exercised by sending a written revocation or a duly executed proxy bearing a later date to us at our principal executive offices located at 1900 Lake Park Drive, Suite 380, Smyrna, Georgia 30080; Attention: Corporate Secretary. The proxy may also be revoked by attending the meeting and voting in person.

When the proxy is properly executed, dated and returned, the shares it represents will be voted in accordance with any directions noted on it. If no instructions are indicated, the proxy will be voted FOR the approval of the Proposals. We currently know of no other matters to be considered at the Annual Meeting of Stockholders. If, however, any other matters come before the Annual Meeting of Stockholders, or any adjournment or adjournments thereof, the persons named in the proxy will vote the proxy in accordance with their best judgment on any such matter.

Record Date, Voting Rights and Outstanding Shares

The Board of Directors fixed April 11, 2013 as the record date (the "Record Date") for determining holders of our common stock, \$0.001 par value per share, who are entitled to vote at the meeting. As of the Record Date, we had 20,499,944 shares of common stock outstanding and entitled to vote. Each share of common stock entitles the record holder to one vote on each matter to be voted upon at the meeting. A majority of the shares of common stock issued and outstanding and entitled to vote at the meeting will constitute a quorum at the meeting. If a quorum is not present or represented at the Annual Meeting, the Chairman of the meeting or the stockholders holding a majority of the shares of Common Stock entitled to vote, present in person or represented by proxy, have the power to adjourn the meeting from time to time without notice, other than an announcement at the meeting, until a quorum is present or represented. Directors, officers and employees of the Company may solicit proxies for the reconvened meeting in person or by mail, telephone or telegram. At any such reconvened meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the meeting as originally scheduled. Cumulative voting is not permitted.

Unless otherwise indicated on the proxy, your shares will be voted "FOR" the election of the director-nominees named on the proxy, "FOR" the approval of the compensation of our Named Executive Officers, "FOR" approval of "1 year" on the frequency of future advisory votes on such compensation, "FOR" the amendment to the Certificate of Incorporation, and "FOR" the proposal to ratify the selection of our independent registered accountants. Proxies cannot be voted for a greater number of persons than the number of director-nominees named.

Solicitation

The cost of preparing, assembling and mailing this Proxy Statement and the form of proxy will be borne by the Company. Directors, officers and employees of the Company may also solicit proxies personally or by mail, telephone, email, or facsimile. No compensation will be paid for such solicitations. In addition, the Company will bear the reasonable expenses of brokerage houses and other custodians, nominees and fiduciaries who, at the request of the Company, may send proxies and proxy solicitation material to their clients and principals. The Company has engaged AST Phoenix Advisors to solicit proxies from brokerage firms, banks and institutional holders of shares. AST Phoenix Advisors will be paid a fee of \$7,000 plus reimbursement of expenses for its services. The Company will bear the cost of such solicitation.

Quorum and Approval of Proposals

For there to be a quorum at the meeting, a majority of the shares of common stock entitled to vote at the meeting must be present in person or represented by proxy. Each share of common stock is entitled to one vote. Shares held of record by stockholders or their nominees who do not vote by proxy or attend the Annual Meeting in person will not be considered present or represented at the Annual Meeting and will not be counted in determining the presence of a quorum. Properly completed and executed proxies that reflect abstentions or "broker non-votes" will be counted for purposes of determining whether a quorum is present. We encourage you to provide voting instructions to your bank, broker or other nominee to ensure that your shares will be voted at the meeting in the manner that you desire.

The election of directors will be determined by a plurality of the votes cast at the Annual Meeting if a quorum is present. Stockholders do not have cumulative voting rights in connection with the election of directors. This means that the five nominees receiving the highest number of "FOR" votes will be elected as directors. Withheld votes and broker non-votes, if any, are not treated as votes cast, and therefore will have no effect on the proposal to elect directors.

The compensation of our Named Executive Officers will be approved, on an advisory basis, if the votes cast in favor of the proposal exceed the votes cast against the proposal. Abstentions and broker non-votes, if any, are not treated as votes cast, and therefore will have no effect on the outcome of the vote on this proposal. Because the stockholder vote is advisory, it will not be binding on the Company, the Board of Directors or the Compensation Committee. However, the Board of Directors and the Compensation Committee will consider the outcome of the vote when making future compensation decisions for our executive officers.

The frequency of the advisory vote on future advisory votes on the compensation of our Named Executive Officers receiving the greatest number of votes cast – one year, two years, or three years – will be deemed to be the frequency that has been recommended by stockholders. Abstentions and broker non-votes, if any, are not treated as votes cast, and therefore will have no effect on the outcome of the vote on this proposal. Because the stockholder vote is advisory, it will not be binding on the Company, the Board of Directors or the Compensation Committee. However, the Board of Directors and the Compensation Committee will consider the outcome of the vote when making future decisions regarding the frequency of the advisory vote on the compensation of our Named Executive Officers.

The amendment to the Certificate of Incorporation requires the affirmative vote of a majority of the shares of our common stock entitled to vote on the proposal. Abstentions and broker non-votes will have the effect of a vote against the proposal to amend the Certificate of Incorporation. The affirmative vote of a majority of all votes cast is required for the ratification of the selection of our independent registered accountants. Abstentions and broker non-votes are not considered as votes cast, and therefore will have no effect on the outcome of the vote on the ratification of our independent registered public accounting firm.

