PROXY STATEMENT

Proxy Solicitation

The accompanying proxy is solicited by the Board of Trustees of InnSuites Hospitality Trust for use at the 2015 Annual Meeting of Shareholders (the “Annual Meeting”) to be held on Tuesday, December 22, 2015, and any adjournments or postponements thereof. In addition to the solicitation of proxies by mail, our Trustees, officers and regular employees may also solicit the return of proxies by regular or electronic mail, telephone or personal contact, for which they will not receive additional compensation. We will pay all costs of soliciting proxies and will reimburse brokers or other persons holding our Shares of Beneficial Interest (“Shares”) in their names or in the names of their nominees for their reasonable expenses in forwarding proxy materials to the beneficial owners of such Shares.

General Information

Shareholders of record at the close of business on November 24, 2015 (the record date) will be entitled to vote at the Annual Meeting and at any adjournments or postponements thereof. As of that date, there were 8,762,819 Shares issued and outstanding. Each outstanding Share is entitled to one vote on all matters that properly come before the Annual Meeting. A majority of the issued and outstanding Shares must be represented at the Annual Meeting in person or by proxy in order to constitute a quorum for the transaction of business.

Shares represented by properly executed proxy cards will be voted in accordance with the specifications made thereon. If no specification is made, proxies will be voted “**FOR**” the election of each of the Trustee nominees named herein, and in the discretion of the persons voting the Shares represented by proxies if any other business properly comes before the meeting. The election of each Trustee requires the affirmative vote of the holders of at least a majority of the issued and outstanding Shares entitled to vote present in person or by proxy at the Annual Meeting.

Abstentions, but not broker non-votes, will be tabulated in determining the votes present at the Annual Meeting for purposes of determining a quorum. If your Shares are held in street name and you do not provide voting instructions to the brokerage firm that holds your shares, the brokerage firm can, in its discretion, vote your uninstructed Shares only on matters on which it is permitted to exercise authority (“routine” matters). A broker non-vote occurs when a broker, bank or other holder of record holding Shares for a beneficial owner does not vote on a particular proposal because it does not have discretionary voting power for that particular item, or chooses not to vote, and has not received instructions from the beneficial owner. Brokers may not exercise their discretion to vote uninstructed Shares for the election of the Trustees because these matters are not considered routine. Therefore, if your Shares are to be represented by a broker at the Annual Meeting, you must give specific instructions to your broker for your Shares to be voted on the election of the Trustees. On Proposal No. 1, abstentions will have the same effect as votes against a Trustee, as each abstention will be one less vote for the Trustee nominee. Broker non-votes will have no effect on the election of Trustees.

This proxy statement and the accompanying form of proxy are first being mailed to our shareholders on or about December 2, 2015. We are also mailing with this proxy statement our Annual Report to Shareholders for the fiscal year ended January 31, 2015.

A proxy may be revoked at any time before a vote is taken or the authority granted is otherwise exercised. Revocation may be accomplished by the execution of a later proxy with regard to the same Shares, by giving notice in writing to our Secretary, or by voting your Shares in person at the Annual Meeting (but your attendance at the Annual Meeting, in and of itself, will not revoke the proxy).

Electronic Access to Future Proxy Materials

If you are a registered shareholder and would like to reduce the costs incurred by us in mailing proxy materials, you may consent to accessing all future shareholder communications (*e.g.*, proxy materials, annual reports and interim communications) over the Internet instead of receiving copies in the mail. If you choose electronic access to future shareholder communications, we will discontinue mailing future shareholder communications to you but you will receive a proxy card in the mail with instructions containing the Internet address to access shareholder communications. If you provide your consent, there is no cost to you for this service other than charges you may incur from your Internet provider, telephone and/or cable company. Once you provide your consent, it will remain in effect until you inform us otherwise. If your Shares are held through a bank, broker, trustee or another nominee, check the information provided by that entity for instructions on how to choose to access future shareholder communications over the Internet.

Election of Trustees

(Proposal No. 1 on the Proxy Card)

At the Annual Meeting, two Trustees (Marc E. Berg and Ronnie Chase) will stand for election as Trustees to three-year terms expiring at the 2018 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified. Larry Pelegrin, who has served as a Trustee of the Trust since August 2005, is not being renominated for re-election and his term as Trustee will end at the Annual Meeting. The Governance and Nominating Committee identified Mr. Chase as a Trustee candidate by a recommendation from the Chief Executive Officer. Mr. Berg has been a Trustee since January 30, 1998 and is standing for re-election at the Annual Meeting.

Unless a shareholder requests that a proxy be voted against either of the nominees for Trustees in accordance with the instructions set forth on the proxy card, Shares represented by proxies solicited hereby will be voted “**FOR**” the election of Messrs. Berg and Chase as Trustees. Both nominees have consented to being named in this proxy statement and to serve if elected. Should either nominee subsequently decline or be unable to accept such nomination or to serve as a Trustee, an event that the Board of Trustees does not currently expect, the persons voting the Shares represented by proxies solicited hereby may vote such Shares for substitute nominee(s) in their discretion.

Our Board of Trustees currently has seven members and is divided into three classes, as follows:

three Trustees in the class whose terms expire at the 2017 Annual Meeting of Shareholders;

two Trustees in the class whose terms expire at the 2016 Annual Meeting of Shareholders; and

two Trustee in the class whose term expires at the 2015 Annual Meeting of Shareholders.

Each of the Trustees serves for three years and until his or her successor is duly elected and qualified. The Board of Trustees has determined that Mr. Chase, the new nominee for Trustee, as well as Messrs. Kutasi, Pelegrin (whose term will not continue following the Annual Meeting) and Robson and Ms. Ketcherside, which constitutes a majority of the Board of Trustees, are “independent” as defined by the NYSE MKT listing standards and the SEC’s rules for the purposes of serving on the Board of Trustees and each committee of which they are members. Messrs. Berg and Wirth and Ms. Barnhill are our executive officers and are not independent. Except as described under “Certain Transactions” below, there were no transactions, relationships or arrangements in fiscal year 2015 that required review by the Board for purposes of determining Trustee independence.

