On approximately March 24, 2017, we will begin mailing a Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and annual report and how to vote over the Internet or how to request and return a proxy card by mail. Stockholders who previously made a request to receive a paper copy of the proxy materials will be mailed the Proxy Statement, annual report and proxy card.

Whether or not you plan to attend the Annual Meeting, your vote is important and we encourage you to vote promptly.

You may vote your shares via a toll-free telephone number or over the Internet. If you received a paper copy of the proxy card by mail, you may sign, date and mail the proxy card in the envelope provided. Instructions regarding all three methods of voting are contained in the Proxy Statement and on the proxy card.

On behalf of the Board of Directors, we thank you for your ongoing support and investment in our Company.

2017 ANNUAL MEETING OF STOCKHOLDERS

PROXY STATEMENT

Preferred Apartment Communities, Inc. ("we," "our," "us" or the "Company") is furnishing this Proxy Statement in connection with our solicitation of proxies to be voted at our 2017 Annual Meeting of Stockholders (the "Annual Meeting"). We will hold the Annual Meeting at our principal executive offices, located at 3284 Northside Parkway NW, 2nd Floor, Atlanta, Georgia 30327, on Thursday, May 4, 2017 at 9:00 a.m. Eastern Time, and any postponements or adjournments thereof. On approximately March 24, 2017, we will begin mailing a Notice of Internet Availability of Proxy Materials containing instructions on how to access our Proxy Statement and annual report and how to vote over the Internet or how to request and return a proxy card by mail.

ABOUT THE PROXY STATEMENT

What is the purpose of the Annual Meeting?

At the Annual Meeting, our stockholders will be asked to consider and act upon the following matters:

- Election of nine directors nominated by our Board of Directors (the "Board") and listed in this Proxy Statement to serve until the annual meeting of stockholders in 2018;
- Ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2017; and
- Such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Why did I receive a Notice of Internet Availability of Proxy Materials in the mail instead of a printed set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission ("SEC"), we are permitted to furnish our proxy materials over the Internet to our stockholders by delivering a Notice of Internet Availability of Proxy Materials in the mail. Unless requested, you will not receive a printed copy of the proxy materials in the mail. Instead, the Notice of Internet Availability of Proxy Materials instructs you on how to access and review the Proxy Statement and 2016 Annual Report to Stockholders over the Internet at:

www.envisionreports.com/APTS. The Notice of Internet Availability of Proxy Materials also instructs you on how you may submit your proxy over the Internet, or how you can request a full set of proxy materials, including a proxy card to return by mail. If you received a Notice of Internet Availability of Proxy Materials in the mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting these materials provided in the Notice of Internet Availability of Proxy Materials.

Will our Manager be present at the Annual Meeting?

Officers of Preferred Apartment Advisors, LLC (our "Manager") will be present at the Annual Meeting. Some or all of these officers may be officers of the Company.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on March 15, 2017, the record date for the Annual Meeting, are entitled to receive notice of and vote at the Annual Meeting.

If you hold your shares through a bank, broker or other nominee and intend to vote in person at the Annual Meeting, you will need to provide a legal proxy from your bank, broker or other stockholder of record.

What are the voting rights of stockholders?

Each share of our common stock is entitled to one vote. There is no cumulative voting.

How many shares are outstanding and entitled to vote at the Annual Meeting?

At the close of business on March 15, 2017, approximately 27,133,944 shares of our common stock were outstanding, including 7,749 shares of unvested restricted common stock, that are entitled to vote at the Annual Meeting. Additionally, 980,069 shares of our Series A Redeemable Preferred Stock and 615 shares of our Series M Redeemable Preferred Stock were outstanding on such date, neither of which are entitled to vote at the Annual Meeting.

What constitutes a quorum?

Stockholders entitled to cast at least a majority of all the votes entitled to be cast must be present at the Annual Meeting in person or by proxy to constitute a quorum for the transaction of business. Withheld votes, "abstentions" and broker non-votes count for purposes of determining whether a quorum is present. Generally, broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the proposal is not a "routine" matter and the broker has not received voting instructions from the beneficial owner of the shares. All items on this year's ballot are "non-routine" matters under New York Stock Exchange ("NYSE") rules to which we are subject, except ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accountants for 2017 (Proposal 2).

What is the difference between a "stockholder of record" and a "street name" holder?

These terms describe how your shares are held. If your shares are registered directly in your name with Computershare, our transfer agent, you are a "stockholder of record." If your shares are held in the name of a brokerage, bank, trust or other nominee as a custodian, you are a "street name" holder.

If you are a "street name" holder, you are considered the beneficial owner of shares held in street name and your broker or nominee is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote your shares. You are also invited to attend the Annual Meeting and vote your shares in person; however, in order to vote your shares in person, you must provide us with a legal proxy from your bank, broker or other stockholder of record.

Brokerage firms have authority under NYSE rules to vote customers' shares for which they have not received voting instructions on certain "routine" matters, but may not vote for "non-routine matters" unless they have received voting instructions. As explained above, all items on this year's ballot are "non-routine" matters under NYSE rules except ratification of the selection of PricewaterhouseCoopers LLP as our independent registered public accountants for 2017 (Proposal 2). Therefore, if you do not provide voting instructions, your brokerage firm may not vote your shares on such non-routine matters. We encourage you to provide voting instructions to your brokerage firm. This ensures your shares will be voted at the Annual Meeting.

How do I vote?

If you are a registered stockholder, meaning that your shares are registered in your name, you have four voting options. You may vote:

• over the Internet at the web address noted in the Notice of Internet Availability of Proxy Materials or proxy card you received (if you have access to the Internet, we encourage you to vote in this manner);

- by telephone using the number noted on the proxy card you received (if you received a proxy card);
- by signing and dating your proxy card (if you received a proxy card) and mailing it in the prepaid, preaddressed envelope enclosed therewith; or
- by attending the Annual Meeting and voting in person.

Please carefully follow the directions in the Notice of Internet Availability of Proxy Materials or proxy card you received. Proxies submitted over the Internet or by telephone must be received by 1:00 a.m., Eastern Time, on May 4, 2017. Proxies submitted by mail must be received by the Company prior to the commencement of the Annual Meeting.

If you have any questions about the Annual Meeting, or if you require assistance on voting, please call Georgeson LLC, our proxy solicitor, at (800) 261-1052.

Can I vote my shares in person at the meeting?

If you are a "stockholder of record," you may vote your shares in person at the meeting. If you hold your shares in "street name," you must obtain a legal proxy from your broker, bank, trustee or nominee, giving you the right to vote the shares at the meeting.

What do I need to do to attend the meeting in person?

Proof of stock ownership and some form of government-issued photo identification (such as a valid driver's license or passport) will be required for admission to the meeting. Only stockholders who owned our common stock as of the close of business on March 15, 2017 are entitled to attend the meeting.

If your shares are registered in your name and you owned our common stock as of the close of business on March 15, 2017, you only need to provide some form of government issued photo identification for admission.

If your shares are held in a bank or brokerage account, contact your bank or broker to obtain a written legal proxy in order to vote your shares at the meeting. If you do not obtain a legal proxy from your bank or broker, you will not be entitled to vote your shares, but you can still attend the meeting if you bring a recent bank or brokerage statement showing that you owned shares of our common stock on March 15, 2017.

