## INFORMATION CONCERNING THE PROXY MATERIALS AND THE ANNUAL MEETING

Our Board of Directors is soliciting proxies to be voted at the 2013 Annual Meeting of Stockholders to be held on February 12, 2013, which is referred to in this proxy statement as the Annual Meeting. Your vote is very important. For this reason, our Board is requesting that you permit your common stock to be represented at the Annual Meeting by the persons named as proxies for the Annual Meeting. This proxy statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully. Our principal executive offices are located at 43 Manning Road, Billerica, Massachusetts 01821. Our main telephone number is (978) 663-7598. In this proxy statement, CSP Inc. is sometimes referred to as the Company or CSPI. Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be Held on February 12, 2013.

Pursuant to the rules adopted by the Securities and Exchange Commission, which is referred to in this proxy statement as the SEC, we have elected to provide access to our proxy materials both by sending you this full set of proxy materials, including a notice of Annual Meeting, proxy card and our 2012 Annual Report on Form 10-K, and by notifying you of the availability of our proxy materials on the Internet. The notice of Annual Meeting, proxy statement, proxy card and 2012 Annual Report on Form 10-K are also available at [www.proxyvote.com](http://www.proxyvote.com). In accordance with SEC rules, the materials on the site are searchable, readable and printable and the site does not have “cookies” or other tracking devices which identify visitors.

We are mailing this proxy statement and the enclosed form of proxy to stockholders on or about January 25, 2013.

## QUESTIONS AND ANSWERS REGARDING THE ANNUAL MEETING

Where and when is the Annual Meeting of Stockholders?

Our Annual Meeting of stockholders will be held at our subsidiary Modcomp Inc. executive offices, 1500 South Powerline Road, Deerfield Beach, Florida at 9:00 a.m. local time on February 12, 2013.

Who may vote at the Annual Meeting?

You may vote if our records show that you owned your shares on December 14, 2012, which is the record date. At the close of business on the record date, 3,442,842 shares of our common stock were issued and outstanding and eligible to vote. You may cast one vote for each share of common stock held of record by you on the record date on all matters presented.

Why did I receive the proxy materials by e-mail?

You requested that the Company deliver proxy materials to you electronically by e-mail. If you wish to terminate this request, please contact American Stock Transfer & Trust Company, LLC by calling (800) 937-5449 or writing to 6201 15<sup>th</sup> Avenue, Brooklyn, New York 11219.

What is the difference between holding shares as a stockholder of record and beneficial owner?

Most of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially. **Stockholder of Record.** If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Co., you are considered the stockholder of record with respect to those shares, and the proxy materials, including your proxy card, were sent directly to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us via the Internet, by telephone or by mail, or to vote in person at the Annual Meeting.

**Beneficial Owner.** If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares, which are held in “street name,” and the proxy materials, including your proxy card, are being provided to you by your broker, bank or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you request, complete and deliver a proxy from your broker, bank or nominee. Your broker, bank or nominee has sent you a voting instruction card for you to use in directing the broker, bank or nominee how to vote your shares.

How many votes can be cast by all stockholders?

Each share of our common stock is entitled to one vote. There is no cumulative voting. We had 3,442,842 shares of common stock outstanding and entitled to vote on the record date.

1

---

How many votes must be present to hold the Annual Meeting?

We must have a quorum in order to hold the Annual Meeting and conduct business. A majority of our issued and outstanding shares as of the record date constitutes a quorum. Shares are counted if you are present at the Annual Meeting or a proxy card has been properly submitted by you or on your behalf. In general, abstentions are counted as present for the purpose of determining the presence of a quorum at a meeting of stockholders. Proxies received from brokers that express a vote on any matter will also be counted as present, even if they show a broker "non-vote" on any other matter(s). The vote on each matter submitted to stockholders is tabulated separately. American Stock Transfer & Trust Co. will tabulate the votes.

If on the date scheduled for the Annual Meeting a quorum does not exist for purposes of conducting business at the Annual Meeting, the persons named as proxies in the proxy card will use the discretionary authority granted to them thereby to adjourn the meeting to a future date for purposes of seeking a quorum.

Under "Recent Developments," below, is a reference to a proxy filing by the NW Group (as defined in that section). The NW Group filing states that it is seeking authority on your behalf to not attend the Annual Meeting and thereby to withhold your vote at the Annual Meeting. We will not count for purposes of determining the presence of a quorum at the Annual Meeting the shares held by a stockholder who grants such authority to the NW Group by returning a purported "proxy card" to the NW Group, because those shares will not be present or represented at the Annual Meeting. If the Annual Meeting is not held for lack of a quorum,

(1) the Company's current directors would continue to serve on the Board of Directors until such time as a meeting of stockholders satisfying the quorum requirement is held for purposes of electing directors, as the Company's by-laws and the Massachusetts Business Corporation Act provide that notwithstanding that the terms of directors expire at the next annual stockholders' meeting following their election, each director shall continue to serve until his successor is elected and qualified or until there is a decrease in the number of directors.

(2) the advisory votes to approve executive compensation and on the preferred frequency of holding advisory stockholder votes to approve executive compensation will not be taken up until the next meeting of stockholders is held for purposes of electing directors, as the federal securities laws require us to conduct such votes at the next meeting of stockholders held after January 21, 2013 where directors will be elected and for which executive compensation disclosure is required, but do not require that such votes occur by a particular calendar date.

(3) the ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent auditors for fiscal year 2013 will not be voted upon until the next meeting of stockholders satisfying the quorum requirement. Massachusetts law does not require stockholders to ratify the appointment of auditors.

(4) the Massachusetts Business Corporation Act requires us to hold a meeting of our stockholders annually, and the Company will continue to attempt to obtain a quorum in order to comply with this requirement. The remedy available to stockholders who seek judicial relief requiring the holding of an annual meeting is an order to hold such a meeting. We fully intend to hold such a meeting as required by law.

