## **PROXY STATEMENT FOR SPECIAL MEETING OF STOCKHOLDERS**

In this Proxy Statement, SANUWAVE Health, Inc., a Nevada corporation, is referred to as “SANUWAVE,” the “Company,” “we,” “us” and “our.”

### **Information Concerning the Proxy Materials and the Special Meeting**

Proxies in the form enclosed with this Proxy Statement are being solicited by our Board of Directors for use at the Special Meeting of Stockholders (the “Special Meeting”) to be held at 9:00 a.m. (Eastern Time) on July 29, 2015, at the Company’s headquarters at 11475 Great Oaks Way, Alpharetta, Georgia 30022, and at any adjournment thereof. Your vote is very important. For this reason, our Board of Directors is requesting that you permit your common stock, par value \$0.001 per share (“Common Stock”), to be represented at the Special Meeting by the proxies named on the enclosed proxy card. This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the meeting. Please read it carefully.

Voting materials, which include this Proxy Statement and the enclosed proxy card, will be first mailed to stockholders on or about June 29, 2015.

Only stockholders of record as of the close of business on June 10, 2015 (the “Record Date”) of our Common Stock will be entitled to notice of, and to vote at, the Special Meeting. As of June 10, 2015, 63,056,519 shares of Common Stock were issued and outstanding. Holders of Common Stock are entitled to one vote per share held by them. Stockholders may vote in person or by proxy, however, granting a proxy does not in any way affect a stockholder’s right to attend the Special Meeting and vote in person. Any stockholder giving a proxy has the right to revoke that proxy by (i) filing a later-dated proxy or a written notice of revocation with us at our principal office at any time before the original proxy is exercised, or (ii) attending the Special Meeting and voting in person.

Kevin A. Richardson II and Barry J. Jenkins are named as attorneys-in-fact in the proxy. Mr. Richardson is our Chairman of the Board and Co-Chief Executive Officer. Mr. Jenkins is our Chief Financial Officer. Mr. Richardson or Mr. Jenkins will vote all shares represented by properly executed proxies, returned in time to be counted at the Special Meeting, as described below under “Voting Procedures.” Where a vote has been specified in the proxy with respect to the matters identified in the Notice of the Special Meeting, the shares represented by the proxy will be voted in accordance with those voting specifications.

The stockholders will consider and vote upon a proposal to amend our Articles of Incorporation to increase the number of authorized shares of capital stock by an aggregate of 200,000,000 shares, from 155,000,000 shares to 355,000,000 shares. If approved, our authorized capital stock will increase from 155,000,000 shares to 355,000,000 shares, of which 350,000,000 shall be classified as common stock and 5,000,000 shall be classified as preferred stock.

**Quorum; Voting Procedures and Vote Required**

Mr. Richardson and/or Mr. Jenkins will vote all shares represented by properly executed proxies returned in time to be counted at the Special Meeting. The presence, in person or by proxy, of at least a majority of the issued and outstanding shares of Common Stock entitled to vote at the Special Meeting is necessary to establish a quorum for the transaction of business. Shares represented by proxies which contain an abstention, as well as “broker non-vote” shares (described below) are counted as present for purposes of determining the presence or absence of a quorum for the Special Meeting.

---

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Special Meeting as specified in such proxies.

*Vote Required for the Increase of our Authorized Shares (Proposal No. 1).* Nevada law and our Bylaws provide that on all matters (other than the election of directors and except to the extent otherwise required by our Articles of Incorporation or applicable Nevada law), the affirmative vote of a majority of the shares outstanding entitled to vote, in person or by proxy, and voting on the matter, will be required for approval. Accordingly, the affirmative vote of a majority of the shares outstanding entitled to vote, in person or by proxy, and voting on the matter, will be required to approve the increase in authorized shares proposal.

If you hold shares beneficially in street name and do not provide your broker with voting instructions, your shares may constitute “broker non-votes.” Generally, broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. Brokers that have not received voting instructions from their clients cannot vote on their clients’ behalf on “non-routine” proposals. Broker non-votes are not counted for the purposes of obtaining a quorum for the Special Meeting, and, in tabulating the voting result for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote.

Abstentions are counted as “shares present” at the Special Meeting for purposes of determining the presence of a quorum and with respect to any matters being voted upon at the Special Meeting. An abstention will operate to prevent the approval of either proposal to the same extent as a vote against such proposal.

Votes at the meeting will be tabulated by one or more inspectors of election appointed by the Co-Chief Executive Officer.