CORPORATE GOVERNANCE

The Company's Bylaws provide that the number of Members shall be determined from time to time by resolutions of the Board of Directors, but shall not be less than three or more than nine. Our Board of Directors currently has five members.

Director Nomination Process

Our Nominating and Corporate Governance Committee is responsible for making recommendations on nominees for election as directors to the Board of Directors.

We do not have specific minimum qualifications that a person must meet in order to serve on our Board of Directors, nor do we have a formal policy about the consideration of any director candidates recommended by stockholders. However, GeoVax's Nominating and Governance Committee, and its Board of Directors, believe that directors should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the Company's stockholders. Each director must also be able to dedicate the time and resources sufficient to ensure the diligent performance of his or her duties. Further, our Board of Directors is intended to encompass a range of talents, experience, skills, backgrounds, and expertise sufficient to provide sound and prudent guidance with respect to the operations and interests of GeoVax and its stockholders. We do not have a formal policy on Board diversity as it relates to race, gender, or national origin.

GeoVax considers persons for nomination for election to the Board of Directors from any source, including stockholder recommendations. The Nominating and Governance Committee does not evaluate candidates differently based on who has made the recommendation. Consideration of nominee candidates typically involves a series of internal discussions, a review of information concerning candidates, and interviews with selected candidates. To date, no third parties have been engaged to assist us in finding suitable candidates to serve as directors. All of our nominees are directors standing for re-election. The nomination of each director was recommended by the Nominating and Governance Committee, and the Board of Directors followed the recommendation.

GeoVax's Nominating and Governance Committee will consider stockholder recommendations for directors sent to GeoVax Labs, Inc., 1900 Lake Park Drive, Suite 380, Smyrna, Georgia 30080, Attention: Chairman of the Nominating and Governance Committee. Any recommendation from a stockholder should include the name, background and qualifications of such candidate and should be accompanied by evidence of such stockholder's ownership of GeoVax's common stock.

A stockholder making any proposal shall also comply with all applicable requirements of the Exchange Act.

Director Independence

The Board of Directors has determined that Messrs. Dodd, Kollintzas, and Spencer are the members of our Board of Directors who are "independent," as that term is defined by Section 301(3)(B) of the Sarbanes-Oxley Act of 2002. The Board of Directors has also determined that these four individuals meet the definition of "independent director" set forth in Rule 5605(a)(2) of the Nasdaq Listing Rules. As independent directors, Messrs. Dodd, Kollintzas and Spencer serve as the members of our Audit Committee, our Compensation Committee, and our Nominating and Governance Committee.

Board Structure, Leadership, and Committees

Our Board of Directors, as a whole, and acting through its committees, has responsibility for management of our business and affairs. The offices of Chairman of the Board and of President and Chief Executive Officer are separate. We believe the separation of these roles allows the Chief Executive Officer more time to focus on day-to-day business while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management. The separation also promotes communication. Our Chairman of the Board, President and Chief Executive Officer, and our other executive officers, communicate regularly with each other and with our Board of Directors. We believe the relatively small number of directors, executive officers and employees, and their interaction, facilitate information sharing and decision-making with respect to most aspects of our operations, including oversight of risk management.

Board of Directors. The Board of Directors held six meetings during 2012 and took action by unanimous written consent on two other occasions. Each director attended at least 75% of the total meetings of the Board and the committees on which they served during 2012. We strongly encourage, but we do not require, our directors to attend our Annual Stockholders' Meeting. All of our directors attended our Annual Stockholders' Meeting in 2012.

Our Board of Directors has a standing Audit Committee, Compensation Committee, and Nominating and Governance Committee. The Audit Committee has been delegated formal authority and responsibility for overseeing certain elements of risk, as described below.

Audit Committee. The Audit Committee provides assistance to the Board of Directors in fulfilling its oversight responsibility relating to: (i) the integrity of the Company's financial statements; (ii) the effectiveness of the Company's internal control over financial reporting; (3) the Company's compliance with legal and regulatory requirements; and (iv) the independent registered public accounting firm's qualifications, independence and performance. The Audit Committee is responsible for reviewing our policies with respect to risk assessment and risk management, and for monitoring our business risk practices. It also prepares the Audit Committee report that SEC proxy rules require for this proxy statement. Our Audit Committee is currently comprised of Mr. Spencer (Chairman), Mr. Dodd, and Mr. Kollintzas. Our Board of Directors has determined that each member of the committee is independent in accordance with the criteria of independence set forth in Section 301(3)(B) of the Sarbanes-Oxley Act of 2002, and that Mr. Spencer qualifies as an "audit committee financial expert" as defined by the SEC's rules. The Audit Committee has adopted a charter, a current copy of which is available on our website at www.geovax.com. The Audit Committee held four meetings during 2012 and took action by unanimous written consent on one other occasion.