We request that all of our Trustees attend our Annual Meetings of Shareholders. All Trustees were present at the 2014 Annual Meeting of Shareholders. All incumbent Trustees attended 100% of the meetings held by the Board of Trustees and the Committees on which the Trustee served during fiscal year 2015. In addition, the independent Trustees meet at least annually in executive session without the presence of non-independent Trustees and management.

Our Board of Trustees recommends that you vote “FOR” the election of Mr. Berg and Mr. Chase as Trustees.

Trustee Nominations and Qualifications

The Governance and Nominating Committee expects to identify nominees to serve as our Trustees primarily by accepting and considering the suggestions and nominee recommendations made by members of the Board of Trustees and our management and shareholders. Nominees for Trustees are evaluated based on their character, judgment, independence, financial or business acumen, diversity of experience, ability to represent and act on behalf of all of our shareholders, and the needs of the Board of Trustees. In accordance with its charter, the Governance and Nominating Committee discusses diversity of experience as one of many factors in identifying nominees for Trustee, but does not have a policy of assessing diversity with respect to any particular qualities or attributes. Two of the current Trustees are women but the Governance and Nominating Committee has not identified any specific attributes that the Committee would desire to diversify on the Board. In general, before evaluating any nominee, the Governance and Nominating Committee first determines the need for additional Trustees to fill vacancies or expand the size of the Board of Trustees and the likelihood that a nominee can satisfy the evaluation criteria. The Governance and Nominating Committee would expect to re-nominate incumbent Trustees who have served well on the Board of Trustees and express an interest in continuing to serve. Our Board of Trustees is satisfied that the backgrounds and qualifications of our Trustees, considered as a group, provide a mix of experience, knowledge and abilities that allows our Board to fulfill its responsibilities.

The Governance and Nominating Committee will consider shareholder recommendations for Trustee nominees. A shareholder who wishes to suggest a Trustee nominee for consideration by the Governance and Nominating Committee should send a resume of the nominee's business experience and background to Les Kutasi, Chairman of the Governance and Nominating Committee, InnSuites Hospitality Trust, 1625 E. Northern Avenue, Suite 105, Phoenix, Arizona 85020. The mailing envelope and letter must contain a clear notation indicating that the enclosed letter is a "Shareholder-Board of Trustees Nominee."

Leadership Structure of the Board of Trustees

Mr. Wirth, our Chief Executive Officer, currently serves as Chairman of the Board, and Ms. Barnhill, our President and Chief Operating Officer, serves as Vice Chairperson of the Board. Our Second Amended and Restated Declaration of Trust, as amended, provides that the Trustees shall annually elect a Chairman who shall be the principal officer of the Trust. Mr. Wirth has served as Chairman of our Board of Trustees and our Chief Executive Officer since January 30, 1998. Our Board of Trustees has determined that the Trust has been well-served by this structure of combined Chairman and Chief Executive Officer positions and that this structure facilitates strong and clear leadership, with a single person setting the tone of the organization and having the ultimate responsibility for all of the Trust's operating and strategic functions, thus providing unified leadership and direction for the Board of Trustees and the Trust's executive management. Our Chairman also has a significant investment in our Shares, which we believe provides him with a strong incentive to advance shareholder interests.

As a result of the Board's ongoing efforts around Board succession planning and effectiveness, in March 2014, the Board appointed Ms. Barnhill to the newly created position of Vice Chairperson of the Board. In this role, Ms. Barnhill presides over Board meetings in the event that the Chairman is not present. Ms. Barnhill also participates in the Board and committee agenda review process, as well as in the Board's efforts regarding overall Board effectiveness and Board succession planning. As President and Chief Operating Officer of the Trust and leading the IBC Hotels efforts, Ms. Barnhill brings a unique perspective to the Board. We recognize that our Board leadership structure is somewhat unique but we believe that it is the right structure for the Trust at this time.

The Trust does not have a lead independent Trustee, but receives strong leadership from all of its members. Our Board Committees consist of only independent members, and our independent Trustees meet at least annually in executive session without the presence of non-independent Trustees and management. In addition, our Trustees take active and substantial roles in the activities of our Board of Trustees at the full Board meetings. Our Trustees are able to propose items for Board meeting agendas, and the Board's meetings include time for discussion of items not on the formal agenda. Our Board believes that this open structure, as compared to a system in which there is a designated lead independent trustee, facilitates a greater sense of responsibility among our Trustees and facilitates active and effective oversight by the independent Trustees of the Trust's operations and strategic initiatives, including any risks.

The Board's Role in Risk Oversight

Our management devotes significant attention to risk management, and our Board of Trustees is engaged in the oversight of this activity, both at the full Board and at the Board Committee level. The Board's role in risk oversight does not affect the Board's leadership structure. However, our Board's leadership structure supports such risk oversight by combining the Chairman position with the Chief Executive Officer position (the person with primary corporate responsibility for risk management).

Our Board's role in the Trust's risk oversight process includes receiving reports from members of senior management on areas of material risk to the Trust, including operational, financial, legal and regulatory and strategic risks. The Board of Trustees requires management to report to the full Board (or an appropriate Committee) on a variety of matters at regular meetings of the Board and on an as-needed basis, including the performance and operations of the Trust and other matters relating to risk management. The Audit Committee also receives regular reports from the Trust's independent registered public accounting firm on internal control and financial reporting matters. In addition, pursuant to its charter, the Audit Committee is tasked with reviewing with the Trust's counsel major litigation risks as well as compliance with applicable laws and regulations, discussing with management its procedures for monitoring compliance with the Trust's code of conduct, and discussing significant financial risk exposures and the steps management has taken to monitor, control and report such exposures. These reviews are conducted in conjunction with the Board's risk oversight function and enable the Board to review and assess any material risks facing the Trust.

Our Board also works to oversee risk through its consideration and authorization of significant matters, such as major strategic, operational and financial initiatives and its oversight of management's implementation of those initiatives. The Board periodically reviews with management its strategies, techniques, policies and procedures designed to manage these risks. Under the overall supervision of our Board, management has implemented a variety of processes, procedures and controls to address these risks.