(5) NASDAQ rules require us to hold an annual stockholders' meeting within one year following the end of our fiscal year, or by September 30, 2013. Failure to hold a meeting under NASDAQ rules would constitute a violation of these NASDAQ rules and subject us to suspension and delisting from NASDAQ. However, in the 32 years since trading of our shares first commenced on NASDAQ on January 29, 1981, we have never failed to hold an annual stockholders' meeting, and do not anticipate being unable to do so in compliance with NASDAQ rules.

I own my shares in "street name." Will my broker vote my shares for me?

The ability of brokers to vote your shares for you without instructions from you is governed by Rule 452 of the New York Stock Exchange, which regulates the behavior of brokers who are "member organizations" of the NYSE (without regard to what exchange the shares are traded on). The NYSE has identified 18 specific types of "Broker May Not Vote" matters, also known as non-routine matters. At our Annual Meeting, the election of directors (Proposal 1), the say-on-pay proposal (Proposal 2), and the say-when-on-pay proposal (Proposal 3) are all "Broker May Not Vote" matters, and therefore your broker will not express a vote on those proposals without instructions from you. In cases where the broker is otherwise able to return your proxy card (for example, because your broker receives instructions from you on one such matter but not on others), the broker will submit your proxy card in accordance with your

instructions on the matter(s) for which you gave instructions or on which the broker had discretion, and will show other matters as a broker “non-vote.”

Proposal 4, the ratification of the appointment of our independent auditors, is a “Broker May Vote,” or routine matter. In general, a broker may vote in accordance with management's recommendation on a routine matter, without instructions from you. The Company believes that your broker may vote your shares on Proposal 4 at this Annual Meeting without instructions from you. The submission of such a vote by your broker will count toward a quorum and be effective if there is a quorum.<sup>1</sup>

---

How many votes are required to elect directors?

Directors are elected by a plurality of the votes cast. This means that the individuals nominated for election to the Board of Directors who receive the most "FOR" votes (among votes properly cast in person or by proxy) will be elected; a nominee does not need to receive a majority to be elected. If you withhold authority to vote, or there is a broker "non-vote" with respect to the election of a nominee, your shares will not be voted with respect to that nominee. Your shares will be counted for purposes of determining whether there is a quorum.

How many votes are required to approve the advisory vote on the compensation paid to the Company's named executive officers (the "say-on-pay proposal")?

Approval of the say-on-pay proposal requires the affirmative vote of a majority of the shares represented and entitled to vote at the Annual Meeting. You may cast a vote either "FOR" or "AGAINST" the say-on-pay proposal, or you may abstain. A vote to abstain is the equivalent of a vote "AGAINST" the proposal. A broker "non-vote" will not be counted as a vote cast. Because your vote is advisory, it will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

---

<sup>1</sup>Under "Recent Developments," below, is a reference to a proxy filing by the NW Group (as defined in that section). The NW Group asserts, without citing any authority, that for purposes of Rule 452 its proxy solicitation creates a contest and, under Rule 452, the existence of a contest means that Proposal 4 would be a non-routine matter. Guidance published by the NYSE concerning this question states that without instructions a broker may vote on a routine matter (and ratification of auditors is a routine matter) if the broker "has no knowledge of any contest as to the action to be taken at the meeting and provided such action is adequately disclosed to stockholders and does not include authorization for ... any matter which may affect substantially the rights or privileges of such stock." In other words, under Rule 452, a contest is determined with respect to the action to be taken at the meeting. The NW Group filing states that the NW Group will not even attend the Annual Meeting. The NW Group filing does not solicit a vote of any kind (instead, it states that it "disenfranchises" anyone who returns a proxy card to the NW Group) and it provides no means by which a stockholder can vote against the four principal items on the Company's Notice for this Annual Meeting. The Company does not believe that a court or the NYSE would interpret Rule 452 to mean that a stockholder can create a contest by failing to attend an annual meeting and not voting. The Company considers the NW Group filing to protest, but not contest, the items on the agenda for the Annual Meeting.

How many votes are required to determine, on an advisory basis, the frequency with which the stockholders of the Company shall have an advisory vote on the compensation of the Company's named executive officers?

The advisory vote on the frequency of the say-on-pay proposal is a non-binding vote as to how often the say-on-pay proposal should occur. You may vote for: every year, every two years, or every three years, or you may abstain. The option among one year, two years or three years that receives the highest number of votes cast will be deemed the choice of the stockholders. A broker "non-vote" will not be counted as a vote cast. Because your vote is advisory, it will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding the frequency of future advisory votes on executive compensation.

How many votes are required to ratify the appointment of the Company's independent auditors?

Ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent auditors requires the affirmative vote of a majority of the shares represented and entitled to vote at the Annual Meeting. You may vote either "FOR" or "AGAINST" ratification of the appointment, or you may abstain. A vote to abstain is the equivalent of a vote "AGAINST" the proposal.

How do I vote?

You may vote in one of four ways:

- Over the Internet  
If your shares are registered in your name: Vote your shares over the Internet by accessing the proxy online voting website at: [www.voteproxy.com](http://www.voteproxy.com) and following the on-screen instructions. You will need the Company number, account and control numbers that appear on your proxy card when you access the web page.  
If your shares are held in the name of a broker, bank or other nominee: Vote your shares over the Internet by following the voting instructions that you receive from such broker, bank or other nominee.
- By Telephone  
If your shares are registered in your name: Vote your shares over the telephone by accessing the telephone voting system toll-free at 1-800-PROXIES (1-800-690-6903) in the United States and from foreign countries using any touch-tone telephone and following the telephone voting instructions. The telephone instructions will lead you through the voting process. You will need the Company number, account and control numbers that appear on your proxy card.  
If your shares are held in the name of a broker, bank or other nominee: Vote your shares over the telephone by following the voting instructions you receive from such broker, bank or other nominee.
- By Mail  
Vote by signing and dating the proxy card(s) and returning the card(s) in the prepaid envelope.
- In Person

What if I submit my proxy but do not vote for one or more of the proposals?

If you submit your proxy via the Internet, by telephone or by returning your signed proxy card, but do not mark or specify selections, then the shares covered by your proxy will be voted as recommended by the Board of Directors in this proxy statement. If you indicate a choice with respect to any matter to be acted upon on your proxy, the shares you hold will be voted in accordance with your instructions.

