On January 19, 2017, Pure Bioscience, Inc. (the “Company”) entered into (i) an amendment (the “Chairman Amendment”) to the Chairman Agreement (the “Chairman Agreement”), dated October 23, 2013, with Dave J. Pfanzelter, the Company’s Executive Chairman and (ii) an amendment (the “Executive Amendment”, together with the Chairman Amendment, the “Amendments”) to the Executive Employment Agreement (the “Executive Employment Agreement”, together with the Chairman Agreement, the “Original Agreements”), dated October 23, 2013, with Henry R. Lambert, the Company’s Chief Executive Officer. The Compensation Committee of the Company’s Board of Directors, after considering the benefits to the Company and its stockholders of the continued association and services of Messrs. Pfanzelter and Lambert to the Company and the benefits of retaining their respective experience, skills, abilities, background and knowledge to enable the Company to execute on its business plan, approved the Amendments. Among other changes, the Amendments amended the double trigger severance benefits set forth in the Original Agreements to provide for single trigger severance payments upon a change of control or termination without cause or resignation for good reason. In the event of change in control or termination without cause or resignation for good reason, (i) Mr. Pfanzelter will receive (A) a payment equal to \$3,000,000, (B) a payment equal to 200% of his annual chairman compensation then in effect and (C) the acceleration of then outstanding equity awards and (ii) Mr. Lambert will receive (A) a payment equal to \$1,000,000, (B) a payment equal to 200% of his annual base salary then in effect, (C) the acceleration of then outstanding equity awards and (D) with respect to termination of employment, continuation of health benefits for six months. Additionally, the Amendments amended the Original Agreements to provide each of Messrs. Pfanzelter and Lambert a tax gross-up payment in the event that any payment or distribution made to Messrs. Pfanzelter or Lambert in connection with their separation from the Company or upon a change of control of the Company becomes subject to an excise tax pursuant to Section 280G and Section 4999 of the Internal Revenue Code.

The Amendments also amended the definition of change in control to increase the ownership requirement from 35% to 40% of the voting power of the Company before the acquisition of the Company’s common stock by any stockholder or group, as defined by Rule 13d-5 of the Exchange Act, will be deemed to be a change in control of the Company for purposes of the payments under Original Agreements, as amended by the Amendments.

The foregoing discussion of the Amendments is qualified in its entirety by reference to the full text of the Original Agreements and the Amendments. Copies of the Chairman Agreement and the Executive Employment Agreement are attached as Exhibits 10.35 and 10.33 to the Company’s Annual Report on Form 10-K for the year ended July 31, 2013 and incorporated herein by reference. **Item 5.07 Submission of Matters to a Vote of Security Holders.**

The Company held its annual meeting of stockholders on January 19, 2017 (the “Annual Meeting”). Of the 64,823,917 shares of the Company’s common stock outstanding as of the record date, 55,624,771 shares, or 85.6%, were represented at the Annual Meeting either in person or by proxy.

In accordance with the Company’s Bylaws, the presence of the holders of at least a majority of the outstanding shares of common stock at the Annual Meeting, whether in person or by proxy, constituted a quorum for the transaction of business at the Annual Meeting. Votes “For,” “Against,” “Abstentions” and “Broker Non-Votes” were each counted as present at the Annual Meeting for purposes of determining the presence of a quorum. Broker Non-Votes are shares held in street name by brokers, banks or other nominees who were present in person or represented by proxy at the Annual Meeting, but which were not voted on a proposal because the brokers, banks or nominees did not have discretionary authority with respect to that proposal and they had not received voting instructions from the beneficial owner prior to the Annual Meeting. Under the Company’s Bylaws, the directors are elected by a plurality of the votes cast in person or by proxy at the Annual Meeting, which means that the director nominees who received the highest number of “For” votes were elected. Approval of each of the other proposals requires the affirmative vote of a majority of the votes cast in person or by proxy at the Annual Meeting. Abstentions and Broker Non-Votes are not considered to be votes cast under the Company’s Bylaws, and as a result, have no effect on the outcome of the vote.

A description of each matter voted upon at the Annual Meeting is described in detail in the Company's definitive proxy statement filed with the Securities and Exchange Commission on December 8, 2016. The number of votes cast "For" and "Withheld" and "Against" and the number of "Abstentions" and "Broker Non-Votes" with respect to each matter voted upon are set forth below.

(1) Election of Directors. The Company's stockholders elected each of Dave J. Pfanzelter, Henry R. Lambert, Gary D. Cohee, David Theno, Jr., PhD, William Otis and Tom Y.
