PROXY STATEMENT FOR THE
ANNUAL MEETING OF SHAREHOLDERS

To be held on January 18, 2017

ABOUT THE MEETING

This proxy statement is being made available to shareholders in connection with the solicitation of proxies by the board of directors of PURE CYCLE CORPORATION (the “Company”) for use at the annual meeting of shareholders of the Company (the “Meeting”) to be held at 1550 Seventeenth Street, Suite 500, Denver, Colorado 80202, at the offices of Davis Graham & Stubbs LLP on January 18, 2017, at 3:00 p.m. Mountain Time or at any adjournment or postponement thereof. This proxy statement will be made available to shareholders on or about December 7, 2016. The cost of soliciting proxies is being paid by the Company. The Company’s officers, directors, and other regular employees may, without additional compensation, solicit proxies personally or by other appropriate means.

How can I get access to the proxy materials?

Instructions on how to access the proxy materials, including this proxy statement and the Company’s latest Annual Report on Form 10-K, on-line may be found in the Important Notice Regarding the Availability of Proxy Materials (the “Notice”), as well as instructions to request a printed set of such materials. You may also request the proxy materials by contacting the Company’s transfer agent, Broadridge Corporate Issuer Solutions, by calling 1-800-579-1639, by writing the Company’s Secretary at the Company’s address set forth above, or by visiting www.proxyvote.com and entering the control number from the Notice.

If you would like to receive the Notice via email rather than regular mail in future years, please follow the instructions in the Notice. Choosing to receive future notices by email will help the Company reduce the costs and environmental impact of the Company’s shareholder meetings.

What is the purpose of the Meeting?

At the Meeting, shareholders are asked to act upon the matters outlined above in the Notice of Annual Meeting of Shareholders and as described in this proxy statement. The matters to be considered are (i) the election of directors, (ii) the ratification of the appointment of the Company’s independent registered public accounting firm for the fiscal year ending August 31, 2017, (iii) the approval, on an advisory basis, of the compensation of the Company’s named executive officer, and (iv) such other matters as may properly come before the Meeting. Management will be available to respond to appropriate questions.

Who is entitled to vote and how many votes do I have?

If you were a shareholder of record as of 5:00 p.m. Mountain Time on November 21, 2016, you will be entitled to vote at the Meeting or any adjournments or postponements thereof. On the record date, there were 23,754,098 shares of the Company’s 1/3 of \$.01 par value common stock (“common stock”) issued and outstanding. Each outstanding share of the Company’s common stock will be entitled to one vote on each matter acted upon. There is no cumulative voting.

How do I vote?

If your shares are held in an account at a bank, brokerage firm, or other nominee in “street name,” you need to submit voting instructions to your bank, brokerage firm, or other nominee in order to cast your vote. If you wish to vote in person at the Meeting, you must obtain a valid proxy from the nominee that holds your shares. If you are the shareholder of record, you may vote your shares by following the instructions in the Notice mailed on or about December 7, 2016, or, if you have received a printed set of the proxy materials, you may vote your shares by completing, signing and dating the enclosed proxy card and then mailing it to the Company’s transfer agent in the pre-addressed envelope provided. You may also vote your shares by calling the transfer agent at the number listed on the proxy card or by attending the Meeting in person.

Can I change or revoke my vote?

A proxy may be revoked by a shareholder any time before it is voted at the Meeting by submission of another proxy bearing a later date, by attending the Meeting and voting in person, or if you are a shareholder of record, by written notice of revocation to the Secretary of the Company.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed within the Company or to third parties, except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally shareholders provide written comments on their proxy cards, which are forwarded to management of the Company.

Will my shares held in street name be voted if I do not provide my proxy?

If you hold your shares through a bank, broker, or other nominee, your shares must be voted by the nominee. If you do not provide voting instructions, under the rules of the securities exchanges, the nominee's discretionary authority to vote your shares is limited to "routine" matters. Proposals 1 and 3 are not considered routine matters for this purpose, so if you do not provide your proxy, your shares will not be voted at the Meeting with respect to these proposals. In this case your shares will be treated as "broker non-votes" and will not be counted for purposes of determining the vote on these proposals.

A "broker non-vote" occurs when a nominee holding shares for a beneficial owner has discretionary authority to vote on at least one matter at the meeting but does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received voting instructions from the beneficial owner.

What is a quorum?

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of common stock constitutes a quorum at the Meeting for the election of directors and for the other proposals. Abstentions and broker non-votes are counted for the purposes of determining whether a quorum is present at the Meeting.

How many votes are required to approve the proposals?