Communications with the Board of Trustees

Shareholders and other interested parties who wish to communicate with the Board of Trustees or any individual member thereof may do so by writing to the Secretary, InnSuites Hospitality Trust, 1625 E. Northern Avenue, Suite 105, Phoenix, Arizona 85020. The mailing envelope and letter must contain a clear notation indicating that the enclosed letter is an "Interested Party-Board of Trustees Communication." The Secretary will review all such correspondence and regularly forward to the Board of Trustees a log and summary of all such correspondence and copies of all correspondence that, in the opinion of the Secretary, deals with the functions of the Board of Trustees or Committees thereof or that he otherwise determines requires their attention. Trustees may at any time review a log of all correspondence received by us that is addressed to members of the Board of Trustees and request copies of any such correspondence. Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of our accounting department and handled in accordance with procedures established by the Audit Committee for such matters.

Code of Ethics for Senior Financial Officers

We have adopted a Code of Ethics that applies to our Chief Executive Officer and Chief Financial Officer and persons performing similar functions. We have posted our Code of Ethics on our website at www.innsuitestrust.com. We intend to satisfy all SEC and NYSE MKT disclosure requirements regarding any amendment to, or waiver of, the Code of Ethics relating to our Chief Executive Officer and Chief Financial Officer and persons performing similar functions, by posting such information on our website unless the NYSE MKT requires a Form 8-K. In addition, we have adopted a Code of Conduct and Ethics that applies to all of our employees, officers and Trustees. It is also available on our website at www.innsuitestrust.com.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our Trustees, executive officers and beneficial holders of more than 10% of our Shares to file with the SEC initial reports of ownership and reports of subsequent changes in ownership. The SEC has established specific due dates for these reports, and we are required to disclose in this proxy statement any late filings or failures to file.

Messrs. Kutasi's, Pelegrin's and Robson's and Ms. Ketcherside's Forms 4 filed on April 10, 2014 and reporting grants of restricted Shares as Trustee compensation, and Ms. Barnhill's previously reported Form 4 filed on April 10, 2014 and reporting 12 purchases on behalf of Ms. Barnhill's minor children, were inadvertently filed untimely. Based solely on our review of the copies of such forms (and amendments thereto) furnished to us and written representations from reporting persons that no additional reports were required, we believe that all our Trustees, executive officers and beneficial holders of more than 10% of the Shares complied with all Section 16(a) filing requirements during the fiscal year ended January 31, 2015, except as set forth above.

Board Committees

All incumbent Trustees attended 100% of the aggregate number of meetings held by the Board of Trustees and the Committees on which the Trustee served during fiscal year 2015. The Board of Trustees met 5 times during the fiscal year ended January 31, 2015. The independent Trustees meet at least annually in executive session without the presence of non-independent Trustees and management.

Audit Committee

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of our independent auditors, including reviewing the scope and results of audit and non-audit services. The Audit Committee also reviews internal accounting controls and assesses the independence of our auditors. In addition, the Audit Committee has established procedures for the receipt, retention and treatment of any complaints received by us regarding accounting, internal controls or auditing matters and the confidential, anonymous submission by our employees of any concerns regarding accounting or auditing matters. The Audit Committee has the authority to engage independent counsel and other advisors as it deems necessary to carry out its duties. The Audit Committee met five times during fiscal year 2015.

All members of the Audit Committee are “independent,” as such term is defined by the SEC’s rules and the NYSE MKT’s listing standards. [The Board of Trustees has determined that Mr. Chase, if elected as Trustee, will be considered “independent” and will serve on the Audit Committee. The Board of Trustees has also determined that Leslie Kutusi will qualify as an “audit committee financial expert” under applicable SEC rules. We have posted our Amended and Restated Audit Committee Charter on our Internet website at www.innsuitestrust.com. Information on our website is not part of this proxy statement.

Audit Committee Report

The Audit Committee of the Board of Trustees has reviewed and discussed the audited financial statements included in the Trust’s Annual Report on Form 10-K for the fiscal year ended January 31, 2015 with the management of the Trust. In addition, the Audit Committee has discussed with Semple, Marchal & Cooper, LLP (“Semple, Marchal & Cooper”), the independent registered public accounting firm of the Trust, the matters required to be discussed by the Auditing Standard No. 16, *Communications with Audit Committees*. The Audit Committee has also received and reviewed the written disclosures and the letter from Semple, Marchal & Cooper required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor’s communications with the Audit Committee concerning independence, and has discussed with Semple, Marchal & Cooper its independence from the Trust, including the compatibility of any non-audit services with Semple, Marchal & Cooper’s independence. The Audit Committee has also pre-approved the fees to be charged to the Trust by its independent auditors for audit services.

Based on the foregoing, the Audit Committee recommended that such audited financial statements be included in the Trust's Annual Report for the fiscal year ended January 31, 2015.

The Compensation Committee met five times during fiscal year ended January 31, 2015.

Governance and Nominating Committee

The Governance and Nominating Committee has the responsibility of screening and nominating candidates for election as Trustees and recommending Committee members for appointment by the Board of Trustees. See “Board of Trustees and Executive Officers – Trustee Nominations and Qualifications” above for more information on how shareholders can nominate Trustee candidates, as well as information regarding how Trustee candidates are identified and evaluated. The Governance and Nominating Committee also advises the Board of Trustees with respect to governance issues and trusteeship practices, including determining whether Trustee candidates and current Trustees meet the criteria for independence required by the NYSE MKT and the SEC. The Governance and Nominating Committee met three times during fiscal year ended January 31, 2015.

All members of the Governance and Nominating Committee are “independent,” as such term is defined by the SEC’s rules and NYSE MKT listing standards. Compensation of Trustees and Executive Officers

The following overview relates to the compensation of our executive officers listed in the Summary Compensation Table set forth below during fiscal year 2015.

