Item 7.01 Regulation FD Disclosure.

On December 31, 2015, due to continuing and significant operating losses stemming from low sugar prices and poor production levels, Alexander & Baldwin, Inc. (the "Company" or "A&B") determined it would cease the cultivation and production of raw and specialty sugar at its Hawaiian Commercial & Sugar Company ("HC&S") division on Maui. The cessation of sugar operations (the "Cessation") is expected to result in the eventual layoff of approximately 670 employees on Maui. The Company expects that the final harvest and activities of the Cessation will be substantially completed by the end of 2016.

On January 6, 2016 the Company issued a press release announcing the above-described Cessation and certain other information. This information is being furnished as Exhibit 99.1 to this report. Also in connection with this announcement, A&B will host a live webcast of its conference call with financial analysts and professional investors on Thursday, January 7, 2016, at 8:30 a.m. EST. The webcast and conference call will feature a presentation on the Cessation, followed by questions from investors invited to participate in the interactive portion of the discussion. Parties listening via the webcast will be in a "listen-only" mode. Access to the webcast will be provided via a link on the investor relations page of A&B's corporate website at alexanderbaldwin.com. Presentation slides will be available for download from A&B's website at 8:00 a.m. EST on Thursday, January 7, 2016.