What does it mean if I receive more than one Notice of Internet Availability of Proxy Materials or proxy card?

It means that you have multiple accounts with our transfer agent and/or with a broker, bank or other nominee. You will need to vote separately with respect to each Notice of Internet Availability of Proxy Materials or proxy card you received. Please vote all the shares you own.

Can I change my vote after I have mailed in my proxy card?

You may revoke your proxy by doing one of the following:

- by sending a written notice of revocation to our Secretary at 3284 Northside Parkway NW, Suite 150, Atlanta, Georgia 30327 so it is received prior to the Annual Meeting, stating that you revoke your proxy;
- by signing a later-dated proxy card and submitting it so it is received prior to the commencement of the Annual Meeting in accordance with the instructions included on the proxy card(s); or
- by attending the Annual Meeting and voting your shares in person.

How may I vote for each proposal?

Proposal 1 – You may vote for each individual nominee or withhold from each individual nominee.

Proposal 2 – You may vote for, against or abstain from voting to ratify the selection of PricewaterhouseCoopers LLP as our independent registered public accountants for 2017.

What are the Board's recommendations on how I should vote my shares?

Proposal 1 – For all the nominees for election as director.

Proposal 2 – For the proposal to ratify the selection of PricewaterhouseCoopers LLP as our independent registered public accountants for 2017.

What vote is required to approve each item?

Proposal Number	Subject	Vote Required	Impact of Abstentions and Broker Non-Votes, if any
1	Election of directors	Each director will be elected by a plurality of the votes cast. This means that the nine nominees receiving the greatest number of "FOR" votes will be elected as directors, even if the number of votes received for any nominee is less than a majority of the votes present at the Annual Meeting.	Abstentions and broker non-votes will not count as votes cast on the proposal and will not affect the outcome of the vote.
2	Ratification of appointment of independent auditors	A majority of the votes cast.	Abstentions and broker non-votes will not count as votes cast on the proposal and will not affect the outcome of the vote.

Neither of the proposals, if approved, entitles stockholders to appraisal rights under Maryland law or our charter.

What if I return my proxy card but do not provide voting instructions?

If you return a signed proxy card but do not provide voting instructions, your shares will be voted as follows:

Proposal 1 –For all the nominees for election as director.

Proposal 2 For the proposal to ratify the selection of PricewaterhouseCoopers LLP as our independent registered – public accountants for 2017.

What happens if additional matters are presented at the Annual Meeting?

We know of no other matters other than the items of business described in this Proxy Statement that can be considered at the meeting. If other matters requiring a vote do arise, the persons named as proxies will have the discretion to vote on those matters for you.

Is a list of stockholders available?

The names of stockholders of record entitled to vote at the Annual Meeting will be available to stockholders entitled to vote at this meeting for ten days prior to the Annual Meeting for any purpose relevant to the Annual Meeting. This list can be viewed between the hours of 9:00 a.m. and 5:00 p.m. Eastern Time at our principal executive offices at 3284 Northside Parkway NW, Suite 150, Atlanta, Georgia 30327. Please contact our Secretary to make arrangements.

Who will count the votes?

A representative of Computershare, our transfer agent, will act as the inspector of election and will tabulate votes.

Who pays the cost of this proxy solicitation?

We have hired Georgeson LLC to assist in the distribution of proxy materials and the solicitation of proxies for a fee estimated at \$7,000 plus per call fees for any individual solicitation and reasonable out-of-pocket expenses. If you have any questions about the Annual Meeting, or if you require assistance on voting, please call Georgeson LLC at (800) 261-1052. Proxies will be solicited on behalf of the Board by mail, in person and by telephone. We will pay the cost of preparing, assembling and mailing the proxy materials and the cost of soliciting proxies. We will also request

banks, brokers and other holders of record to send the proxy materials to, and obtain proxies from, beneficial owners and will reimburse them for their reasonable expenses in doing so.

How do I submit a stockholder proposal for, or nominate an individual for election at, next year's annual meeting or proxy materials, and what is the deadline for submitting a proposal or nominating an individual?

In order for a stockholder proposal to be properly submitted for presentation at our 2018 annual meeting and included in the proxy material for next year's annual meeting, we must receive written notice of the proposal at our executive offices by November 24, 2017. In order for a stockholder to nominate an individual for election to our Board, or to present a proposal of other business (other than a proposal to

PROPOSAL NO. 1 – ELECTION OF DIRECTORS

Our Board of Directors recommends a vote FOR all of the nominees named below.

Our charter and by-laws provide that the number of our directors may be established by a majority of the entire Board but may not be fewer than two nor more than ten. We currently have nine directors, including six independent directors. The term of each director expires at the Annual Meeting and when his respective successor is duly elected and qualified.

Upon the recommendation of our Nominating and Corporate Governance Committee of the Board (which is comprised solely of independent directors) the Board has nominated incumbent directors Steve Bartkowski, Gary B. Coursey, Daniel M. DuPree, William J. Gresham, Jr., Howard A. McLure, Timothy A. Peterson, Leonard A. Silverstein, John M. Wiens and John A. Williams to stand for re-election at the Annual Meeting and to hold office until the later of our annual meeting of stockholders in 2018 and when his successor is elected and qualified.

We expect that each nominee for election as a director will be able to serve if elected. If any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees. Each director will be elected by a plurality of the votes cast, in person or by proxy, at the Annual Meeting, assuming a quorum is present. Abstentions and broker non-votes will not count as votes cast on the proposal and will not affect the outcome of the vote.

Director Compensation

Our compensation committee (the "Compensation Committee") designs our director compensation with the goals of attracting and retaining highly qualified individuals to serve as independent directors and fairly compensating them for their time and efforts. Because of our qualification and operation as a real estate investment trust, or REIT, for U.S. federal income tax purposes and the unique attributes of a REIT, service as an independent director on our Board requires broad expertise in the fields of real estate and real estate investing.

In 2016, we compensated each of our independent directors with an annual fee of \$60,000. If an independent director also served as our Vice Chairman of the Board, we would compensate such independent director with an additional annual fee of \$50,000. We also paid an additional \$20,000 annual retainer to the chair of our audit committee (the "Audit Committee") and an additional \$10,000 annual retainer to the chair the nominating and corporate governance committee (the "Nominating and Corporate Governance Committee") and the chair of the compensation committee (the "Compensation Committee"). In addition, in 2016, we paid independent directors a fee of \$2,000 per meeting for attending committee meetings. All directors receive reimbursement of reasonable out-of-pocket expenses incurred in

connection with attendance at meetings of the Board and committees thereof. If a director is also one of our officers, we will not pay that director any compensation for services rendered as a director. We may issue shares of our common stock pursuant to our 2011 Stock Incentive Plan in lieu of paying an independent director his annual fees and/or meeting fees in cash.