If you are a beneficial owner and hold your shares through a broker and do not submit your selections in accordance with the instructions received from your broker, the broker or other nominee will determine if it has discretionary authority to vote on the particular matter. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have discretion to vote such shares on routine matters, but not on non-routine matters. The only routine matter at the Annual Meeting is ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent auditors. Non-routine matters at the Annual Meeting are: (1) election of the management nominees named in the proxy statement to the Board of Directors as directors; (2) consideration of an advisory vote to approve executive compensation; and (3) consideration of an advisory vote on the preferred frequency of holding

advisory stockholder votes on the approval of executive compensation. If the broker determines it does not have discretionary authority to vote on a particular matter, it will indicate a broker “non-vote” for such matter in the proxy. Because ratification of the appointment of McGladrey & Pullen, LLP as the Company's independent auditors is a routine matter, any broker votes in respect of such matter will be used to establish the presence of a quorum at the Annual Meeting.

Can I change or revoke my vote after submitting it?

Yes. After you submit your vote via the Internet, by telephone or by mail, you retain the power to revoke your proxy or change your vote. You can revoke your proxy or change your vote at any time before it is exercised by giving written notice to our corporate

secretary specifying such revocation. You may change your vote by timely delivery of a valid, later-dated proxy or by voting by ballot at the Annual Meeting if you are a record holder.

If you are a stockholder of record who has already returned a non-white “proxy” card to the NW Group (as described under “Recent Developments” below), then you have given NW Group authority not to attend the Annual Meeting on your behalf, and the NW Group states that you will be “disenfranchised” with respect to having your shares voted at the Annual Meeting. However, if you change your mind and wish to vote the Company's white proxy card, please sign and date the Company's card and return it to us in the enclosed prepaid envelope. If you return the Company's white proxy card, the Company will count your vote unless the Company has knowledge that you have revoked the Company's proxy card. If you have returned the NW Group card and wish to revoke it, send a written notice revoking your non-white NW Group card to North & Webster, LLC, c/o Jim Bussone, 10 Tower Office Park, Suite 420, Woburn, MA 02144. If you are a beneficial owner and vote your shares through your broker, bank or nominee and have previously given instructions to vote the NW Group's card, you can provide new, later-dated instructions to act as you so instruct.

What should I do if only one set of proxy materials for the Annual Meeting are sent and there are multiple CSPI stockholders in my household?

Some banks, brokers and other nominee record holders may be participating in the practice of “householding” proxy materials and annual reports. This means that only one copy of the proxy materials may have been sent to multiple stockholders in your household. You may promptly obtain an additional copy of the proxy materials and our 2012 Annual Report at no charge by sending a written request to 43 Manning Road, Billerica, Massachusetts 01821 or by calling our Investor Relations department at 978-663-7598. You can also access the proxy materials and annual report online at [www.proxyvote.com](http://www.proxyvote.com). If you hold your shares through a bank or other nominee and wish to discontinue householding or to change your householding election, please contact your nominee. If you hold your shares in your own name and wish to discontinue householding or to change your householding election, you may do so by calling (800) 937-5449 or writing to American Stock Transfer & Trust Company, LLC, 6201 15<sup>th</sup> Avenue, Brooklyn, New York 11219.

Who can attend the Annual Meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend. Each stockholder may also bring guests to the meeting if there is space available.

Where can I find more information?

We file annual, quarterly and current reports, proxy statements, and other information with the SEC. Our common stock is traded on the NASDAQ Global Market (NASDAQ) under the symbol “CSPI.” You may read and copy any document that we file at the SEC’s Public Reference Room at 100 F Street, N.E., Room 1580, Washington, D.C. 20549. Our SEC filings are also available to the public on the SEC’s website at <http://www.sec.gov>.

Who can help answer my questions?

If you have additional questions about the matters proposed for consideration at the Annual Meeting, you should contact:

CSP Inc.

43 Manning Road

Billerica, MA 01821

Attn: Gary W. Levine, Chief Financial Officer

Phone: (978) 663-7598 ext. 1200

What should I do now?

Carefully read this document and either submit your vote via the Internet or by telephone or, if voting by mail, indicate on the proxy card how you want to vote. If voting by mail, sign, date and mail your proxy card in the enclosed prepaid return envelope as soon as possible. You should submit your vote now even if you expect to attend the Annual Meeting and vote in person. Submitting your vote now will not prevent you from later canceling or revoking your proxy right until the meeting, and will ensure that your shares are voted if you later find you cannot attend the Annual Meeting.

How do I find out the voting results?

Preliminary voting results will be announced at the Annual Meeting, and the final voting results will be published in a Form 8-K filed with the SEC within four business days after the Annual Meeting.

You may obtain a copy of the filed Form 8-K by visiting our website or the SEC's website, contacting our Investor Relations department by calling 978-663-7598, or writing to Investor Relations, CSP Inc., 43 Manning Road, Billerica, Massachusetts 01821.

What if I have questions about lost stock certificates or I need to change my mailing address?

Stockholders may contact our transfer agent, American Stock Transfer & Trust Company, LLC, by calling the Customer Support Document (800) 937-5449 or writing 6201 15<sup>th</sup> Avenue, Brooklyn, New York 11219.

## RECENT DEVELOPMENTS

North & Webster Value Opportunities Fund, LP and Affiliates

North & Webster Value Opportunities Fund, LP (“NW Fund”), North & Webster, LLC and Samuel A. Kidston (collectively, “NW Group”) have filed proxy materials with the Securities and Exchange Commission in connection with this Annual Meeting.

Those materials state that the NW Group seeks authority not to attend the meeting, and not to vote the shares, on behalf of any stockholder who returns a proxy card to the NW Group.

The materials further state that any stockholder who signs and returns a proxy card to the NW Group “will be disenfranchised with respect to the election of directors and the other proposed items on the agenda at the Annual Meeting.” There is no means on the NW Group proxy card, as filed, for a stockholder to vote with particularity to oppose any of the proposals on the Company's Notice of Annual Meeting.