Election of Directors – The election of directors requires the affirmative vote of a plurality of the votes cast by shares represented in person or by proxy and entitled to vote for the election of directors. This means that the nominees receiving the most votes from those eligible to vote will be elected. You may vote "FOR" all of the nominees or your vote may be "WITHHELD" with respect to one or more of the nominees; however, a "withheld" vote or a broker non-vote (defined above) will have no effect on the outcome of the election.

Ratification of auditors, advisory vote on executive compensation, and other matters – The number of votes cast in favor of the proposal at the Meeting must exceed the number of votes cast against the proposal for the approval of Proposals 2, 3 and other matters. For Proposals 2, 3 and any other business matters to be voted on, you may vote "FOR," "AGAINST," or you may "ABSTAIN." Abstentions and broker non-votes will not be counted as votes for or against a proposal and, therefore, have no effect on the vote. Because your vote on executive compensation is advisory, it will not be binding on the board of directors or the Company. However, the board of directors will review the voting results and take them into consideration when making future decisions regarding executive compensation.

If no specification is made, then the shares will be voted “FOR” the election as directors of the persons nominated by the board of directors, “FOR” Proposal 2, “FOR” Proposal 3, and otherwise, in accordance with the recommendations of the board of directors.

Does the Company expect there to be any additional matters presented at the Meeting?

Other than the items of business described in this proxy statement, the Company is not aware of any other business to be acted upon at the Meeting. If you grant a proxy, the persons named as proxy holders, Mark W. Harding and Harrison H. Augur, have the discretion to vote your shares on any additional matter properly presented for a vote at the Meeting. If for any unforeseen reason any of the director nominees are not available for election at the date of the Meeting, the named proxy holders will vote your shares for such other candidates as may be nominated by the board. When will the results of the voting being announced?

The Company will announce preliminary results at the Meeting and will publish final results in a current report on Form 8-K to be filed within 4 days of the date of the Meeting.

CORPORATE GOVERNANCE AND BOARD MATTERS**Board Leadership Structure**

The Company's board of directors has chosen to separate the positions of Chief Executive Officer ("CEO") and Chairman of the Board. Keeping these positions separate allows the Company's CEO to focus on developing and implementing the Company's business plans and supervising the Company's day-to-day operations and allows the Company's Chairman to lead the board of directors in its oversight and advisory roles. Because of the many responsibilities of the board of directors and the significant time and effort required by each of the Chairman and the CEO to perform their respective duties, the Company believes that having separate persons in these roles enhances the ability of each to discharge those duties effectively and, as a corollary, enhances the Company's prospects for success. The board of directors also believes that having separate positions provides a clear delineation of responsibilities for each position and fosters greater accountability of management.

Board Risk and Oversight

Our board of directors, as a whole and through its committees, has responsibility for the oversight of risk management. With the oversight of the Company's full board of directors, the Company's CEO is responsible for the day-to-day management of the material risks the Company faces. In its oversight role, the board of directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. At least annually, the board of directors holds a strategic planning session with management to discuss strategies, key challenges, risks and opportunities for the Company. This involvement of the board of directors in setting the Company's business strategy is a key part of its oversight of risk management, its assessment of management's appetite for risk, and its determination of what constitutes an appropriate level of risk for the Company. Additionally, the board of directors regularly receives updates from management regarding certain risks the Company faces, including various operating risks. Management attends meetings of the board of directors and its committees on a regular basis, and as is otherwise needed, and are available to address any questions or concerns raised by the board on risk management and any other matters.

The Audit Committee is responsible for overseeing risk management of financial matters, financial reporting, the adequacy of the Company's risk-related internal controls, internal investigations, and enterprise risks, generally. The Nominating and Corporate Governance Committee (the "Nominating Committee") oversees the Company's corporate governance guidelines and governance-related risks, such as board independence, as well as management and director succession planning. The Compensation Committee oversees risks related to compensation policies and practices and is responsible for establishing and maintaining compensation policies and programs designed to create incentives consistent with the Company's business strategy that do not encourage excessive risk-taking.

Board Membership and Director Independence

Director Independence – At least a majority of the members of the board and all members of the board’s Audit, Compensation, and Nominating Committees must be independent in accordance with the listing standards of The NASDAQ Stock Market. The board has determined that four of the six current members, Messrs. Augur, Epker, Guido, and Howell, are independent pursuant to the standards of The NASDAQ Stock Market.

Terms of Directors and Officers – All directors are elected for one-year terms which expire at the annual meeting of shareholders or when their successors are duly elected and qualified. The Company’s officers are elected annually by the board of directors and hold office until their successors are duly elected and qualified.

Family Relationships of Directors and Officers – None of the current directors or officers, or nominees for director, is related to any other officer or director of the Company or to any nominee for director.