Overview of the Compensation Committee

The Compensation Committee of the Board of Trustees currently consists of four independent Trustees. The Committee sets the principles and strategies that serve to guide the design of the compensation programs for our executive officers. The Committee annually evaluates the performance of our Chief Executive Officer, Chief Financial Officer, Executive Vice President and our President and Chief Operating Officer (our executive officers). Taking into consideration the factors set forth below, the Committee then approves their compensation levels, including any bonuses. The Committee does not use an independent compensation consultant to assist it with its responsibilities. The Committee does consider input from the Chief Executive Officer when determining compensation for the other executive officers. As selected by a majority of our shareholders, the Board of Trustees has resolved to include a shareholder vote on the compensation of executives in our proxy materials every three years until the next required vote on the frequency of shareholder votes on the compensation of executives. The next “say-on-pay” vote will occur at our 2016 Annual Meeting of Shareholders.

Compensation Philosophy and Objectives

Under the supervision of the Compensation Committee, we have developed and implemented compensation policies, plans and programs that seek to enhance our ability to recruit and retain qualified management and other personnel. In developing and implementing compensation policies and procedures, the Compensation Committee seeks to provide rewards for the long-term value of an individual’s contribution to the Trust. The Compensation Committee seeks to develop policies and procedures that offer both recurring and non-recurring, and both financial and non-financial, incentives.

Compensation for our executive officers has two main monetary components, salary and bonus, as well as a benefits component. Any bonus generally consists of cash. This decision was a result of discussions with our executive officers regarding the sufficiency of our executive officers’ current Share ownership and the restrictions upon transfer of Shares held by our executive officers due to their affiliate status.

Our compensation program does not rely to any significant extent on broad-based benefits or perquisites. The benefits offered to our executive officers are those that are offered to all of our full-time employees. We do not offer our executive officers any perquisites.

Our management and the Compensation Committee work in a cooperative fashion. Management advises the Compensation Committee on compensation developments, compensation packages and our overall compensation program. The Compensation Committee then reviews, modifies, if necessary, and approves the compensation packages for our executive officers.

Elements of Compensation

In setting the compensation for each executive officer, the Compensation Committee considers (i) the responsibility and authority of each position relative to other positions within the Trust, (ii) the individual performance of each executive officer, (iii) the experience and skills of the executive officer, and (iv) the importance of the executive officer to the Trust.

Base Salary and Discretionary Cash Bonuses

We pay base salaries to our executive officers in order to provide a level of assured compensation reflecting an estimate of the value in the employment market of the executive officer's skills, the demands of his or her position and the relative size of the Trust. In establishing base salaries for our executive officers, the Compensation Committee considers our overall performance and the performance of each individual executive officer, as well as market forces and other general factors believed to be relevant, including time between salary increases, promotion, expansion of responsibilities, advancement potential, and the execution of special or difficult projects. Additionally, the Compensation Committee takes into account the relative salaries of the executive officers and determines what it believes are appropriate compensation level distinctions between and among the executive officers, including between the Chief Executive Officer and the Chief Financial Officer and among the other executive officers. Although the Compensation Committee considers our financial performance, there is no specific relationship between achieving or failing to achieve budgeted estimates, the performance of our Shares or our financial performance and the annual salaries determined by the Compensation Committee for any of our executive officers. No specific weight is attributed to any of the factors considered by the Compensation Committee; the Compensation Committee considers all factors and makes a subjective determination based upon the experience of its members and the recommendations of our management.

Based upon a review of Mr. Wirth's performance and upon the recommendation of the Compensation Committee, for fiscal years 2015 and 2014, Mr. Wirth's annual base salary remained set at \$153,000. The Compensation Committee does not rely on any particular set of financial or non-financial factors, measures or criteria when determining the compensation offered to Mr. Wirth. The Compensation Committee does consider Mr. Wirth's substantial Share ownership when setting his base salary. During fiscal years 2015 and 2014, Mr. Wirth voluntarily reduced his salary to \$64,908 and \$90,818, respectively, in both cases by reducing the number of hours worked per year due to the economic environment.

For fiscal year 2014 through February 22, 2013, the Compensation Committee set the base salary for Ms. Barnhill, our Vice Chairperson, President and Chief Operating Officer, at \$100,000. On February 23, 2013, the Compensation Committee set the base salary for Ms. Barnhill at \$120,000 plus a minimum first year only discretionary bonus of \$5,000 in recognition of her additional responsibilities, which include continuation of work to increase hotel operations, including continued emphasis on revenue management, cost control and all areas of marketing, including Internet marketing. For fiscal year 2015, Ms. Barnhill's salary remained set at \$120,000. During fiscal year 2015, Ms. Barnhill received a \$3,400 discretionary bonus, which was earned during the prior fiscal year but paid during the 2015 fiscal year.

Appointed as our Chief Financial Officer on March 18, 2013, Mr. Remis receives an annual base salary of \$139,000 and was entitled to a discretionary first fiscal year bonus of at least \$5,000 pursuant to an employment offer letter. During fiscal year 2014, Mr. Remis was paid \$117,788 as his salary was prorated based on his start date. He was also paid a discretionary bonus of \$4,600. During fiscal year 2015, Mr. Remis was paid \$139,000 salary plus \$3,400 for his discretionary first fiscal year bonus and a \$3,000 discretionary bonus approved by the Compensation Committee for additional professional services rendered over and beyond his normal scope of duties.

During fiscal years 2015 and 2014, the Compensation Committee kept the base salary for Mr. Berg, our Executive Vice President, at \$98,000, which was reduced to \$81,533 and \$58,226, respectively, by reducing the number of hours worked per year due to the economic environment. During fiscal year 2014, Mr. Berg was paid a \$10,000 discretionary bonus for successfully negotiating the refinancing of our properties. During fiscal year 2015, Mr. Berg was paid \$500 as a discretionary bonus for successfully negotiating the refinancing of our properties. In addition, during fiscal year 2015, we compensated Berg Investment Advisors, of which Mr. Berg is the owner, \$10,000 for successfully negotiating the refinancing of our properties. Of this \$10,000 payment, \$7,000 was paid to Berg Investment Advisors during fiscal year 2015 with the remaining \$3,000 paid during the first quarter of our 2016 fiscal year.

