FOR IMMEDIATE RELEASE

October 14, 2003

WESTAMERICA BANCORPORATION REPORTS RECORD QUARTERLY EARNINGS
FOR THIRD QUARTER 2003

San Rafael, CA: Westamerica Bancorporation (NASDAQ: WABC), parent company of Westamerica Bank, today reported record net income of \$24.1 million for the third quarter of 2003, up from \$22.9 million for the third quarter of 2002. Third quarter 2003 diluted earnings per share increased eight percent to \$0.72 from \$0.67 for the third quarter of 2002. Return on average common equity (ROE) for the third quarter of 2003 was 29.3 percent and return on assets (ROA) was 2.18 percent, compared to 29.6 percent and 2.20 percent, respectively, in the third quarter of 2002.

Edgar Filing: WESTAMERICA BANCORPORATION - Form 8-K

"The third quarter of 2003 benefited from higher fee income, cost containment, and continuous application of our conservative credit culture," said Chairman, President and CEO David Payne. "Non-performing loans and repossessed loan collateral declined five percent to \$8.6 million from \$9.1 million at June 30. Annualized net charge-offs to average loans declined to 0.12 percent in the third quarter of 2003, and now stand at 0.15 percent year-to-date at September 30, 2003," added Payne.

Net interest income on a fully taxable equivalent basis was \$54.3 million in the third quarter of 2003 compared to \$54.3 million in the prior quarter and \$54.9 million in the third quarter of 2002. The third quarter of 2003 net interest margin was 5.31 percent, down from 5.43 percent in the prior quarter and 5.71 percent in the third quarter of 2002. Declining interest rates and reduced commercial loan demand have resulted in an operating environment with declining net interest margins.

Noninterest income in the third quarter of 2003 totaled \$11.0 million, compared to \$11.0 million in the previous quarter and \$10.5 million in the third quarter of 2002. In comparison to both the prior quarter and third quarter of 2002, the third quarter of 2003 benefited from higher service charges on deposit accounts and merchant credit card income offset in part by lower mortgage banking fees. Third quarter 2003 noninterest income includes securities gains of \$2.2 million reduced by FHLB advance prepayment fees of \$2.2 million. FHLB advances totaling \$65 million were retired using the proceeds from sale of available for sale securities. The rate paid on the retired FHLB advances approximated 3.9 percent, while the yield on the securities sold also approximated 3.9 percent. Second quarter 2003 noninterest income included \$277 thousand of investment securities gains.

Noninterest expense for the third quarter of 2003 was \$25.5 million, an increase of \$58 thousand from the second quarter of 2003. The increase is due to higher expenses for telephone, professional fees, and occupancy offset in part by lower salaries and benefits, equipment costs, and loan expenses. Compared to the third quarter of 2002, noninterest expense decreased \$400 thousand in the third quarter of 2003. The decrease is due to lower salaries and benefits, equipment expense, and amortization of core deposit in tangibles offset in part by higher telephone and loan expenses. The efficiency ratio for the third quarter of 2003 was 39.1 percent, compared to the prior quarter at 39.0 percent and the third quarter of 2002 at 39.7 percent.

Page 6

The provision for loan losses was \$750 thousand for the third quarter of 2003, reduced from \$900 thousand in both the previous quarter and third quarter of 2002. The reduced provision for loan losses reflects management's assessment of credit risk for the loan portfolio. Net charge-offs totaled \$729 thousand or 0.12 percent of average loans (annualized) in the third quarter of 2003, compared to \$895 thousand or 0.15 percent of average loans (annualized) in the second quarter of 2003. At September 30, 2003, the allowance for loan losses was \$54.2 million, or 2.29 percent of total loans outstanding.

Shareholders equity was \$351 million at September 30, 2003, or 7.8 percent of total assets. Net repurchases of the Company's common stock in the third quarter 2003 totaled 214 thousand shares.

Westamerica Bancorporation, through its wholly owned subsidiary Westamerica Bank, operates 88 branches throughout 22 Northern and Central California counties. At September 30, 2003, the company had total assets outstanding of \$4.5 billion.

FORWARD-LOOKING INFORMATION:

The following appears in accordance with the Private Securities Litigation Reform Act of 1995:

This press release may contain forward-looking statements about the Company, including descriptions of plans or objectives of its management for future operations, products or services, and forecasts of its revenues, earnings or other measures of economic performance. Forward-looking statements can be identified by the fact that they do not relate strictly to historical or current facts. They often include the words "believe," "expect," "anticipate," "intend," "plan," "estimate," or words of similar meaning, or future or conditional verbs such as "will," "would," "should," "could," or "may."

Forward-looking statements, by their nature, are subject to risks and uncertainties. A number of factors - many of which are beyond the Company's control - could cause actual conditions, events or results to differ significantly from those described in the forward-looking statements. The Company's most recent annual and quarterly reports filed with the Securities and Exchange Commission, including the Company's Form 10-Q for the quarter ended June 30, 2003 and Form 10-K for the year ended December 31, 2002, describe some of these factors, including certain credit, market, operational, liquidity and interest rate risks associated with the Company's business and operations. Other factors described in these reports include changes in business and economic conditions, competition, fiscal and monetary policies, disintermediation, legislation including the Sarbanes-Oxley Act of 2002 and the Gramm-Leach-Bliley Act of 1999, the combination of the former Kerman State Bank and other mergers and acquisitions.

Forward-looking statements speak only as of the date they are made. The Company does not undertake to update forward-looking statements to reflect circumstances or events that occur after the date forward looking statements are made.