Board Meetings Held – The board of directors and each of the standing committees described below meet throughout the fiscal year on a set schedule. They also hold special meetings and act by written consent from time to time as appropriate. The Company’s independent directors meet regularly in executive sessions without management present. The executive sessions of independent directors are held in conjunction with each regularly scheduled board meeting. During the fiscal year ended August 31, 2016, the board of directors held five (5) meetings. All board members attended 75% or more of the aggregate of the total number of meetings of the board of directors and the total number of meetings held by all committees of the board on which the director served during the periods that the director served on the board and committees, as applicable. All of the Company’s board members are expected to attend the annual meeting of shareholders. All of the Company’s board members attended the 2016 annual meeting of shareholders.

Committees

The Board has three standing committees: Audit Committee, Compensation Committee and Nominating Committee. Each of the committees regularly reports on its activities and actions to the full board of directors.

Membership in the standing committees for 2016 is set forth below:

Fiscal 2016 Committee Membership

Director	Audit Committee	Compensation Committee	Nominating Committee
H. Augur	X	X	X(1)
P. Beirne	—	X(1)	X(1)
A. Epker	—	Chair	X
R. Guido	X	X(1)	Chair
M. Harding	—	—	—
P. Howell	Chair	—	—

(1) Indicates service on a committee for a portion of the fiscal year. Committee assignments were revised on January 27, 2016, when Mr. Beirne was elected to the board of directors.

Audit Committee – The Audit Committee consists of Mr. Howell (Chairman) and Messrs. Augur and Guido. The board of directors has determined that all of the members of the Audit Committee are “independent” within the meaning of the listing standards of The NASDAQ Stock Market and the SEC rules governing audit committees. In addition, the board has determined that Mr. Howell meets the SEC criteria of an “audit committee financial expert” by reason of his understanding of Accounting Principles Generally Accepted in the United States of America (“GAAP”) and the application of GAAP, his education, his experiences as an auditor and chief financial officer, and his understanding of financial statements. See Mr. Howell’s biography under Election of Directors (Proposal No. 1) for additional information.

The functions to be performed by the Audit Committee include the appointment, retention, compensation and oversight of the Company's independent auditors, including pre-approval of all audit and non-audit services to be performed by such auditors. The Audit Committee Charter is available on the Company's website at www.purecyclewater.com. The Audit Committee held seven (7) meetings during the fiscal year ended August 31, 2016.

Compensation Committee – Until October 2016, the Compensation Committee consisted of Mr. Epker (Chairman) and Messrs. Augur and Beirne. The board of directors determined that all members of the Compensation Committee were “independent” within the meaning of the listing standards of The NASDAQ Stock Market. Mr. Beirne resigned from the Compensation Committee in October 2016 because he is no longer independent within the meaning of the listing standards. See “Certain Relationships and Related Transactions” below. The functions to be performed by the Compensation Committee include establishing the compensation of officers, evaluating the performance of officers and key employees, and administering employee incentive compensation plans. The Compensation Committee typically meets with the CEO to obtain information about employee performance and compensation recommendations. It also has the authority to engage outside advisors to assist the committee with its functions. The Compensation Committee has the power to delegate authority to the CEO or a subcommittee to make certain determinations with respect to compensation for employees who are not executive officers. The Company's Compensation Committee Charter is available on the Company's website at www.purecyclewater.com. The Compensation Committee held three (3) meetings during the fiscal year ended August 31, 2016.

Nominating and Corporate Governance Committee – Until October 2016, the Nominating Committee consisted of Messrs. Guido (Chairman), Epker and Beirne. The board of directors determined that all members of the Nominating Committee were “independent” within the meaning of the listing standards of The NASDAQ Stock Market. Mr. Beirne resigned from the NCG Committee in October 2016 because he is no longer independent within the meaning of the listing standards. The principal responsibilities of the Nominating Committee are to identify and nominate qualified individuals to serve as members of the board and to make recommendations to the board with respect to director compensation. In addition, the Nominating Committee is responsible for establishing the Company's Corporate Governance Guidelines and evaluating the board and its processes. In selecting nominees for the board, the Nominating Committee is seeking a board with a variety of experience and expertise, and in selecting nominees it will consider business experience in the industry in which the Company operates, financial expertise, independence from the Company, experience with publicly traded companies, experience with relevant regulatory matters in which the Company is involved, and a reputation for integrity and professionalism. The Company does not have a formal policy with respect to the consideration of diversity in identifying director nominees, but it considers diversity as part of its overall assessment of the board's functions and needs. Nominees must be at least 21 years of age and less than 75 on the date of the annual meeting of shareholders, unless the Nominating Committee waives such requirements. Identification of prospective board members is done by a combination of methods, including word-of-mouth in industry circles, inquiries of outside professionals and recommendations made to the Company. The Nominating Committee Charter is available on the Company's website at www.purecyclewater.com. The Nominating Committee held three (3) meetings during the fiscal year ended August 31, 2016.

