Edgar Filing: Fidelity & Guaranty Life - Form 8-K

As previously announced, on November 8, 2015, Fidelity & Guaranty Life, a Delaware corporation (NYSE: FGL; the “Company”), entered into an Agreement and Plan of Merger (the “Merger Agreement”, and the merger contemplated thereby, the “Merger”), with Anbang Insurance Group Co., Ltd., a joint-stock insurance company established in the People’s Republic of China (“Anbang”), AB Infinity Holding, Inc., a Delaware corporation and a wholly-owned subsidiary of Anbang (“Parent”), and AB Merger Sub, Inc., a Delaware corporation and a newly formed, wholly-owned subsidiary of Parent (“Merger Sub”). Pursuant to the Merger Agreement, either Parent or the Company could have terminated the agreement if the closing of the Merger had not occurred prior to November 7, 2016 (the “Outside Termination Date”).

On November 3, 2016, the Company, Anbang, Parent and Merger Sub amended the Merger Agreement (“Amendment”) by extending the Outside Termination Date from November 7, 2016 to February 8, 2017. Accordingly, either Parent or the Company may terminate the Merger Agreement if the closing of the Merger does not occur prior to February 8, 2017. The Company and Anbang are committed to securing the remaining regulatory approvals and seek to close the Merger as expeditiously as possible, however, the closing of the Merger and the timing thereof is subject to the regulatory review and approval process, none of which can be assured.

The foregoing description of Amendment does not purport to be complete and is subject to and qualified in its entirety by reference to Amendment, a copy of which is attached hereto as Exhibit 2.1, and the terms of which are incorporated by reference herein.

Forward-Looking Statements

“Safe Harbor” Statement Under the Private Securities Litigation Reform Act of 1995: This Form 8-K contains, and certain oral statements made by our representatives from time to time may contain, forward-looking statements, including those statements regarding the Merger, the insurance regulatory approval process for the closing of the Merger, timing of closing of the Merger and other related matters. All forward-looking statements address matters that involve risks and uncertainties, many of which are beyond the Company’s control. Such statements are subject to risks and uncertainties that could cause actual results, events and developments to differ materially from those set forth in, or implied by, such statements and, therefore, you should not place undue reliance on any such statements. These statements are based on the beliefs and assumptions of the Company’s management and the management of the Company’s subsidiaries. Generally, forward-looking statements include information concerning current expectations, other actions, events, results, strategies and expectations and are generally, but not always, identifiable by use of the words “believes,” “expects,” “intends,” “anticipates,” “plans,” “seeks,” “estimates,” “projects,” “may,” “will,” “could,” “might” or similar expressions. No forward-looking statement can be guaranteed. Among other risks, there can be no guarantee that the Merger will be completed within the anticipated time frame or at all. Factors that could cause actual results, events and developments to differ include, without limitation: the occurrence of any event, change or other circumstances that could give rise to the termination of the Merger Agreement; the outcome of any legal proceedings that may be instituted against the Company or Anbang and others in connection with the Merger Agreement; the inability to complete the Merger due to the failure to satisfy the conditions to the Merger, including the inability of Anbang to secure necessary regulatory approvals; risks that the Merger disrupts current plans and operations and potential difficulties in employee retention as a result of the Merger; and legislative, regulatory and economic developments. The foregoing review of important factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included herein and elsewhere, including the risk factors included in the Company’s most recent reports on Form 10-K and Form 10-Q and other documents of the Company on file with, or furnished to, the U.S. Securities and Exchange Commission. The Company does not undertake any obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of future events or changes to future operating results.