Compensation Committee. The Compensation Committee has responsibility for matters relating to the fair and competitive compensation of the Company's executives, employees and non-employee directors, as well as our benefit plans. Our Compensation Committee is currently comprised of Mr. Dodd (Chairman), Mr. Kollintzas, and Mr. Spencer. The Compensation Committee has adopted a charter, a current copy of which is available on our website at www.geovax.com. Code of Ethics

Our Board of Directors has adopted a written Code of Ethics, a copy of which is available on our website at www.geovax.com. The Company will provide a copy of the Code of Ethics upon request to any person without charge. Such requests may be transmitted by regular mail in the care of the Corporate Secretary. We require all officers, directors and employees to adhere to this code in addressing the legal and ethical issues encountered in conducting their work. Employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the code. The Sarbanes-Oxley Act of 2002 requires certain companies to have procedures to receive, retain and treat complaints received regarding accounting, internal accounting controls or auditing matters and to allow for the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters. We have such procedures in place.

Any waiver granted to an executive officer or a director may only be granted by the Board and will be disclosed, along with the reasons therefor, on a Form 8-K filed with the SEC. No waivers were granted in 2012.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, as amended, requires our executive officers and directors and persons who own more than 10% of a registered class of our equity securities, as well as certain affiliates of those persons, to file with the SEC initial statements of beneficial ownership, reports of changes in ownership and annual reports concerning their ownership of common stock and other of our equity securities on Forms 3, 4, and 5, respectively. Executive officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. Based solely on our review of the copies of such reports we received and written representations that no other reports were required to be filed for those persons, we believe that, during the fiscal year ended December 31, 2012, all of our executive officers, directors and owners of more than 10% of our common stock filed all reports required by Section 16(a) on a timely basis, except that each of Mr. Dodd, Mr. Kollintzas, Dr. McNally, Mr. Reynolds, Dr. Robinson, and Mr. Spencer did not timely file a Form 4 to report the acquisition of stock options on December 11, 2012 (25,000 shares each, except for Dr. McNally, who acquired 30,000 shares). Employment Agreements

Robert T. McNally. On March 20, 2008, GeoVax entered into an employment agreement with Robert T. McNally, Ph.D. to become our President and Chief Executive Officer effective April 1, 2008. The employment agreement has no specified term. The employment agreement provided for an initial annual salary of \$200,000 to Dr. McNally, subject to periodic increases as determined by the Compensation Committee. The Board of Directors may also approve the payment of a discretionary bonus annually. Dr. McNally is eligible for grants of awards from our 2006 Equity Incentive Plan (the "Plan") and is entitled to participate in any and all benefits in effect from time-to-time for employees generally. We may terminate the employment agreement, with or without cause. If we terminate the employment agreement without cause, we will be required to provide Dr. McNally at least 30 days prior notice of the termination and one week of severance pay for each full year of service as President and Chief Executive Officer (\$21,154 as of December 31, 2012, paid as salary continuance). Dr. McNally may terminate the employment agreement at any time by giving us 60 days notice. In that event, he would not receive severance.

Mark W. Reynolds. On February 1, 2008, GeoVax entered into an amended and restated employment agreement with Mark W. Reynolds, our Chief Financial Officer. The employment agreement has no specified term. The employment agreement provided for an initial annual salary of \$115,000 to Mr. Reynolds, which was increased to \$150,000 by the Compensation Committee and the Board of Directors effective January 1, 2009, commensurate with an increased time commitment provided by Mr. Reynolds (50% to 75%). The employment agreement was again amended and restated, effective January 1, 2010, to reflect a further adjustment for Mr. Reynolds time commitment (from 75% to 100%) together with a base salary increase to \$212,600. The Board of Directors may also approve the payment of a discretionary bonus annually. Mr. Reynolds is eligible for grants of awards from our Plan and is entitled to participate in any and all benefits in effect from time-to-time for employees generally. We may terminate the employment agreement, with or without cause. If we terminate the employment agreement without cause, we will be required to provide Mr. Reynolds at least 30 days prior notice of the termination and one week of severance pay for each full year of service as Chief Financial Officer (\$24,531 as of December 31, 2012, paid as salary continuance). Mr. Reynolds may terminate the employment agreement at any time by giving us 60 days notice. In that event, he would not receive severance.

Harriet L. Robinson. On November 19, 2007, GeoVax entered into an employment agreement with Harriet L. Robinson, our Chief Scientific Officer. The employment agreement has no specified term. The employment agreement provided for an initial base salary of \$250,000 to Dr. Robinson, subject to periodic increases as determined by the Compensation Committee. Dr. Robinson initially worked part-time for the Company, and became a full-time employee in February 2008. The Board of Directors may also approve the payment of a discretionary bonus annually. Dr. Robinson is eligible for grants of awards from our Plan and is entitled to participate in any and all benefits in effect from time-to-time for employees generally. We may terminate the employment agreement, with or without cause. If we terminate the employment agreement without cause, we will be required to provide Dr. Robinson at least 30 days prior notice of the termination and one week of severance pay for each full year of service (\$25,553 as of December 31, 2012, paid as salary continuance). Dr. Robinson may terminate the employment agreement at any time by giving us 60 days notice. In that event, she would not receive severance.

In October 2006 GeoVax Labs, Inc. and our subsidiary, GeoVax, Inc. entered into indemnification agreements with Messrs. McNally, Reynolds, Kollintzas and Spencer. Pursuant to these agreements, we have agreed to indemnify them to the full extent permitted by Illinois and Georgia law against certain liabilities incurred by these individuals in connection with specified proceedings if they acted in a manner they believed in good faith to be in or not opposed to the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe that such conduct was unlawful. The agreements also provide for the advancement of expenses to these individuals subject to specified conditions.