All annual and committee chair fees paid to our independent directors in 2016 and prior years have been paid in shares of restricted common stock. We currently expect that the annual fees owed to our independent directors will be paid in restricted shares of our common stock under our 2011 Stock Incentive Plan through our next annual meeting in 2018, which restricted shares will vest in approximately equal amounts quarterly, and that the fees for committee chairs will be paid in cash following the Annual Meeting, in equal quarterly installments in arrears. In determining the number of shares granted for the annual fees paid to our independent directors for 2016-2017, our Compensation Committee used the closing price of our common stock for the trading day immediately prior to the date of our 2016 annual meeting to determine the number of shares to grant. In determining the number of shares granted for committee meeting attendance in 2016, our Compensation Committee used the closing price of our common stock for the trading day immediately prior to the meeting to determine the number of shares to grant. All shares granted to our independent directors for committee meeting attendance were immediately vested. Our Audit Committee waived fees for two of the Audit Committee's eight meetings held during 2016. In late 2016 our Compensation Committee determined that, starting January 1, 2017, all committee members who are independent directors will be paid an annual fee of \$20,000 for committee service and that there would be no other meeting related fees. These annual committee fee payments will be made

in equal quarterly installments in arrears. After December 31, 2017, any such fees may be paid in cash or stock. If we elect to pay our independent directors in cash, subject to the consent of the Compensation Committee, each independent director may elect to receive his or her annual fees and/or meeting fees in the form of shares of our common stock or a combination of shares of our common stock and cash. The vesting schedule for fees paid to our independent directors in shares of our common stock will be determined by the Compensation Committee in connection with such award. None of the members of the Board will be entitled to any fees for serving on the Board except as set forth above or unless the Board unanimously determines otherwise.

Compensation of our directors as of December 31, 2016 was as follows:

CORPORATE GOVERNANCE

Board of Directors and Committees

Our business is managed by our Manager, subject to the supervision and oversight of our Board. In addition, there are established investment guidelines for our Manager to follow in its day-to-day management of our business. Our Board may amend or revise the investment guidelines without a vote of our stockholders. A majority of our Board members are "independent," as determined by the requirements of the NYSE and the regulations of the SEC. Our directors keep informed about our business by attending meetings of our Board and its committees and through supplemental reports and communications. Our independent directors will meet regularly in executive session without the presence of our corporate officers or non-independent directors.

Audit Committee. Our Audit Committee consists of three of our independent directors: Messrs. Timothy A. Peterson, Howard A. McLure and John M. Wiens. Mr. Peterson serves as chairman of the Audit Committee and as the "audit committee financial expert," as defined in applicable SEC rules. The other two members of the Audit Committee also meet the standard of "audit committee financial expert," as defined in applicable SEC rules. Our Board has adopted a charter for the Audit Committee that sets forth its specific functions, powers, duties and responsibilities. The Audit Committee, by approval of at least a majority of the members, will: (i) select the independent registered public accounting firm to audit our annual financial statements; (ii) review with the independent registered public accounting firm the plans and results of the audit engagement; (iii) approve the audit and non-audit services provided by the independent registered public accounting firm; (iv) review the independence of the independent registered public accounting firm; consider the range of audit and non-audit fees; and (v) review the adequacy of our internal accounting controls. The Audit Committee will have additional powers, duties and responsibilities as may be delegated to it by the Board. During 2016, the Audit Committee held eight meetings.

Compensation Committee. Our Compensation Committee consists of three of our independent directors: Messrs. Gary A. Coursey, who serves as chairman, William J. Gresham, Jr. and John M. Wiens. During 2016, prior to our 2016 annual meeting, Mr. McLure served as chairman. Actions were also taken during the year by written consent. Our Board has adopted a charter for the Compensation Committee that sets forth its specific functions, powers, duties and responsibilities. Among other things, the Compensation Committee charter calls upon the Compensation Committee to:

- review and approve on an annual basis the corporate goals and objectives relevant to chief executive officer compensation, if any, evaluate our chief executive officer's performance in light of such goals and objectives and, either as a committee or together with our independent directors (as directed by the Board), determine and approve the remuneration of our chief executive officer based on such evaluation;
- review and oversee management's annual process, if any, for evaluating the performance of our officers and review and approve on an annual basis the remuneration of our officers;
- oversee our stock incentive plan; and
- determine from time to time the remuneration for our independent directors.

See "Compensation Discussion and Analysis" for a description of the processes and procedures of the Compensation Committee and for additional information regarding the Compensation Committee's role and management's role in determining compensation for executive officers and directors. During 2016, the Compensation Committee held four meetings.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee is comprised of three of our independent directors: Messrs. Steve Bartkowski, who serves as chairman, Gary B. Coursey and Timothy A. Peterson. During 2016, prior to our 2016 annual meeting, Mr. Coursey served as chairman. The Nominating and Corporate Governance Committee was formed to establish and implement our corporate governance

practices and to nominate individuals for election to the Board. Our Nominating and Corporate Governance Committee operates pursuant to a written charter adopted by our Board. Among other things, the committee charter calls upon the Nominating and Corporate Governance Committee to: (i) develop criteria for selecting new directors and identify individuals qualified to become Board members and members of the various committees of the Board; (ii) select, or recommend that the Board select, the director nominees for each annual meeting of stockholders and the committee nominees; and (iii) develop and recommend to the Board a set of corporate governance principles applicable to the Company. We have not adopted a specific policy regarding the consideration of director nominees recommended to our Nominating and Corporate Governance Committee by stockholders. The Company plans to implement a policy as soon as it receives its first director nominee from stockholders. The Board views it as appropriate to defer developing a formal policy until such time as it receives its first stockholder nominee. Stockholders who wish to recommend nominees for consideration by the committee may submit their nominations in writing to our Secretary at the address provided in this Proxy Statement. The committee may consider these stockholder recommendations when it evaluates and recommends nominees to the Board for submission to the stockholders at each annual meeting. Our Board has adopted a charter for the Conflicts Committee that sets forth its specific functions, powers, duties and responsibilities. For a description of certain of our conflict resolution procedures, see "Certain Relationships and Related Transactions — Conflicts of Interest — Certain Conflict Resolution Procedures" included elsewhere in this Proxy Statement. During 2016, the Conflicts Committee held 12 meetings. Actions were also taken during the year by written consent.

Independent Directors. Our Board has determined that each of our independent directors is independent within the meaning of the applicable (i) requirements set forth in the Securities and Exchange Act of 1934, as amended, (the "Exchange Act") and the applicable SEC rules, and (ii) rules of the NYSE. To be considered independent under the NYSE rules, the Board must determine that a director does not have a material relationship with us (either directly, or as a partner, stockholder or officer of an organization that has a relationship with any of those entities, including our Manager and their affiliates). The Board also considered the enhanced independence requirements of the NYSE applicable to members of the Compensation Committee and the enhanced independence requirements of Rule 10A-3 of the Exchange Act applicable to members of the Audit Committee.

Code of Business Conduct and Ethics

Our Board has established a code of business conduct and ethics. Among other matters, the code of business conduct and ethics is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with applicable governmental laws, rules and regulations;
- prompt internal reporting of violations of the code of business conduct and ethics to appropriate persons identified in such code; and
- accountability for adherence to the code of business conduct and ethics.

Waivers to the code of business conduct and ethics may only be granted by unanimous written consent of the independent directors of our Board. If the independent directors grant any waivers of the elements listed above to any of our officers, we expect to announce the waiver within four business days on the corporate governance section on our corporate website. The information on our website is not a part of this Proxy Statement.

Committee Charters and Corporate Governance Guidelines

The charters of the Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Conflicts Committee, our Corporate Governance Guidelines and our code of business conduct and ethics may be accessed on our website at www.pacaps.com by selecting the "Investors" link, followed by the "Corporate Governance" link, and are available in print upon request from our Secretary. The information on our website is not a part of this Proxy Statement.

