**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On August 15, 2016, Xtant Medical Holdings, Inc., a Delaware corporation (the “Company,” “we,” “us,” or “our”), received a letter from the NYSE MKT LLC (the “Exchange”) notifying us that we are not in compliance with the Exchange’s continued listing standards. Specifically, we are not in compliance with Section 1003(a)(i) of the Company Guide with stockholders’ equity of less than \$2,000,000 and net losses in two of our three most recent fiscal years, Section 1003(a)(ii) with stockholders’ equity of less than \$4,000,000 and net losses in three of our four most recent fiscal years and Section 1003(a)(iii) of the Company Guide with stockholders’ equity of less than \$6,000,000 and net losses in five of our most recent fiscal years. According to Section 1003(a) of the Company Guide, the Exchange will normally consider providing an exemption for entities not in compliance with Sections 1003(a)(i) through (a)(iii) of the Company Guide if the entity is in compliance with the following standards: (1) total value of market capitalization of at least \$50,000,000; or total assets and revenue of \$50,000,000 each in its last fiscal year, or in two of its last three fiscal years; and (2) the issuer has at least 1,100,000 shares publicly held, a market value of publicly held shares of at least \$15,000,000 and 400 round lot shareholders. Previously, the Company was exempt from the minimum stockholders equity requirement since (i) at least 1,100,000 shares are publicly held, (ii) a market value of publicly held shares was at least \$15,000,000, (iii) there were 400 round lot shareholders, and (iv) the market capitalization of its public float was more than the required \$50,000,000 or total assets and revenue of \$50,000,000 each in our last fiscal year, or in two of our last three fiscal years. However, this exemption is no longer available due to the recent decline of the Company’s common stock price.

Therefore, we have become subject to the procedures and requirements of Section 1009 of the Company guide and must submit a plan of compliance by September 15, 2016, addressing how we intend to regain compliance with Sections 1003(a)(i), 1003(a)(ii) and 1003(a)(iii) or meet the exemption in Section 1003(a) of the Company Guide by February 15, 2016.

This letter has no effect on the listing of the Company’s common stock at this time, and the Company intends to submit a plan to regain compliance.

This Form 8-K contains forward-looking statements that are subject to various assumptions, risks and uncertainties. These forward-looking statements may include financial projections, revenue and earnings guidance and other statements or assumptions regarding our expectations and beliefs. The Company believes that its expectations, as expressed in these statements are based on reasonable assumptions regarding the risks and uncertainties inherent in achieving those expectations. These statements are not, however, guarantees of performance and actual results may differ materially. Risks and uncertainties which may cause actual results to be different than expressed or implied in our forward-looking statements include, but are not limited to, the risk factors described under the heading “Risk Factors” in our Annual Report on Form 10-K and our Quarterly Reports on Form 10-Q. The Company expressly disclaims any current intention to update any forward-looking statement as a result of new information or future events or developments.