The Nominating Committee will consider nominations for director made by shareholders of record entitled to vote. In order to make a nomination for election at the January 2018 annual meeting, a shareholder must provide notice, along with supporting information (discussed below) regarding such nominee, to the Company's Secretary by August 6, 2017, but not before June 8, 2017, in accordance with the Company's bylaws. The Nominating Committee evaluates nominees recommended by shareholders utilizing the same criteria it uses for other nominees.

Each shareholder recommendation should be accompanied by the following:

The full name, address, and telephone number of the person making the recommendation, and a statement that the person making the recommendation is a shareholder of record (or, if the person is a beneficial owner of the Company's shares but not a record holder, a statement from the record holder of the shares verifying the number of shares beneficially owned), and a statement as to whether the person making the recommendation has a good faith intention to continue to hold those shares through the date of the Company's next annual meeting of shareholders;

The full name, address, and telephone number of the candidate being recommended, information regarding the candidate's beneficial ownership of the Company's equity securities, any business or personal relationship between the candidate and the person making the recommendation, and an explanation of the value or benefit the person making the recommendation believes the candidate would provide as a director;

A statement signed by the candidate that he or she is aware of and consents to being recommended to the Nominating Committee and will provide such information as the Nominating Committee may request for its evaluation of candidates;

A description of the candidate's current principal occupation, business or professional experience, previous employment history, educational background, and any areas of particular expertise;

Information about any business or personal relationships between the candidate and any of the Company's customers, suppliers, vendors, competitors, directors or officers, or other persons with any special interest regarding any transactions between the candidate and the Company; and

Any information in addition to the above about the candidate that would be required to be included in the Company's proxy statement (including without limitation information about legal proceedings in which the candidate has been involved within the past ten years).

Compensation Committee Interlocks and Insider Participation – No interlocking relationship exists between any member of the board of directors or the Compensation Committee and any other company's board of directors or compensation committee.

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics for its directors, officers and employees, which is available on the Company's website at www.purecyclewater.com.

Shareholder Communications with the Board

The board of directors has adopted a policy for shareholders to send communications to the board. The policy is available on the Company's website. Shareholders wishing to send communications to the board may contact the Chairman of the board at the Company's principal place of business or e-mail chairman@purecyclewater.com. All such communications shall be shared with the members of the board, or if applicable, a specified committee or director.

Director Compensation

Directors who are employees of the Company receive no fees for board service. Currently, Mr. Harding is the only director who is also an employee. Each non-employee director receives a payment of \$10,000 for each full year in which he or she serves as a director, with an additional payment of \$2,500 for serving as chairman of a committee, \$1,000 for each committee on which he or she serves as a member but not as chairman, and \$1,000 for serving as chairman of the board. Directors receive \$500 for attendance at each board meeting and, if committee meetings are held separately from board meetings, each director receives \$500 for attendance at such committee meetings.

The following table sets forth summary information concerning the compensation paid to the Company's non-employee directors in fiscal 2016 for services to the Company:

In addition to cash compensation, pursuant to the Pure Cycle Corporation 2004 Incentive Plan, as amended (the "2004 Plan"), each non-employee director received an option to purchase 5,000 shares of common stock upon initial election or appointment to the board (which vested one-half on each of the first two anniversary dates of the grant) and an option to purchase 6,500 shares of common stock (2,500 shares prior to January 2013) at each subsequent annual meeting of shareholders at which the non-employee director was re-elected to the board (which vested on the first anniversary of the date of the grant). The 2004 Plan was replaced by the 2014 Equity Incentive Plan (the "2014 Plan") effective as of April 12, 2014. Pursuant to the 2014 Plan, each non-employee director may receive an option to purchase shares of common stock at the discretion of the board, and the terms of such awards granted to non-employee directors, including the discretion to adopt one or more formulas for the determination of non-employee director awards, are at the discretion of the board. On January 14, 2015, the board adopted a formula under the 2014 Plan for grants to non-employee directors re-elected to the board. Like the 2004 Plan, the formula adopted pursuant to the 2014 Plan provides for an option grant to each non-employee director to purchase 6,500 shares of common stock at each annual meeting of shareholders at which the non-employee director is re-elected to the board. The options vest on the first anniversary of the date of grant. On January 27, 2016, the board adopted a formula under the 2014 Plan providing for an option grant to each non-employee director to purchase 10,000 shares of common stock upon initial election or appointment to the board, which vests one-half on each of the first two anniversary dates of the grant. The option exercise price for all non-employee director grants is set at the fair market value of the common stock on the date of the grant. The amounts in this column represent the aggregate grant date fair value of options granted during the Company's fiscal year ended August 31, 2016, as computed in accordance with FASB ASC Topic 718. For more information about how the Company values and accounts for share-based compensation see Note 8 – Shareholders' Equity to the Company's audited consolidated financial statements for the year ended August 31, 2016, which are included in the Company's 2016 Annual Report on Form 10-K.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Person Covered

This compensation discussion and analysis addresses compensation for fiscal 2016 for Mark W. Harding, the Company's President, CEO and Chief Financial Officer ("CFO") and its only executive officer.