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee is comprised of three of our independent directors. None of these individuals has at any time served as an officer or employee of the Company. None of our executive officers has served as a director or member of the Compensation Committee of any entity that has one or more of its executive officers serving as a member of our Board or Compensation Committee.

Board Leadership and Risk Oversight

Our Board does not have a policy on whether the offices of Chairman of the Board and Chief Executive Officer should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from among the independent directors. Our Board believes that it should have the flexibility to select the Chairman and its Board leadership structure, from time to time, based on the criteria that it deems to be in the best interest of the Company and its stockholders. At this time, the offices of the Chairman of the Board and the Chief Executive Officer are combined, with Mr. Williams serving as Chairman and Chief Executive Officer.

Our Board has reviewed our current Board leadership structure in light of the composition of the Board, the Company's size, the Company's recent formation, the nature of the Company's business and other relevant factors. Considering these factors, the Company has determined not to have a separate Chief Executive Officer and Chairman of the Board. Given the size of our Board, the Board believes that the presence of six independent directors out of the nine directors, with only independent directors sitting on the Board's committees and having a lead independent director, provides sufficient independent oversight of the Chairman and Chief Executive Officer. In addition, the Board believes that combining the Chairman and Chief Executive Officer positions is the right corporate governance structure for the Company at this time because it most effectively utilizes Mr. Williams' extensive experience, knowledge and connections in the multifamily

industry; allows Mr. Williams to use his experience, knowledge and connections to lead Board discussions regarding the Company's business and strategy; and provides unified leadership for the Company as it develops and grows.

The Board has a lead independent director. Our lead director is an independent director who is elected by the independent members of the Board. Howard A. McLure, a director since our initial public offering, currently serves as our lead director. The role of our lead director includes the following duties:

- call meetings of the independent directors, as needed;
- develop the agendas for meetings of the independent directors;
- preside at executive sessions of the independent directors;
- confer regularly with the Chief Executive Officer;
- serve as a liaison between the Chief Executive Officer and the independent directors;
- in consultation with the Chief Executive Officer, review and approve Board meeting schedules and agendas; and
- meet with stockholders as appropriate.

The Board oversees risk through: (i) its review and discussion of regular periodic reports to the Board and its committees, including management reports and studies on existing market conditions, leasing activity and property operating data, as well as actual and projected financial results, and various other matters relating to our business; (ii) the required approval by the Conflicts Committee of all conflict of interest transactions, including, among others, acquisitions and dispositions of properties from affiliates and the engagement of our Manager; (iii) review and discussion of drafts of the Company's periodic reports to the SEC; (iv) the oversight of our business by the Compensation Committee, the Audit Committee and the Nominating and Corporate Governance Committee; and (v) regular periodic reports from our independent public accounting firm and other outside consultants, if necessary, regarding various areas of potential risk, including, among others, those relating to the qualification of the Company as a REIT for U.S. federal income tax purposes and our internal controls over financial reporting.

Meetings of the Board of Directors

During 2016, the Board held six meetings. Actions were also taken during the year by written consent. Each of our directors attended all the meetings of the Board held during 2016, and attended all meetings of the committees of the Board on which he served during 2016. All our directors attended our annual meeting of stockholders in 2016. We encourage all incumbent directors and director nominees to attend our annual meetings of stockholders.

Communications with Our Board of Directors

Stockholders and any other interested party may communicate with our Board, our lead independent director or any other individual director by writing to us at Preferred Apartment Communities, Inc., Attention: Secretary, 3284 Northside Parkway NW, Suite 150, Atlanta, Georgia 30327. For any communication not sent directly to our Board or an individual director, our Secretary will forward such communication to our lead independent director to the extent our Secretary determines the subject matter of the communication is relevant for consideration

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Management Agreement

We have entered into a sixth amended and restated management agreement (as amended, the "Management Agreement") with our Manager to manage our day-to-day operations. Pursuant to the Management Agreement, our Manager provides us with a management team and appropriate support personnel to implement our business strategy and perform certain services for us, subject to oversight by our Board. Our Manager has an investment committee that oversees our investment guidelines, our investment portfolio and its compliance with our investment guidelines and policies. We do not, nor do we expect to, have any employees.

The Management Agreement has a three-year term with automatic yearly renewals upon the expiration of each year of the term, subject to termination by us or our Manager under specified circumstances. The Management Agreement provides that, in the event of termination by us without cause, or, in the event of termination by our Manager for cause (each as described below), we are required to pay to our Manager a termination payment (the "Termination Payment") equal to the recurring fees paid or owing relating to the prior 12-month period multiplied by (a) 3.0, if the effective date of termination is on or prior to December 31, 2017, or (b) 2.5, if the effective date of termination is on or after January 1, 2018. If our Manager is sold to an unaffiliated third party without the consent of our independent directors, or if our Manager assigns the Management Agreement, in whole or in part, without the consent of a majority of our independent directors and the Partnership, the Manager will not be entitled to the Termination Payment.

We may, upon the affirmative vote of at least 75% of our independent directors, terminate the Management Agreement without cause, upon a finding that (a) our Manager is not performing satisfactorily in light of the economic environment existing at such time, or (b) the fees charged by our Manager are not in accordance with the then-current market rates charged by asset management companies rendering services substantially similar to those rendered by our Manager, provided that the termination notice will not be effective if our Manager (i) agrees to continue to provide services for a rate that at least 75% of the independent directors determine to be in accordance with market rates, (ii) delivers a notice of proposal to negotiate, and (iii) reaches an agreement with us as to modified fees within 60 days of such notice. Termination of the Management Agreement by the Company without cause will be effective on December 31, 2017, if written notice is provided to and received by our Manager prior to July 1, 2017, or, if such notice is received by our Manager on or after July 1, 2017, on the last day of the calendar month that is 180 days following the date such notice is received by our Manager. We may terminate the Management Agreement for cause (a) upon a final determination by a court that there has been a material breach of the Management Agreement by our Manager having a material adverse effect on us, and such breach has continued for a period of 60 days following notice to our Manager (or 90 days if our Manager took steps to cure within 60 days), (b) in the event of a bankruptcy or similar occurrence with respect to our Manager, (c) upon dissolution of our Manager, or (d) upon a final determination of a court that our Manager has committed fraud or similar acts. Our Manager will not be entitled to the Termination Payment if we terminate the Management Agreement for cause.

Our Manager may unilaterally terminate the Management Agreement upon no less than 180 days' prior written notice to us informing us of our Manager's intention to discontinue performance of services pursuant to the Management Agreement as of the date of termination, in which event our Manager will not be entitled to the Termination Payment. Our Manager may terminate the Management Agreement with immediate effect if we become required to register as an investment company under the Investment Company Act of 1940, in which event our Manager will not be entitled to the Termination Payment. Our Manager may terminate the Management Agreement for cause (a) upon assignment of the Management Agreement by us without the consent of our Manager, (b) upon a change in control of us (as defined), (c) upon a sale of all or substantially all of our assets, or (d) upon the final determination of a court that we have materially defaulted in the performance of its obligations under the Management Agreement, and such default is uncured for 60 days (or 90 days if we took steps to cure within 60 days). In the event of a termination by our Manager

for cause, we are required to pay to our Manager the Termination Payment and we are also required to forgive any indebtedness then owing by our Manager to us under any line of credit facility, with the outstanding principal balance so forgiven capped at \$15 million.