We will not count for purposes of determining the presence of a quorum at the Annual Meeting the shares held by a stockholder who grants such authority to the NW Group by returning a purported “proxy card” to the NW Group, because those shares will not be present or represented at the Annual Meeting.

CSP Inc. understands that any stockholder has the right not to attend our Annual Meeting. No stockholder has a legal duty to participate in an Annual Meeting or to return a proxy card to anyone.

For additional information about quorum and voting at the Annual Meeting, see “Questions And Answers Regarding The Annual Meeting” above.

### Background

By letter to the Company dated November 21, 2012, NW Fund sought to notify the Company of its purported nomination of an opposition slate of four insurgent directors for election to the Company’s Board at the Annual Meeting. The letter purported to include the information required under the Company’s by-laws as then in effect in respect of stockholder nominations of directors. NW Fund identified the four individuals it intended to nominate for election to the Board at the Annual Meeting. NW Fund also notified the Company of its intention to solicit proxies from the stockholders of the Company in connection with the election of directors to the Board.

On January 9, 2013, the NW Group filed a preliminary proxy statement and related soliciting materials with the Commission. Included in these materials was an open letter from NW LLC to the Company's Board of Directors, wherein NW LLC sought to notify the Company of its intention to solicit the Company's stockholders for authority not to attend the Annual Meeting and thereby to withhold their votes, in order to prevent a quorum at the Annual Meeting. NW Group's preliminary proxy statement stated that NW Group controls 133,266 shares of the Company's Common stock (equal to approximately 3.9% of the issued and outstanding Common Stock). NW Group amended this filing on January 18, 2013, noting that while it is not contesting the election of the Company's nominees for director, it reserves the right to do so in the future.

On January 9, 2013, NW Fund submitted a letter to the Company wherein it made a demand to inspect and make copies of the Company's stockholder list and other materials purportedly in compliance with Section 16.02 of the Massachusetts Business Corporation Act. The Company has subsequently responded by delivering a letter to NW Group's counsel stating that the Company will provide the requested materials subject to NW Group paying reasonable costs of reproduction in accordance with Section 16.03 of the Massachusetts Business Corporation Act and entry by the parties into a mutually satisfactory confidentiality agreement.

In addition to the foregoing correspondence, the Company has had the following material contacts with NW Group relating to NW Group's solicitation in connection with the Annual Meeting. On November 7, 2012, NW Group sent a letter to the Board of Directors stating NW Group's desire to enter into discussions with the Company and, subject to conditions, its willingness to offer to acquire the Company for \$5.50 per share in cash. On November 9, 2012, the Board of Directors sent a letter to NW Group in response to NW Group's November 7 letter, in which the Board of Directors indicated that it would review the letter and determine a course of action. The NW Group sent the Company additional letters, to the same general effect as the November 7 letter, on November 14 and December 18, 2012. On January 10, 2013, counsel to the NW Group advised Company counsel that the NW Group had not withdrawn its nominations of November 21, 2012 and reserved its rights with respect thereto.

The Board has not entered into any discussions with North & Webster and sees no merit in giving further consideration to the NW Group's proposal.

The board does not know at this time when or whether stockholders will receive any communications from the NW Group. If such a communication is sent to you as a stockholder, we encourage you to wait for further communications from the Company before responding.

## CORPORATE GOVERNANCE

---

We believe that good corporate governance and fair and ethical business practices are crucial not only to the proper operation of our company, but also to building and maintaining confidence in the integrity, reliability and transparency of the securities markets. We endeavor to stay abreast of the actions taken in the past few years by Congress, the SEC and NASDAQ to improve and enhance corporate governance, and we take our responsibilities in this area very seriously. This section explains some of the things we have done, or are considering, to improve the way we run CSPI.

### Independent Directors

Rules and regulations of the SEC and NASDAQ require that a majority of our Board be “independent.” The Board has reviewed those rules and regulations and has determined that Messrs. Lyons, Hall, James and Williams are independent directors. As required by NASDAQ rules, the independent directors convene regularly scheduled meetings at which only independent directors are present.

### Board Leadership Structure and Role in Risk Oversight

With the passing of our Chairman and Chief Executive officer Alexander Lupinetti, our Board has separated the roles of Chairman of the Board and Chief Executive Officer. The Board believes that separating the positions of Chairman and Chief Executive Officer offers independent Board leadership and objective oversight of management. The Board believes that this separation will give better clarity of leadership and is in the best interests of CSPI and its stockholders at this time. The non-management directors regularly meet alone in executive session at Board meetings. Management is responsible for the day-to-day management of the risks that we face, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board is responsible for satisfying itself that the risk management processes are adequate and functioning as designed. The Board’s involvement in risk oversight includes receiving regular reports from members of senior management and evaluating areas of material risk to the Company, including operational, financial, legal, regulatory, strategic and reputational risks.

The Compensation Committee regularly considers the risks associated with our compensation policies and practices for employees, including those related to executive compensation programs. As part of the risk assessment, the Compensation Committee reviewed our compensation programs for certain design features that have been identified as having the potential to encourage excessive risk-taking, such as compensation mix overly weighted toward annual incentives and unreasonable goals or thresholds. The Compensation Committee determined that, for all employees, our compensation programs encourage our employees to take appropriate risks and encourage behaviors that enhance sustainable value creation in furtherance of the Company’s business, but do not encourage excessive risk and accordingly are not reasonably likely to have a material adverse effect on the Company. The Compensation Committee believes that because we closely link our variable compensation with attaining performance objectives, we are encouraging our employees to make decisions that should result in positive short-term and long-term returns for our business and our stockholders without providing an incentive to take unnecessary risks. The Compensation Committee on an on-going basis reviews our compensation policies and programs to ensure that our compensation programs and risk mitigation strategies continue to discourage imprudent risk-taking activities.

### Meetings and Committees of the Board of Directors

Our Board met five times during the fiscal year ended September 30, 2012. In addition, the Audit Committee met four times, the Compensation Committee met three times, and the Nominating Committee met once. All members attended all of the meetings of the Board and of the committees of which they were a member.