Potential Payments Upon Change-in-Control

Our 2006 Equity Incentive Plan contains provisions that could lead to an accelerated vesting of options or other awards. In the event of certain change-in-control transactions described in the Plan, (i) outstanding options or other awards under the Plan may be assumed, converted or replaced; (ii) the successor corporation may substitute equivalent options or other awards or provide substantially similar consideration to Plan participants as were provided to stockholders (after taking into account the existing provisions of the options or other awards); or (iii) the successor corporation may replace options or awards with substantially similar shares or other property.

In the event the successor corporation (if any) refuses to assume or substitute options or other awards as described (i) the vesting of any or all options or awards granted pursuant to the Plan will accelerate upon the change-in-control transaction, and (ii) any or all options granted pursuant to the Plan will become exercisable in full prior to the consummation of the change-in-control transaction at such time and on such conditions as the Compensation Committee determines. If the options are not exercised prior to the consummation of the change-in-control transaction, they shall terminate at such time as determined by the Compensation Committee. Subject to any greater rights granted to Plan participants under the Plan, in the event of the occurrence of a change-in-control transaction any outstanding options or other awards will be treated as provided in the applicable agreement or plan of merger, consolidation, dissolution, liquidation, or sale of assets.

If the Company experienced a change-in-control transaction described in the Plan on December 31, 2012, the value of accelerated options for each Named Executive Officer, based on the difference between \$0.65, the closing price of our common stock on the OTC Market on December 30, 2012, and, if lower, the exercise price per share of each option for which vesting would be accelerate for each Named Executive Officer, would be as follows: Dr. McNally - \$-0-; Mr. Reynolds - \$-0-; and Dr. Robinson - \$-0-.

Additionally, our employment agreements with each Named Executive Officer provide for payment to each Named Executive Officer if we terminate such Named Executive Officer's employment without cause. If each Named Executive Officer was terminated without cause on December 31, 2012, the following amounts, which represent one week of pay for each full year of service to the Company, would be payable to each Named Executive Officer as salary continuance under the terms of such Named Executive Officer's employment agreement: Dr. McNally - \$21,154; Mr. Reynolds - \$24,531; and Dr. Robinson - \$25,553.

Outstanding Equity Awards at Fiscal Year-End

The options expire if not exercised within ten years from the date of grant. The Company does not have a formula for determining stock option awards. Awards are generally based on the subjective judgment of the President and Chief Executive Officer and on the Compensation Committee's subjective judgment.

Director Compensation Plan

In March 2007, the Board of Directors approved a recommendation from the Compensation Committee for director compensation, which we refer to as the “Director Compensation Plan.” It was subsequently amended in March 2008, December 2009, and in December 2010. The Director Compensation Plan applies only to non-employee directors. Directors who are employees of the Company receive no compensation for their service as directors or as members of committees.

Cash Fees

For 2012, each non-employee director received an annual retainer of \$5,000 (paid quarterly) for service as a member of the Audit Committee and \$3,300 for service as a member of the Compensation Committee. The Chairman of the Audit Committee received an annual retainer of \$9,000, and the Chairman of each of the Compensation Committee and the Nominating and Corporate Governance Committee received an annual retainer of \$6,000. These retainers were also paid quarterly. Non-employee directors also received fees for each Board of Directors or Committee meeting attended as follows: \$3,000 for in person Board of Directors meetings and \$1,500 for telephonic Board of Directors meetings, \$1,000 per Committee meeting chaired, and \$500 per Committee meeting attended as a non-chair member. Mr. Dodd, the non-employee Chairman of the Board during 2011, received an annual retainer of \$30,000 (paid quarterly) and was not entitled to additional fees for Board meetings attended, but did receive additional fees for committees on which he serves.

Stock Option Grants

Each of our current non-employee directors received a grant of options to purchase 26,400 shares of common stock on the date that such non-employee director was first elected or appointed. We currently do not have a formula for determining annual stock option grants to directors (upon their re-election to the Board of Directors, or otherwise). Such option grants are currently determined by the Board of Directors, upon recommendation by the Compensation Committee based on the Compensation Committee's annual deliberations and review of the director compensation structure of similar companies. At its meeting in December 2012, upon a recommendation of the Compensation Committee, the Board of Directors approved an annual stock option grant of 25,000 shares to each of its non-employee members.

Expense Reimbursement

All directors are reimbursed for expenses incurred in connection with attending meetings of the Board of Directors and committees.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Policies and Procedures for Approval of Related Party Transactions

Our Audit Committee is responsible for reviewing and approving all transactions or arrangements between the Company and any of our directors, officers, principal stockholders or any of their respective affiliates, associates or related parties, other than transactions with officers which are covered by the duties of the Compensation Committee. In determining whether to approve or ratify a related party transaction, the Audit Committee will discuss the transaction with management and will consider all relevant facts and circumstances available to it including:

- whether the terms of the transaction are fair to the Company and at least as favorable to the Company as would apply if the transaction did not involve a related party;
 - whether there are demonstrable business reasons for the Company to enter into the transaction;
 - whether the transaction would impair the independence of a non-employee director; and
- whether the transaction would present an improper conflict of interest for any director or executive officer, taking into account the size of the transaction, the direct or indirect nature of the related party's interest in the transaction and the ongoing nature of any proposed relationship, and any other factors the Audit Committee deems relevant.

