**IMPORTANT NOTICE REGARDING THE
AVAILABILITY OF PROXY MATERIALS FOR THE
2019 ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 2, 2019**

This Proxy Statement, the form of Proxy and the Company's Annual Report on Form 10-K for the year ended December 31, 2018 are available at www.envisionreports.com/ckx.

CKX Lands, Inc.

PROXY STATEMENT

This proxy statement and the CKX Lands, Inc. annual report to shareholders on Form 10-K are first being made available to shareholders on or about April 4, 2019.

The Board of Directors of CKX Lands, Inc. (“CKX Lands” or “Company”) is soliciting your proxy to vote your shares of the Company’s common stock in connection with the Company’s 2019 Annual Meeting of Shareholders. The meeting will be held on Thursday, May 2, 2019, at 10:00 a.m., central time, at One Lakeside Plaza, 4th Floor, 127 W. Broad Street, Lake Charles, Louisiana 70601 or any adjournments or postponements of the meeting. You may revoke your proxy at any time prior to it being voted by:

giving written notice to the Secretary of the Company,
submitting a later dated proxy through any of the permissible means of voting listed on the enclosed proxy card, or
by voting in person at the meeting.

The Company is paying all expenses of preparing, printing and mailing the proxy statement and all materials used in this solicitation. Proxies may also be solicited in person or by telephone or fax by directors, officers and other employees of the Company, none of whom will receive additional compensation for such services. The Company will also request brokerage houses, custodians and nominees who are record owners of the Company’s common stock and who hold the stock on behalf of beneficial owners to forward these materials to the beneficial owners and will pay the reasonable expenses of such persons for forwarding the material. The mailing address of CKX Lands is P.O. Box 1864, Lake Charles, LA 70602.

On March 28, 2019, CKX Lands had outstanding 1,942,495 shares of common stock, its only class of stock, which was held by 452 shareholders of record. Only shareholders of record at the close of business on March 28, 2019, will be entitled to receive notice of and to vote at the meeting. With respect to all matters that will come before the meeting, each shareholder may cast one vote for each share registered in his or her name on the record date. The presence, in person or by proxy, of holders of a majority of the outstanding shares of common stock entitled to vote at the meeting is necessary to constitute a quorum at the meeting. Shareholders voting, or abstaining from voting, by proxy on any issue will be counted as present for purposes of constituting a quorum. If a quorum is present, the election of directors will be decided by a plurality vote and the approval of the independent auditor and the

non-binding advisory vote on our executive compensation will be decided by a majority of the votes cast at the meeting in person or by proxy. Abstentions will have no effect on the calculation of the vote on any matter at the meeting.

If you are the record holder of your shares, then the shares represented by your properly executed proxy card will be voted at the meeting in accordance with your directions set forth on the proxy, unless you revoke it. If you do not specify a choice on the proxy, the shares will be voted FOR the election of all director nominees, FOR the ratification of the engagement of MaloneBailey LLP as auditors and FOR the approval of the compensation of the Company's named executive officers. The proxy also gives authority to the proxy holders to vote your shares in their discretion on any other matter presented at the meeting, including matters as to which the Company has not received timely advance notice.

If you hold your shares in an account at a brokerage firm, bank, or other nominee, then you are the beneficial owner of shares held in "street name," and the proxy materials were forwarded to you by that organization. The organization holding your account is considered the shareholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. You will receive instructions from your broker, bank or other nominee that you must follow in order for your broker, bank or other nominee to vote your shares according to your instructions. Many brokerage firms and banks have a process for their beneficial holders to provide instructions via the Internet or over the telephone. If you are a beneficial owner of shares held in street name and you wish to vote in person at the annual meeting, **you must obtain a legal proxy from the organization that holds your shares.**

If the organization that holds your shares does not receive instructions from you on how to vote your shares, then under the rules of various national and regional securities exchanges, the organization may generally vote your shares in its discretion on routine matters, but it cannot vote on non-routine matters. **If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization will not have the authority to vote, and therefore cannot vote, on that matter with respect to your shares. This is generally referred to as a “broker non-vote.”** The election of directors (Item 1) and matters relating to executive compensation (Item 3) are non-routine matters, so brokers may not vote your shares on Items 1 or 3 if you do not give specific instructions on how to vote. We encourage you to provide instructions to your broker or nominee regarding these proposals so your shares will be voted.