Performance-Based Cash Bonuses

Our executive officers are eligible to receive cash bonuses under the General Manager Bonus Plan equal to 10% of the aggregate cash bonuses received by the general managers of all of our hotels, regardless of region. The general

managers receive a bonus based on the achievement of budgeted gross operating profit (total revenues less operating expenses) (“GOP”) at their hotel on a quarterly and annual basis. Under the plan, if the hotel’s actual quarterly and annual GOP exceeds the budgeted GOP, each general manager is eligible for a potential maximum annual bonus of \$20,000, consisting of a potential maximum quarterly bonus of \$2,000 per quarter and a potential maximum year-end bonus of \$12,000.

Quarterly General Manager GOP Bonus Potential:

Percentage of Budgeted Quarterly GOP Achieved	Cash Bonus
Less than 95%	\$0
95%	\$500
98%	\$1,000
102%	\$1,500
106% or more	\$2,000

Year-End General Manager GOP Bonus Potential:

Percentage of Budgeted Annual GOP Achieved	Cash Bonus
Less than 95%	\$0
95%	\$1,000
98%	\$2,000
102%	\$5,000
106%	\$9,000
108% or more	\$12,000

In fiscal year 2015, each of our executive officers received an annual cash bonus equal to 10% of the aggregate cash bonuses received by the general managers of all of our hotels, regardless of region, in addition to the discretionary bonuses described above. The general manager aggregate cash bonuses for fiscal year 2015 were as follows:

Period	GM Aggregate Cash Bonus
First Quarter	\$ 4,500
Second Quarter	\$ 5,500
Third Quarter	\$ 4,000
Fourth Quarter	\$ 4,750
Year End	\$ 20,000

Accordingly, each of our executive officers received a cash bonus of \$3,875 for fiscal year 2015, of which \$1,875 was paid during fiscal year 2015. For fiscal year 2014, each of our executive officers received a cash bonus of \$400 as a quarterly incentive bonus pursuant to the General Manager Bonus Plan.

Benefits and Other Compensation

We maintain broad-based benefits that are provided to all employees, including health and dental insurance, life insurance and a 401(k) plan. We also have a mandatory matching contribution for our 401(k) plan. We do not have a pension plan. Our executive officers are eligible to participate in all of our employee benefit plans, in each case on the same basis as our other employees.

Effective February 5, 2015, our Board of Trustees adopted, subject to shareholder approval, the InnSuites Hospitality Trust 2015 Equity Incentive Plan (the “2015 Plan”), under which up to 1,600,000 Shares of Beneficial Interest of the Trust are authorized to be issued pursuant to grants of stock options, stock appreciation rights, restricted shares, restricted share units and other awards. The purpose of the 2015 Plan and the awards described below is to promote the interests of the Trust and its shareholders by providing certain employees and members of the Board of Trustees, who are largely responsible for the management and growth of the subsidiary of the Trust, IBC Hotels, LLC, with incentives and rewards to encourage them to continue in the service of the Trust.

On February 5, 2015, pursuant to the 2015 Plan, our Board of Trustees granted to Ms. Barnhill, Vice Chairperson of the Board of Trustees, President and Chief Operating Officer of the Trust and Founder and President of IBC Hotels, LLC (“IBC Hotels”), a four-year option to purchase 1,000,000 Shares of Beneficial Interest of the Trust at an exercise price of \$3.50 per share, exercisable to the extent the option vests and GAAP pre-tax profits of IBC Hotels are greater than or equal to the performance objectives described in the stock option agreement. The Compensation Committee believes choose to provide Ms. Barnhill 1,000,000 options as she is leading our IBC Hotels efforts and if our stock price significantly exceeds the exercise price, we believe that it will be based on the IBC Hotels success. The option vests one-third each on May 17, 2016, February 5, 2017 and February 5, 2018, subject to the achievement of performance objectives of the GAAP pre-tax profits of IBC Hotels being equal to or in excess of \$60,000 for the fiscal year ending January 31, 2016, \$200,000 for the fiscal year ending January 31, 2017, and \$400,000 for the fiscal year ending January 31, 2018. The options are subject to shareholder approval of the 2015 Plan.

On April 24, 2015, pursuant to the 2015 Plan, our Board of Trustees granted to each of Mr. Wirth, Chairman of the Board of Trustees and Chief Executive Officer of the Trust, Mr. Berg, Executive Vice President and Trustee, and Mr. Remis, Chief Financial Officer of the Trust, a four-year option to purchase of 60,000 Shares of Beneficial Interest of the Trust at an exercise price of \$3.50 per share, exercisable to the extent the option vests and GAAP pre-tax profits of IBC Hotels are greater than or equal to the performance objectives described in the stock option agreement. The number of options provided to each of these Officers was based on the combination of their length of InnSuites employment and their direct involvement in IBC Hotels. The options have the same terms as Ms. Barnhill’s option described above and are subject to shareholder approval of the 2015 Plan.

(1) Matching contributions made under our 401(k) plan to our executive officers with a maximum of \$500 per calendar year are included in the “All Other Compensation” column.

(2) Ms. Barnhill was the account name holder for the Trust’s corporate purchase cards as described in the “Certain Transactions – Guarantees” section below. The corporate purchase cards provide American Express Membership Rewards to Ms. Barnhill. For the fiscal years ended January 31, 2015 and 2014, Ms. Barnhill received 1,120,758 and 269,782 American Express Membership Rewards, respectively, with an estimated value of \$11,207 and \$2,698, respectively, which amounts are included in the “All Other Compensation” column.

(3) Amounts reflect cash bonuses paid to executive officers under the General Manager Bonus Plan, which bonuses are equal to 10% of the aggregate cash bonuses received by the general managers of all of our hotels, regardless of region, in a fiscal year.

(4) Berg Investment Advisors, which is owned by Mr. Berg, was compensated \$12,900 for successfully negotiating the refinancing of our properties. Of this \$10,000 payment, \$7,000 was paid during fiscal year 2015.

During fiscal years 2015 and 2014, we did not issue any Shares to our executive officers and did not grant any stock options or any other equity-based awards. None of our executive officers owned any stock options, or had any outstanding unvested Shares, as of January 31, 2015.