### Policies and Procedures for the Review and Approval of Transactions with Related Parties

Our Board has no formal policies and procedures for the review and approval of transactions with related parties. However, the Audit Committee has the responsibility of reviewing and approving transactions with related parties. In connection with the review of any related party transactions, the Audit Committee considers, among other matters, the nature, timing and duration of the transactions, the relationships of the parties to the transactions, whether the transactions are in the ordinary course of the Company’s business, the dollar value of the transactions and whether the

transactions are in the interests of the Company. The Audit Committee did not consider any related party transactions in fiscal year 2012.

Code of Ethics

We have adopted a code of ethics that applies to all of our executive officers, directors and employees, and which is available in the Investor Relations section (under Corporate Governance) of our website at [www.cspi.com](http://www.cspi.com). A copy of the code of ethics can also be obtained, without charge, by written request to Investor Relations, CSP Inc., 43 Manning Road, Billerica, Massachusetts 01821.

#### Communications with our Board of Directors

Our stockholders may communicate directly with the members of our Board or the individual chairmen of the standing Board committees by writing directly to those individuals c/o CSP Inc. at the following address: 43 Manning Road, Billerica, Massachusetts 01821. Our policy is to forward, and not intentionally to screen, any mail received at our corporate office for an individual to that individual.

#### Policy Regarding Board Attendance

It is our policy that all members of the Board attend the Annual Meeting of stockholders in person, although we recognize that our directors occasionally may be unable to attend for personal or professional reasons. We generally hold a meeting of the Board on the same date as the Annual Meeting of stockholders. In 2012, all directors attended the Annual Meeting.

#### Director Candidates and Selection Process

Under our by-laws, nominations for election to our Board may be made only by or at the direction of the Board (which has established the Nominating Committee in connection with this process) or by a stockholder who satisfies the substantive and procedural requirements set forth in our by-laws. Candidates nominated by or at the direction of the Board will appear as the Company's nominees in our proxy materials. An eligible stockholder who complies with our by-laws is able to nominate a candidate for election at our Annual Meeting, and stockholders who are present in person or by proxy at the meeting may vote for such a nominee. However, the Company's proxy materials are not available for that nominee. That is, any eligible stockholder wishing to nominate a non-Board endorsed candidate for election as a director and solicit proxies for such nominee must prepare and file with the SEC, at his own expense, proxy materials meeting the applicable requirements of law for a proxy contest.

The Nominating Committee believes that the minimum qualifications for serving as one of our directors are that a nominee demonstrate significant accomplishment in his or her field, ability to make a meaningful contribution to the Board's oversight of our business affairs and have an excellent record and reputation for honest and ethical conduct in both his or her professional and personal activities. In addition, the Nominating Committee examines a candidate's specific knowledge, experience and skills, availability in light of other commitments, potential conflicts of interest and independence from our management and CSPI. Although the Nominating Committee does not have a standalone policy with regard to consideration of diversity in identifying director nominees, it considers diversity in professional background, experience, expertise (including as to financial matters) and perspective (including as to age, gender and ethnicity) with respect to the Board composition as a whole when evaluating a director nominee.

The Nominating Committee may use any number of methods to identify potential nominees, including personal, management, and industry contacts, recruiting firms and, as described above, candidates recommended by stockholders. The Nominating Committee did not engage any third-party recruiting firms to identify nominees in fiscal 2012.

Once a person has been identified by the Nominating Committee as a potential candidate, the committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the chairman or another member of the committee will contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering, and conduct one or more interviews with the candidate, other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments, and may seek management input on the candidate. The Nominating Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder.

The Nominating Committee will consider, for possible Board endorsement, director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the

recommendation in writing and must include the following information, among other things:

• the name and address of the stockholder and the class and number of shares of our stock beneficially owned by the stockholder and owned of record by the stockholder; and

all information relating to the candidate that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, or any other applicable statute, rule or regulation.

Article III, Section 4 of our by-laws requires that the stockholder recommendation and information described above must be received by our corporate secretary at our executive offices not less than 90 days prior to the date of our Annual Meeting of stockholders; provided, however, that if the Annual Meeting (or a special meeting in lieu of the Annual Meeting) is to be held on a date prior to such specified date, and if less than 100 days' notice or prior public disclosure of the date of such annual or special meeting is given or made, notice by the stockholder to be timely must be so received not later than the close of business on the 10<sup>th</sup> day

following the earlier of the day on which notice of the date of the scheduled meeting was mailed or the day on which public disclosure was made of the date of such annual or special meeting. Therefore, the deadline for submission of notice for our 2014 Annual Meeting will be November 14, 2013. Our by-laws contain a number of other substantive and procedural requirements, which should be reviewed by any interested stockholder. This description is qualified in its entirety by the text of our by-laws, to which readers are referred for additional information.

#### Notice of By-Law Amendments

Pursuant to Section 10.20 of the Massachusetts Business Corporation Act, or MBCA, we wish to notify stockholders of two amendments to our by-laws approved by the Board of Directors since our last Annual Meeting. First, on May 8, 2012, the Board adopted a resolution to exempt the Company from Section 8.06 of the MBCA, which provides for classified boards of directors for public corporations. Accordingly, the Board amended Article III, Section 2(b) of our By-Laws to eliminate language which set forth provisions dealing with the classification of the Board and the election of directors to staggered three-year terms. Second, on December 12, 2012, the Board amended Article II, Section 3 of the Company's by-laws so as to restrict the location of meetings of stockholders to the United States and to clarify that adjourned meetings of stockholders are to be held at such place as is designated in the vote of adjournment.

#### COMMITTEES OF THE BOARD OF DIRECTORS

##### Audit Committee

Our Audit Committee consists of Messrs. James (chairman), Hall and Williams. The Board determined that the members of our Audit Committee are not only independent, but also are "financially literate" for purposes of NASDAQ rules (that is, able to read and understand financial statements). In addition, the Board has concluded that Mr. James qualifies as an "audit committee financial expert." Mr. James was a CPA and worked in public accounting from 1962 to 1965. He was chief financial officer of Systems Engineering Laboratories in Ft. Lauderdale, Florida from 1969 to 1980, has served on numerous audit committees and currently serves on the audit committee of Concurrent Computer Corporation.