These policies are in writing and included in the Company's minute book.

Our Board of Directors has made the following findings and adopted the following policies (in writing) regarding related party transactions:

- The Company has not made and will not make loans or loan guarantees on behalf of any director, officer, beneficial owner of more than 5% of our common stock, or other person constituting a Promoter, as such term is defined in the NASAA Statement of Policy Regarding Corporate Securities Definitions.
- The Company has not engaged and will not engage in material transactions with any director, officer, beneficial owner of more than 5% of our common stock, or other person constituting a Promoter, as such term is defined in the NASAA Statement of Policy Regarding Corporate Securities Definitions, except as described below or as otherwise approved by our Audit Committee consistent with the policies and procedures described below.
 - The Company will make any future material affiliated transactions on terms that are no less favorable to the Company than those that can be obtained from unaffiliated third parties.
 - A majority of the Company's Audit Committee will approve all future material transactions.
 - The Company's officers, directors, and counsel will:
 - o consider their due diligence and assure that there is a reasonable basis for these representations, and
 - o consider whether to embody the representations in the issuer's charter or bylaws.

Consulting Agreement with Donald Hildebrand

Donald Hildebrand, our former Chairman of the Board of Directors, President and Chief Executive Officer, served as a director until August 16, 2011, and was the beneficial owner of more than 5% of our common stock during 2012. In March 2008, we entered into a consulting agreement with Mr. Hildebrand pursuant to which he provided business and technical advisory services to the Company. The arrangement terminated on December 31, 2012. Mr. Hildebrand received \$24,000 in 2012 for his services pursuant to the consulting agreement.

Transactions with Emory University

Emory University is a significant stockholder of the Company, and our primary product candidates are based on technology rights subject to a license agreement with Emory University, which we refer to as the Emory License. The Emory License, among other contractual obligations, requires payments based on milestone achievements, royalties on sales by the Company or on payments to the Company by our sublicensees, and payment of maintenance fees in the event certain milestones are not met within the time periods specified in the Emory License. We may terminate the Emory License upon 90 days prior written notice. In any event, the Emory License expires on the date of the latest expiration date of the underlying patents. We are also obligated to reimburse Emory University for certain ongoing costs in connection with the filing, prosecution and maintenance of patent applications subject to the Emory License. The expense associated with these ongoing patent reimbursements to Emory University was \$89,885 for 2012.

In connection with our IPCAVD grant from the NIH, we have entered into two research agreements with Emory University for the purpose of conducting research and development activities related to the grant. During 2012, we recorded \$552,403 of expense associated with these contracts. All amounts paid to Emory under these agreements are reimbursable to us pursuant to the NIH grant.

Private Placements

In January 2012, members of our management and Board of Directors participated in a private placement offering of units of our common stock and warrants. Each unit, which was priced at \$0.67 per unit, consisted of one share of our common stock and a five-year warrant to purchase 1.5 shares at \$1.00 per share. The purchases by management and members of our Board of Directors were as follows: Dr. McNally \$20,000 (29,850 units); Dr. Robinson \$100,000 (149,254 units); Mr. Dodd \$75,040 (112,000 units); Mr. Reynolds \$20,100 (30,000 units); Mr. Spencer \$10,000 (14,925 units); Mr. Kollintzas \$10,000 (14,925 units); and Mr. Antebi (a former director) \$20,100 (30,000 units).

On March 21, 2012, we completed a private placement transaction and issued to a total of 2,200 shares of Series A convertible preferred stock, with a stated value of \$1,000 per share and a conversion price of \$0.75 per share of common stock, to three accredited investors. Each share of Series A convertible preferred stock is convertible into 1,333.33 shares of our common stock. Each purchaser of a share of Series A convertible preferred stock also acquired a Series A, a Series B, and a Series C Warrant to purchase a share of our common stock.

Effective January 17, 2013, the Company reduced the exercise price of the outstanding Series B Warrants issued in connection with the March 2012 private placement, which were exercisable for an aggregate of 2,933,333 shares of common stock, reducing the exercise price from \$0.75 to \$0.60 per share. In consideration for the reduction of the exercise price, the holders of the Series B Warrants agreed to immediately exercise 1,766,667 of the Series B Warrants for cash, and the expiration date of Warrants with respect to the remaining shares subject to the Series B Warrants was extended from March 21, 2013 to May 21, 2013. In addition, the Company, Sabby Volatility Warrant Master Fund, Ltd (which invested \$1,000,000 in the March 2012 private placement and an additional \$750,000 upon exercise of the Series B Warrants), and Sabby Healthcare Volatility Master Fund, Ltd. which invested \$1,000,000 in the March 2012 private placement and an additional \$750,000 upon exercise of the Series B Warrants), agreed to increase the beneficial ownership limitation contained in their Series B Warrants to 9.99% from 4.99%. See "Security Ownership of Principal Stockholders, Directors and Executive Officers" for additional information.