The Management Agreement provides for the Manager to be paid fees in connection with services provided to us. These fees include asset management, acquisition fees, disposition, general and administrative expense, multifamily property management and leasing, retail management, retail leasing and construction, development and landscaping fees. The asset management fee is equal to one-twelfth of 0.50% of the total value of our assets (including cash or cash equivalents) based on the adjusted cost of our assets before reduction for depreciation, amortization, impairment charges and cumulative acquisition costs charged to expense in accordance with generally accepted accounting principles ("GAAP") (adjusted cost will include the purchase price, acquisition expenses, capital expenditures and other customarily capitalized costs), payable monthly in arrears. Prior to January 1, 2016, an acquisition fee equal to 1.0% of the gross contract purchase price of the property, loan or other real estate-related asset purchased, was paid for services in connection with selecting, evaluating and acquiring such asset. The multifamily property management and leasing fee and the retail management fee are 4% of the monthly gross revenues of our properties managed, for services in connection with the rental, leasing, operation and management of our properties and the supervision of any third parties that are engaged by our Manager to provide such services and is payable monthly in arrears, based on the actual gross revenues for the prior month. The retail leasing fee for new leases is equal to the greater of (i) \$4.00 per square foot or (ii) the sum of 4.0% of the aggregate base rent for the first ten years of the lease. The retail leasing fee for renewals is equal to the greater of (i) \$2.00 per square foot or (ii) the sum of 2.0% of the aggregate base rent for the first ten years of the lease. Notwithstanding the foregoing,

retail leasing fees will not exceed customary competitive rates for the market. The general and administrative expense fee is 2% of our monthly gross revenues, and is payable monthly in arrears based on the actual gross revenues of the Company for the prior month. The disposition fee payable upon the sale of one or more of our properties or other assets is an amount equal to 1% of the contract sales price of the asset. Any construction fee, development fee and landscaping fee we pay our Manager, if any, will be at market rates customary and competitive in light of the size, type and location of the asset in connection with the construction, development or landscaping of a property, or for management and oversight of expansion projects and other capital improvements. Also, we may reimburse our Manager for certain costs and expenses it incurs in connection with the services it provides to us. However, the total amount of the asset management, multifamily property management and leasing, retail management, retail leasing and general and administrative expense fees and expenses paid or reimbursed to our Manager will be capped at 1.5% of total value of our assets (including cash and cash equivalents) based on the adjusted cost of our assets before reduction for depreciation, amortization, impairment charges and cumulative acquisition costs charged to expense in accordance with GAAP (adjusted cost will include the purchase price, acquisition expenses, capital expenditures and other customarily capitalized costs). Effective January 1, 2016, the acquisition fee was eliminated and replaced with a loan origination fee or a loan coordination fee. The loan origination fee is 1.0% of the amount that may be advanced by us for a loan for services in connection with selecting, evaluating and documenting such loan investment. The loan coordination fee is: (1) 1.6% of (i) the initial amount of new debt financed or outstanding debt assumed, other than a refinancing, related to any type of asset owned, directly or indirectly; (ii) the additional amount of any supplemental financing related to any asset owned, directly or indirectly; and (iii) for any acquisition (by purchase, investment or exchange) of asset acquired without any new or assumed debt financing, an amount equal to 63.0% of the purchase price for the acquisition, inclusive of expenses related thereto, but exclusive of any loan coordination fee; less (2) the aggregate amount of loan coordination fees and loan origination fees previously paid in connection with the asset.

The Manager may, in its discretion, defer some or all of the asset management, property management, or general and administrative expense fees for properties owned by the Company. Any deferred fees become due and payable to the extent that, in the event of any capital transaction, the net sale proceeds exceed the allocable capital contributions for the asset plus a 7.0% priority annual return on the asset. An aggregate total of approximately \$3.7 million of combined asset management and general and administrative expense fees have been deferred by the Manager as of December 31, 2016.

OP Agreement

Class B Units. Our operating partnership has granted and in the future may continue to grant Class B Units, representing Class B limited partnership interests in our operating partnership, as equity incentive awards to our directors, officers and employees (if we ever have employees), employees of our Manager and its affiliates, employees of entities that provide services to us, directors of our Manager or of entities that provide services to us, certain of our consultants and certain consultants to our Manager and its affiliates or to entities of such consultants that provide services to us. The Class B Units may be subject to forfeiture or other restrictions upon terms included with any such grant.

In general, the Class B Units are intended to be treated as "profits interests" in our operating partnership for U.S. federal income tax purposes. In general, the Class B Units will receive allocations of net income and net loss consistent with their distribution priorities, however, periodically and upon the occurrence of certain specified events, our operating partnership will revalue its market capitalization and any increase in market capitalization will be allocated first to such Class B Units until the capital account attributable to each such Class B Units is economically equivalent to our capital account attributable to each of the Class A Units we hold in our operating partnership. At the time the capital account attributable to each such Class B Unit is economically equivalent to our capital account attributable to each of the Class A Units we hold, such Class B Unit shall automatically convert into a Class A Unit and such holder shall be entitled to all rights and preferences and subject to all obligations of any other holder of Class A Units. If the Class B Units are subject to forfeiture, upon a forfeiture of Class B Units, there is a risk that we will

recognize taxable income up to the amount of the capital account of such holder of such Class B Units allocable to such Class B Unit. The Class B Units may be entitled to distributions, even though the Class B Units are subject to forfeiture.

After owning a Class A Unit for one year, Class A Unit holders generally may, subject to certain restrictions, exchange Class A Units for the cash value of a corresponding number of shares of our common stock or, at our option, a corresponding number of shares of our common stock. However, subject to certain limitations, in the case of a proposed combination, each Class A Unit holder has the right to exercise its exchange right prior to the stockholder vote on the transaction, even if it has held its units for less than one year. In addition, when Class A Units are issued upon the conversion of a Class B Unit, the period of time the Class B Unit was owned will be considered for the one year ownership requirement of a Class A Unit.

See "Executive Compensation" beginning on page 21 of this Proxy Statement.

Affiliate Loans

We have extended a revolving line of credit to our Manager in an aggregate amount of up to \$15.0 million, in order to provide liquidity to our Manager in support of its ongoing business operations. The credit line bears interest at 8.0% per annum, with interest payable monthly and matures on December 31, 2018. At December 31, 2016, the amount drawn by our Manager was approximately \$13.7 million, and for the year ended December 31, 2016, interest revenue was \$987,557.

We have an outstanding loan to Preferred Capital Marketing Services, LLC, or PCMS, in the original principal amount of \$1.5 million. PCMS is under common control with our Manager. This loan bears interest at 10.0% per annum, with interest payable monthly and matures on December 31, 2017. At December 31, 2016, the amount owed by PCMS was approximately \$1.1 million, and for the year ended December 31, 2016, interest revenue from PCMS was \$118,430.

Included in the acquisition fees recognized for the twelve months ended December 31, 2014 were \$714,570 paid as a fee to Joel T. Murphy, which was earned prior to his appointment as a director and Chief Executive Officer of New Market Properties, LLC, a related party, related to the acquisition of nine grocery-anchored shopping centers. Mr. Murphy was also paid a fee of \$57,268 in connection with one grocery-anchored shopping center acquisition prior to becoming a director of the Company in September 2014 (Mr. Murphy left our Board in May 2015) and the Chief Executive Officer of New Market Properties, LLC, which is included in other acquisition costs.