Our Audit Committee is responsible for overseeing our accounting and financial reporting processes and the audits of our financial statements. The committee acts in an oversight capacity and relies on the work and assurances of both management, which has primary responsibility for our financial statements, and our independent auditors, who are responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles. Our Audit Committee has adopted a written charter, a current copy of which is available in the Investor Relations section (under Corporate Governance) of our web site at [www.cspi.com](http://www.cspi.com). A copy of the charter is also available to stockholders upon request, addressed to CSP Inc., Attn: Corporate Secretary, 43 Manning Road, Billerica, Massachusetts 01821.

##### Nominating Committee

The members of the Nominating Committee are Messrs. Williams (chairman), James, Hall and Lyons, each of whom is an independent director. The functions of our Nominating Committee include the following:

- identify and recommend to the Board individuals qualified to serve as our directors;
- recommend directors to serve on committees of the Board; and
- advise the Board with respect to matters of Board composition and procedures.

Our Nominating Committee has adopted a written charter, a current copy of which is available in the Investor Relations section (under Corporate Governance) of our web site at [www.cspi.com](http://www.cspi.com). A copy of the charter is also available to stockholders upon request, addressed to CSP Inc., Attn: Corporate Secretary, 43 Manning Road, Billerica, Massachusetts 01821.

##### Compensation Committee

Our Compensation Committee is composed of Messrs. Lyons (chairman), James and Hall, each of whom is an independent director. This committee is charged with reviewing and approving executive officers' compensation and administering our stock option plans. The Committee also reviews and recommends the compensation to be paid to directors. For fiscal 2012, compensation consultants had no role in determining or recommending the amount or form of executive or director compensation. NASDAQ rules require that the compensation of the chief executive officer be determined, or recommended to the Board for its determination, by either a majority of independent directors or a

wholly independent Compensation Committee. NASDAQ rules prohibit a company's CEO from being present during voting or deliberations with respect to his compensation. Compensation of all other executive officers is required to be determined in the same manner, except that the CEO is permitted to be present.

Our Compensation Committee has adopted a written charter, a current copy of which is available in the Investor Relations section (under Corporate Governance) of our web site at [www.cspi.com](http://www.cspi.com). A copy of the charter is also available to stockholders upon request, addressed to CSP Inc., Attn: Corporate Secretary, 43 Manning Road, Billerica, Massachusetts 01821.

The net proceeds of officers life insurance was excluded in the bonus calculation. For Mr. Dellovo, Non-Equity Incentive Plan Compensation reflects achievement of approximately 150% of his target bonus of 50% of his base salary in 2012. For Mr. Bent, Non-Equity Incentive Plan Compensation reflects achievement of approximately 234% of his target bonus of 30%

9. For Mr. Lupinetti, Non-Equity Incentive Plan Compensation reflects achievement of approximately 132% of his target bonus of 50% of his base salary in 2011. For Mr. Levine, Non-Equity Incentive Plan Compensation reflects achievement of approximately 132% of his target bonus of 30% of his base salary in 2011. For Mr. Dellovo, Non-Equity Incentive Plan Compensation reflects achievement of approximately 150% of his target bonus of 50% of his base salary in 2011. For Mr. Bent, Non-Equity Incentive Plan Compensation reflects achievement of approximately 109% of his target bonus of 30% of his base salary in 2011

10. The Company provides to Mr. Levine (and provided to Mr. Lupinetti) a supplemental “death benefit” retirement plan, the benefits of which are vested. Upon his death, Mr. Lupinetti’s beneficiaries have been paid \$1,500,000. Upon retirement the plan provides for an annual pay-out of \$50,000 in the case of Mr. Levine. For more information, see Note 9 to our Consolidated Financial Statements as of and for the years ended September 30, 2012 and 2011, filed with our Annual Report on Form 10-K for the fiscal year ended September 30, 2012.

11. For Mr. Lupinetti, the amount represents \$8,048 and \$10,646 in employer contributions to Mr. Lupinetti’s 401(k) plan for 2012 and 2011, respectively, and \$5,248 and \$8,089 for the cost of a Company-provided vehicle for 2012 and 2011, respectively. For Mr. Levine, the amount represents \$8,051 and \$7,239 in employer contributions to Mr. Levine’s 401(k) plan for 2012 and 2011, respectively, and \$29,600 and \$29,780 for a split life insurance policy for Mr. Levine’s benefit in 2012 and 2011, respectively. For Messrs. Dellovo and Bent, All Other Compensation was less than \$10,000 and therefore omitted.

#### Employment Agreements and Arrangements

In addition to the employment arrangements described in the footnotes to the Summary Compensation Table, we have an employment agreement with Mr. Dellovo dated September 4, 2012, under which Mr. Dellovo became one of our directors and our President and Chief Executive Officer. Effective September 4, 2012, Mr. Dellovo’s base salary under the agreement is \$350,000. On October 1, 2012 Mr. Dellovo became eligible to receive a bonus based on the attainment of certain financial objectives. Mr. Dellovo has received 30,000 restricted shares of the Company’s common stock, of which 15,000 shares will vest at a rate of 25% each year, and the remaining 15,000 will vest at a rate of 33-1/3% per year if the Company meets or exceeds its planned revenue and earnings before income taxes in for the fiscal year commencing October 1, 2012. However, if we are acquired by way of a sale of substantially all our assets or by merger, all the shares will be fully vest at the time of such acquisition. We also provide Mr. Dellovo with the use of an automobile.

Under his employment agreement, in the event that we terminate Mr. Dellovo’s employment other than for cause (as defined), he will be entitled to 12 months of severance pay at his then effective monthly salary. However, as discussed below, Mr. Dellovo’s employment agreement has been supplemented and modified by a change of control agreement with us.