Stockholders will not be entitled to dissenter’s rights with respect to any matter to be considered at the Special Meeting.

## **APPROVAL OF INCREASE OF AUTHORIZED SHARES OF CAPITAL STOCK**

### **(PROPOSAL NO. 1)**

#### **APPROVAL OF AMENDMENT TO OUR ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF OUR CAPITAL STOCK THAT WE MAY ISSUE FROM 155,000,000 TO 355,000,000 SHARES, OF WHICH 350,000,000 SHARES SHALL BE CLASSIFIED AS COMMON STOCK AND 5,000,000 SHARES SHALL BE CLASSIFIED AS PREFERRED STOCK.**

Proposal No. 1 seeks your approval of an amendment to our Articles of Incorporation, which we refer to as the “Articles Amendment,” to increase the number of authorized shares of capital stock that we may issue from 155,000,000 to 355,000,000. The proposed Articles Amendment to be filed with the Secretary of the State of Nevada, substantially in the form of Exhibit A hereto, will be filed as soon as practicable following the Special Meeting, should the proposal be approved.

#### **Increase in Authorized Shares of Capital Stock**

We believe that an increase in the number of our authorized capital stock is prudent in order to assure that a sufficient number of shares of our capital stock is available for issuance in the future if our Board of Directors deems it to be in the best interests of our stockholders and the Company. Our Board of Directors has determined that a total of 355,000,000 shares of capital stock is a reasonable estimate of what might be required in this regard for the foreseeable future to (i) issue capital stock in acquisitions or strategic transactions and other proper corporate purpose that may be identified by our Board of Directors in the future; (ii) issue common stock to augment our capital and increase the ownership of our capital stock; (iii) satisfy obligations under our outstanding warrants, and (iv) provide incentives through the grant of stock options to employees, directors, officers, and advisors important to our business under our stock option plan. Immediately following this increase, the Company will have approximately 286,943,481 shares of Common Stock authorized but unissued and available for issuance and 4,993,825 shares of undesignated preferred stock authorized but unissued and available for issuance.

The remaining authorized but unissued shares of capital stock will be available for issuance from time to time as may be deemed advisable or required for various purposes, including those noted above. Our Board of Directors will be able to authorize the issuance of shares for the foregoing purposes and other transactions without the necessity, and related costs and delays of either calling a special stockholders’ meeting or waiting for the annual meeting of stockholders in order to increase the authorized capital. If in a particular transaction required stockholder approval by law or was otherwise deemed advisable by the Board of Directors, then the matter would be referred to the stockholders for their approval, even if we might have the requisite number of voting shares to consummate the transaction. The additional shares of Common Stock to be authorized by the Articles Amendment will have rights identical to the currently outstanding Common Stock, including the right to cast one vote per share of Common Stock.

Adoption of the Articles Amendment and issuance of the additional Common Stock authorized thereby will not affect the rights of the holders of our currently outstanding Common Stock, except for effects incidental to increasing the number of outstanding shares of our Common Stock, as discussed above.

### **Potential Anti-Takeover Effect of the Proposed Articles Amendment**

The Articles Amendment relating to the increase in the number of authorized shares of our capital stock is not intended to have any anti-takeover effect. However, our stockholders should note that the availability of additional authorized and unissued shares of Common Stock could make any attempt to gain control of the Company or the Board of Directors more difficult or time-consuming and that the availability of additional authorized and unissued shares might make it more difficult to remove management. Although the Board of Directors currently has no intention of doing so, shares of stock could be issued by the Board of Directors to dilute the percentage of stock owned by any stockholder and increase the cost of, or the number of, voting shares necessary to acquire control of the Board of Directors or to meet the voting requirements imposed by Nevada law with respect to a merger or other business combination involving us. The issuance of preferred stock with voting and conversion rights by our Board of Directors may adversely affect the voting power of the holders of Common Stock, including the loss of voting control to others.

---

Our Board of Directors did not propose this Articles Amendment for the purpose of discouraging mergers, tender offers, proxy contests, solicitation in opposition to management or other changes in control. We are not aware of any specific effort to accumulate our Common Stock or obtain control of us by means of a merger, tender offer, solicitation or otherwise. We have no present intention to use the increased number of authorized shares of stock for anti-takeover purposes.

### **Potential Future Dilution**

If Proposal No. 1 is approved, the additional authorized shares of Common Stock may be issued for such consideration, cash or otherwise, at such times and in such amounts as our Board of Directors may determine without further shareholder approval, except to the extent that shareholder approval is required by applicable laws, rules or regulations.