Summary

The Company's compensation plan is designed to attract, retain and motivate quality executive talent critical to the Company's growth and success. The compensation plan is structured to reward the executive officer of the Company with competitive total pay opportunities through a compensation mix that emphasizes cash and non-cash incentives and merit-based salary increases, while de-emphasizing entitlements and perquisites.

In September 2015, in recognition of the many positive achievements in fiscal 2015, the Compensation Committee recommended and the board approved a \$350,000 cash bonus award for Mr. Harding. Salary for fiscal 2016 increased from \$275,000 to \$285,000. In September 2016, the Compensation Committee determined that it would be appropriate to focus less on bonus compensation and more on rewarding Mr. Harding for his attention to long-term goals of the Company and ensuring that Mr. Harding is receiving an appropriate salary for a chief executive officer with his experience and capabilities. The Compensation Committee recommended, and the board approved, a salary increase for Mr. Harding to \$375,000 for fiscal 2017, a \$125,000 cash bonus award, and a stock option to purchase 50,000 shares of common stock.

2016 Achievements

Due in large part to the efforts and leadership of Mr. Harding, the Company achieved certain key strategic objectives during fiscal 2016, including:

Substantially completing an interconnect with the WISE (as defined below) system for WISE water deliveries;

Permitting a 6.5 mile pipeline from Lowry Range to the Company's Sky Ranch property and soliciting competitive bids for construction of the pipeline;

Completing the sale of water rights on three final farms located in the Arkansas River Valley for approximately \$1.35 million;

Engineering water, sewer, irrigation, drainage and access roads for the Sky Ranch property and obtaining approval of a revised plan for preliminary plats at Sky Ranch in preparation for the marketing and sale of finished lots;

Improving budgeting systems to better meet the needs of managing Sky Ranch development and water service projects being pursued by the Company; and

Identifying and recruiting a director with significant real estate experience.

Through an agreement with the Rangeview Metropolitan District (the "District"), the Company has worked with regional water suppliers, including Denver Water and Aurora Water, to participate in a cooperative water project known as the Water Infrastructure Supply Efficiency partnership ("WISE") to develop regional infrastructure and supplies.

Compensation Philosophy

The Company's executive compensation program is administered by the Compensation Committee of the board of directors. The Compensation Committee is ordinarily composed of three independent, non-employee directors. At the time the executive compensation recommendations were made, the Compensation Committee was comprised of Messrs. Epker, Augur and Beirne. Mr. Beirne resigned in October 2016 when he ceased to meet the independence requirements of NASDAQ. See "Certain Relationships and Related Transactions" below. The Compensation Committee reviews the performance and compensation level for the CEO and makes recommendations to the board of directors for final approval. The Compensation Committee also determines equity grants under the 2014 Plan, if any. The CEO may provide information to the Compensation Committee regarding his compensation; however, the Compensation Committee makes the final determination on the executive compensation recommendation to the board. Final compensation determinations are generally made in August or September near the end of the Company's fiscal year. The following outlines the philosophy and objectives of the Company's compensation plan.

The objectives of the Company's compensation plan are to correlate executive compensation with the Company's objectives and overall performance and to enable the Company to attract, retain and reward executive officers who contribute to its long-term growth and success. The compensation plan is designed to create a mutuality of interest between executive and shareholders through equity ownership programs and to focus the executive's attention on overall corporate objectives, in addition to the executive's personal objectives.

The goal of the Compensation Committee is to provide a compensation package that is competitive with compensation practices of companies with which the Company competes, provides variable compensation that is linked to achievement of the Company's operational performance goals, and aligns the interests of the executive officer and employees with those of the shareholders of the Company. Additionally, the Compensation Committee's goal is to design a compensation package that falls within the mid-range of the packages provided to executives of similarly sized corporations in like industries.

Generally, the executive officer receives a base salary and an opportunity to earn a cash bonus based on attainment of predetermined objectives at the discretion of the Compensation Committee. Long-term equity incentives are also considered. The mixture of cash and non-cash compensation items is designed to provide the executive with a competitive total compensation package while not using an excessive amount of the Company's cash or overly diluting the equity positions of its shareholders. The Company's executive officer does not receive any perquisites or personal benefits. The executive officer is eligible for the same benefits available to all Company employees. Currently, this includes participation in a tax-qualified 401(k) plan and health and dental plans.