The ratification of the engagement of the Company’s independent auditors (Item No. 2) is a matter that we believe will be considered routine. Therefore, no broker non-votes are expected to occur in connection with Item No. 2.

Broker non-votes will be counted as present at the shareholders’ meeting for the purposes of calculating a quorum but will not be counted as present for any other purpose or as a vote cast for or against a matter. Thus, we believe broker non-votes will have no effect on any matter at the meeting.

Based solely upon a review of the Form 3, 4 and 5 filings received from or filed by CKX Lands, Inc. on behalf of reporting persons during the most recent fiscal year, CKX Lands, Inc. is not aware of any failure to file on a timely basis any Form 3, 4 or 5 specifically during the most recent fiscal year, other than the following: Mr. Duplechin filed on August 29, 2018 his Form 3 in connection with his election as a Director, which was due on August 13, 2018.

2013

The Board of Directors has determined that director nominees Englander, Duplechin, Hart, Minvielle, Savoy, Stream, and White are "independent directors" as defined under the rules of the NYSE American. In connection with this assessment, the Board of Directors also determined that Messrs. Hart, Minvielle, and Stream are independent within the meaning of the NYSE American standards currently in effect and Rule 10A-3 of the Exchange Act applicable to members of the Audit Committee, and that Messrs. Englander, Hart and Minvielle are independent under the standards applicable to members of the Compensation Committee.

Each of the Company's directors is requested to attend the Annual Meeting in person. All of the Company's directors then serving attended the Company's 2018 Annual Meeting of Shareholders.

BOARD OF DIRECTORS LEADERSHIP STRUCTURE AND RISK OVERSIGHT

Michael B. White serves as the Independent Chairman of the Board of Directors. Mr. White is also the Company's largest shareholder. The Board believes that leadership of the Board by a director who is not part of Company management provides a layer of independent oversight that benefits the Company's shareholders and is therefore appropriate.

Independent Directors meet at least annually in executive session without non-independent or management Directors in attendance. During 2018, independent Directors met four times in executive session.

CKX Lands' Board of Directors administers its risk oversight responsibilities by requiring specific Board authorization of all non-routine activities of the Company and through its Audit Committee's quarterly review of the Company's financial statements, discussions of management activities and communication with external auditors.

During 2018, the Board of Directors held a total of seven meetings. No director attended fewer than 75% of the aggregate of all board meetings and meetings of committees of which he or she is a member during 2018, other than Mr. Jones and Mr. White.

BOARD OF DIRECTORS COMMITTEES

The Board of Directors has an Audit Committee, Compensation Committee and Nominating Committee. The membership of each committee consists solely of non-employee directors who meet the independence standards established by the NYSE American, and is set forth below:

<u>Committee</u>	<u>Chair</u>	<u>Other Members</u>
Audit	Minvielle	Hart, Stream
Compensation	Hart	Englander, Minvielle
Nominating	Savoy	Duplechin, White

The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to financial reports and other financial information, and selects and appoints the independent registered public accountants. The Company has determined that Mr. Minvielle qualifies as "audit committee financial expert" under Item 407(d)(5) of Regulation S-K. Each member of the Audit Committee meets the financial literacy requirements of the NYSE American. During 2018, the Audit Committee held four meetings. A copy of the Audit Committee's charter is available on the company's website, www.ckxlands.com. All committee members attended all Audit Committee meetings during 2018.

The Compensation Committee approves all executive compensation. The Compensation Committee does not have a charter. During 2018, the Compensation Committee held one meeting. All members attended the compensation committee meeting. Executive officers do not participate in the design of, deliberations about, or voting on their

compensation or the compensation of directors. In light of the simplicity and relatively modest levels of the Company's executive and director compensation, the Company does not believe that there is any risk that could arise from its pay practices that would have a material adverse effect on it.