Indemnification Agreements

We have entered into indemnification agreements with all of our executive officers and Trustees. The agreements provide for indemnification against all liabilities and expenses reasonably incurred by an officer or Trustee in connection with the defense or disposition of any suit or other proceeding, in which he or she may be involved or with which he or she may be threatened, while in office or thereafter, because of his or her position at the Trust. There is no indemnification for any matter as to which an officer or Trustee is adjudicated to have acted in bad faith, with willful misconduct or reckless disregard of his or her duties, with gross negligence, or not in good faith in the reasonable belief that his or her action was in our best interests. We may advance payments in connection with indemnification under the agreements. The level of indemnification is to the full extent of the net equity based on appraised and/or market value of the Trust.

Potential Payments Upon Change in Control

We do not have employment agreements with our executive officers. Upon a change in control, our 1997 Stock Incentive and Option Plan provides for the acceleration of vesting of restricted Shares. However, if a change in control had occurred on January 31, 2015, none of our executive officers would have received any payment under the Plan upon a change in control because none had any awards outstanding as of that date.

Fiscal Year 2015 Trustee Compensation

The table below shows individual compensation information for our non-employee Trustees for our fiscal year ended January 31, 2015. Compensation information for Messrs. Wirth and Berg and Ms. Barnhill, who do not receive additional compensation for their service as Trustees, is included in the Summary Compensation Table above:

(1) The dollar amounts shown in the “Stock Awards” column reflect the aggregate grant date fair value of restricted Shares computed in accordance with the Financial Accounting Standards Board Accounting Standards Codification Topic 718. For a discussion of assumptions we made in valuing restricted Shares, see Note 2, “Summary of Significant Accounting Policies – Stock-Based Compensation,” in the notes to our consolidated financial statements contained in our Annual Reports on Form 10-K for the fiscal years ended January 31, 2015 and 2014.

Certain Transactions

Management and Licensing Agreements

The Trust directly manages the Hotels through the Trust's wholly-owned subsidiary, InnSuites Hotels. Under the management agreements, InnSuites Hotels manages the daily operations of the Hotels and the three hotels owned by affiliates of Mr. Wirth. All Trust managed Hotel expenses, revenues and reimbursements among the Trust, InnSuites Hotels and RRF Limited Partnership (the "Partnership") have been eliminated in consolidation. The management fees for the Hotels and the three hotels owned by Mr. Wirth are 2.5% of room revenue and a monthly accounting fee of \$2,000 per hotel. These agreements have no expiration date and may be cancelled by either party with 90-days written notice in the event the property changes ownership. In fiscal years 2015 and 2014, InnSuites Hotels received aggregate fees of \$278,210 and \$194,605, respectively, for management of the three hotels owned by affiliates of Mr. Wirth. The Trust charges management fees to related parties. For the nine fiscal months ending October 31, 2015, aggregate fees were \$171,028. Mr. Wirth sold one of the three hotels in March 2015 and we anticipate the aggregate fees to decrease in the future.

The Trust also provides the use of the "InnSuites" trademark to the Hotels and the three hotels owned by affiliates of Mr. Wirth through the Trust's wholly-owned subsidiary, InnSuites Hotels, at no additional charge.

Restructuring Agreements

Albuquerque Suite Hospitality Restructuring Agreement

On July 22, 2010, the Board of Trustees unanimously approved, with Mr. Wirth abstaining, for the Partnership to enter into an agreement with Rare Earth Financial, LLC (“Rare Earth”), an affiliate of Mr. Wirth, to sell units in Albuquerque Suite Hospitality, LLC (the “Albuquerque entity”), which owns and operates the Albuquerque, New Mexico hotel property. Under the agreement, Rare Earth agreed to either purchase or bring in other investors to purchase at least 49% of the membership interests in the Albuquerque entity and the parties agreed to restructure the operating agreement of the Albuquerque entity. A total of 400 units were available for sale for \$10,000 per unit, with a two-unit minimum subscription. On September 24, 2010, the parties revised the Amended and Restated Operating Agreement to name Rare Earth as the administrative member of the Albuquerque entity in charge of the day-to-day management.

On December 9, 2013, the Trust entered into an updated restructuring agreement with Rare Earth to allow for the sale of additional interest units in the Albuquerque entity for \$10,000 per unit. Under the updated restructuring agreement, Rare Earth agreed to either purchase or bring in other investors to purchase up to 150 (and potentially up to 190 if the over-allotment is exercised) units. Under the terms of the updated restructuring agreement, the Trust agreed to hold at least 50.1% of the outstanding units in the Albuquerque entity, on a post-transaction basis, and intends to maintain this minimum ownership percentage through the purchase of units under this offering. The Board of Trustees approved this restructuring on December 9, 2013. The units in the Albuquerque entity are allocated to three classes with differing cumulative discretionary priority distribution rights through December 31, 2015. Class A units are owned by unrelated third parties and have first priority for distributions. Class B units are owned by the Trust and have second priority for distributions. Class C units are owned by Rare Earth or other affiliates of Mr. Wirth and have the lowest priority for distributions from the Albuquerque entity. Priority distributions of \$700 per unit per year are cumulative until December 31, 2015; however, after December 31, 2015 Class A unit holders continue to hold a preference on distributions over Class B and Class C unit holders.

If certain triggering events related to the Albuquerque entity occur prior to the payment of all accumulated distributions to its members, such accumulated distributions will be paid out of any proceeds of the event before general distribution of the proceeds to the members. In the event that funds generated from a triggering event are insufficient to pay the total amount of all such accumulated distributions owed to the members, all Class A members will participate pro rata in the funds available for distribution to them until paid in full, then Class B, and then Class C. After all investors have received their initial capital plus a 7% per annum simple return, any additional profits will be allocated 50% to Rare Earth, with the remaining 50% allocated proportionately to all unit classes. Rare Earth received a restructuring fee of \$128,000, conditioned upon and arising from the sale of the first 100 units in the Albuquerque entity following the December 31, 2013 restructuring. The Albuquerque entity plans to use its best efforts to pay the discretionary priority distributions. The Trust does not guarantee and is not otherwise obligated to pay the cumulative discretionary priority distributions. InnSuites Hotels will continue to provide management, licensing and reservation services to the Albuquerque, New Mexico property.