Compensation Consultants

The Compensation Committee charter authorizes the Compensation Committee to engage compensation consultants and other advisors to assist it with its duties. No compensation consultants were engaged by either management or the Compensation Committee during fiscal 2016.

Shareholder Feedback and Say-On-Pay Results

The Compensation Committee considers the outcome of shareholder advisory votes on executive compensation when making future decisions relating to the compensation of the CEO and the Company's executive compensation program. At the 2016 annual meeting of shareholders, approximately 97% of the votes cast were for approval of the "say-on-pay" proposal. The Compensation Committee believes the results conveyed support for continuing with the philosophy, strategy and objectives of the Company's executive compensation program.

Compensation of the Company's CEO

The current compensation program for the Company's CEO consists of the following:

Base Salary – In September 2015, the Compensation Committee reviewed and recommended a salary for the CEO for the fiscal year ended August 31, 2016. Mr. Harding's base salary was established by the Compensation Committee based upon publicly available compensation data for executive officers in comparable companies in the water development industry, job responsibilities, level of experience, individual performance and contributions to the business throughout his career with the Company, and Mr. Harding's achievements in fiscal 2015.

In making the base salary decision, the Compensation Committee exercised its discretion and judgment based upon these factors. No specific formula was applied to determine the weight of each factor. While the Compensation Committee reviewed competitive compensation data, it did not benchmark Mr. Harding's compensation to that of any other company. In September 2015, the Compensation Committee recommended and the board of directors approved a salary increase for Mr. Harding from \$275,000 for fiscal 2015 to \$285,000 for fiscal 2016. The Compensation Committee and the board of directors determined that, due to the long-term nature of the Company's business and goals (as discussed below), it should work more on rewarding Mr. Harding for his long-term focus and less on short-term projects. Thus, in September 2016, the Compensation Committee recommended and the board of directors approved raising Mr. Harding's salary to \$375,000 for fiscal 2017, making his overall compensation package less dependent on short-term achievements.

Incentive Bonus – The Compensation Committee's goal in granting incentive bonuses is to tie a portion of the CEO's compensation to the operating performance of the Company and to the CEO's individual contribution to the Company. The Compensation Committee did not benchmark the CEO's bonus to that of executive officers at other companies. In formulating recommendations for bonus compensation for Mr. Harding, the Compensation Committee considered a number of factors, including, among other things: (i) the efforts of Mr. Harding in pursuing projects for the Company and negotiating with various governmental entities to achieve long-term goals of the Company; (ii) the progress made by Mr. Harding and the Company in achieving the objectives established by the Compensation Committee for fiscal 2016 (as discussed below); (iii) Mr. Harding's experience, talents and skills, and the importance thereof to the Company; and (iv) the potential availability of better paying positions for officers with Mr. Harding's experience and skills.

Development and operation of water and wastewater systems requires long-term planning to meet anticipated future needs of customers, balancing concerns of constructing expensive infrastructure in advance of customer demand with concerns of not being prepared for increased customer demands. Additionally, development of the areas to be served by the Company's water systems is a process that is anticipated to take many years and involves many factors which are not within the Company's control, including, but not limited to the decisions of the Land Board with respect to development of the Lowry Range; housing markets; and competing agendas of governmental entities, developers, environmental groups, conservation groups and agricultural interests. Therefore, performance plan objectives established by the Compensation Committee for the CEO and other key personnel tend to include long-range objectives which cannot reasonably be expected to be completed in the course of a single year. Additionally, the Compensation Committee designs the plan to award performance without encouraging inappropriate risk taking. In September 2015, the Compensation Committee recommended establishing a performance plan for fiscal 2016, which was formally approved by the board in October 2015.

The 2016 performance plan was comprised of a number of financial and nonfinancial objectives, both short-term and long-term in nature, including the following objectives: (i) finalizing a reservoir sale with Aurora; (ii) finalizing the interconnect with the WISE system for WISE water deliveries; (iii) permitting a pipeline from Lowry to Sky Ranch; (iv) completing the sale of water rights for the final farms in the Arkansas River Valley; (v) monitoring opportunities for mineral right monetization; (vi) improving the budgeting system; and (vii) controlling general and administrative expenses. The plan also included corporate strategic objectives the disclosure of which the Company believes would cause competitive harm. The Compensation Committee believed that the achievement of certain performance objectives, including the undisclosed objectives, would be extraordinarily difficult and that it was unlikely that the CEO and key employees would be able to fully achieve them.

In September 2016, the Compensation Committee reviewed the Company's operating results for fiscal 2016 and evaluated the Company's success in achieving the performance plan objectives. The Compensation Committee

determined that a bonus was warranted in recognition of Mr. Harding's success in achieving or making progress toward achieving certain key objectives established in the 2016 performance plan, including those described above under Compensation Discussion and Analysis – 2016 Achievements. The Compensation Committee recommended awarding, and the board authorized awarding, Mr. Harding a discretionary bonus of \$125,000 in fiscal 2016, as well as a stock option to purchase 50,000 shares of common stock, as described below.