PROPOSAL 2
AMENDMENT OF OUR CERTIFICATE OF INCORPORATION
TO INCREASE THE NUMBER OF SHARES OF AUTHORIZED COMMON STOCK

Background and Proposed Amendment

Our Certificate of Incorporation (the “Certificate”) currently authorizes us to issue a total of 40,000,000 shares of common stock, \$0.001 par value, and 10,000,000 shares of preferred stock, \$0.01 par value. Our Board of Directors has approved an amendment to the Certificate to authorize an additional 35,000,000 shares of common stock (the “Amendment”), subject to stockholder approval. The Board has determined that the Amendment is advisable and in the best interests of the Company and our stockholders and is seeking approval of the Amendment by our stockholders.

The Board is proposing the Amendment, in substantially the form attached hereto as Annex A, to increase the number of authorized shares of our common stock from 40,000,000 shares to 75,000,000 shares. Of the 40,000,000 shares of common stock currently authorized by the Certificate, as of April 11, 2013, 20,499,944 shares are issued and outstanding, 1,050,667 shares are reserved for issuance upon conversion of outstanding Series A Convertible Preferred shares; 9,458,892 shares are reserved for issuance upon exercise of outstanding options and warrants, and 1,197,529 shares are reserved for future issuance under existing equity incentive plans. Therefore, we are currently limited to the issuance of 7,792,968 shares of common stock.

No changes to the Certificate are being proposed with respect to the number of authorized shares of preferred stock. Other than the proposed increase in the number of authorized shares of common stock, the Amendment is not intended to modify the rights of existing stockholders in any material respect.

Reasons for the Amendment

The Board believes the Amendment is advisable and in the best interests of the Company and our stockholders to make available for future issuance a sufficient number of authorized shares of common stock to give us appropriate flexibility to issue shares for future corporate needs.

The additional authorized shares would provide us with increased financing and capital raising flexibility and could be used for other business and financial purposes that the Board deems are in the Company’s best interest, including, among other things, acquisitions of businesses, products or technologies, strategic partnerships, joint ventures, and attraction and retention of employees through the issuance of additional securities under our equity incentive plans. As discussed under “Potential Effects of the Amendment” below, additional shares could also be issued to oppose a hostile takeover attempt or delay or prevent changes in control of the Company or could be reserved as part of an anti-takeover strategy or in connection with a stockholder rights plan. Without an increase in the number of authorized shares of common stock, the Company may be constrained in its ability to raise capital and may lose important business opportunities, which could adversely affect our financial performance and growth.

The additional authorized shares of common stock would enable us to act quickly in response to capital raising and other corporate opportunities that may arise (as described above), in most cases without the necessity of holding a special stockholders’ meeting and obtaining further stockholder approval before the issuance of common stock could proceed, except as may be required by applicable law or the rules of any stock exchange on which our securities may be listed. We are seeking approval for the Amendment at this time because opportunities requiring prompt action may arise in the future, and the Board believes the delay and expense in seeking approval for additional authorized common stock at a special meeting of shareholders could deprive us of the ability to take advantage of potential opportunities.

Other than issuances pursuant to equity incentive plans and currently outstanding warrants and convertible preferred stock, as of the date of this Proxy Statement, we have no current plans, arrangements or understandings regarding the issuance of any additional shares of common stock that would be authorized pursuant to this proposal and there are no negotiations pending with respect to the issuance thereof for any purpose. The Board of Directors does not intend to issue any common stock except on terms which the Board deems to be in the best interests of the Company and its then existing stockholders.

Potential Effects of the Amendment

The proposed increase in the number of authorized shares of common stock will not have any immediate effect on the rights of our existing stockholders. The Board will have the authority to issue the additional shares of common stock without requiring future stockholder approval of such issuances, except as may be required by applicable law or rules of any stock exchange on which our securities may be listed. The issuance of additional shares of common stock will decrease the relative percentage of equity ownership of our existing stockholders, thereby diluting the voting power of their common stock, and, depending on the price at which additional shares may be issued, could also be dilutive to the earnings per share of our common stock.

It is possible that a subsequent issuance of these shares could have the effect of delaying or preventing a change in control of GeoVax. Shares of authorized and unissued common stock could, within the limits imposed by applicable law, be issued in one or more transactions that would make a change in control of GeoVax more difficult, and therefore, less likely. Issuances of additional shares of our stock could dilute the earnings per share and book value per share of our outstanding common stock and dilute the stock ownership or voting rights of a person seeking to obtain control of GeoVax. While it may be deemed to have potential anti-takeover effects, the proposal to increase the authorized common stock is not prompted by any specific effort of which we are aware to accumulate shares of our common stock or obtain control of GeoVax.

The additional authorized shares of common stock, if and when issued, would be part of the existing class of common stock and would have the same rights and privileges as the shares of common stock currently outstanding.

Stockholders do not have preemptive rights with respect to our common stock. Therefore, should the Board determine to issue additional shares of common stock, existing stockholders would not have any preferential rights to purchase such shares in order to maintain their proportionate ownership thereof

Effectiveness of the Amendment and Required Vote

If the amendment is approved by our stockholders, it will become effective upon the filing of an amendment to our Certificate of Incorporation, which filing is expected to occur promptly after stockholder approval of this proposal. The text of Annex A remains subject to modification to include such changes as may be required by the Secretary of State of the State of Delaware and as the Board deems necessary or advisable to implement the increase in our authorized shares.

