ITEM 2.02 — RESULTS OF OPERATION AND FINANCIAL CONDITION

On August 4, 2016, ImmunoGen, Inc. (Nasdaq: IMGN) (also referred to as "we" or "our") issued a press release to announce our financial results for the quarter and year ended June 30, 2016. In that release, we reported a net loss of \$143.7 million for the year, or \$1.65 per share.

Due to information that became available after the press release related to a potential liability to a contract manufacturer for cancellation of a future manufacturing slot, an additional expense accrual was required and our financial results have been adjusted. Our net loss has been increased to \$144.8 million or \$1.67 per share, and will be reported as such in our 10-K filing that will be filed by the end of business August 29, 2016.