Long-Term Equity Incentives – The goal of long-term equity incentive compensation is to align the interests of the CEO with those of the Company’s shareholders and to provide the CEO with a long-term incentive to manage the Company from the perspective of an owner with an equity stake in the business. It is the belief of the Compensation Committee that stock options and other equity based awards directly motivate an executive to maximize long-term shareholder value. The philosophy of the Compensation Committee in administering the Company’s 2014 Plan is to tie the number of stock options and shares of stock awarded to each employee to the performance of the Company and to the individual contribution of each employee to the Company. The Compensation Committee recommended awarding, and the board authorized awarding, Mr. Harding a non-statutory stock option to purchase 50,000 shares of the Company’s common stock in recognition of his performance during the fiscal year ended August 31, 2016, and to motivate future performance, noting that Mr. Harding had not received an equity incentive award since 2013 and determining that it would be preferable to recognize his achievements with a mix of cash and long-term incentives.

Discussion with Respect to Qualifying Compensation for Deductibility

Section 162(m) of the Internal Revenue Code imposes a limit on tax deductions for annual compensation (other than performance-based compensation) in excess of one million dollars paid by a corporation to its CEO and its other four most highly compensated executive officers. The Company has not established a policy with regard to Section 162(m) of the Internal Revenue Code, because the Company does not currently anticipate paying cash compensation in excess of one million dollars per annum to any employee. The Compensation Committee will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, is appropriate.

Stock Ownership Requirements for Executive Officers

While the Company has not established stock ownership guidelines for its executive officer, at August 31, 2016, the Company’s CEO owned stock with a market value of approximately of twelve times his base salary, which is in excess of the six times base salary multiple that is the median multiple for CEOs of the Top 100 of S&P 500 companies and in excess of the ten times base salary that the Institutional Shareholder Services (“ISS”) recommends for a “rigorous” stock ownership guideline.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Agreements with Related Parties

On October 12, 2016, the Audit Committee approved accepting a bid submitted by Nelson Pipeline Constructors LLC to construct the Sky Ranch pipeline for approximately \$4.1 million (the "Nelson Bid"). Nelson Pipeline Constructors LLC is a wholly owned subsidiary of Nelson Infrastructure Services LLC, a company in which Patrick J. Beirne owns a 50% interest. In addition, Mr. Beirne, a director of Pure Cycle, is Chairman and Chief Executive Officer of each of Nelson Pipeline Constructors LLC and Nelson Infrastructure Services LLC. Since Mr. Nelson is the 50% owner of the parent company of Nelson Pipeline Constructors LLC, Mr. Nelson's interest in the transaction is approximately \$2.05 million without taking into account any profit or loss from the Nelson Bid. Pursuant to the Company's policies for review and approval of related party transactions (discussed below), the Nelson Bid was reviewed and approved by the Audit Committee and by the board of directors, with Mr. Beirne abstaining. The Nelson Bid was the lowest bid received by the Company in connection with the Sky Ranch pipeline project and was lower than the Company's estimated cost to construct the pipeline on its own.

Review and Approval of Related Party Transactions

It is the Company's policy as set forth in its Code of Business Conduct and Ethics that actual or apparent conflicts of interest are to be avoided if possible and must be disclosed to the board of directors. Pursuant to the Code of Business Conduct and Ethics and the Audit Committee Charter, any transaction involving a related party must be reviewed and approved or disapproved by the Audit Committee. Additionally, the Audit Committee Charter requires the Audit Committee to review any transaction involving the Company and a related party at least once a year or upon any significant change in the transaction or relationship. The Code also provides non-exclusive examples of conduct which would involve a potential conflict of interest and requires any material transaction involving a potential conflict of interest to be approved in advance by the board. If a waiver from the Code is granted to an executive officer or

director, the nature of the waiver will be disclosed on the Company's website, in a press release, or on a current report on Form 8-K.

15

The Company annually requires each of its directors and executive officers to complete a directors' and officers' questionnaire that solicits information about related party transactions. The Company's board of directors and outside legal counsel review all transactions and relationships disclosed in the directors' and officers' questionnaire, and the board makes a formal determination regarding each director's independence. If a director is determined to no longer be independent, such director, if he or she serves on any of the Audit Committee, the Nominating Committee, or the Compensation Committee, will be removed from such committee prior to (or otherwise will not participate in) any future meeting of the committee. If the transaction presents a conflict of interest, the board of directors will determine the appropriate response.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" THE ELECTION AS DIRECTORS OF THE PERSONS NOMINATED.