#### Change of Control Agreements

Mr. Dellovo and Mr. Levine have change of control agreements with the Company executed in September 2012 and January 2008, respectively. Under those agreements, in exchange for the right to severance benefits under the circumstances described in the agreements, each executive agrees that for a period of six months after he leaves the Company he will not solicit customers or employees of the Company, directly or indirectly. In case of either a change of control (as defined, and including a change in the majority of the incumbent directors over a two-year period, except for new directors nominated or selected by a majority of the then incumbent board), or termination of employment without cause (as defined) or termination or an adverse change in status of the executive in anticipation of or as required to accomplish a change of control, the executive will be entitled to:

a multiple of his base compensation for the Company's fiscal year then in effect or, if greater, a multiple of his base compensation for the Company's previous fiscal year, plus

a multiple of his annual target variable compensation bonus for the fiscal year then in effect or, if there is no bonus plan in effect that year, the highest variable compensation bonus paid to the executive in any of the three preceding fiscal years.

For Mr. Dellovo, the payouts are two times base compensation and bonus (with the target compensation equal to 50% of annual base pay). For Mr. Levine, the payouts are one times base compensation and bonus (with the target compensation equal to 30% of annual base pay). To receive payment, the executive must deliver to the Company a satisfactory release of claims.

Following a change of control, Mr. Dellovo and Mr. Levine would be entitled to two years and one year, respectively, of comparable health and welfare benefits, by continuing the executive in the Company's health and welfare plans, or by payment by the Company of amounts sufficient to purchase equivalent coverage in a lump sum or periodically. The executive's stock options and restricted stock awards would vest, and the executive would be entitled to exercise stock options and satisfy any tax withholding obligations under restricted stock awards by delivering shares of our common stock to the Company, or having shares of common stock withheld by the Company, in each case at the fair market value of the common stock and sufficient to meet the relevant requirement. In case of voluntary resignation or termination of employment for cause or by reason of death or disability, then no severance payments would be payable to the executive.

As an illustration of the payments available to Mr. Dellovo and Mr. Levine, if there had been a change of control of the Company as of December 1, 2012, then, based on fiscal year 2012 compensation, Mr. Dellovo would have received \$1,050,000 under his employment and change of control agreement, plus the value of health and welfare benefits as described above, plus other vested benefits in the form of retirement funds. In addition, the value of Mr. Dellovo's accelerated stock awards would be \$184,950 based on the closing price of our common stock on the NASDAQ Global Market (\$5.40) as of the close of trading on November 30, 2012. Of the unvested options held by Mr. Dellovo at December 1, 2012, all except 500 shares have an exercise price greater than the fair market value of our common stock on that date. Accordingly, solely for purposes of this illustration, we have assumed that these options do not have

Under the same hypothetical circumstances, Mr. Levine would have received \$367,854 under his change of control agreement, plus the value of health and welfare benefits, plus other vested benefits in the form of retirement funds. In addition, the value of Mr. Levine's accelerated stock awards would be \$48,600 based on the closing price of our common stock on the NASDAQ Global Market (\$5.40) as of the close of trading on November 30, 2012 and the value of his accelerated stock options would be \$1,250. Of the unvested options held by Mr. Levine at December 1, 2012, all except 1,250 shares have an exercise price greater than the fair market value of our common stock on that date. Accordingly, solely for purposes of this illustration, we have assumed that these options do not have value. These illustrations do not take account of tax effects and are intended only as examples.

## Notes:

- Options vest for 25% a year for all options except for Mr. Lupinetti. Mr. Lupinetti's options vested over four years on a quarterly basis or at a rate of 6.25% each quarter.
- All options have a 10-year term.
- The restricted stock awards vest in equal installments on the first four anniversaries of the grant date.

4. Value is calculated by multiplying the number of restricted stock awards that have not vested by the closing price of our common stock on the NASDAQ Global Market (\$4.48) as of the close of trading on September 28, 2012.

5. Mr. Lupinetti died on August 19, 2012 and Mr. Dellovo became President and CEO on August 20, 2012.

6. Mr. Lupinetti had 29,333 shares under the restricted stock awards that were not vested on his date of death which were forfeited back to the Company.

On October 18, 2012, Mr. Dellovo received restricted stock award of 30,000 shares, respectively, at a price equal to the fair market value on the award date. Of these, 15,000 shares will vest at a rate of 25% each year, and the remaining 15,000 will vest at a rate of 33-1/3% per year if the Company meets or exceeds its planned revenue and earnings before income taxes in for the fiscal year commencing October 1, 2013. On December 14, 2012 Messrs. Levine and Bent received restricted stock awards of 4,000 and 1,000 shares, at a price equal to the fair market value on the award date. The awards vest over four years.

PROPOSAL TWO:

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 enables our stockholders to vote to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules. Because your vote is advisory, it will not be binding on the Board or the Company. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Our executive compensation programs are designed to attract, motivate, and retain our named executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of specific annual corporate goals that are intended to enhance stockholder value.

The Compensation Committee continually reviews the compensation programs for our named executive officers to ensure they achieve the desired goals of aligning our executive compensation structure with our stockholders' interests and current market practices. We note that we have a number of compensation practices that reflect our awareness of the need to align compensation and stockholder value, including the following:

A large proportion of the total compensation paid to our named executive officers in fiscal year 2012 consisted of non-equity incentive plan compensation tied to the achievement of Company and individual performance goals (in the case of Mr. Dellovo, 40%; Mr. Levine, 39% and Mr. Bent 27%).

We have no agreements that provide tax gross-ups for any of our executive officers.

In fiscal year 2012, our executive team successfully managed the Company through the recent dramatic economic downturn .

For the fiscal year ending September 30, 2012, we grew our revenues by 15%, while our net income increased from \$369,000 in fiscal year 2011 to \$6,609,000 in fiscal year 2012, an improvement of \$6,240,000.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our named executive officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers as described pursuant to applicable SEC rules in this proxy statement. Accordingly, we will ask our stockholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in this proxy statement pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative discussion, is hereby APPROVED."

Our Board of Directors and Compensation Committee value the opinions of our stockholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our stockholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board of Directors unanimously recommends a vote "FOR" the approval of the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

Unless marked to the contrary, proxies received will be voted "FOR" Proposal Two.