The Nominating Committee selects nominees for the Board of Directors. The Nominating Committee identifies individuals qualified to become directors and recommends them to the Board for directorships. The Nominating Committee will consider persons recommended by shareholders to become nominees for election as directors. Recommendations for consideration by the Nominating Committee should be sent to the Secretary of the Company in writing together with appropriate biographical information. Please see "Shareholder Proposals."

The Committee identifies and evaluates nominees on the basis of their education, business experience, integrity, and knowledge of Southwest Louisiana, particularly as it relates to land management. Nominees recommended by security holders will be evaluated by the same criteria. When identifying nominees for directorships, the Committee considers diversity of skills, experience and business background, and no specific minimum qualifications are required.

The Nominating Committee has in the past considered potential director candidates suggested by its members, other directors and management. Members on the committee and management have in the past interviewed potential candidates who were not incumbent directors, and the committee has then voted to recommend a slate of nominees to the Board.

The Nominating Committee does not have a charter and operates under a board resolution addressing the nominating process. During 2018, the Nominating Committee held two meetings. All members attended both nominating committee meetings.

DIRECTOR COMPENSATION

In 2018, the Board reviewed its director compensation and determined to raise the special meeting fee for the Audit Committee Chair from \$800 to \$1,000 per regular committee meeting attended and to eliminate all other committee meeting fees. Current director compensation levels are below. Fees are paid only for regular meetings.

Stream Wetlands paid the Company \$38,333 upon execution of the OTL, and an additional \$38,333 during the quarter ended March 31, 2018. ITEM 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

MaloneBailey LLP, acted as our independent registered public accounting firm and audited our financial statements for the year ended December 31, 2018. The Audit Committee of the Board has selected MaloneBailey LLP as independent registered public accounting firm to audit our financial statements for 2019. Representatives of MaloneBailey LLP will attend the annual meeting, have an opportunity to make a statement if they so desire and, respond to appropriate questions.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute proxy soliciting materials and should not be deemed filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent specifically incorporated into such a filing.

The Audit Committee of the Board of Directors has furnished the following report on the Company's audit procedures and its relationship with its independent accountants for the twelve-month period ending December 31, 2018.

The Audit Committee has reviewed and discussed with the Company's management and MaloneBailey LLP the audited financial statements of the Company contained in the Company's Annual Report on Form 10-K for the Company's 2018 fiscal year. The Audit Committee has also discussed with MaloneBailey LLP the matters that registered independent public accounting firms are required to communicate to the Audit Committees pursuant to Public Company Accounting Oversight Board Auditing Standard No. 16, Communications with Audit Committees. Auditing Standard No. 16 requires the independent auditor to provide the Audit Committee with information regarding scope and results of an audit that may assist the Audit Committee in overseeing management's financial reporting and disclosure process.

The Audit Committee also has received from MaloneBailey LLP the written disclosures and the letter required by the Public Company Accounting Oversight Board's Ethics and Independence Rule 3526, Communications with Audit Committees Concerning Independence, and has discussed with MaloneBailey LLP their independence from the Company. In addition, the Committee considered whether the provision by the independent auditors of non-audit services is compatible with maintaining the independent auditors' independence from management and the Company.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for its 2018 fiscal year for filing with the SEC.

The Board of Directors adopted a Charter governing the Audit Committee in January 2003. The Audit Committee is composed of independent directors as required by and in compliance with the listing standards of the NYSE American.

The Board of Directors recommends a vote FOR the appointment of MaloneBailey LLP as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2019.

ITEM 3: ADVISORY VOTE ON THE COMPANY'S EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act amended the Exchange Act to require that the Company's shareholders be provided an opportunity to vote whether to approve the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission. As this vote is an advisory vote, it is not binding upon the Company, the Board of Directors, or Compensation Committee of the Board of Directors. However, the Board of Directors will take the results of this advisory vote under advisement. Also, this vote is not intended to address any specific element of compensation, but rather relates to the overall compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement.
