Item 3.02.

Unregistered Sales of Equity Securities.

As previously report by International Isotopes Inc. (the Company) in its Current Report on Form 8-K filed with the SEC on February 26, 2013, the Company previously issued convertible debentures to certain institutional and private purchasers for an aggregate of \$1,060,000. Pursuant to the terms of the convertible debentures, on February 20, 2015, the convertible debentures matured, and the outstanding principal amount and all accrued but unpaid interest of the convertible debentures were converted into an aggregate of 32,065,000 shares of common stock of the Company. As set forth pursuant to the terms of the convertible debentures, the conversion price for the convertible debentures was approximately \$0.04 per share, which is the average closing price of the Company s common stock for the 120 consecutive trading days up to, but not including, the maturity date of the convertible debentures.

The conversion of the convertible debentures was effected in reliance upon the exemption from registration set forth in Section 4(2) of the Securities Act of 1933, as amended.