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

(Proposal No. 2)

Action is to be taken by the shareholders at the Meeting with respect to the ratification and approval of the selection by the Audit Committee of the Company’s board of directors of GHP Horwath, P.C. (“GHP”) to be the independent registered public accounting firm of the Company for the fiscal year ending August 31, 2017. In the event of a negative vote on such ratification, the Audit Committee of the board of directors will reconsider its selection. A representative of GHP is expected to be present at the Meeting. The GHP representative will have the opportunity to make a statement if he or she desires to do so, and is expected to be available to respond to appropriate questions. The Audit Committee reviews and approves in advance the audit scope, the types of non-audit services, if any, and the estimated fees for each category for the coming year. For each category of proposed service, GHP is required to confirm that the provision of such services does not impair the auditors’ independence. Before selecting GHP, the Audit Committee carefully considered that firm’s qualifications as an independent registered public accounting firm for the Company. This included a review of its performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee has expressed its satisfaction with GHP in all of these respects. The Audit Committee’s review included inquiry concerning any litigation involving GHP and any proceedings by the SEC against the firm.

GHP has no direct or indirect financial interest in the Company and does not have any connection with the Company in the capacity of promoter, underwriter, voting trustee, director, officer or employee. Neither the Company, nor any officer, director nor associate of the Company has any interest in GHP.

Fees – For the fiscal years ended August 31, 2016 and 2015, the Company was billed the following audit, audit-related, tax and other fees by its independent registered public accountant. The tax fees consist entirely of fees for the preparation of the federal and state corporate tax returns. The Audit Committee approved 100% of these fees in accordance with the Audit Committee Charter.

	For the Fiscal Years Ended	
	August 31,	August 31,
	2016	2015
Audit Fees	95,000(1)	108,000(1)
Audit Related Fees	\$—	\$—
Tax	\$1,300	\$2,200
All Other Fees	\$—	\$—
Total	96,300	\$110,200

(1)

Fees are based on actual billings through August 31. During fiscal year 2014, the Company became an “accelerated filer” with the SEC requiring an audit of the Company’s internal control over financial reporting, which work was billed in Fiscal 2015.

Pre-Approval Policy – The Audit Committee has established a pre-approval policy in its charter. In accordance with the policy, the Audit Committee pre-approves all audit, non-audit and internal control related services provided by the independent auditors prior to the engagement of the independent auditors with respect to such services.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT AUDITORS.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

(Proposal No. 3)

The following proposal provides our shareholders with the opportunity to vote to approve or not approve, on an advisory basis, the compensation of our named executive officer as disclosed in the proxy statement in accordance with the compensation disclosure rules of the SEC.

We urge shareholders to read the “Executive Compensation” section beginning on page 10 of this proxy statement, as well as the Summary Compensation Table and other related compensation tables and narrative, beginning on page 13 of the proxy statement, which provide detailed information on the compensation of our named executive officer. The Company’s compensation programs are designed to support its business goals and promote short- and long-term profitable growth of the Company.

We are asking shareholders to approve the following advisory resolution at the Meeting:

RESOLVED, that the shareholders of the Company approve, on an advisory basis, the compensation of the Company’s named executive officer, as disclosed pursuant to Item 402 of Regulation S-K, including the disclosure under the heading “Executive Compensation” and in the compensation tables and accompanying narrative discussion in the Company’s Definitive Proxy Statement.

This advisory resolution, commonly referred to as a “say-on-pay” resolution, is not binding on the Company or the board of directors. The say-on-pay proposal is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officer and the executive compensation policies, practices, and plans described in this proxy statement. Although non-binding, the board of directors will carefully review and consider the voting results when making future decisions regarding the Company’s executive compensation program. Based on the advisory vote of the shareholders at the 2015 annual meeting of shareholders, the board of directors determined that it would conduct an advisory vote on executive compensation on an annual basis. Notwithstanding the foregoing, the board of directors may decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussions with shareholders and the adoption of material changes to compensation programs.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICER.

ACTION TO BE TAKEN UNDER THE PROXY

The proxy will be voted “FOR” the individuals nominated by the board and “FOR” approval of Proposals 2 and 3, unless the proxy is marked in such a manner as to withhold authority to so vote. The proxy will also be voted in connection with the transaction of such other business as may properly come before the Meeting or any adjournments or postponements thereof. Management knows of no other matters, other than the matters set forth above, to be considered at the Meeting. If, however, any other matters properly come before the Meeting or any adjournment thereof, the persons named in the accompanying proxy will vote such proxy in accordance with their best judgment on any such matter. The persons named in the accompanying proxy will also, if in their judgment it is deemed to be advisable, vote to adjourn the Meeting from time to time.