Conflicts of Interest

We are subject to various conflicts of interest arising out of our relationship with our Manager, and its affiliates, including conflicts related to the arrangements pursuant to which our Manager and its affiliates will be compensated by us. Our agreements and compensation arrangements with our Manager and its affiliates were not determined by

arm's length negotiations. We anticipate that future acquisitions by us of assets likely will be mostly from unaffiliated third parties, but we would still consider acquisitions from affiliated third parties if any such acquisition made financial sense to us and was approved by our Conflicts Committee comprised solely of independent directors.

Our Manager and its affiliates will try to balance our interests with their duties to other John A. Williams-sponsored programs. However, to the extent that our Manager or its affiliates take actions that are more favorable to other entities than to us, these actions could have a negative impact on our financial performance and, consequently, on distributions to our stockholders and the value of our common stock. In addition, our directors, officers and certain of our stockholders may engage for their own account in business activities of the types conducted or to be conducted by our subsidiaries and us.

Our independent directors have an obligation to function on our behalf in all situations in which a conflict of interest may arise, and all our directors have a duty to act in a manner reasonably believed to be in our best interest.

Certain Conflict Resolution Procedures

Every transaction that we enter into with John A. Williams, WOF, WRF, our Manager, any of their respective affiliates and any other of our related persons will be subject to an inherent conflict of interest. Our Board may encounter conflicts of interest in enforcing our rights against any affiliate in the event of a default by or disagreement with an affiliate or in invoking powers, rights or options pursuant to any agreement between us and John A. Williams, WOF, WRF, our Manager or any of their respective affiliates. In order to reduce or eliminate certain potential conflicts of interest, our Conflicts Committee will review (i) all transactions we enter into with John A. Williams, WOF, WRF, our Manager or any of their respective affiliates, and (ii) the allocation of investment opportunities among affiliated entities. The policies and procedures of the Conflicts Committee are evidenced in the charter of the Conflicts Committee.

In addition, our code of business conduct and ethics requires all of our personnel to be vigilant in avoiding a conflict of interest as it relates to our interests and the interests of our officers and directors or the interests of the employees, officers and directors of our Manager when such individuals are acting for or on our behalf. The code prohibits us from, among other things, entering into a transaction or a business relationship with such a related person or in which such a related person has a substantial financial interest, unless such transaction and relationship are disclosed to and approved in advance by our Conflicts Committee.

Each of our directors and executive officers is required to complete an annual disclosure questionnaire and report all transactions with us in which they and their immediate family members had or will have a direct or indirect material interest with respect to us. We review these questionnaires and, if we determine that it is necessary, discuss any reported transactions with the entire Board. We do not have a formal written policy for approval or ratification of such transactions, as all such transactions are evaluated on a case-by-case basis.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and officers (as defined in the Exchange Act), and persons who own more than ten percent of a registered class of the Company's equity securities, if any, to file with the SEC reports of ownership of the Company and reports of changes in ownership. Such persons must furnish copies of all such reports that they file to us. Based solely on a review of such reports and written representations of our directors and officers, we believe that during the fiscal year ended December 31, 2016 ("fiscal year 2016"), the Company's officers, directors and greater than ten percent owners timely filed all reports they were required to file under Section 16(a).

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Our Compensation Discussion and Analysis describes our compensation program, objectives and policies for our Named Executive Officers for fiscal year 2016. Our Named Executive Officers for fiscal year 2016 were John A. Williams, Chief Executive Officer, Michael J. Cronin, Executive Vice President, Chief Accounting Officer and Treasurer, Leonard A. Silverstein, President and Chief Operating Officer, Daniel M. DuPree, Chief Investment Officer, and Joel T. Murphy, Chief Executive Officer - New Market Properties, LLC.

Overview of Compensation Program and Philosophy

We have no employees. We are externally managed by our Manager pursuant to the Management Agreement. All our Named Executive Officers are employees or equity owners of our Manager and/or affiliates of our Manager that provide services to us. We have not paid, and do not intend to pay in 2017, any cash compensation to our Named Executive Officers. We do not provide our Named Executive Officers with pension benefits, perquisites or other personal benefits. We have no arrangements to make cash payments to our Named Executive Officers upon their termination from service as our officers. While we do not pay our Named Executive Officers any cash compensation, the Compensation Committee may grant our Named Executive Officers equity-based awards intended to align their interests with the interests of our stockholders. In establishing award levels, the Compensation Committee currently does not plan to engage in any benchmarking of award levels/opportunities, believing that there is insufficient information regarding incentive awards in the case of externally-managed REITS. In addition, Mr. Williams has informed us that he intends to have any equity-based awards he is granted transferred to a trust for the benefit of his children for which neither he nor his spouse is the trustee. Mr. Williams has informed us that these planned transfers are made for tax and estate planning purposes. If these equity-based awards are originally granted to Mr. Williams, any transfer will be reported as a disposition by Mr. Williams under Section 16(a) of the Exchange Act.

Say-On-Pay Vote

At our 2015 annual meeting of stockholders, we provided our stockholders with the opportunity to vote to approve, on an advisory basis, the compensation of our Named Executive Officers. An overwhelming majority of our stockholders (95.2%) that voted at the 2015 annual meeting of stockholders approved the compensation of our Named Executive Officers as described in our proxy statement for the 2015 annual meeting of stockholders. The Compensation Committee reviewed the results of this advisory "say-on-pay" vote and considered it in determining specific award amounts granted to our Named Executive Officers for 2016. The Compensation Committee will also carefully consider the results of the stockholder advisory vote on executive compensation when making future decisions on the compensation of our Named Executive Officers, along with other expressions of stockholder views it receives on specific policies and desirable actions.

Say-on-Pay-Frequency Vote

At our 2012 annual meeting of stockholders, our stockholders who voted recommended by a substantial majority (79.85%) that we hold an advisory stockholder vote on the compensation of our Named Executive Officers every three years. As a result of this vote, an advisory vote on the Named Executive Officers compensation was held at the 2015 annual meeting of stockholders, with the next say-on-pay vote now scheduled for our 2018 annual meeting of stockholders. Our next say-on-pay-frequency vote is also scheduled for our 2018 annual meeting of stockholders.

Cash and Other Compensation

We do not pay or accrue any salaries or bonuses to our Named Executive Officers.

Supplementary Compensation Disclosure

While not required under the guidelines of the SEC, we have provided supplemental compensation information with respect to our Named Executive Officers in the Summary Compensation Table on Page 26 of this Proxy Statement. This information has been disclosed in order to provide our shareholders with additional information to understand the overall compensation provided to our Named Executive Officers both by our Manager and directly by the Company through the awarding of annual equity grants. As illustrated in the Summary Compensation Table, we believe that the compensation provided to our Named Executive Officers is well aligned with the interests of our shareholders as it is heavily weighted to equity awards that are earned based on the achievement of increases in our market capitalization above pre-determined baseline levels.

Equity-Based Compensation

The Compensation Committee may, from time to time pursuant to our 2011 Stock Incentive Plan, grant our Named Executive Officers equity-based awards, including options, restricted shares, restricted share units, unrestricted shares and other awards based on our shares. No such equity based awards were granted under the 2011 Stock Incentive Plan to our Named Executive Officers in fiscal year 2016.