During the twelve months ended January 31, 2015, there were 45.5 Class A units of the Albuquerque entity sold, 55.5 Class B units sold and 8.5 Class C units sold at \$10,000 per unit. As of January 31, 2015, the Trust held a 50.82% ownership interest, or 279 Class B units, in the Albuquerque entity, Mr. Wirth and his affiliates held a 1.64% interest, or nine Class C units, and other parties held a 47.54% interest, or 261 Class A units. As of January 31, 2015, the Albuquerque entity had discretionary Priority Return payments to unrelated unit holders of approximately \$183,000, to the Trust of approximately \$195,000, and to Mr. Wirth and his affiliates of approximately \$6,000 per year payable quarterly for calendar year 2015. As of January 31, 2015, Mr. Wirth purchased a total of eight Class C units in the Albuquerque entity at \$10,000 per unit. Mr. Wirth was paid \$1,298 in discretionary priority returns for the fiscal year ended January 31, 2015 related to these units.

During the six months ended July 31, 2015, there were no Class A, Class B or Class C units of the Albuquerque entity sold. As of July 31, 2015, the Trust held a 50.91% ownership interest, or 279 Class B units, in the Albuquerque entity, Mr. Wirth and his affiliates held a 0.55% interest, or 3 Class C units, and other third parties held a 48.54% interest, or 266 Class A units. As of July 31, 2015, the Albuquerque entity has discretionary Priority Return payments to unrelated unit holders of approximately \$186,000, to the Trust of approximately \$195,000, and to Mr. Wirth and his affiliates of approximately \$2,000 per year payable quarterly for calendar year 2016.

Tucson Hospitality Properties Restructuring Agreement

On February 17, 2011, the Partnership entered into a restructuring agreement with Rare Earth to allow for the sale of non-controlling interest units in Tucson Hospitality Properties, LP (the "Tucson entity"), which operates the Tucson Oracle hotel property, then wholly-owned by the Partnership. Under the agreement, Rare Earth agreed to either purchase or bring in other investors to purchase up to 250 units, which represents approximately 41% of the outstanding limited partnership units in the Tucson entity, on a post-transaction basis, and the parties agreed to restructure the limited partnership agreement of the Tucson entity. The Board of Trustees approved this restructuring on January 31, 2011.

On October 1, 2013, the Partnership entered into an updated restructured limited partnership agreement with Rare Earth to allow for the sale of additional interest units in the Tucson entity for \$10,000 per unit. Under the agreement, Rare Earth agreed to either purchase or bring in other investors to purchase up to 160 (and potentially up to 200 if the overallotment is exercised) units. Under the terms of the updated restructuring agreement, the Partnership agreed to hold at least 50.1% of the outstanding limited partnership units in the Tucson entity, on a post-transaction basis, and intends to maintain this minimum ownership percentage through the purchase of units under this offering. The Board of Trustees approved this restructuring on September 14, 2013. The limited partnership interests in the Tucson entity are allocated to three classes with differing cumulative discretionary priority distribution rights through June 30, 2016. Class A units are owned by unrelated third parties and have first priority for distributions. Class B units are owned by the Partnership and have second priority for distributions. Class C units are owned by Rare Earth or other affiliates of Mr. Wirth and have the lowest priority for distributions from the Tucson entity. Priority distributions of \$700 per unit per year are cumulative until June 30, 2016; however, after June 30, 2016 Class A unit holders continue to hold a preference on distributions over Class B and Class C unit holders.

If certain triggering events related to the Tucson entity occur prior to the payment of all accumulated distributions to its members, such accumulated distributions will be paid out of any proceeds of the event before general distribution of the proceeds to the members. In the event that funds generated from a triggering event are insufficient to pay the total amount of all such accumulated distributions owed to the members, all Class A members will participate pro rata in the funds available for distribution to them until paid in full, then Class B, and then Class C. After all investors have received their initial capital plus a 7% per annum simple return, any additional profits will be allocated 50% to Rare Earth, with the remaining 50% allocated proportionately to all unit classes. Rare Earth also received a restructuring fee of \$128,000, conditioned upon and arising from the sale of the first 100 units in the Tucson entity following the October 1, 2013 restructuring. The Tucson entity plans to use its best efforts to pay the discretionary priority distributions. The Trust does not guarantee and is not otherwise obligated to pay the cumulative discretionary priority distributions. InnSuites Hotels will continue to provide management, licensing and reservation services to the Tucson, Arizona property.

During the twelve months ended January 31, 2015, there were 9.5 Class A units of the Tucson entity sold, of which 1 Class A unit was purchased from Rare Earth, and 9 Class B units sold at \$10,000 per unit. As of January 31, 2015, the Partnership held a 51.01% ownership interest, or 404 Class B units, in the Tucson entity, Mr. Wirth and his affiliates held a 1.39% interest, or 11 Class C units, and other parties held a 47.60% interest, or 377 Class A units. As of January 31, 2014, the Partnership held a 51.00% ownership interest, or 395 Class B units, in the Tucson entity, Mr. Wirth and his affiliates held a 1.55% interest, or 12 Class C units, and other parties held a 47.45% interest, or 367.5 Class A units. As of January 31, 2015, the Tucson entity had discretionary Priority Return payments to unrelated unit holders of approximately \$264,000 to the Partnership of approximately \$283,000 and to Rare Earth of approximately \$8,000 per year payable quarterly for calendar years 2015 and 2016.

During the six months ended July 31, 2015, there were no Class A, Class B or Class C units sold of the Tucson entity. As of July 31, 2015 and January 31, 2015, the Partnership held a 51.01% ownership interest, or 404 Class B units, in the Tucson entity, Mr. Wirth and his affiliates held a 1.39% interest, or 11 Class C units, and other parties held a 47.60% interest, or 377 Class A units. As of July 31, 2015, the Tucson entity has discretionary Priority Return payments to unrelated unit holders of approximately \$264,000, to the Partnership of approximately \$283,000 and to

Rare Earth of approximately \$8,000 per year payable quarterly for calendar year 2016.