The additional shares of Common Stock to be authorized by adoption of the proposed amendment to our Articles of Incorporation would have rights identical to our currently outstanding Common Stock. The authorized share increase will not change the number of shares of stock outstanding, nor will it have any immediate dilutive effect or change the rights of current holders of our Common Stock. However, to the extent that the additional authorized shares are issued in the future, they may dilute the percentage equity ownership of existing shareholders and, depending on the price at which they are issued, may also dilute earnings and book value on a per share basis. The Company's shareholders have no preemptive rights to subscribe for additional shares of Common Stock when issued, which means that current shareholders do not have a prior right to purchase any newly-issued shares in order to maintain their proportionate ownership of the Company's Common Stock.

### **Appraisal Rights**

Dissenting stockholders do not have appraisal rights under Nevada state law or under the Company's Articles of Incorporation or Bylaws in connection with the increase of the authorized capital stock.

### **Effectiveness of Articles Amendment**

The Articles Amendment will become effective once it is approved at the special meeting and filed with the Secretary of State of Nevada. Upon filing the Articles Amendment with the Secretary of State of Nevada, our authorized shares of capital stock will increase from 155,000,000 to 355,000,000.

**Required Vote**

The approval of the Amendment authorizing the increase of our authorized capital stock will require the affirmative vote of the holders of a majority of the Company's outstanding shares of Common Stock entitled to vote, in person or by proxy, provided a quorum is present.

***OUR BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL OF THE AMENDMENT TO OUR ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF OUR CAPITAL STOCK THAT WE MAY ISSUE FROM 155,000,000 TO 355,000,000 SHARES.***

---

### **Interest of Certain Persons in Matters to be Acted Upon**

None of our officers or directors has any interest in any of the matters to be acted upon at the Special Meeting.

### **EXPENSES AND SOLICITATION**

We will bear the costs of printing and mailing proxies. In addition to soliciting stockholders by mail or through our regular employees, we may request banks, brokers and other custodians, nominees and fiduciaries to solicit their customers who have shares of our Common Stock registered in the name of a nominee and, if so, will reimburse such banks, brokers and other custodians, nominees and fiduciaries for their reasonable out-of-pocket costs. Solicitation by our officers and employees may also be made of some stockholders following the original solicitation.

### **STOCKHOLDER PROPOSALS FOR NEXT ANNUAL MEETING**

Pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended, any stockholder who desires to include a proposal in the proxy statement for the next annual meeting of stockholders of the Company must deliver the proposal to our principal executive office a reasonable time before the Company begins to print and send its proxy materials for the meeting. Any stockholder proposal submitted outside the processes of Rule 14a-8 and our Bylaws will be considered untimely if not delivered to our principal executive office a reasonable time before the Company begins to send its proxy materials for the meeting.

Notice of intention to present a proposal at the next annual meeting of stockholders should be addressed to the Secretary, SANUWAVE Health, Inc., 11475 Great Oaks Way, Suite 150, Alpharetta, Georgia 30022. We reserve the right to vote against, reject, rule out of order, or take other appropriate action with respect to any proposal that does not comply with these requirements.

### **STOCKHOLDERS SHARING THE SAME LAST NAME AND ADDRESS**

In accordance with notices that we sent to certain stockholders, we are sending only one copy of this proxy statement to stockholders who share the same last name and address, unless they have notified us that they want to continue receiving multiple copies. This practice, known as “householding,” is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources.

If you received a householded mailing and you would like to have additional copies of this proxy statement mailed to you, or you would like to opt out of this practice for future mailings, please submit your request to the Company by mail to Secretary, SANUWAVE Health, Inc., 11475 Great Oaks Way, Suite 150, Alpharetta, Georgia 30022 or phone by calling (678) 581-6843. We will promptly send additional copies of the proxy statement upon receipt of such request. You may also contact us if you received multiple copies of proxy materials and would prefer to receive a single copy in the future.

Householding for bank and brokerage accounts is limited to accounts within the same bank or brokerage firm. For example, if you and your spouse share the same last name and address, and you and your spouse each have two accounts containing our Common Stock at two different brokerage firms, your household will receive two copies of our Special Meeting materials—one from each brokerage firm.

---

## **OTHER BUSINESS**

The Board of Directors knows of no other items that are likely to be brought before the meeting except those that are set forth in the foregoing Notice of Special Meeting of Stockholders. If any other matters properly come before the meeting, the persons designated on the enclosed proxy will vote in accordance with their judgment on such matters.