The affirmative vote of a majority of the outstanding shares of our common stock is required for approval of this Proposal. Abstentions and broker non-votes will have the effect of a vote against the Proposal. If you sign and submit your proxy card without properly marking your voting instructions, your shares will be voted “FOR” this Proposal.

The Board of Directors unanimously recommends a vote “FOR” approval of this Proposal to allow for an amendment of our Certificate of Incorporation to increase the number of authorized shares of common stock to 75,000,000 shares.

PROPOSAL 3 RATIFICATION OF APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed the firm of Porter Keadle Moore LLC (“PKM”) to serve as the independent registered public accounting firm of GeoVax Labs, Inc. for the fiscal year ending December 31, 2013. PKM has served as the independent registered public accounting firm of the Company since 2006, and is considered by the Audit Committee and management to be well qualified.

Principal Accountant Fees and Services

The aggregate fees billed for the services rendered to us by PKM for the years ended December 31, 2012 and 2011 were as follows:

	2012	2011
Audit Fees (1)	\$77,800	\$74,300
Audit-Related Fees (2)	5,000	2,700
Tax Fees	-	-
All Other Fees	-	-
Total	\$82,800	\$77,000

-
- (1) Audit Fees for 2012 and 2011 consisted principally of fees for professional services in connection with the audits of our consolidated financial statements, review of our Annual Report on Form 10-K, and review of our interim financial statements and Quarterly Reports on Form 10-Q.
- (2) Audit-Related Fees consist principally of fees in connection with the review of SEC registration statements.

Audit Committee’s Pre-Approval Policies and Procedures

The Audit Committee has adopted policies and procedures for pre-approving all audit and non-audit services provided by our independent auditors (the “Policy”) prior to the engagement of the independent auditors with respect to such services. Under the Policy, proposed services may be pre-approved on a periodic basis or individual engagements

may be separately approved by the Audit Committee prior to the services being performed. In each case, the Audit Committee considers whether the provision of such services would impair the independent auditor's independence. All audit services and non-audit services provided by PKM for 2012 and 2011 were pre-approved by the Audit Committee.

Stockholder ratification of the Audit Committee's selection of PKM as our independent registered public accounting firm for the year ending December 31, 2013 is not required by our Bylaws, or otherwise. Nonetheless, the Board of Directors has elected to submit the selection of PKM to our stockholders for ratification. The selection will be ratified if a majority of the votes cast at the Annual Meeting vote in favor. Abstentions and broker non-votes are not treated as votes cast, and therefore will have no effect on the outcome of either proposal. If the selection of PKM as our independent registered public accounting firm for the year ending December 31, 2013 is not ratified, the matter will be referred to the Audit Committee for further review.

Representatives of PKM will be present at the annual meeting and will have an opportunity to make a statement if they desire to do so. They also will be available to respond to appropriate questions from stockholders.

THE AUDIT COMMITTEE AND BOARD OF DIRECTORS UNANIMOUSLY RECOMMEND THAT THE STOCKHOLDERS VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF PORTER KEADLE MOORE LLC AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF GEOVAX LABS INC. FOR FISCAL 2013.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is providing this report to enable stockholders to understand how it monitors and oversees the Company's financial reporting process. The Audit Committee consists of three directors, each of whom are independent in accordance with the criteria of independence set forth in Section 301(3)(B) of the Sarbanes-Oxley Act of 2002 and operates pursuant to an Audit Committee charter that is reviewed annually by the Audit Committee and updated as appropriate. The Audit Committee charter is available on our web site at <http://www.geovax.com>.

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee's responsibility is to monitor and oversee these processes.

This report confirms that the Audit Committee has: (i) reviewed and discussed the audited financial statements for the year ended December 31, 2012 with management and the Company's independent public accountants; (ii) discussed with the Company's independent public accountants the matters required to be discussed pursuant to the Statement on Auditing Standards No. 61 (Communications with Audit Committees, as amended); (iii) received and reviewed the written disclosures and letter from the Company's independent public accountants as required by the Public Company Accounting Oversight Board regarding the independent accountants' independence; and (iv) discussed with the Company's independent public accountants their independence from the Company.

The Audit Committee of the Board of Directors has considered whether the provision of non-audit professional services rendered by Porter Keadle Moore LLC, as discussed above and disclosed elsewhere in this proxy statement, is compatible with maintaining their independence.

Based upon the above review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements for the year ended December 31, 2012 be included in the Company's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

Respectfully submitted,

AUDIT COMMITTEE
John N. Spencer, Jr., Chairman
David A. Dodd
Dean G. Kollintzas

PROPOSAL 4
ADVISORY VOTE: APPROVAL OF THE COMPENSATION
OF OUR NAMED EXECUTIVE OFFICERS

As required by Section 14A of the Exchange Act, we are asking our stockholders to approve, on a non-binding, advisory basis, the compensation of our Named Executive Officers as disclosed in accordance with the SEC's rules in the "Executive Compensation" section of this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our Named Executive Officers' compensation as a whole. This vote is not intended to address any specific item of compensation or any specific Named Executive Officer, but rather the overall compensation of all of our Named Executive Officers and the philosophy, policies and practices described in this proxy statement. The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board of Directors. The say-on-pay vote will, however, provide information to us regarding investor sentiment about our executive compensation philosophy, policies and practices, which the Compensation Committee will be able to consider when determining executive compensation in the future. Our Board of Directors and Compensation Committee value the opinion of our stockholders and to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this proxy statement, the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

In general, the Company operates in a marketplace where competition for talented executives is intense and significant. The biopharmaceutical industry is highly competitive and includes companies with far greater resources than ours. We are engaged in the long-term development of drug candidates without the benefit of significant current revenues, and therefore our operations involve a high degree of risk and uncertainty. This level of risk and uncertainty may make it difficult to attract and retain talented executives. Nevertheless, continuity of personnel across multi-disciplinary functions is critical to the success of our business. Furthermore, since we have relatively few employees, each must perform a broad scope of functions, and there is very little redundancy in skills.