In addition, under the operating partnership agreement of our operating partnership Class B Units may be granted to our directors, officers (including our Named Executive Officers) and employees (if we ever have employees), employees of our Manager and its affiliates, employees of entities that provide services to us, our Manager and its affiliates, or to entities that provide services to us. To the extent that our Named Executive Officers are granted Class B Units in respect of their services to us, they do not receive duplicate compensation under our 2011 Stock Incentive Plan. These equity-based awards are generally subject to vesting requirements, and are designed to promote the retention of management and to achieve strong performance for the Company. These equity-based awards provide a further benefit to us by enabling our Manager and its affiliates to attract, motivate and retain talented individuals. If and when granted, these equity-based awards are designed to align the interests of our Named Executive Officers with those of our stockholders, by allowing our Named Executive Officers to share in the creation of value for our stockholders through capital appreciation and dividends.

We currently do not have any equity ownership requirements or guidelines for our Named Executive Officers.

We believe our compensation policies are particularly appropriate since we are an externally managed REIT. REIT regulations require us to pay at least 90% of our REIT taxable income to stockholders as dividends. As a result, we believe that our common stockholders are principally interested in receiving attractive risk-adjusted dividends and growth in dividends and market capitalization. Accordingly, we want to provide an incentive to our Named Executive Officers that rewards success in achieving these goals. Since we generally do not have the ability to retain earnings, we believe that equity-based awards serve to align the interests of our Named Executive Officers with the interests of our stockholders in receiving attractive risk-adjusted dividends and growth. Additionally, we believe that equity-based awards are consistent with our stockholders' interest in market capitalization growth as these individuals will be incentivized to grow our market capitalization for stockholders over time. We believe that this alignment of interests provides an incentive to our Named Executive Officers to implement strategies that will enhance our overall performance and promote growth in dividends and growth in our market capitalization.

The Compensation Committee does not use a specific formula to calculate the number of equity awards and other rights awarded to our Named Executive Officers under our 2011 Stock Incentive Plan or our operating partnership agreement. The Compensation Committee does not explicitly set future award levels/opportunities on the basis of what the Named Executive Officers earned from prior awards. While the Compensation Committee will take past awards, if any, into account it will not solely base future awards in view of those past awards. Generally, in determining the specific amounts to be granted to an individual, the Compensation Committee will take into account factors such as our performance, the individual's position, his or her contribution to our performance, and general market practices of our peers and similarly sized companies, as well as the recommendations of our Manager.

Class B Unit Grants

2016 Grants. On January 4, 2016, the Compensation Committee approved the grant of 211,678 Class B Units (the "2016 Class B Units") to the following Named Executive Officers in lieu of reimbursement for aggregate annual cash compensation of \$2,825,000 for 2016:

Name	2016 Class B Units
John A. Williams	67,437

Michael J. Cronin	14,986
Leonard A. Silverstein	52,451
Daniel M. DuPree	52,451
Joel T. Murphy	24,353

The Compensation Committee increased the value of Class B Unit grants approximately 31.7% in 2016 from the values of the Class B Units granted in 2015 to move the aggregate compensation of the Company's Named Executive Officers (if all 2016 Class B Units are earned) in line with that of the Company's peers. All grants of 2016 Class B Units were determined using the value of the underlying shares of our common stock that may be issued if the market capitalization of the Company hits a target increase of approximately \$3.55 million. This target increase is measured on the first anniversary of the grant and, if not fully met on that date, it is measured quarterly thereafter until the full target increase is met or until the Named Executive Officers forfeits their Class B Units.

All of the the 2016 Class B Units for Messrs. Williams, Silverstein and DuPree vested on January 3, 2017 and one third of the 2016 Class B Units of Messrs. Cronin and Murphy vested on January 3, 2017. The unvested 2016 Class B Units of Messrs. Cronin and Murphy will vest equally in January 2018 and January 2019. All determinations, interpretations and assumptions related to the vesting and calculation of the amount of 2016 Class B Units earned were, and will be, made by the Compensation Committee. On January 3, 2017, the Compensation Committee determined that all of the 2016 Class B Units were fully earned and the Class B Units that vested were converted into Class A Units. In making this determination, all market capitalization calculations made by the Compensation Committee were based on the total number of shares of our common stock outstanding on the date of grant and the volume weighted average of the closing per share prices of our common stock reported by the NYSE for the five consecutive trading days ending on (and including) the valuation date. As of January 3, 2017, the Compensation Committee's determination that all 2016 Class B Units were earned was based on our achievement as of the valuation date of an approximately \$26.4 million increase in our market capitalization above the baseline value of approximately \$300.4 million on the date of grant. All vested and earned 2016 Class B Units automatically converted on a one-for-one basis into Class A Units of our operating partnership which are exchangeable for shares of our common stock on a one-for-one basis, or cash, as elected by us. Any shares of our common stock underlying the Class A Units, if and when issued, will be issued pursuant to our 2011 Stock Incentive Plan. The Compensation Committee believes the grant of the 2016 Class B Units aligned the interests of these Named Executive Officers closely with the interests of our stockholders in growth in dividends and our market capitalization.

The 2016 Class B Units were designed to qualify as "profits interests" in our operating partnership for federal income tax purposes. As a general matter, the profits interests' characteristics of the 2016 Class B Units means that at the time of grant they were not economically equivalent in value to a Class A Unit and the economic value increase over time as and when earned.

The 2016 Class B Units also provided provisions for accelerated vesting and determination of the number earned in the event of a change of control or termination of service prior to January 3, 2017. For more information see "Potential Payments upon Termination or Change of Control" below.

Accounting and Tax Considerations

ASC 718. We generally follow guidance under ASC 718. Certain future stock-based compensation expense will be affected by our stock price, the number of stock-based awards our Compensation Committee grants, if any, in fiscal year 2017 and subsequent years, as well as a number of complex and subjective valuation assumptions and the related tax impact. These valuation assumptions may include, but are not limited to, dividend yields on our stock, risk-free interest rates, the expected term of the award and the volatility of our common stock price.

Policy with Respect to Compensation Deductibility. In general, Section 162(m) of the Code denies a publicly held corporation a deduction for federal income tax purposes for compensation in excess of \$1,000,000 per year per person to its "covered employees" (generally, its chief executive officer and three other executive officers (other than its chief financial officer) whose compensation is disclosed in its proxy statement), subject to certain exceptions. Compensation paid under certain qualified performance-based compensation arrangements, which (among other things) provide for compensation based on pre-established objective performance goals established by a compensation committee that is comprised solely of two or more "outside directors", is not considered in determining whether a "covered employee's" compensation exceeds \$1,000,000. Our policy with respect to the deductibility limit of Section 162(m) of the Internal Revenue Code of 1986, as amended, generally is to preserve the federal income tax deductibility of compensation paid when it is appropriate and is in our best interest. As a result of stockholder approval of the Section 162(m) performance goals under the 2011 Stock Incentive Plan at our 2015 annual meeting, certain awards under the 2011 Stock Incentive Plan may be structured so as to satisfy these requirements so that the income recognized in connection with awards will not be included in a "covered employee's" compensation for the

purpose of determining whether such individual's compensation exceeds \$1,000,000. However, we reserve the right to authorize the payment of non-deductible compensation if we deem that it is appropriate to do so under the circumstances.