Ontario Hospitality Properties Restructuring Agreement

On February 29, 2012, the Trust and Partnership entered into a restructuring agreement with Rare Earth to allow for the sale of non-controlling interest units in Ontario Hospitality Properties, LP (the “Ontario entity”) for \$10,000 per unit, which operates the Ontario hotel property, then wholly-owned by the Partnership. Under the agreement, Rare Earth agreed to either purchase or bring in other investors to purchase up to 250 units, which represents approximately 49% of the outstanding partnership units in the Ontario entity, on a post-transaction basis, and the parties agreed to restructure the limited partnership agreement of the Ontario entity. The Board of Trustees approved this restructuring on February 1, 2012. Under the restructured limited partnership agreement, Rare Earth became a general partner of the Ontario entity along with the Trust and Partnership.

On March 1, 2014, the Trust and Partnership entered into an updated restructuring agreement with Rare Earth to allow for the sale of additional interest units in the Ontario entity for \$10,000 per unit. Under the updated restructuring agreement, Rare Earth agreed to either purchase or bring in other investors to purchase up to 235 (and potentially up to 275 if the overallotment is exercised) units. Under the terms of the updated restructuring agreement, the Partnership agreed to hold at least 50.1% of the outstanding limited partnership units in the Ontario entity, on a post-transaction basis, and intends to maintain this minimum ownership percentage through the purchase of units under this offering. The Board of Trustees approved this restructuring on March 24, 2014. The limited partnership interests in the Ontario entity are allocated to three classes with differing cumulative discretionary priority distribution rights through March 31, 2017. Class A units are owned by unrelated third parties and have first priority for distributions. Class B units are owned by the Trust and have second priority for distributions. Class C units are owned by Rare Earth or other affiliates of Mr. Wirth and have the lowest priority for distributions from the Ontario entity. Priority distributions of \$700 per unit per year are cumulative until December 31, 2015; however, after March 31, 2017 Class A unit holders continue to hold a preference on distributions over Class B and Class C unit holders.

If certain triggering events related to the Ontario entity occur prior to the payment of all accumulated distributions to its members, such accumulated distributions will be paid out of any proceeds of the event before general distribution of the proceeds to the members. In the event that funds generated from a triggering event are insufficient to pay the total amount of all such accumulated distributions owed to the members, all Class A members will participate pro rata in the funds available for distribution to them until paid in full, then Class B, and then Class C. After all investors have received their initial capital plus a 7% per annum simple return, any additional profits will be allocated 50% to Rare Earth, with the remaining 50% allocated proportionately to all unit classes. Rare Earth also received a restructuring fee of \$128,000, conditioned upon and arising from the sale of the first 100 units in the Ontario entity following the March 1, 2014 restructuring. The Ontario entity is required to use its best efforts to pay the priority distributions. The Trust does not guarantee and is not otherwise obligated to pay the cumulative priority distributions. InnSuites Hotels will continue to provide management, licensing and reservation services to the Ontario, California property.

During the twelve months ended January 31, 2015, there were 109 Class A units of the Ontario entity sold, 84 Class B units sold and 20 Class C units sold at \$10,000 per unit. As of January 31, 2015, and after the recognition of upward adjustments to certain of the unit holders, the Partnership held a 51.71% ownership interest, or 498 Class B units, in the Ontario entity, Mr. Wirth and his affiliates held a 3.64% interest through Rare Earth, or 35 Class C units, and other parties held a 44.65% interest, or 430 Class A units. As of January 31, 2014, the Partnership held a 61.55% ownership interest, or 392.7 Class B units, in the Ontario entity, Mr. Wirth and his affiliates held a 1.57% interest through Rare Earth, or 10 Class C units, and other parties held a 36.83% interest, or 235 Class A units. As of January 31, 2015 the Ontario entity had discretionary Priority Return payments to unrelated unit holders of approximately \$349,000, to the Partnership of approximately \$301,000 and to Rare Earth of approximately \$25,000 per year payable quarterly for calendar years 2015, 2016 and 2017.

If certain triggering events related to the Yuma entity occur prior to the payment of all accumulated distributions to its members, such accumulated distributions will be paid out of any proceeds of the event before general distribution of the proceeds to the members. In the event that funds generated from a triggering event are insufficient to pay the total amount of all such accumulated distributions owed to the members, all Class A members will participate pro rata in the funds available for distribution to them until paid in full, then Class B, and then Class C. After all investors have received their initial capital plus a 7% per annum simple return, any additional profits will be allocated 50% to Rare Earth, with the remaining 50% allocated proportionately to all unit classes. Review, Approval or Ratification of Transactions with Related Parties

The Board of Trustees has adopted a Related Party Transactions Policy, which establishes procedures for reviewing transactions between us and our Trustees and executive officers, their immediate family members, entities with which they have a position or relationship, and persons known to us to be the beneficial owner of more than 5% of our Shares of Beneficial Interest. These procedures help us evaluate whether any related person transaction could impair the independence of a Trustee or presents a conflict of interest on the part of a Trustee or executive officer. First, the related party transaction is presented to our executive management, including our Chief Financial Officer. Our Chief Financial Officer then discusses the transaction with our outside counsel, as needed. Lastly, the Audit Committee and the members of the Board of Trustees who do not have an interest in the transaction review the transaction and, if they approve, pass a resolution authorizing the transaction. In determining whether to approve a related party transaction, the Audit Committee and the members of the Board of Trustees consider whether the terms of the related party transaction are fair to the Trust on the same basis as would apply if the transaction did not involve a related party; whether there are business reasons for the Trust to enter into the related party transaction; whether the related party transaction would impair the independence of the outside Trustee; whether the related party transaction would present an improper conflict of interest for any Trustee or executive officer of the Trust, taking into account the size of the transaction, the overall financial position of the trustee, executive officer or related party, the direct or indirect nature of the Trustee's, executive officer's or other related party interest in the transaction and the ongoing nature of any proposed relationship; and any other factors the Audit Committee and members of the Board of Trustees deem relevant. Our Related Party Transactions Policy is available in the Corporate Governance portion of our website at www.innsuitestrust.com. The information on our website is not a part of this proxy statement.