The three primary compensation elements used for executive officers are base salary, cash bonus, and stock option awards.

Base Salary

The Compensation Committee and the Board of Directors seek to maintain executive base salary at a competitive level sufficient to recruit and retain individuals possessing the skills and capabilities necessary to achieve our goals over the long term. Base salaries provide our executive officers with a degree of financial certainty and stability and also reward individual achievements and contributions.

Cash Bonus

Annual cash incentive awards motivate our executive officers to contribute toward the achievement of corporate goals and objectives. Generally, every employee is eligible to earn an annual cash incentive award, promoting alignment and pay-for-performance at all levels of the organization. The Company does not have a formalized cash incentive award plan, and awards are based on the subjective recommendation of the President and Chief Executive Officer (except as to the President and Chief Executive Officer's cash bonus) and on the Compensation Committee's subjective judgment.

Stock Option Awards

Stock option awards are a fundamental element in the Company's executive compensation program because they emphasize long-term performance, as measured by creation of stockholder value, and align the interests of our stockholders and management. In addition, the Compensation Committee believes they are crucial to a competitive compensation program for executive officers, and they act as a powerful retention tool. In its current pre-commercial state, the Company's still facing a significant level of risk, but with the potential for a high reward over a period of time, and therefore the Compensation Committee believes that stock incentive awards are appropriate for executive officers. These awards are provided through initial grants at or near the date of hire and through subsequent, periodic grants. The initial grant is typically larger than subsequent, periodic grants and is intended to motivate the officer to make the kind of decisions and implement strategies and programs that will contribute to an increase in our stock price over time. Subsequent periodic stock option awards may be granted to reflect each executive officer's ongoing contributions to the Company, to create an incentive to remain at the Company, and to provide a long-term incentive to achieve or exceed our corporate goals and objectives. The Company does not have a formula for determining stock option awards. Awards are generally based on the subjective recommendation of the President and Chief Executive Officer and on the Compensation Committee's subjective judgment. The Compensation Committee does not typically give much weight to the overall levels of stock and stock options owned by the Company's executive officers and directors. The accounting and tax treatment of compensation generally has not been a factor in determining the amounts of compensation for the Company's executive officers.

We believe that the executive compensation information provided in this proxy statement demonstrates that our executive compensation program was designed appropriately and is working to ensure management's interests are aligned with our stockholders' interests to support the success of our business.

Accordingly, we are asking our stockholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed in the proxy statement for the Company's 2013 Annual Meeting of stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and related narrative discussion, is hereby APPROVED."

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

PROPOSAL 5
ADVISORY VOTE: THE FREQUENCY OF FUTURE ADVISORY VOTES ON THE
COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

As required by Section 14A of the Exchange Act, we are also seeking the input of our stockholders on the frequency with which we will hold non-binding, advisory votes on the compensation of our Named Executive Officers. In voting on this proposal, stockholders are provided with four choices. Stockholders may indicate their preference as to whether the advisory vote on the compensation of our Named Executive Officers should occur once every (a) one year, (b) two years or (c) three years; or the stockholders may abstain from voting on this proposal. After careful consideration, it is the opinion of the Board of Directors that the frequency of the stockholder vote on the compensation of our Named Executive Officers should be every third year. We view the manner in which we compensate our Named Executive Officers as an essential part of our strategy for achieving success. We believe that a vote on the compensation of our Named Executive Officers should be conducted every third year so that stockholders may periodically express their views on our executive compensation program. The Company and the Compensation Committee, which is responsible for designing and administering our executive officer compensation program, values the opinions expressed by stockholders and will consider the outcome of the vote on the compensation of our Named Executive Officers in making decisions on executive compensation. While the Board recommends a triennial vote, stockholders are not voting to approve or disapprove of the Board's recommendation. Rather, stockholders are being provided with the opportunity to cast a non-binding, advisory vote on whether the stockholder advisory vote on the compensation of our Named Executive Officers should occur once every (a) one year, (b) two years or (c) three years, or to abstain from voting on the matter.

As an advisory vote, this proposal is not binding on the Company, the Compensation Committee or the Board of Directors. Notwithstanding the advisory nature of the vote on this proposal, the Board of Directors values the opinions expressed by stockholders and will consider the outcome of the vote when making a determination as to the frequency of future advisory votes on the compensation of our Named Executive Officers. The frequency receiving the greatest number of votes cast – one year, two years or three years – will be deemed by us as the frequency that has been recommended by our stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR "3 YEAR" ON THE ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.
