Item 8.01 Other Events.

The purpose of this Current Report on Form 8-K (“Current Report”) is to set forth the following information previously filed as part of, or as an exhibit to, the Annual Report on Form 10-K (the “Annual Report”) of Lexington Realty Trust (the “Trust”), for the fiscal year ended December 31, 2011, which information has been revised to reflect the impact of the disposition of six properties. The revised information includes:

• Computation of Ratio of Earnings to Combined Fixed Charges and Preferred Dividends;  
• Selected Financial Data;  
• Management's Discussion and Analysis of Financial Condition and Results of Operations; and  
• Financial Statements and Supplementary Data.

This information is attached hereto as Exhibits 12.1 and 99.1 through 99.3 and is incorporated herein by reference. During the six-month period ended June 30, 2012, the Trust disposed of six properties owned by it which were not classified as held for sale at December 31, 2011. The Trust is required to report in discontinued operations the results of operations of a property that has either been disposed of or is classified as held for sale, unless certain conditions are met. The Trust is also required to reclassify results of operations from certain properties disposed, or classified as held for sale, as income from discontinued operations during all reported periods. Accordingly, the information included in this Current Report reflects the reclassification of the results of operations of these properties as discontinued operations for the fiscal years covered by the Annual Report.

Investors should read the information contained in this Current Report together with the other information contained in the Annual Report, the Trust's Quarterly Reports on Form 10-Q for the quarters ended March 31, 2012 and June 30, 2012 and other information filed with, or furnished to, the Securities and Exchange Commission after February 28, 2012, the date of filing the Annual Report. Except as expressly noted above, the information contained in this Current Report has not been updated to reflect any developments since December 31, 2011.