PROPOSAL THREE:

ADVISORY VOTE ON THE FREQUENCY OF AN ADVISORY VOTE  
ON EXECUTIVE COMPENSATION

The Dodd-Frank Act also enables our stockholders to indicate how frequently we should seek an advisory vote on the compensation of our named executive officers, as disclosed pursuant to the SEC's compensation disclosure rules, such as Proposal Two included on the previous page of this proxy statement. By voting on this Proposal Three, stockholders may indicate whether they would prefer an advisory vote on named executive officer compensation once every one, two, or three years (stockholders may also abstain on the matter).

A stockholder advisory vote on executive compensation is important to the Company. We appreciate the past approval of particular incentive programs, such as stock incentive plans, by our stockholders. This has served both the Company and our stockholders well, helping to ensure a more direct alignment between executive compensation and financial performance results. Setting a three year period for holding this stockholder vote will enhance stockholder communication by providing a clear, simple means for the Company to obtain information on investor sentiment about our executive compensation philosophy. An advisory vote every three years will be the most effective timeframe for the Company to respond to stockholders' feedback and provide the Company with sufficient time to engage with stockholders to understand and respond to the vote results. The Company also believes a triennial vote would align more closely with the multi-year performance measurement cycle the Company uses. Our executive compensation programs are intended to reflect a long-term business strategy, which is more appropriately reflected with a three-year timeframe.

You may cast a vote on your preferred voting frequency by choosing from the options of one year, two years or three years, or you may abstain from voting, when you vote in response to the resolution set forth below. You are not voting to approve or disapprove the recommendation of our board of directors.

“RESOLVED, that the option of one year, two years or three years that receives the highest number of votes cast for this resolution be approved, on an advisory basis, as the preferred frequency with which CSPI holds advisory stockholder votes to approve the compensation of its named executive officers, as disclosed in the proxy statement filed in connection with its Annual Meeting of stockholders or any special meeting in lieu thereof pursuant to Item 402 of Regulation S-K.”

The Board of Directors unanimously recommends a vote for the option of once every THREE YEARS as the frequency with which stockholders are provided an advisory vote on executive compensation.

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Our only issued and outstanding class of voting securities is our common stock. Holders of common stock are entitled to one vote per share of such stock held by them of record at the close of business on December 14, 2012 upon each matter which may come before the Annual Meeting. At the close of business on January 18, 2013, there were 3,442,842 shares of common stock issued and outstanding.

#### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our officers, directors, and persons who own more than 10% of a registered class of our equity securities (our common stock) to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater-than-10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely upon a review of Forms 3, 4, 5 and amendments thereto furnished to the Company during fiscal 2012, or written representations that no Form 5 was required, the Company believes that all Section 16(a) filing requirements applicable to its officers, directors and greater-than-10% stockholders were fulfilled in a timely manner, except for the following: (i) Mr. Hall omitted to file a Form 4 with respect to a restricted stock award of 2,500 shares on February 10, 2012 and a stock award of 200 shares on May 30, 2012, and (ii) Mr. Williams filed a Form 5 on November 13, 2011 with respect to sales of 5,300 shares on August 10, 2012, 300 shares on August 15, 2012, and 400 shares on August 16, 2012.

#### INFORMATION ABOUT OUR AUDIT COMMITTEE AND INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

##### Audit Committee Report

The following report of the Audit Committee should not be deemed to be “soliciting material” or to be “filed” with the SEC, nor should this information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that we specifically incorporate it by reference into such a filing.

The Audit Committee believes that a candid, substantive and focused dialogue with the independent auditors is fundamental to the Committee's oversight responsibilities. In support of this view, our Committee periodically meets separately with the independent auditors, without management present. In the course of its discussion in these meetings, the Committee addresses a number of questions intended to bring to light any area of potential concern related to our financial reporting and internal controls. These questions include:

Whether there were any significant accounting judgments, estimates or adjustments made by management in preparing the financial statements that would have been made differently had the auditors themselves prepared and been responsible for the financial statements.

Whether the auditors have concluded that, based on the auditors' experience and their knowledge of CSPI, our financial statements fairly present to the investor, with clarity and completeness, our financial position and performance for each reporting period in accordance with generally accepted accounting principles and SEC disclosure requirements.

Whether the auditors have concluded that, based on their experience and knowledge of CSPI, we have implemented internal controls and internal audit procedures that are appropriate for us.

The Audit Committee recommended the engagement of McGladrey and Pullen, LLP (McGladrey) as our independent auditors for fiscal year 2012 and reviewed with the independent auditors their respective overall audit scope and plans. In reaching its recommendation, the Committee considered the qualifications of McGladrey and discussed with McGladrey their independence, including a review of any and all audit and non-audit services provided by them to us. The Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, and by the Sarbanes-Oxley Act of 2002. The Committee received and discussed with the independent auditors their written report required by the Independence Standards Board Standard No. 1, PCAOB Independence Rules 3526, Communications with Audit Committees Concerning Independence.

Management has reviewed the audited financial statements for fiscal year 2012 with the Audit Committee, including a discussion of the quality and acceptability of the financial reporting, the reasonableness of significant accounting judgments and estimates and the clarity of disclosures in the financial statements. In connection with this review and discussion, the Audit Committee asked a number of follow-up questions of management and the independent auditors to help give the Committee comfort in connection with its review.

In reliance on the review and discussion referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2012 for filing with the SEC, and our Board has accepted this recommendation.

PROPOSAL FOUR:

RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT AUDITORS

McGladrey & Pullen, LLP currently serves as the Company's independent auditors, and that firm conducted the audit of the Company's financial statements for fiscal year 2012. The Audit Committee has appointed McGladrey & Pullen, LLP to serve as our independent auditors to conduct an audit of the Company's financial statements for fiscal year 2013.

Selection of the Company's independent auditors is not required to be submitted to a vote of the stockholders of the Company for ratification. However, the Board of Directors is submitting this matter to the stockholders as a matter of good corporate practice. If the stockholders fail to vote in favor of the selection, the Audit Committee will reconsider whether to retain McGladrey & Pullen, LLP and may retain that firm or another without re-submitting the matter to the Company's stockholders.