Role of Executive Officers in the Compensation Process

Our Chief Executive Officer, our President and Chief Operating Officer and our Chief Investment Officer provide input and recommendations to the Compensation Committee for the compensation, if any, paid to each of our Named Executive Officers. The Compensation Committee considers these recommendations when determining salary, if any, awarding incentive compensation and setting incentive opportunities for the coming year. In addition, our Chief Accounting Officer analyzes the financial implications of various executive compensation plan designs.

Independent Compensation Consultant

In 2015, the Compensation Committee engaged FPL Associates ("FPL") as its independent compensation consultant to advise the Compensation Committee with respect to our equity-based compensation program for our Named Executive Officers in 2016. Prior to engaging FPL in 2015, no independent consultants were used by the Company or the Compensation Committee. All of FPL's work

was done at the direction of or on behalf of the Compensation Committee, who considered the independence of FPL in accordance with NYSE requirements. Although the Compensation Committee considers the advice of its independent consultant, the Compensation Committee has the final decision-making authority with respect to all elements of compensation. FPL does not provide any additional services to us.

Securities Trading Policy

We maintain a comprehensive securities trading policy which provides, among other things, that "covered persons" and "insiders" who are aware of material, non-public information regarding the Company may not disclose or trade on such information. In addition, "covered persons" and "insiders" are prohibited from transacting in derivative securities of the Company, short selling Company securities, buying or selling Company securities during any blackout period, holding Company stock in a margin account or pledging Company stock as collateral for a loan. Individuals classified as "insiders" (which include the Named Executive Officers) and their family members generally may not buy or sell Company securities without prior approval of the Company's General Counsel, except under approved Rule 10b5-1 trading plans. To our knowledge, our Named Executive Officers comply with the policy, and none of our Named Executive Officers currently holds our securities in a margin account or has used our securities as collateral for a loan.

(1) While disclosed here, salary amounts are not paid by the Company. All amounts were paid by the Manager except for Mr. Murphy, who was paid his salary solely by NMP Advisors, LLC.

Represents the total grant date fair value of the Class B Units granted in 2014, 2015 and 2016 determined in accordance with ASC 718. We engaged a third party valuation consultant to develop the grant date fair values of the Class B Units using a Monte-Carlo simulation. The simulation was run using assumptions regarding dividend yield, expected volatility, risk-free interest rate and service period. Since we had a limited amount of operating history in the public equity market, in 2014 and 2015, the expected volatility assumption was derived from the observed historical volatility of the common stock prices of a select group of peer companies within the REIT industry that most closely approximate our size, capitalization, leverage, line of business and geographic focus markets (as discussed in "Compensation Discussion and Analysis"). In 2016, we began using our own public equity market history for the expected volatility assumption.

(3) Mr. Murphy has served as Chief Executive Officer of New Market Properties, LLC, a wholly owned subsidiary of the Company's operating partnership, since September 1, 2014. Included in Mr. Murphy's compensation in 2014 is \$771,838 paid in cash as a fee related to the acquisition of the ten grocery-anchored retail shopping centers during 2014, where \$57,268 of these fees were paid to Mr. Murphy in 2014 prior to Mr. Murphy becoming a director of the Company and Chief Executive Officer of New Market Properties, LLC. Mr. Murphy was the independent

third-party consultant who identified the retail assets acquired and an agreement was reached, prior to Mr. Murphy becoming an officer or director, whereby he would be compensated at closing if the acquisitions occurred. During the acquisition process, Mr. Murphy was asked to join our board of directors based on his background and experience (Mr. Murphy served on our Board from September 2014 to May 2015) and was also asked to become the Chief Executive Officer of New Market Properties, LLC. The Company does not plan to pay consulting fees to Mr. Murphy for any future acquisitions if he is an officer of New Market Properties, LLC or the Company.

GRANTS OF PLAN-BASED AWARDS THAT OCCURRED IN 2016⁽¹⁾

Our 2016 Class B Unit awards do not have threshold (or minimum amount) numbers of Class B Units that are earned for a certain level of performance under the award agreements. As such, the threshold level shown in the table is "N/A" based on the fact that there is a potentially infinite time over which the Class B Units may be earned, subject to the Named Executive Officer's continued service. All of the the 2016 Class B Units for Messrs.

(1) Williams, Silverstein and DuPree vested on January 3, 2017 and one third of the 2016 Class B Units of Messrs. Cronin and Murphy vested on January 3, 2017. The unvested 2016 Class B Units of Messrs. Cronin and Murphy will vest equally in January 2018 and January 2019. On January 3, 2017, the Compensation Committee determined that all of the 2016 Class B Units were fully earned and that all of the vested 2016 Class B Units were converted to Class A Units.

Our target and maximum amounts are the same as the specified performance target of an aggregate approximate (2)\$3.55 million increase in our market capitalization after a one-year vesting period, which would result in all of the 2016 Class B Units being earned.

Messrs. Cronin and Murphy will vest equally in January 2018 and January 2019. On January 3, 2017, the Compensation Committee determined that all of the 2016 Class B Units were fully earned and were converted to Class A Units.

John A. Williams	76,149	996,029

Joel T. Murphy	41,882	547,817

Represents the number of Class B Units granted on January 2, 2015 that vested on January 4, 2016 and were (1) earned on January 4, 2016 and became Class A Units when earned, which are exchangeable for shares of our common stock on a one-for-one basis, or cash, as elected by us.

The amounts are calculated by multiplying \$13.08, the closing price of our common stock as reported by the NYSE (2) on December 31, 2015 (the last trading date prior to the vesting date), by the number of Class B Units converted to Class A Units.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE OF CONTROL

Under the 2016 Class B Unit grants, in the event that we would have experienced a change of control prior to January 3, 2017, 100% of the 2016 Class B Units would have immediately and automatically vested at that time. In addition, a calculation to determine if, and to what extent, the 2016 Class B Units were earned would have been made using the fair value of our common stock on a per share basis, as determined by the Compensation Committee based on the total consideration paid or payable in the transaction resulting in the change of control, to calculate our market capitalization.

The 2016 Class B Unit grants also provided that in the event a participant's service as an executive officer with us terminated due to death or disability prior to January 3, 2017, a pro rata portion of the participant's 2016 Class B Units would be forfeited based upon the number of days from the date of the death or disability to January 3, 2017, but the un-forfeited portion of the participant's 2016 Class B Units would fully vest as of the date of the participant's death or disability.

Further, under the 2016 Class B Units, if a participant's service as an executive officer with us would have ceased for any reason other than death, disability or change of control, any 2016 Class B Units that had not been earned would have been automatically forfeited, although the Compensation Committee could have, in its sole discretion, determined that all or any portion of any of the 2016 Class B Units awarded should become fully vested and not forfeited.

If on December 31, 2016 we had incurred a change of control or the Named Executive Officers' service with us would have terminated due to death or disability, assuming that all 2016 Class B Units would have become vested and earned as of such date, and without regard to any proration, Messrs. Williams, Cronin, Silverstein, DuPree and Murphy's 2016 Class B Units would have vested and been earned as of such date with values of \$1,005,486, \$223,441, \$782,044, \$782,044 and \$363,103, respectively. Such amounts are calculated by multiplying \$14.91 (the closing price of our common stock as reported on December 30, 2016 by the NYSE), by the applicable number of 2016 Class B Units.
